The Trustees of the Charity as directors of the company are responsible for the preparation of financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the financial year end and of the surplus or deficit for that year.

DIRECTORS REPORT

Risk management

The directors purpose to be aware of any major strategic, operational and financial risks to the charity. In the year ahead all of the major areas will be reviewed and kept up to date.

Safeguarding policy – in addition to DBS certificates being obtained, the charity has established safeguarding policies and every adult who is involved in working with the children, young people and vulnerable adults in the charity is supervised under guidelines produced by an independent body and undertakes to follow the charity's guidelines.

Safety reviews are conducted by the charity, especially where public meetings are currently held with particular attention paid to parents for maintaining the health & safety of their children.

Public liability is covered by an insurance policy.

Financial security is managed by a regular review of the charity's financial status by the Management Team which is reported to the trustees at scheduled meetings as well as in between meeting dates.

Achievements and Performance

Everyone involved with the charity has been amazed at the significant progress achieved since activities began in 2011. There has been an incredible amount of hard work involved in this and the charity continues to grow in favour with the local community, agencies and businesses.

Training events

Training occurs frequently as charity volunteers and others are given opportunity to fulfil their potential in different areas of the activities.

Children & Youth Work

This important area is given great emphasis through meetings and social events arranged throughout the week. The young people and children participate in many areas of the charity and are especially involved in the leisure and recreation activities.

Care for the homeless

Volunteers are becoming increasingly involved with this area - offering hope and support to local communities, especially amongst the homeless and those living in hostels.

Partnerships

The charity actively pursues partnership with like-minded organisations and individuals in the UK. These relationships have proven very beneficial to the ongoing development and growth of the local charity.

DIRECTORS REPORT

Financial review

Review of financial position

The principal funding source is income from agencies and charities supporting the projects the charity runs, together with voluntary donations made by members of the general public & visitors to the charity. The income for the year was £414,615 (2023: £344,386) and expenditure was £414,352 (2023: £344,492) giving a surplus of £263 (2023: deficit £106). Through continuing donations and support the charity has been able to continue its operations unhindered to the date of this report and the directors are confident that this will continue.

Reserves Policy

The charity holds reserves in interest bearing accounts with quick access time frames. The directors aim to build reserve funds from a level of 1 months minimum to a level approaching 2 months of operating expenses in these accounts. This equates to a fund of £60,000.

Plans for the future

The trustees will continue to look at developing their rented premises (which is used suitable for both administrative and charitable purposes) to serve as a base for more direct community involvement. The charity is also forming key relationships with local authorities, agencies and businesses with whom it sees that it can operate to mutual benefit of its charitable aims and objectives. The cost of living crisis and global economic uncertainties presented the charity with fresh challenges and opportunities. Thankfully, due to the reputation of the charity in its locality and the consistent efforts of its leadership and volunteers, it has been able to continue serving the local community to date.

Independent Examiner

All of the current trustees have taken all the steps that they ought to have taken to make themselves aware of any information needed by the charity's independent examiner for the purposes of his examination and to establish that he is aware of that information. The trustees are not aware of any relevant information of which he is not aware.

The resolution to appoint Chi Wa Chan as independent examiner will be proposed at the next annual general meeting.

Independent examiner's report to the trustees of Simply Limitless

I report on the accounts of the company for the year ended 31 December 2024 set out on the following pages.

Respective responsibilities of directors and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

(a) Basis of Accounts Preparation

The financial statements are prepared under the Historic Cost Convention and in accordance with Accounting and Reporting by Charities - Statement of Recommended Practice (SORP 2005) and Accounting Standards and the Charities Act 2011. The charity has taken advantage of the exemption in FRS 1 from the requirement to produce a cashflow statement on the grounds that it qualifies as a small charity.

(b) Incoming Resources

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Investment income

This is included in the accounts when receivable.

(c) Expenditure and Liabilities

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

(d) Tangible fixed assets for the use by the charity and depreciation

Tangible fixed assets for use by the charity are stated at cost less depreciation

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets less estimated residual value, over their expected useful lives.

The directors purpose to be aware of any major strategic, operational and financial risks to the charity. In the year ahead all of the major areas will be reviewed and kept up to date.

Safeguarding policy – in addition to DBS certificates being obtained, the charity has established safeguarding policies and every adult who is involved in working with the children, young people and vulnerable adults in the charity is supervised under guidelines produced by an independent body and undertakes to follow the charity's guidelines.

Safety reviews are conducted by the charity, especially where public meetings are currently held with particular attention paid to parents for maintaining the health & safety of their children.

Public liability is covered by an insurance policy.

Financial security is managed by a regular review of the charity's financial status by the Management Team which is reported to the trustees at scheduled meetings as well as in between meeting dates.

Achievements and Performance

Everyone involved with the charity has been amazed at the significant progress achieved since activities began in 2011. There has been an incredible amount of hard work involved in this and the charity continues to grow in favour with the local community, agencies and businesses.

