Report of the Board of Trustees Year-end 31st December 2024

To the glory of God and gratitude for preservation of life, we are privileged to present another annual report and financial statements for the year ended 31st December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in this document and comply with the charity trust deed, the Statement of Recommended Practice, Accounting and Reporting by Charities and comply with the applicable law.

Principal Objectives and Performances

RCCG His Fullness @ West Bromwich church is a parish of the "**The Redeemed Christian Church of God (RCCG)**", which has worldwide network of churches.

RCCG His Fullness @ West Bromwich (West Midlands) is constituted as a charity in its own right and is therefore governed by the charities Act 1993.

The objectives of Charity are:

- 1) To establish the mandate and values of the Kingdom of God as we pursue His will in accordance to the instructions of Jesus in Matt 6:10.
- 2) The advancement of the Christian Faith worldwide.
- 3) The relief of poverty

The main objectives and performances for the year continued to focus on relief of poverty and the advancement of the Christian faith as we strive to make a positive impact in our community. These were accomplished through several means including:

- Worship services every Sunday and other weekly activities involving different families of the Parish.

Offerings/donations were collected during these programs for the running & maintenance of the parish, and to help the charity develop and improve on its current accommodation to further enhance our objective of relief of poverty and community cohesion and enhancement.

- Other special programs such as seminars and workshops, as well as outreach activities - inviting the local residents and neighbours within our Parish area to meetings aimed to spread the good news and advance the Christian faith. We will enhance the 'church in the street' initiative to enable members of the public have a better understanding of what we are about. This is done bi-monthly outside the church premises as well as reaching out to the general public in West Bromwich town centre.

Development, activities and achievements this year.

The Charity continued to strive to ensure the objectives of the charity are met. This year we continued to meet the objectives of furthering the Christian faith and alleviating the sufferings of the people generally irrespective of their race, background, sex or faith.

The year had witnessed increasing success in sharing the Christian faith and helping people develop biblical principles that build up self-esteem enabling them to stay out of criminality and social vices.

The church is keen to strengthen family ties and educate the youth. We operate counselling and advisory sessions on a regular basis (within and outside the church) to members (and non-members) on matters of family life, education of young members, and general civic responsibilities.

We continued to support and encourage young people by providing a 'Children / Teenagers' church where children and teenagers meet on Sunday mornings under a caring, supportive and encouraging atmosphere. The Teens also have a dedicated 'ReNewed' group that meets every other month to be equipped through mentoring, social skills and biblical teaching. It affords peer interaction, strengthening their self-esteem and building friendship. Our teachers operate under the RCCG - wide Child Protection Policy (which we have adapted locally) and we endeavour to regularly update their DBS status.

Our activities also included the organising mentoring and leadership seminars for the benefit of the community where youths and other matured individuals were encouraged to take up leadership roles.

'ReKindle', one of our flagship programs is growing. It is an ongoing bi-monthly event set up as a forum for married couples to discuss and learn from one another issues that could strengthen parenting and prevent breakdown in marriage and relationships. It is open to all.

We currently support several other charities and organizations involved in giving relief to natural disaster and other emergency incidents around the world. We support deprived children and young adults through Compassion.

NAOMI Initiative was set up this year to provide monthly donations to widows following the consequence of the pandemic. We also actively and strongly support the World Evangelical mission which is furthering the Christian faith all over the world.

This year, trustees consider that the performance of the parish has been satisfactory in terms of advancement of the Christian faith.

Future development.

The charity plans to continue the activities mentioned above in the forthcoming years subject to satisfactory funding arrangements. Plans are also being developed to work on a number of schemes:

- # We have continued to improve the facilities within our premises to enhance the fulfilment of our objectives to be a positive influence and help to the community of West Bromwich and the surrounding towns.
- # We are working with a local community club to set up an over 50's activity group to enhance social inclusion and a hub for the elderly.
- # Our plan to set up a music studio is still ongoing. We have the volunteers willing to offer their skills and talents, but still lacking in fund. The aim is to build up on our current efforts of teaching youngsters to play the drum and keyboard. Some parents and youngsters have registered their interests.

