REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 October 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Escape Animal Sanctuary and Conservation Centre objectives are to provide permanent care for animals and to provide advice, education and information on animal welfare by:

- (1) Providing care protection and permanent security for animals in need of attention by reason of sickness maltreatment poor circumstances ill-usage or other like causes;
- (2) Preventing cruelty and suffering among animals whenever and wherever;
- (3) Promoting animal welfare practices by training education and the raising of awareness of the needs of animals by whatever means appropriate;
- (4) Promoting conservation awareness and conservation issues;

Significant activities

An animal sanctuary was operated in Pilgrims Hatch near Brentwood Essex.

Public benefit

Public benefit is at the heart of what it means to be a charity. Two key principles define this area:

1. There must be identifiable benefits.
2. The benefits must be to the public.

The trustees must carry out the following:

1. Review the activities undertaken for the public benefit.
2. State whether they have complied with this duty.

The main activities undertaken to further the charities purposes for the public benefit are described in this report. The aim is to attract as many members of the public as possible to attend the centre.

The Trustees have reviewed the activities undertaken for the public benefit and confirm their compliance with this duty.

Volunteers

Volunteers visit the centre every week to help care for and feed the animals. The Trustees would like to thank the volunteers for their hard work.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the past year we have continued to rescue and find homes for animals. In addition, we continued to care for animals at our centre. During the year ended 31st October 2024 the animals accepted included horses, goats, sheep, ducks, pigeons, and pigs. Each day 365 days of the year usually six volunteers are present with tasks including mucking out, grooming, and helping with animal husbandry, feeding, and manure removal. The volunteers total 20. An outside solid ground area was created that gives animals in the wintertime protection from standing on mud and water that can cause harm to their health. This cost £42,000 in 2022-2023 and £26,850 in 2023-2024.

Coronavirus

Trustees have ensured that the wellbeing of animals and volunteers is safeguarded. The response from the community, donors and the local authority has ensured that the charity has survived through the coronavirus.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2024

FINANCIAL REVIEW

Financial position

On 31st October 2024, the bank balance was £6,269, creditors £1,300, fixed assets £61,420 to give funds of £66,389.

During the year to 31st October 2024 donation income exceeded expenditure to allow £26,850 payments for ground improvements. Bank balances have reduced.

The Trustees would like to thank all those that gave donations and grants.

Reserves policy

The Trustees have reviewed reserves as follows:

The amounts are rounded for clarity.

The average amounts of monthly expenditure have been £1,200.

The bank balance has fallen to £6,600. This needs to be sufficient to cover points when the day-to-day timing of expenditure is ahead of income to prevent the account going overdrawn. The reserves policy points to a bank balance of £7,600 that covers two months estimated expenditure.

Further details of reserves at 31st October 2024:

	Exclude from reserves	Reserves
Total funds		66,000
Tangible fixed assets not available for general purposes	61,000	
Committed if animals are accepted in an emergency	1,000	
	62,000	(62,000)
Actual reserves		4,000
Amount required by the reserves policy		3,600
Shortfall		(400)

Reserves have been used for front line animal care. Trustees consider that the £400 shortfall in reserves are within reasonable amounts for the size of this charity. Thus, the shortfall can be restored. Moreover, the charity can operate to give care to animals.

The principal risks and uncertainties facing the charity are danger to the animals in our care and accidents to volunteers. Our strategies to manage these risks are training of volunteers and trustees' close day by day involvement working with the animals and volunteers.

Plans are to continue to care for animals, train volunteers and build upon donation income to maintain or increase our capacity to accept animals.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The governing document is The Memorandum and Articles of Association. This is a company limited by guarantee and not having a share capital. The governing document was registered at Companies House on 17th May 2011.

Recruitment and appointment of new trustees

New trustees are chosen for their skills, care for animals and suitability to work as a member of the team of trustees.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 October 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Escape Animal Sanctuary and Conservation Centre objectives are to provide permanent care for animals and to provide advice, education and information on animal welfare by:

- (1) Providing care protection and permanent security for animals in need of attention by reason of sickness maltreatment poor circumstances ill-usage or other like causes;
- (2) Preventing cruelty and suffering among animals whenever and wherever;
- (3) Promoting animal welfare practices by training education and the raising of awareness of the needs of animals by whatever means appropriate;
- (4) Promoting conservation awareness and conservation issues;

Significant activities

An animal sanctuary was operated in Pilgrims Hatch near Brentwood Essex.

Public benefit

Public benefit is at the heart of what it means to be a charity. Two key principles define this area:

1. There must be identifiable benefits.
2. The benefits must be to the public.

The trustees must carry out the following:

1. Review the activities undertaken for the public benefit.
2. State whether they have complied with this duty.

The main activities undertaken to further the charities purposes for the public benefit are described in this report. The aim is to attract as many members of the public as possible to attend the centre.

