**Risk Management:**

The Trustees recognise the major risks that the charity company faces each financial year when preparing and updating the strategic plan and as such, has development systems to monitor and control these risks to mitigate any impact that they have on the organisation in the future. The trustee reviews the risk matrix regularly at their meetings. The trustees are satisfied that a system is in place, or arrangement is in hand, to manage the risks that have been identified.

**Financial review:**

**Reserves policy**

The trustees have reviewed the reserves of the charity. Their policy is to hold enough funds to meet a three months operating cost. In calculating the charity reserves, the trustees have deducted from the total of unrestricted funds of the charity, the tangible fixed assets and designated fund. As such there is not enough reserve fund and trustees are looking into this so that the charity runs which is a going concern.

**Principal funding source**

Our charity's main source of income is collecting donations from regular donors, special donors, projects based donors, charity events, online campaigns, mosque collection during Ramadan, occasional collection during religious festivals, Eid gifts, Zakat etc. People donate through standing orders or direct transfers to the charity's bank account.

**Plan for future periods:**

HCI also intends to raise a good amount of funds to establish residential orphan centres in Bangladesh to provide orphan children accommodation, food, proper education and skills training. Through this project, those children will be productive citizens of the country. We have already started a pilot project for this, this year. We also intend on expanding our livelihood project to more districts and funding the children's health sector.

**Financial position:**

The Statements of Financial Activities shows a net deficit of £18,063 with net funds of £10,489 as of 31 March 2022.

**Directors / Trustees' Responsibilities:**

The trustees (who are also directors of Human Care Initiative for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

REPORT OF THE INDEPENDENT EXAMINER TO THE DIRECTORS / TRUSTEES  
**TRUSTEES OF HUMAN CARE INITIATIVE**  
**(A Company Limited by Guarantee)**  
For The Year Ended 31 March 2022

I have examined the accounts and statements on pages 8 to 12 which have been prepared on the basis of accounting policies set out on page 10.

**Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of ACCA.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- State whether particular matters have come to my attention.

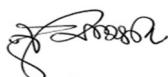

**Basis of independent examiner's report**

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that, in any material respect, the requirements:
  - o to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - o to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities.
- have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
