TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The objectives of the Charity are:

1. To advance education in the art of theatrical and creative make up.
2. To support persons with physical disfigurement and/or those living with long term illness through the use of camouflage make up and creative activities.
3. To support children and families of children with life limiting health conditions or hidden disabilities and those who have been bereaved.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Activities

Provide workshops to groups and individuals from a diverse section of the community including young people at school and at youth clubs, transgender people, young women returning to work and young mothers' groups, who would benefit from make-up and self care to build self esteem and confidence so that participants can contribute to the wider community through working and other activities.

Provide workshops to disadvantaged groups and individuals (including prisoners, cancer and other patients, armed forces and others with a physical disfigurement) in remedial camouflage, mentoring and coaching. The objective is to build self esteem and confidence so that participants can contribute to the wider community through working and other activities.

Achievements and performance

The financial year ending March 2024 has been much better than previous years. The charity has delivered all our planned projects and been able to offer our support to more families due to us having been awarded more grants this financial year.

We have continued to tailor our events to the family's needs and this year we helped many children make much needed memories which massively impacts the health and wellbeing of the whole family units that we support.

We have started a new project supporting dads and male carers. Over the past few years, we have seen a real need, as the men's mental health has been declining. Malcolm one of our trustees got a team of 20 men to do the London to Brighton bike ride to raise funds for the men's project and they raised £12,000 in June 24 but some of the funds started to come in at this financial year.

We have still done our donkeys Events at East Clayton Farm where the families get to spend time in Nature getting hugs off Donkeys, which over the years we have found out it is very important for their mental health and wellbeing. We also have built a great relationship with the lush store in Brighton and have done some wonderful sensory events there.

All the events we have held have been very inclusive and have enabled our service users to feel incredibly special and make some lasting memories.

We were very lucky to receive a Grants from the Lotto, Albert Hunt Trust, Chalk Cliff trust, True Colours, The Round Table and other unrestricted donations in Just Giving from people doing Charity sponsored football matches.

The Charity trustees and I feel very proud that we have continued to support the families and we are continually looking at ways to make our fundraising strategies work better for the future of the charity and we are really looking forward to what exciting experiences 2024/2025 brings.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Financial review

The period ended 31 March 2024 showed a net incoming resources of £5,190 (2023 - net incoming resources of £1,524). Further analysis of income and expenditure is shown in the Statement of Financial Activities, and in the notes to the accounts.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's of the total expenditure of the charity. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

The trustees are aware that the current reserves are below the target level and are actively working to rectify this in the current financial year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The company was registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 27 August 2009, as amended by special resolution registered at Companies House on 13 May 2011, as amended on 29 November 2018, 12 June 2019 and 9 March 2021. On 13 May 2021 Forward Facing converted to a Charitable Incorporated Organisation (CIO) by a constitution keeping the same Charity Number.

Forward Facing has charitable status and its charity registration number is 1142193.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF FORWARD FACING

I report to the trustees on my examination of the financial statements of Forward Facing (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

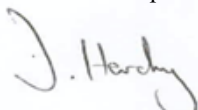

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

Forward Facing is a Charitable Incorporated Organisation. The address registered with the Charity Commission is Ground Floor, 1 - 7 Station Road, Crawley, West Sussex, RH10 1HT.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's constitution, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Fundraising income is recognised when the charity becomes legally entitled to the income and the event to which it relates has taken place.

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is recognised on an accrual basis as a liability is incurred.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountancy fees and costs linked to the strategic management of the charity.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Computers	33% on cost
-----------	-------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors are initially recognised at transaction price unless the arrangement constitutes a financing transaction. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.10 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.11 Taxation

The charity is not subject to corporation tax or any other taxes on income or gains arising from its charitable objectives.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
