Paddock Cricket, Bowling and Athletic Club

Report of the Trustees for the year ending 31st March 2025

The Trustees are pleased to present their annual report together with the consolidated financial statements of the charity for the year ending 31st March 2025 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Statement of Recommended Practice- Accounting and Reporting by Charities (SORP 2005)

Chair's Report

This is my eleventh full year as club chairman.

This past year has been our third full year of trading since the Covid epidemic. The club re-opened on a permanent in mid - April 2021. As previously the past year has been another in dealing with the disruptions of Covid made worse by the Ukraine war. Trading since the disruptions of the covid lockdowns has impacted the club since March 2020. In the early months since reopening people were still reluctant to socialise and this combined with the cost-of-living crisis has impacted our profitability in the period to the year of 2023. Since then, activity has become normalised and the club is currently trading well in terms of turnover during the current period to 31st March 2025.

However, our trading conditions changed quite dramatically in June 2024 with what can only be described as a dramatic increase of virtually one hundred per cent in our cost of energy supply. The club has also experienced increased costs of other expenses such as insurance and other essential services, but have been fortunate that our bar supplies from Coors Brewery have remained fairly stable. We have made efforts to secure our normal level of gross profit but have unfortunately had to increase our prices but have kept this to a minimum possible amount without.

As previously the club is blessed with an excellent social membership which is now enhanced with the families of the senior and junior football teams that make use of our facilities. It has been wonderful to return to organising our seasonal calendar of social events with successful Easter, Halloween and Christmas events enjoyed by the membership and the local community together with our weekend 'Paddfest' music festival held on the sports ground. The traditional bonfire night has not been resurrected due to problems of bad behaviour at recent bonfire events.

This year we have not made any further clubhouse improvements but the previous improvements to the roof space and the toilet areas have clearly improved the well-being of the club.

The membership is now quite happy to use the social club area of the premises freeing up the function room to host a wide range of functions such as parties and funerals.

In terms of our general sporting activities our crown green bowling section has never recovered from Covid lockdown resulting in a loss of membership. The remaining bowlers have formed up with another nearby bowling club. Our bowling has consequently been put to use as a training area for the football goalkeeping academy sessions. We have established senior football team Britannia Sports hiring the ground facility and also junior teams from Golcar United. The Huddersfield and District Football Association also use our function room for their monthly club administration meetings.

I would like to thank all of the committee members who have worked hard to encourage good usage of our function room their continued hard work and enthusiasm. Each member has a role to play and is invaluable. Their voluntary effort and commitment are vital to moving the club forward. I would especially like to thank the staff of the club, particularly our steward Vicky King our excellent stewards. Vicky Also, to members who have stepped forward to assist in the groundsmanship required to maintain our outside sports facilities to a high standard.

As chairman I am pleased to see my ambition for the club to become more family friendly and orientated being continued, with a continued good atmosphere and ambiance has been further developed been by our football members.

Despite the disruption to our normal functioning from increased costs during the year to 31st March 2025 I am once again optimistic that with the current staff and management committee we can keep pushing forward into the future with optimism.

The Sections

The **Bowling Section** has been badly hit by the covid epidemic and seems unlikely to continue into the future, as no teams have been raised to compete in league competitions during the summer of 2024 or 2025.

The **Cricket Section** is still dormant during the 2025 season. Efforts are ongoing to find a suitably good ground for initially establishing junior cricket for the children of Paddock, but as time passes the club is becoming increasingly orientated towards football and junior football.

The football activity of independent senior and junior clubs is now the lifeblood of our outdoor sporting activity and we wish those clubs every success in their endeavours.

Children

Most of our seasonal activities are centred around families and children such as our Halloween and Christmas parties.

Indoor Sports and Pastimes

As noted, we now have teams playing darts, cards, table tennis, pool and snooker in the local leagues.

The future

We are committed to maintaining the football ground to the necessary standards to allow the successful progression of our football players through the FA league pyramid structure.

Liam Fearn, Chair

20th September 2025

Our purpose and activities

The purposes of the charity are to:

1. Promote community participation in healthy recreation for the benefit of the inhabitants of Paddock in the Metropolitan District of Kirklees, and the surrounding area, by the provision and maintenance of facilities for playing bowls, cricket and other sports.
2. Provide and maintain a clubhouse for the use of the inhabitants of Paddock, and the surrounding area, without distinction of political, religious or other opinions, including use for: (a) meetings, lectures and classes, and (b) other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the inhabitants of our community.