Training events

Training occurs frequently as charity volunteers and others are given opportunity to fulfil their potential in different areas of the activities.

Children & Youth Work

This important area is given great emphasis through meetings and social events arranged throughout the week. The young people and children participate in many areas of the charity and are especially involved in the leisure and recreation activities.

Care for the homeless

Volunteers are becoming increasingly involved with this area - offering hope and support to local communities, especially amongst the homeless and those living in hostels.

Partnerships

The charity actively pursues partnership with like-minded organisations and individuals in the UK. These relationships have proven very beneficial to the ongoing development and growth of the local charity.

DIRECTORS REPORT

Financial review

Review of financial position

The principal funding source is income from agencies and charities supporting the projects the charity runs, together with voluntary donations made by members of the general public & visitors to the charity. The income for the year was £344,386 (2022: £360,571) and expenditure was £344,492 (2022: £361,188) giving a deficit of £106 (2022: deficit £617). Through continuing donations and support the charity has been able to continue its operations unhindered to the date of this report and the directors are confident that this will continue.

Reserves Policy

The charity holds reserves in interest bearing accounts with quick access time frames. The directors aim to build reserve funds from a level of 1 months minimum to a level approaching 2 months of operating expenses in these accounts. This equates to a fund of £60,000.

Plans for the future

The trustees will continue to look at developing their rented premises (which is used suitable for both administrative and charitable purposes) to serve as a base for more direct community involvement.

The charity is also forming key relationships with local authorities, agencies and businesses with whom it sees that it can operate to mutual benefit of its charitable aims and objectives.

The COVID-19 pandemic presented the charity with fresh challenges and opportunities. Thankfully, due to the reputation of the charity in its locality and the consistent efforts of its leadership and volunteers, it has been able to continue serving the local community to date.

Independent Examiner

All of the current trustees have taken all the steps that they ought to have taken to make themselves aware of any information needed by the charity's independent examiner for the purposes of his examination and to establish that he is aware of that information. The trustees are not aware of any relevant information of which he is not aware.

The resolution to appoint Chi Wa Chan as independent examiner will be proposed at the next annual general meeting.

Independent examiner's report to the trustees of Simply Limitless

I report on the accounts of the company for the year ended 31 December 2023 set out on the following pages.

Respective responsibilities of directors and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

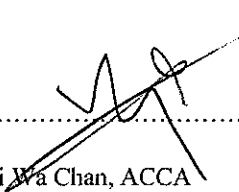

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Board of Trustees responsibilities

The Trustees of the Charity as directors of the company are responsible for the preparation of financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the financial year end and of the surplus or deficit for that year.

In preparing those financial statements, the Trustees are required to:

DIRECTORS REPORT

Risk management

The directors purpose to be aware of any major strategic, operational and financial risks to the charity. In the year ahead all of the major areas will be reviewed and kept up to date.

Safeguarding policy – in addition to DBS certificates being obtained, the charity has established safeguarding policies and every adult who is involved in working with the children, young people and vulnerable adults in the charity is supervised under guidelines produced by an independent body and undertakes to follow the charity's guidelines.

Safety reviews are conducted by the charity, especially where public meetings are currently held with particular attention paid to parents for maintaining the health & safety of their children.

Public liability is covered by an insurance policy.

Financial security is managed by a regular review of the charity's financial status by the Management Team which is reported to the trustees at scheduled meetings as well as in between meeting dates.

Achievements and Performance

Everyone involved with the charity has been amazed at the significant progress achieved since activities began in 2011. There has been an incredible amount of hard work involved in this and the charity continues to grow in favour with the local community, agencies and businesses.

Training events

Training occurs frequently as charity volunteers and others are given opportunity to fulfil their potential in different areas of the activities.

Children & Youth Work

This important area is given great emphasis through meetings and social events arranged throughout the week. The young people and children participate in many areas of the charity and are especially involved in the leisure and recreation activities.

Care for the homeless

Volunteers are becoming increasingly involved with this area - offering hope and support to local communities, especially amongst the homeless and those living in hostels.

Partnerships

The charity actively pursues partnership with like-minded organisations and individuals in the UK. These relationships have proven very beneficial to the ongoing development and growth of the local charity.

DIRECTORS REPORT

Financial review

Review of financial position

The principal funding source is voluntary donations made by members of the general public & visitors to the charity.

The income for the year was £228,712 (2020: £301,759) and expenditure was £228,687 (2020: £301,752) giving a surplus of £25 (2020: surplus £7). Through continuing donations and support the charity has been able to continue its operations unhindered to the date of this report and the directors are confident that this will continue.

Reserves Policy

The charity holds reserves in interest bearing accounts with quick access time frames. The directors aim to build reserve funds from a level of 1 months minimum to a level approaching 6 months of operating expenses in these accounts. This equates to a fund of £12,000.

