SPILLS HILL CHARITABLE TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 15 APRIL 2022

The Trustees present their annual report together with the financial statements of Spills Hill Charitable Trust (the Trust) for the year ended 15 April 2022. The Trustees confirm that the annual report and financial statements of the Trust comply with the current statutory requirements, the requirements of the Trust's governing document and the provisions of the current Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities".

Structure, governance and management

- Constitution

Spills Hill Charitable Trust is constituted by Deed of Trust dated 22 March 2011 and is a registered charity, number 1141884.

- Trustees

The charity trustees during the year to 15 April 2022 were:

Simon Evans
Virginia Flower
Mark Kalderon

The trustees have the power to appoint new trustees, as set out within the Deed of Trust. The Trust has no staff other than the trustees.

- Meetings

The trustees meet as appropriate to consider the work of the Trust. All grants are approved by the trustees.

- Risk management

The trustees consider a range of risk matters including the safeguarding of its investments and the status of the Trust's grantees. The trustees maintain an insurance policy in respect of the Trust's investment property. This policy is reviewed on an annual basis.

Objectives and activities

- Objects

The objects of the Trust are the furtherance of such exclusively charitable objects or purposes in such manner as the trustees shall in their absolute discretion think fit.

In setting objectives and planning for activities, the trustees have given careful consideration to general guidance published by the Charity Commission relating to public benefit.

- Grant making policy

The Trust makes grants to other charities or voluntary bodies, with particular focus on education, heritage, medical research and humanitarian relief.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 15 APRIL 2022

Achievements and performance

- **Review of activities**

The Trust's main source of regular income is rental income from two investment properties – a terraced house in London SE10 and a residential barn conversion in Staplehurst, Kent. These are let to tenants on assured shorthold tenancies. The Trust's rental income from investment property provides, and will continue to provide, a regular income stream to the Trust. The trustees' intention is to make grants and donations each year approximately equal to the Trust's income, net of expenses. The investment property portfolio has been funded in part by an interest-free, unsecured loan provided by a trustee, Simon Evans. The 2022 year-end balance of the loan was £134,739 (2021: £149,739), and it is envisaged that this will be repaid from income over approximately ten years from 2021.

Grants during the year totalled £32,900, all of which were made to other charitable bodies. The highest grant during the year was £15,000 to the Friends of Friendless Churches (a UK-wide heritage charity, of which Simon Evans is also a trustee).

- **Investment policy**

The trustees are satisfied that it is appropriate for its grant making activities to be funded primarily from the rental income from the Trust's investment property, and that diversification of its investment portfolio into non-property assets would not be appropriate at the present time.

- **Reserves policy**

During the coming year the trustees are confident that the Trust's income stream will enable them to provide continuing support to appropriate organisations. No grant making commitment has been or will be made which the trustees are unable to meet from income received.

Plans for the future

The trustees have no plans to make any major alteration to the way the charity is currently operated. Provided the income is maintained the trustees aim to provide financial support to appropriate charities for many years.

TRUSTEES' REPORT (continued) FOR THE YEAR ENDED 15 APRIL 2022

Trustees' responsibilities statement

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 15 January 2023 and signed on their behalf by:

SPILLS HILL CHARITABLE TRUST

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 15 APRIL 2022

Independent examiner's report to the Trustees of Spills Hill Charitable Trust

I report on the financial statements of the Trust for the year ended 15 April 2022 which are set out on pages 6 to 49.

This report is made solely to the Trust's Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the Trust's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body, for my work or for this report.

Respective responsibilities of Trustees and examiner

The Trust's Trustees are responsible for the preparation of the financial statements, and they consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Trust and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the Act; and
 - to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

John Fassenfelt

In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'. Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the incident of the grant has provided the specified service or output.

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.

The charity made no redundancy payments during the reporting period.

No material item of deferred income has been included in the accounts.

The charity has creditors which are measured at settlement amounts less any trade discounts

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

They are valued at cost.

The depreciation rates and methods used are disclosed in note 9.2.

The charity has **intangible fixed assets**, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5

They are valued at cost.

The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.

They are valued at cost.

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments

Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value.

Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.
