

Chairman's Report 2025

Thank you to our trustees, all our supporters and fundraisers for allowing our charity to continue to make an important contribution to our local community.

Fund Raising

Fund raising was down c. 21% in the year to August 2025 after costs including the purchase of items for sale. This was as a result of the trustees deciding not to promote the charity quite so much whilst we waited for projects to complete and so utilise funds already raised. Expenses were again kept to a minimum with none of our trustees or supporters taking any recompense or expenses.

We continued to receive income from a number of smaller events held as well as the donations received which meant we were able to deliver a very credible outcome. This is testament to how well we are supported and how valued our activities are by the local community.

Patient Support

Our Patient Support Group continues to meet in person each month with strong attendance and different, interesting presentations. Thank you to the trustees who help facilitate these gatherings and also for their efforts in keeping in touch with patients who may not attend each month. Regular contacts are very important in terms of maintaining momentum and my thanks again to the trustees for their continued efforts in this regard.

In terms of spending the funds we have raised towards improving patient care, last year was quieter. However, since the year end, we have supported some significant purchases including a SOZO Lymphedema monitoring device and the Magtrace machine that is used to locate sentinel lymph nodes. This machine at the time of writing has been in place at the PRUH for 6 weeks and is proving particularly effective. The NHS Trust is pleased with how there is now less of a call on their very busy nuclear medicine department, the staging for patients is far more flexible and there is no risk of allergic reaction.

When used in conjunction with the other equipment the charity has supplied over the last few years, the PRUH is confident that they now have one of the most advanced offerings for breast care patients which is all testament to the hard work of our supporters, volunteers and trustees.

We are also in discussion with the PRUH around future projects which is likely to see us reinvigorate our fund-raising activities in 2026. We look forward to your continued support.

Please keep up to date with what we are doing and how you might help us via our website at SELBCT.org.

Miles Bullock

Chair

Independent Examiner's Report to The Trustees of

South East London Breast Cancer Trust

a.k.a SELBCT

I report on the accounts of the Trust for the year ended 31 August 2025.

Respective responsibilities of the Trustees and Examiner

The Charity's Trustees are responsible for the preparation of accounts. The Charity's Trustees consider an audit is not required for this year under section 144 of the Charities Act 2011 and that an independent examination is required.

It is my responsibility to:

- Examine the Accounts under section 145 of the Charities Act
- To follow the procedure laid down in the general directions given by the Charity commission (under section 145 (5) (b) of the Charities Act)
- To state whether any particular matters have come to my attention

Basis of Independent Examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in audit and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

Upon examination of receipts and payments records, no material matter has come to my attention. I have aided the trustees in preparation of their accounts for the year ended 31/08/2025 based upon the information given in reports generated from Quickbooks and backing paperwork.

Mrs A Spooner (Rose) FCCA

ACCA Qualified Chartered Accountant