The vision that shapes our annual activity is the desire to support the development of sport and other community activities among all members our community. We aim to do this by operating a fully open membership policy and providing a range of inclusive activities and sports at our facility (including constantly upgrading the facilities where resource and funding allow for this).

In shaping our objective for the year and planning our activities, the trustees have considered the Charity Commissions guidance on public benefit, including the guidance on public benefit and fee charging. The club relies upon grants and donations and also upon fee by way of membership subscription income and the trustees give careful consideration to the accessibility to the club activities to those members of the community who are unemployed or on a low income. Our strategy makes clear that we encourage participation in our activities by all members of the community, including local junior and high schools.

In promoting the objectives and vision of the charity the company has undertaken or commenced the following programmes: -

- we continue to enhance the quality and sustainability of our regular sports activities – football, snooker and pool, and (when possible, again) cricket
- we promote and develop a new programme of sports and recreational activities
- we operate a social club and organise a range of social and cultural events, including a bonfire and fireworks evening and a summer festival

Our strategy makes clear that we encourage participation in our activities by all members of the community, including local junior and high schools.

Enhancing existing sports:

Junior and Senior Cricket: It is hoped to restore the junior and senior cricket sections in the future

Senior Football: The sports facility is utilised by Britannia Sports FC who play in the Huddersfield & District Football League.

Pool and Snooker: The current facilities for playing these sports within the club are excellent, and all club members are encouraged to participate either as recreational or competitive team players.

Developing new sporting and recreational activities

The management board of the club continues to investigate the possibility of developing sports suitable for the facilities at West View Rise

Junior Football: Our senior football members have continued to hold community training during school holidays which have been successful and extremely well attended. We are very pleased to welcome the junior teams of Golcar United to utilise our facilities for the foreseeable future.

Volunteers and welfare

Our sports and community activities are entirely led by volunteers. Most volunteers are members of volunteers do not have to pay expenses, such as travel or equipment costs, where such expenses are integral to the charitable objectives of the club.

All members of the Club who work with children, young people and their families, are supported to ensure that all reasonable measures are taken to ensure that the risks of harm to children's welfare are minimized; and where there the club; however, we also work with volunteers and officers from local schools, the University of Huddersfield and the sports development team at Kirklees Council.

We value our volunteers and ensure that their contribution is recognized. The Club is led by a committee of elected volunteers and all members and parents are asked to respect the commitment and effort of our volunteers by helping in the various activities of the club. Where possible the Club also ensures that are concerns about children and young people's welfare, all members are assisted to take appropriate actions to address those concerns, working to agreed Club policies and procedures in full partnership with other local agencies.

Safeguarding children is vital for our volunteer led club – as with all clubs we have a duty of care towards the children with whom our members and visitors have contact. Having safeguards in place within the Club, not only protects and promotes the welfare of children, but also enhances the confidence of trustees, staff, volunteers, parents/carers and the general public. Safeguarding children is beneficial to a voluntary sports club in many ways – protecting its reputation, helping to effectively meet its objectives and protecting its finances.

Our values

Sport is a competitive activity, however, in all of our sports sections we encourage participants to play or coach within the following values framework:

- *Always play by the rules*
- *Never argue with an official*
- *Do not use verbal or physical abuse*
- *Treat all participants in your sport as you would like to be treated*
- *Support your coach, manager, team-mates and opponents*
- *Participate for your own enjoyment and benefit*
- *Respect all of your fellow participants*
- *Always take time to thank all*

Achievements and performance

Football

The Club field has been maintained to a good standard and has hosted local league cup final matches.

Pool and Snooker

Snooker and pool are well established sports at the club and consistently achieve honours in their respective local leagues. The club hosts excellent facilities for each of these indoor sports and competes at a high standard. Club members are however encouraged to use the tables for more recreational use.

Financial review and pricing policy

The club is now in a stable financial position. Attributable profit of £172 (2024 profit £7,208). Although the club is trading well it is still rather short of reserve capital after our major expenditure on roofing and toilet area repairs during the Covid lockdown. The club is fortunate to have taken out the Covid Recovery loan which as at 31st March 2025 stood at £5,238. The club needs to work to improve its working capital reserves to about £10,000 in the future.