The parish would continue to be a church for all peoples from all nations, and deliberate efforts will continue to ensure that the church remains welcoming to people from all parts of the world.

We will continue to reach out to our local community and neighbourhood to promote events aimed at spreading the good news and advancing the Christian faith, as well as improve the quality of life within our borough.

Helping the homeless: by donating money, clothing and necessary materials for their upkeep especially through existing charities like Salvation Army.

Our goal is to further strengthen our counselling sessions, develop biblical principles, organize leadership seminars, economic empowerment, impacting entrepreneurship and financial management skills etc.

Financial results and future activities.

The statement of the financial activities shows income of £222,851 and expenditure of £159,359.

The financial contribution from members has enabled the church to support quite a good number of organizations, charities, widows and visiting ministers as well as meeting other charitable objectives.

Whilst we are grateful to God for the donations coming in to support the continuation of the church objectives, the case for more funding is obvious because the needs are ever increasing. We would like to register our gratitude to the HMRC for gift aid support.

Volunteers.

Many volunteers give up their time to help at the church, particularly during weekends and in the evenings. We are greatly indebted to these volunteers for their commitment and support and pray the blessings of God upon them and their families.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for public benefit. Details of how the charity has achieved this are provided in this report. The trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

Risk Management.

The trustees actively review the major risks which the charity faces on a regular basis. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that the systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks including DBS checks on all volunteers working with children.

**INDEPENDENT EXAMINER'S REPORT
FOR YEAR ENDED 31 DECEMBER 2023**

TO THE TRUSTEES OF THE REDEEMED CHRISTIAN CHURCH OF GOD - His Fullness

I report on the accounts for the year ended 31 December 2023 set out on pages 5 to 9.

RESPECTIVE RESPONSIBILITIES OF THE TRUSTEES AND THE EXAMINER

an

audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statements below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met.
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

TRUSTEES' REPORT FOR YEAR ENDED 31 DECEMBER 2022

The trustees present their report and accounts for the year ended 31 December 2022

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deeds, the Charities Act 2011 and the Statement of Recommended Practice, Accounting and Reporting by Charities, issued in March 2005.

Structure, governance and management

The charity was established by a charitable trust deed dated 30th August 2002 and it is a registered charity.

The trustees who served during the year were:

ELIZABETH OPEYEMI POPOOLA

OLUSOLA BANKOLE OGUNNIYI

JONATHAN POPOOLA

Trustees are familiar with the workings of the church having been drawn from long-standing church members that have the skill-set to offer an empathy with the charity's core values.

New trustees are invited and encouraged to attend training courses led by the chair and also read guidelines and publications issued by the Charity Commission eg. 'the Essential Trustee,' copies of which are given to new trustees.

The church is organised so that the trustees meet regularly to manage her affairs. There is a full time office administrator who manages the day to day administration of the church.

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity, and are satisfied that systems are in place to mitigate our exposures to the major risks.

Related party relationships

RCCG - His fullness is a member of the Redeemed Church of God (RCCG) which has parishes all over the world. The relationship is governed by an 'Agreement for common purposes' between the parishes and RCCG.

Risk management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The charity's objectives are -

- (a) The advancement of the Christian faith worldwide, and
- (b) Relief of poverty.

Volunteers

The trustees are grateful for the members who rendered various services to the Church voluntarily during the year.

THE REDEEMED CHRISTIAN CHURCH OF GOD - HIS FULLNESS

TRUSTEES' REPORT FOR YEAR ENDED 31 DECEMBER 2022

Achievements and performance

The trustees are pleased to report that the church continued to be successful spiritually by ministering to many people in the following ways:

- (i) The evangelism team continued their open-air evangelism and door-to-door visits which were well received by the community and led to many request for prayers and further visits.
- (ii) As a results of our evangelism project, many people joined the church during the year.
- (iii) During the year, the youth group continued to grow and they were able to reach out to many people in the area

Financial review

The total incoming resources for the year amounted to £132,840 (2021 £128,529) and the total resources expended amounted to £134,294 (2021 £95,955) leaving a net outgoing for the year of £1,454 (2021 surplus £32,574).

