**1 Accounting policies**

***Basis of preparation***

The accounts have been prepared under the historical cost convention and in accordance with SORP and FRS102 applicable to charities preparing their accounts and, the Financial Reporting Standard applicable in the UK.

***Income***

Income is measured at the fair value of the consideration of sum received or receivable. The charity's income consists of grants provided by three funders of projects aimed at supporting the projects in Turkey. CDPR's funded projects are costed and delivered in accordance with funder requirements.

***Creditors***

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.