Our pricing policy with regard to membership fees and the bar reflects our ambition of enabling all within our community, of whatever means, to participate in our activities, to attend the clubhouse and participate in sport.

Reserves policy

Reserves are needed to bridge the timing gap between spending and the receipt of resources, and to cover emergency property repairs and other expenditure together with any loss of income stream into the future. The Trustees consider that the ideal level of reserves as at 31st March 2025 would now be approximately £10,000, a level which the group is now financed by the Coronavirus Bounce Back Loan.

Plans for future periods

Over the coming 12 months our programme of activities and facility improvements continues to be as follows:

- *Continue to encourage the development of all types and age groups for junior football*
- *Develop the ground as major venue for local league football*
- *Re-establish cricket activity with headquarters at the club*
- *Continue established community events at the sports ground such as our bonfire night display and our seasonal popular concerts*
- *Re-establish cultural activities at the club such as musical organisations to the benefit of the local community*
- *Consolidate the importance of senior football activity at the club.*

Structure, governance and management

Governing document

Paddock Cricket Bowling and Athletic Club is a company limited by guarantee governed by its Article and Memorandum of Association dated 9th January 2011. It is a registered charity with the Charities Commission. Anyone over the age of 17 can become a full paying member of the Company. There are currently 130 full members of the club. Each of the full members agrees to contribute £1 in the event of the charity winding up.

Appointment of trustees

Trustees are appointed in accordance with the Articles of Association of the charity. When complete the Trustee Board consists of 11 and not more than 14 members. A trustee must be a member of the Club. Other than the Chair, the secretary and treasurer, and the nominated representatives of the bowling and cricket sections, one third of the Trustees must retire at each AGM, those longest in office retiring first. Where the number of trustees elected at the AGM falls short of the required number, the Trustees may at any time co-opt any eligible individual.

Trustee induction and training

New trustees are handed a membership pack containing the legal information concerning the charity and the duties and responsibilities of trusteeship.

Organisation

The Board of Trustees, which can have up to 14 members, administers the charity. The Board meets on a monthly basis and there are sub-committees covering each of the sporting activities, finance, and club development, which also normally meet on a monthly basis.

Related parties

None of the trustees receive remuneration, other than the payment of an honorarium of £1,000 for accountancy and administration services, or received any other benefit for their work with the charity.

The charity's wholly owned subsidiary, Paddock CB&AC Enterprises Ltd was established to operate the commercial bar at the clubhouse. Paddock CB&AC Enterprises Ltd gift aids the whole of its profits to the charity (see note 5 in the accounts)

Risk management

The Trustees have a risk management strategy which comprises:

- An annual review of the risks the charity and its subsidiary, Paddock CB&AC Enterprises may face.
- The establishment of systems and procedures to mitigate those risks.
- The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

This work has identified the need for the charity to build up its working capital and reserves as a protection against any future economic downturn and to identify new charitable income streams so as to minimise the dependence on funding from the subsidiary trading company.

Trustees' responsibilities in relation to the financial statements

The charity trustees (who are also the Directors of the Paddock Cricket Bowling and Athletic Club for the purposes of company law) are responsible for preparing a trustee's annual report and financial statement in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law and the law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and the application of resources, including the income and expenditure, of the charitable group for that period. In preparing the financial statements, the trustees are required to:

Select suitable accounting policies and apply them consistently; observe the method and principles in the Charities SORP; make judgements and estimate that are reasonable and prudent; state whether applicable accounting standards have been followed, subject to any material departures

disclosed and explained in the financial statements; prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities Act 2011 (Group Accounts Regulations 2015), -(The Charities SORP 2015)

The trustees have produced group accounts in accordance with the provisions of section 1162 of, and section 7 of the Companies Act 2006, and in accordance with the Charities Act 2011 (Group Accounts) Regulations 2015.

For the year ending 31st March 2025, the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476,
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The notes on pages 15 to 30 form part of these accounts

Signed: Christopher Haigh

Name: Christopher Haigh, Treasurer on behalf of the trustees

Approved by the trustees on 20th September 2025

Notes on the accounts

1) Accounting policies

The principal accounting policies adopted in the preparation of the accounting policies are as follows:

a) Basis of preparation

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of freehold property at market value. The financial statements have been prepared in accordance with the Accounting and Reporting by Charities-Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) also known as the Charities SORP (FRS 102) effective 1st January 2015.

b) Group financial statements

The financial statements consolidate the results of the charity and its wholly owned subsidiary Paddock CB&AC Enterprises Ltd on a line-by-line basis. The Statement of Financial Activities (SoFA) reports the main charities activities undertaken.

