## Trustees' Report

### Year Ended 31 March 2025

2024-25 has again been a challenging year financially for the families we support. Many services and charities have been reduced and families have seen a real impact from the cost of living crisis. The grant funding available for charities has also reduced and this has meant significant work has gone in to finding alternative funding sources.

This year we have been able to deliver a variety of activities for a wide range of families across the local area. We have focused primarily on weekly groups where we can get to know families well and promote community cohesion. These groups have included:

- Bournville Tots – A group for young parents and their preschool children, offering play, connection, and support in a welcoming environment.
- Together Time – A group for families with primary school-aged children, promoting positive interactions and fun shared experiences.
- Parent Cooking – A practical group helping parents develop skills to cook healthy, budget-friendly family meals.
- Child and Parent Cooking – A hands-on group where preschool children and parents cook and learn together.
- XTND in the Park – In partnership with SWAN, we delivered weekly summer activities in the park alongside their lunch club, providing accessible outdoor fun for local families.

We have also delivered a series of seasonal and themed events at both local primary schools. These events are always well-attended and provide joyful, shared experiences for families:

- Pumpkin Carving – A community favourite; we ran three successful sessions.
- Christmas Cooking – Two festive sessions celebrating creativity and togetherness.
- Lantern Making – 2 whole school open afternoons for all children to participate with their parents. Leading into a community event.
- World Book Day Book Swap – Two sessions promoting literacy and book sharing within the school community.
- Paw patrol/Bluey/Pepper Pig events for EYFS children and their families.

This year, we have also welcomed a part-time Family Engagement Worker, with a specific focus on Early Years Foundation Stage (EYFS). This role has increased our offer to engage families with young children, providing support during these early years of family life. The Family Engagement Worker has delivered a wide range of high-impact activities including:

- Book Events – Encouraging parent and child interactions, engagement in school and shared reading and early literacy.
- Messy Play Sessions – Supporting sensory development and parent-child interaction.
- Arts and Crafts Activities – session that promote parent and child interaction while building fine motor skills.
- Toddler Groups – Offering play and social opportunities for both children and parents.
- Parenting Support Groups – Providing a space for parents to connect, share experiences, and receive practical guidance.

**We continue to be actively involved in local organisations including:**

**Bournville and Windwhistle Schools** whose children live in the community we support.

**South Weston Activity Network (SWAN)** of which we are founder members. SWAN brings coordination to a programme of activities provided by partners, which complement each other in a way that makes sense for local families.

**Voluntary Action North Somerset.** (VANS) is a vital resource for local voluntary and third sector organisations, providing us in particular with valuable advice, guidance and training particularly in relation to fundraising.

We are pleased to welcome Heidi Hudd as a new Trustee. Heidi brings a wealth of experience to the board and the team look forward to working with her.

### **Trustees' Report**

#### **Year Ended 31 March 2025**

##### **The year ahead**

The need to secure future funding will always be a prominent focus, we will continue to research opportunities for core funding that is essential to securing staff costs to enable the running and development of all current and future activities. As we approach the final year of a multi0year grant we will focus on other multi-year grant opportunities to secure funding for the coming years.

We hope to continue the groups and events we have previously run, to use these spaces to support and grow relationships with families.

We hope to continue our strong relationships with other charities in the area and increase our partnership events

We would also like to continue to focus on early intervention, building strong relationships with local nurseries, to grow our relationships with parents in their first years of parenting so that we can offer support quickly and efficiently when needed.

##### **Fundraising**

A total of £61641 raised this year through grants, donations and local fundraising.

We are hugely grateful to the following grant funders. Through these grants we have been able to secure funding to maintain provision for this year and towards the coming year.

- The Trusthouse charitable foundation (3 year funding)
- Quartet community foundation Resilience grant
- Awards For All
- North Somerset community fund
- Alliance homes community grant

##### **Financial Review**

Our main source of funding has been grant funding and donations. All expenditure in this current financial year has been used directly towards these activities.

We are particularly grateful for the support of Windwhistle and Bournville Schools for the contributions of space and time they make towards the Charity.

As at 31 March 2025 the Charity's unrestricted fund balance was £105,676 and restricted funds were £Nil.

**Reserves**

Our policy on reserves is to maintain a balance that cover the organisations running costs for 6 months in the event of no further funding being available. This contingency would allow for the notice and redundancy costs of the employed staff and to enable projects to be wound down over this period.

**Independent Examiner's Report to the Trustees****Year Ended 31 March 2025**

I report on the accounts of XTND – Improving Futures for the year ended 31 March 2025, which are set out on pages 7 to 8.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts (under section 145 of the Charities Act 2011);
- To follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act): and
- To state whether particular matters have come to my attention

**Basis of independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent Examiner's statement**

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements  
(a) to keep accounting records in accordance with section 130 of the 2011 Act: and  
(b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