The Trustees have reviewed the activities undertaken for the public benefit and confirm their compliance with this duty.

Volunteers

Volunteers visit the centre every week to help care for and feed the animals. The Trustees would like to thank the volunteers for their hard work.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the past year we have continued to rescue and find homes for animals. In addition, we continued to care for animals at our centre. During the year ended 31st October 2022 the animals accepted included horses, goats, sheep, ducks, pigeons, and pigs. Each day 365 days of the year usually six volunteers are present with tasks including mucking out, grooming, and helping with animal husbandry, feeding, and manure removal. The volunteers total 20.

Coronavirus

Trustees have ensured that the wellbeing of animals and volunteers is safeguarded. The response from the community, donors and the local authority has ensured that the charity has survived through the coronavirus.

ESCAPE ANIMAL SANCTUARY AND CONSERVATION CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2022

FINANCIAL REVIEW

Financial position

On 31st October 2022, the bank balance was £2,473, creditors £500, fixed assets £2,955 to give funds of £4,928.

During the year to 31st October 2022 donation income and grant income from the local authority fell short of expenditure. Bank balances have decreased.

The Trustees would like to thank all those that gave donations and grants.

Reserves policy

The Trustees have reviewed reserves as follows:

The amounts are rounded for clarity.

The average amounts of monthly income, excluding the coronavirus grant, have been £2,700. The average amount of monthly expenditure has been £4,000.

The bank balance has fallen to £2,400 that is not sufficient to cover points when the day-to-day timing of expenditure is ahead of income to prevent the account going overdrawn. The reserves policy points to a bank balance of £4,000 that covers one months estimated expenditure.

Further details of reserves at 31st October 2022:

	Exclude from reserves	Reserves
Total funds		5,000
Tangible fixed assets not available for general purposes	3,000	
Committed if animals are accepted in an emergency	500	
	3,500	(3,500)
Actual reserves		1,500
Amount required by the reserves policy		4,000
Shortfall		(2,500)

Reserves have been used for front line animal care. Trustees consider that the £2,500 shortfall in reserves are within reasonable amounts for the size of this charity. Thus, the shortfall can be restored. Moreover, the charity can operate to give care to animals.

The principal risks and uncertainties facing the charity are danger to the animals in our care and accidents to volunteers. Our strategies to manage these risks are training of volunteers and trustees' close day by day involvement working with the animals and volunteers.

Plans are to continue to care for animals, train volunteers and build upon donation income to maintain or increase our capacity to accept animals.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The governing document is The Memorandum and Articles of Association. This is a company limited by guarantee and not having a share capital. The governing document was registered at Companies House on 17th May 2011.

Recruitment and appointment of new trustees

New trustees are chosen for their skills, care for animals and suitability to work as a member of the team of trustees.

ESCAPE ANIMAL SANCTUARY AND CONSERVATION CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 October 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Escape Animal Sanctuary and Conservation Centre objectives are to provide permanent care for animals and to provide advice, education and information on animal welfare by:

- (1) Providing care protection and permanent security for animals in need of attention by reason of sickness maltreatment poor circumstances ill-usage or other like causes;
- (2) Preventing cruelty and suffering among animals whenever and wherever;
- (3) Promoting animal welfare practices by training education and the raising of awareness of the needs of animals by whatever means appropriate;
- (4) Promoting conservation awareness and conservation issues;

Significant activities

An animal sanctuary was operated in Pilgrims Hatch near Brentwood Essex.

Public benefit

Public benefit is at the heart of what it means to be a charity. Two key principles define this area:

1. There must be identifiable benefits.
2. The benefits must be to the public.

The trustees must carry out the following:

1. Review the activities undertaken for the public benefit.
2. State whether they have complied with this duty.

The main activities undertaken to further the charities purposes for the public benefit are described in this report. The aim is to attract as many members of the public as possible to attend the centre.

The Trustees have reviewed the activities undertaken for the public benefit and confirm their compliance with this duty.

Volunteers

Volunteers visit the centre every week to help care for and feed the animals. The Trustees would like to thank the volunteers for their hard work.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the past year we have continued to rescue and find homes for animals. In addition, we continued to care for animals at our centre. During the year ended 31st October 2021 the animals accepted included horses, goats, sheep, ducks, pigeons, and pigs. Each day 365 days of the year usually six volunteers are present with tasks including mucking out, grooming, and helping with animal husbandry, feeding, and manure removal. The volunteers total 20.

Coronavirus

Trustees have ensured that the wellbeing of animals and volunteers is safeguarded. The response from the community, donors and the local authority has ensured that the charity will survive through the coronavirus.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2021

FINANCIAL REVIEW

Financial position

On 31st October 2021, the bank balance was £18,345, creditors £540, fixed assets £505 to give funds of £18,310.