The charity is taking advantage of the concession (available under company law) to provide only a consolidated SoFA. Although section 408(4) of the Companies Act 2006 only requires the disclosure of the net surplus (deficit) of the parent the charity has opted to disclose the performance of the charity itself as a note to the accounts (note 3).

The SoFA reports the charities activities as a single line with the expanded analysis in note 7 and 8 of the accounts, the net funding requirements of the charity by each activity is disclosed in note 9 of the accounts. The results of the subsidiary company alone are disclosed in note 5 to the accounts.

c) Incoming resources

All incoming resources are accounted for when the charity has entitlement to the funds, certainty of receipt and the amount is measurable.

d) Donated services and facilities

Donated services or facilities are included in incoming resources when the benefit to the charity is reasonably quantifiable and measurable. They are valued by the trustees at the amount the charity would have been willing to pay for the services or facilities on the open market.

e) Interest receivable

Interest on funds held by the charity is included when receivable by the charity.

f) Fund accounting

Unrestricted funds are available to use to further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which have been set aside to fund particular future

activities of the charity. Restricted funds are donated for particular areas of the charity work or specific projects undertaken.

Government and Local Authority grants received are amortised against relevant expenditure. Any Such funding not yet amortised at the Balance Sheet date are shown as a Capital Grant Fund on the Balance Sheet and detailed in a note to the accounts

g) Resources expended and irrecoverable VAT

All resources expended are recognised once there is a legal or constructive obligation to make a payment to a third party. All resources expended are classified under activity headings that aggregate all costs relating to that category.

- Costs of generating funds comprise the cost of commercial trading including the bar;

-charitable activities include the costs of maintaining the sports ground, clubhouse, sporting activity, and all other activities to further the objectives of the charity;

-governance costs represent those costs of the strategic management of the charity and of complying with constitutional and statutory requirements.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

h) Allocation of support costs

Support costs are those costs which have not been directly attributed to an activity of the charity but do generally support those activities. These costs have been allocated between Charitable Activities and Governance costs. The bases upon which support costs are allocated are set out in note 10.

i) Operating leases

Operating leases and rental charges are charged on a straight-line basis over the term of the lease.

j) Tangible fixed assets

Individual fixed assets costing £500 or more are capitalised and are depreciated on a straight-line basis over their estimated useful lives as follows:

Asset category	Annual rate
-freehold land & buildings	0%
-equipment, fixtures and fittings	10%
-ground equipment	10%

Freehold buildings are not depreciated as the trustees consider the expected life of the buildings to be greater than 50 years.

k) Stock

Stock is included at the lower of cost or net realisable value.

2) Legal status of the club

The Club is a company limited by guarantee and has no share capital. The liability of each member in the event of a winding up is limited to £1.

The trustees consider that an audit the company is not required for this year under section 144 of the Companies Act 2011 (the Charities Act) and that an independent examination is needed.

The total income of the charity (consolidated statement of financial affairs page 12 of the accounts was £194,552 and therefore within the £500,000 exemption limit under FRS (102) update Bulletin 1 for election not to prepare a cash flow statement.

3) Financial performance of the charity

The consolidated statement of financial activities includes the results of the charity's wholly owned subsidiary, Paddock CB&AC Enterprises Limited which operates a bar.

The summary performance of the charity alone is:

Independent examiner's report on the accounts

Report to the trustees/directors, members of Paddock Cricket, Bowling and Athletic Club

On accounts for the year ended 31st March 2025

Charity no: 1141920: Company no: 7508120

Set out on pages 1-30

I report to the trustees/directors, members of Paddock Cricket, Bowling and Athletic Club on my examination of the consolidated accounts of Paddock Cricket, Bowling and Athletic Club and of its subsidiary undertaking for the year ended 31st March 2025

Respective responsibilities of trustees and examiner and basis of report

AS charity's trustees of the Company (who are also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the company are not required to be audited for this year under part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act...

Basis of independent examiner's statement

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me reasonable cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006: or
- the accounts did not accord with such records: or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination: or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102)

I have no concerns or have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