Plans for the future

The trustees will continue to look at developing their rented premises (which is used suitable for both administrative and charitable purposes) to serve as a base for more direct community involvement.

The charity is also forming key relationships with local authorities, agencies and businesses with whom it sees that it can operate to mutual benefit of its charitable aims and objectives.

The COVID-19 pandemic has presented the charity with fresh challenges and opportunities. Thankfully, due to the reputation of the charity in its locality and the consistent efforts of its leadership and volunteers, it has been able to continue serving the local community to date and secured sufficient funding to do so into the future also.

Independent Examiner

All of the current trustees have taken all the steps that they ought to have taken to make themselves aware of any information needed by the charity's independent examiner for the purposes of his examination and to establish that the he is aware of that information. The trustees are not aware of any relevant information of which he is not aware.

The resolution to appoint Tim Boxall as independent examiner will be proposed at the next annual general meeting.

Independent examiner's report to the trustees of Simply Limitless

I report on the accounts of the company for the year ended 31 December 2021 set out on the following pages.

Respective responsibilities of directors and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

DIRECTORS REPORT

Risk management

The directors purpose to be aware of any major strategic, operational and financial risks to the charity. In the year ahead all of the major areas will be reviewed and kept up to date.

Safeguarding policy – in addition to DBS certificates being obtained, the charity has established safeguarding policies and every adult who is involved in working with the children, young people and vulnerable adults in the charity is supervised under guidelines produced by an independent body and undertakes to follow the charity's guidelines.

Safety reviews are conducted by the charity, especially where public meetings are currently held with particular attention paid to parents for maintaining the health & safety of their children.

Public liability is covered by an insurance policy.

Financial security is managed by a regular review of the charity's financial status by the Management Team which is reported to the trustees at scheduled meetings as well as in between meeting dates.

Achievements and Performance

Everyone involved with the charity has been amazed at the significant progress achieved since activities began in 2011. There has been an incredible amount of hard work involved in this and the charity continues to grow in favour with the local community, agencies and businesses.

Training events

Training occurs frequently as charity volunteers and others are given opportunity to fulfil their potential in different areas of the activities.

Children & Youth Work

This important area is given great emphasis through meetings and social events arranged throughout the week. The young people and children participate in many areas of the charity and are especially involved in the leisure and recreation activities.

Care for the homeless

Volunteers are becoming increasingly involved with this area - offering hope and support to local communities, especially amongst the homeless and those living in hostels.

Partnerships

The charity actively pursues partnership with like-minded organisations and individuals in the UK. These relationships have proven very beneficial to the ongoing development and growth of the local charity.

DIRECTORS REPORT

Financial review

Review of financial position

The principal funding source is voluntary donations made by members of the general public & visitors to the charity.

The income for the year was £301,759 (2019: £233,410) and expenditure was £301,752 (2019: £230,524) giving a surplus of £7 (2019: surplus £2,886). Through continuing donations and support the charity has been able to continue its operations unhindered to the date of this report and the directors are confident that this will continue.

Reserves Policy

The charity holds reserves in interest bearing accounts with quick access time frames. The directors aim to build reserve funds from a level of 1 months minimum to a level approaching 6 months of operating expenses in these accounts. This equates to a fund of £12,000.

Plans for the future

The trustees will continue to look at developing their rented premises (which is used suitable for both administrative and charitable purposes) to serve as a base for more direct community involvement.

The charity is also forming key relationships with local authorities, agencies and businesses with whom it sees that it can operate to mutual benefit of its charitable aims and objectives.

The COVID-19 pandemic has presented the charity with fresh challenges and opportunities. Thankfully, due to the reputation of the charity in its locality and the consistent efforts of its leadership and volunteers, it has been able to continue serving the local community to date and secured sufficient funding to do so into the future also.

Independent Examiner

All of the current trustees have taken all the steps that they ought to have taken to make themselves aware of any information needed by the charity's independent examiner for the purposes of his examination and to establish that the he is aware of that information. The trustees are not aware of any relevant information of which he is not aware.

The resolution to appoint Tim Boxall as independent examiner will be proposed at the next annual general meeting.

Independent examiner's report to the trustees of Simply Limitless

I report on the accounts of the company for the year ended 31 December 2020 set out on the following pages.

Respective responsibilities of directors and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts
Year ended 31 December 2020

1. Accounting Policies

(a) Basis of Accounts Preparation

The financial statements are prepared under the Historic Cost Convention and in accordance with Accounting and Reporting by Charities - Statement of Recommended Practice (SORP 2005) and Accounting Standards and the Charities Act 2011. The charity has taken advantage of the exemption in FRS 1 from the requirement to produce a cashflow statement on the grounds that it qualifies as a small charity

(b) Incoming Resources

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Investment income

This is included in the accounts when receivable.

(c) Expenditure and Liabilities

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

(d) Tangible fixed assets for the use by the charity and depreciation

Tangible fixed assets for use by the charity are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets less estimated residual value, over their expected useful lives.