Reserves Policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year

Future Developments

The charity continues to explore various ways of spreading the gospel of Christ in an effective manner. The charity is also looking to grow in membership and continue to develop its members to make life-changing impact in society.

THE REDEEMED CHRISTIAN CHURCH OF GOD - HIS FULLNESS

TRUSTEES' REPORT FOR YEAR ENDED 31 DECEMBER 2022

STATEMENT OF TRUSTEE'S RESPONSIBILITIES

The trustees are responsible for preparing the annual report and financial statements in accordance with applicable laws and United Kingdom Generally Accepted Accounting Practice.

Charity law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements for each year which will give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- , • Select suitable accounting policies and then apply them consistently;
Observe the methods and principles in the Charities SORP;
- , • Make judgement and estimates that are reasonable and prudent;
- , • Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees recognise their responsibilities to keep proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charity Act 2011. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The appended financial statements have been prepared on the accruals basis and have been examined by an independent examiner, whose report is also appended.

Approved by the Trustees on 30th May 2023 and signed on their behalf by:

ELIZABETH OPEYEMI POPOOLA

RESPECTIVE RESPONSIBILITIES OF THE TRUSTEES AND THE EXAMINER

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- (i) examine the accounts under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statements below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;have not been met.

Report of the Board of Trustees Year end 31st December 2020

All glory and thanks be to God for seeing us through a very challenging 2020. It is only by the grace of God and, therefore, a privilege to present another annual report and financial statements for the year ended 31st December 2020.

The financial statements have been prepared in accordance with the accounting policies set out in this document and comply with the charity trust deed, the Statement of Recommended Practice, Accounting and Reporting by Charities and comply with the applicable law.

Principal Objectives and Performances

RCCG His Fullness @ West Bromwich church is a parish of the "**The Redeemed Christian Church of God (RCCG)**", which has worldwide network of churches.

RCCG His Fullness is constituted as a charity in its own right and is therefore governed by the charities Act 1993.

The objectives of the Charity are:

- 1) The advancement of the Christian Faith worldwide
- 2) The relief of poverty

The main objectives and performances for the year continued to focus on relief of poverty and the advancement of the Christian faith as we strive to make a positive impact in our community.

The Covid –19 pandemic presented a challenging environment that affected most areas of human interaction to the degree that unprecedented changes and adaptations swept across vast sectors of global human activity. Communities, cities and nations were locked down in ways that almost overwhelmed the core activities of the Church. The regular and weekly fellowship and social interaction were for most part of the year very restricted, understandably so, by local and national authorities. So as a church and charity, we could not engage our core group and local community as it was before. Since we could not maintain person to person

contact, we had to shift our activities online in order to be able to accomplish our objectives. So we reinvented an online fellowship, where necessary and maintained the status quo with others.

- Worship services every Sunday and other weekly activities involving different families of the Parish held online through broadcast via YouTube or Zoom.

Offerings/donations were collected during these programs for the running & maintenance of the parish, and to help the charity develop and improve on its current accommodation to further enhance our objective of relief of poverty and community cohesion and enhancement.

- Other special programs such as seminars and workshops, as well as outreach activities could not hold due to the pandemic restrictions.

Development, activities and achievements this year.

The Charity continued to strive to ensure the objectives of the charity are met. This year we continued to meet the objectives of furthering the Christian faith and alleviating the sufferings of the people generally irrespective of their race, background, sex or faith, as best as we could. The year had witnessed a major shift in how we share our Christian faith *and helping people develop biblical principles that build up self-esteem* enabling them to stay out of criminality and social vices.