During the year to 31st October 2021 donation income and grant income from the local authority was higher than expenditure. Bank balances have increased.

The Trustees would like to thank all those that gave donations and grants.

Reserves policy

The Trustees have reviewed reserves as follows:

The amounts are rounded for clarity.

The average amounts of monthly income, excluding the coronavirus grant, have been £2,300. The average amount of monthly expenditure has been £4,000.

A £12,000 reserve in the bank current account should cover points when the day-to-day timing of expenditure is ahead of income to prevent the account going overdrawn. This amounts to three months average expenditure at £4,000 each month to give £12,000.

Further details of reserves at 31st October 2021:

	Exclude from reserves	Reserves
Total funds		18,000
Tangible fixed assets not available for general purposes	500	
Committed if animals are accepted in an emergency	4,500	
	5,000	(5,000)
Actual reserves		13,000
Amount required by the reserves policy		12,000
Excess		1,000

Reserves have been restored. Trustees consider that the £1,000 excess reserves are within reasonable amounts for the size of this charity.

The principal risks and uncertainties facing the charity are danger to the animals in our care and accidents to volunteers. Our strategies to manage these risks are training of volunteers and trustees' close day by day involvement working with the animals and volunteers.

Plans are to continue to care for animals, train volunteers and build upon donation income to maintain or increase our capacity to accept animals.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The governing document is The Memorandum and Articles of Association. This is a company limited by guarantee and not having a share capital. The governing document was registered at Companies House on 17th May 2011.

Recruitment and appointment of new trustees

New trustees are chosen for their skills, care for animals and suitability to work as a member of the team of trustees.

ESCAPE ANIMAL SANCTUARY AND CONSERVATION CENTRE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The Trustees are in regular contact with one Trustee being on hand for day-to-day management of the animal sanctuary.

Induction and training of new trustees

The Charity Commission Publication "The Essential Trustee: what you need to know, what you need to do" has been read by all Trustees and discussions held between the Trustees to reinforce understanding of the main points.

Wider network

The charity acts as a holding bay for The Donkey Sanctuary at Sidmouth Devon. The Buttercup goat sanctuary in Kent telephone the charity at times of overload. The RSPCA telephone with requests to take unwanted animals.

FINANCIAL REVIEW

Financial position

On 31st October 2020, the bank balance was £12,709, creditors £1,000, fixed assets £505 to give funds of £12,214.

During the year to 31st October 2020 donation income and grant income from the local authority was higher than expenditure. Bank balances have increased.

The Trustees would like to thank all those that gave donations and grants.

Reserves policy

The Trustees have reviewed reserves as follows:

The amounts are rounded for clarity.

The average amounts of monthly income, excluding the coronavirus grant, have been in balance with the average amount of monthly expenditure.

A £5,400 reserve in the bank current account should cover points when the day-to-day timing of expenditure is ahead of income to prevent the account going overdrawn. This amounts to three months average expenditure at £1,800 each month to give £5,400.

Further details of reserves at 31st October 2020:

	Exclude from reserves	Reserves
Total funds		12,000
Tangible fixed assets not available for general purposes	500	
Committed if animals are accepted in an emergency	4,500	
	5,000	(5,000)
Actual reserves		7,000
Amount required by the reserves policy		5,400
Excess		1,600

Reserves have been restored. Trustees consider that the £1,600 excess reserves are within reasonable amounts for the size of this charity.

The principal risks and uncertainties facing the charity are danger to the animals in our care and accidents to volunteers. Our strategies to manage these risks are training of volunteers and trustees' close day by day involvement working with the animals and volunteers.

The future plan is to continue to care for animals, train volunteers and build upon donation income to maintain or increase our capacity to accept animals.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The governing document is The Memorandum and Articles of Association. This is a company limited by guarantee and not having a share capital. The governing document was registered at Companies House on 17th May 2011.

Recruitment and appointment of new trustees

New trustees are chosen for their skills, care for animals and suitability to work as a member of the team of trustees.

REPORT OF THE INDEPENDENT EXAMINER

TO THE TRUSTEES OF ESCAPE ANIMAL SANCTUARY AND CONSERVATION CENTRE

YEAR ENDED 31st OCTOBER 2020

I report on the accounts of the Trust for the year ended 31st October 2020, which are set out on pages 1 to 13.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 144 of the Charities Act 2011) and that an independent examination is needed.

It is my responsibility to:-

- examine the accounts (under section 149 of the 2011 Act);
- to follow the procedure laid down in the General Directions given by the Charity Commissioners (under section 53 of the 2011 Act); and
- to state whether matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 130 of the 2011 Act: and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act
- have not been met; or
- (2) to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.
