**OBJECTIVES ACTIVITIES AND ACHIEVEMENTS DURING THE YEAR**

The objects for which the company is established, as set out in the Memorandum of Association, are: "The advancement of Christianity, transforming lives, communities & cities. The method of achieving the aim of the association is by providing an enjoyable and attractive scheme of progressive training, based on the Christian doctrine.

These objectives are charitable and operate for the public benefit are required in section 4 of the Charities Act 2006 to have due regard to the Charity Commission's general guidance on public benefit, Charities and Public Benefit.

Over the course of the year the church's membership numbers have been staggered, which can be traced back to the impact of Covid19 pandemic. Moreover, there were several activities, events, and opportunities to bring together lots of people within and outside the borough of Enfield, some of these involving people from all races, ages and partner organisations. Free car wash and health talk

The annual Free Car Wash and BBQ event (which normally is a family fun-filled event that brings together residents of Enfield) was held on the 30th of August. It was an opportunity to have a health and wellbeing stand for residents to meet with local GP's as well as Vaccine Champions to talk about the Covid19 vaccinations and concerns. Several people seized the chance, and we had the GPs with us for over 2hrs. The event which is purely focused on inspiring love and friendship amongst residents in the borough of Enfield began in 2013 and recorded an impressive number of 74 cars in eight and a half hours going through the car park for a free full wash service. In 2014 the time was reduced to five [5] hours, yet there was an increase in the number of cars washed and volunteers involved which in many ways has encouraged the continuation of the event to date. In 2017, the free car wash event was incorporated into a weeklong planned evangelism outreach that the team at N:flame put together and tagged as the Enfield Mission Week. Although the mission week was between the 23rd – 30th of July, the free car wash was held on the 29th in the car park of the Revival Christian church of Enfield and proved to be a tremendous success for another year running. Volunteers washed and cleaned the exterior as well as the interior of well over 60 cars that drove in to get their cars cleaned. The event which lasted for 8 hours, likened to previous years, took place on a lovely afternoon and gave room for people to interact as well as make new friends. The Covid19 pandemic made it impossible for the event to hold in 2021 and we are excited that this year's event had afforded us the chance to not only bring Enfield residents together but also host a free health and wellbeing stand where people can have their blood pressure checks, diabetes checks and talk about the Covid19 vaccinations.

**Monthly Town Hall Meeting focused on Health and Wellbeing**

Enfield's monthly Town Hall breakfast meetings for Black African and Caribbean Community are facilitating lots of interesting discussions around health and wellbeing in the community.

Our recent town hall meeting was focused on COVID-19 vaccination, especially as it concerns the black African and Caribbean communities in Enfield. It was a success amidst the full-English breakfast that was more than enough for visitors to 'take-away'.

Several topics have propped up in the course of our recent meetings, such as long Covid-19, mental health concerns, medical negligence, less awareness about available support, amongst others.

At one of the Town Hall Meetings one takeaway from the question-and-answer sessions was that men typically go much less frequently to the GP than women, something that is especially true for Black men. This in turn prompted discussions around how to get more men booking appointments for routine check-ups. Other issues raised were how to counteract misinformation on health matters from social media and the lack of sufficient information into health issues that affect the community.

Discussions were interactive and positive. Dr Oge Ilozue, GP and Senior Clinical Advisor for the London COVID-19 vaccination programme, and Dr Lanre Durojaiye, Medicus Health Partner, answered questions. Cllr Nicki Adeleke, who is also a hospital pharmacist, talked about the importance of pharmacies for communities.

Nutritionist Jean Jean-Marie got everyone engaged about what and how we eat. Eleanor Ambris, Charles, and Annette Horn from the NHS School Aged Immunisation Project, spoke on the role of vaccinations in health. Dr Nick Chanda who is the senior Pastor of the Revival Christian Church of Enfield, repeated the call of the importance of taking health concerns seriously and the benefits of regular health check-ups. All the speakers reiterated the need for people to stay safe during the winter period and those who have not taken the Covid19 vaccination were encouraged to do so.

#### **Job club and Debt Advisory services**

The CAP Job Club is one of our fast growing support projects which is likened to a place to meet, exchange skills, share experiences, find opportunities, and get the right support to help people return to work. It is totally free for residents in Enfield.

CAP Job Clubs consist of eight sessions of practical content, which focus on giving people the right tools to find work. Topics cover goal setting and identifying your unique strengths and skills, CV writing and tips to help job seekers put their best foot forward in an interview. Depending on availability, we also have the chance to connect people with local employers.

During the morning session we run the CAP Steps to Employment Course and provide additional job coaching and community support. Together with trained coaches – and other Job Clubs members – attendees have learnt how to set goals, build a winning CV, and get a foot in the door with employers in Enfield and around London.

Christians Against Poverty (CAP) is a charity that provides free debt help across the UK, and they have been helping people for over 25 years. RCCE partnered with CAP to not just support people in resolving their debt problem but also empower them to break free from worry and fear, finding confidence and hope again. As a charity organization, we help anyone regardless of their religious beliefs. We ensure everybody receives the same caring services regardless of race, nationality, religion, age, gender, marital status, sexual orientation or disability.

Since the beginning of 2022, we have supported over 20 families who were dealing with debts and choose to repay their debts over time, with our help. We supported them in setting up payment arrangements with their creditors and distribute the payment that they make each month. For those with a low income and a low level of debt, they never knew that they could pay a fee of £90 to the Insolvency Service, and many debts can be cleared this way. We provide help with the application and submit it for them.

#### **Digital Training**

As a church with keen interest in the development and growth of members in the community, we understand that digital skills are not only essential but are increasingly more important in our everyday lives. Irrespective of age, sex, or religious beliefs, having digital skills training will ensure that members of the community are ready for the modern-day working environment.

In our digital training course, the over 50's have learnt how to use word processing software to create documents, forms and organise information, how to use and find information by using search engines such as Google and finally how to communicate and collaborate online for work and for personal projects.

Over the year, we have trained several young people on how to use different multimedia tools and software's to work on sermon prep resources, kid's lessons, graphics packages, video recording and editing, photography and sound management.

#### **RCCE Business training and Entrepreneurship**

As part of the many ways at which the church has put together in ensuring that its members as well as the community continues to grow on all fronts; Pastor Nick and Mulenga Chanda thought it wise to make use of the available resources in establishing a business training program.

This vision which had always been in the pipeline, was well thought through in 2017 and officially began in March 2018. According to Pastor Nick Chanda, the leadership of the church is of the belief that every member irrespective of their age, educational background and passion, should be able to put their business idea into implementation mode and become industry leaders if well trained. And as part of this vision, the training team have developed a range of courses to help participants develop brilliant ideas. It had been designed to be worked at a pace participants are comfortable with, the courses outline offers the in-depth knowledge needed to take business further. This is completely free!

As with every other activity that the church has planned, COVID19 pandemic did put a pause on the training in the year 2020 and 2021. We were excited to have done a dry run in 2022, albeit virtually, we hope to return to physical training in 2023.

The training which is broken down into 8 sessions (Mondays only), cover the most important topics for anyone starting or operating a business. The course also includes the following bonuses:

- Sample business plans and templates
- Quizzes that help to validate business ideas
- Case studies from experts on how to overcome common business problems
- New business start-up checklist covering all business topics

#### **FINANCIAL REVIEW**

During the year to 31st March 2022, the church had a total income of £201,022. Donations for specific purpose (i.e. the building fund) were £146,154. As at the year end, there were no reserves available for the charity's use (i.e. unrestricted funds and not represented by fixed assets). The Charity's principal funding sources are the individuals who attend the church services and partner with the ministry via monthly donations.

#### **PLANS FOR FUTURE PERIODS**

We hope to increase the scope of our charitable objectives in the coming years.

**Revival Christian Church Of Enfield**  
**Notes to the Accounts**

**Trade and other creditors**

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Leased assets**

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

**Pension costs**

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

**Receipt of donated goods, facilities and services**

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

**2 Company status**

The company is a private company limited by guarantee and consequently does not have share capital.