The church remains keen on strengthening family ties and encourage the youth in pursuit of good and godly values. We tried to maintain the counselling and advisory sessions by telephone on a regular basis to members (and non-members) especially on matters arising as a result of the stress and pressures of the pandemic over family life, finances, jobs, careers and business.

We continued to support and encourage young people by providing a 'Children / Teenagers' church online, where children and teenagers meet on Sundays in a relaxed and friendly online atmosphere.

Our teachers operate under the RCCG - wide Child Protection Policy (which we have adapted locally) and we endeavour to regularly update their DBS status.

'ReKindle', one of our flagship programs is growing. It is an on-going event set up as a forum for married couples to discuss and learn from one another issues that could strengthen parenting and relationship, as well as preventing breakdown in marriages especially during the lockdown. It is open to all.

We continue to support a number of other charities and organizations involved in giving relief to natural disaster and other emergency incidents around the world. We sponsor two children through Compassion.

We started an outreach to widows/widowers called NAOMI INITIATIVE. On a monthly basis we provide financial support to very vulnerable individuals in this group to help keep them and their families out of poverty.

We also actively and strongly support the World Evangelical mission which is furthering the Christian faith all over the world.

This year, trustees consider that the performance of the parish has been satisfactory in terms of advancement of the Christian faith.

Love Christmas – We joined a UK wide Church outreach to provide Christmas packs to families within our neighbourhood. We successfully reached out to over 80 homes with food packs and also provided grocery to Karis, a local food bank on our High Street.

Current and Future development.

Sometime in August 2020, when the restrictions were eased, we commenced building up our main hall to allow for the spatial requirements of social distancing. The work was suspended when further restrictions were imposed. However, with God's help and support and the gallant efforts of the brethren, we were able to build up to the stage where we could start worshipping in the Hall. This has been a major milestone in the progress of the church, and we would like to formally give glory to God and appreciate the prayers, financial support and sacrifices from our members and other

well-wishers toward the project. It is still work in progress, we trust God to complete.

Plans are also being developed to work on a number of schemes:

We are working with a local community club to set up an over 50's activity group to enhance social inclusion and a hub for the elderly.

Our plan to set up a music studio is still ongoing. We have the volunteers willing to offer their skills and talents, but still lacking in fund. The aim is to build up on our current efforts of teaching youngsters to play the drum and keyboard. Some parents and youngsters have registered their interests.

The parish would continue to be a church for all peoples from all nations, and deliberate efforts will continue to ensure that the church remains welcoming to people from all parts of the world.

We will continue to reach out to our local community and neighbourhood to promote events aimed at spreading the good news and advancing the Christian faith, as well as improve the quality of life within our borough.

#The Choir, Evangelism and Prayer units would be further strengthened along with other departments of the church to be able to deliver on the spiritual growth and wellbeing of all.

Helping the homeless: by donating money, clothing and necessary materials for their upkeep especially through existing charities like Salvation Army and Tearfund.

Having a Day Care facility to help mothers who need day care for their children.

We have increased our involvement with the local community by supporting the local food bank project through our own in-house 'Bounty Basket' donations.

Financial results and future activities.

The statement of the financial activities shows income of £82,072.00 and expenditure of £79,180.00. The financial contributions from members has enabled the church to support a good number of organizations, charities, widows and visiting ministers as well as meeting other charitable objectives.

Volunteers.

Many volunteers give up their time to help at the church, particularly at weekends and in the evenings. We are greatly indebted to these volunteers for their commitment and support and pray the blessings of God upon them and their families.

Public Benefit

The charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for public benefit. Details of how the charity has achieved this are provided in this report. The trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

Risk Management.

The trustees actively review the major risks which the charity faces on a regular basis. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that the systems have been established so that the necessary steps can be taken to lessen these risks including DBS checks on all volunteers working with children.

Approved by the trustees and signed on their behalf by:
