**THE EASTBOURNE SOCIETY**  
**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2023**

---

The Trustees present their report and accounts for the year ended 31 December 2023.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

**Objectives and activities**

The Society is a company limited by guarantee and a registered charity and is run in accordance with its Articles of Association, Article 4 of which sets down the Objects of the Society and Article 5 its powers. The charity's objectives are to encourage high standards of architecture and town planning in Eastbourne and surrounding areas; To stimulate public interest in and care for, the beauty, history and character of the town and its surroundings; To encourage the preservation, development, improvement and beautification of features of general public amenity or historic interest; To pursue these ends by means of meetings, exhibitions, lectures, publications or other forms of instruction and publicity and promotion of schemes of a charitable nature.

**Structure, governance, and management**

The Trustees, who are also the directors for the purposes of company law, and who served during the year were:

Chris Leach	(Chairman)
Peter Austin	
Brian Murphy	(Hon. Treasurer)
Richard Crook	
Nicholas Howell	
Colin Russell	(Hon. Secretary)
John Swingland	
Justine Dowsing	Resigned 6 February 2024
Terrie Rintoul	
John Minnis	Appointed 25 July 2023
Sandra Medway	Appointed 12 December 2023

**An overview of the year**

We are pleased to report on a successful year for the Society. During 2023, changes to the board of trustees included Justine Dowsing stepping down due to moving home, and our Honorary Secretary, Colin Russell, having to step down through ill-health. The board is extremely grateful for the benefit of their knowledge and skills during the year.

New trustee John Minnis became our planning advisor representing us on the Conservation Area Advisory Group. We thanked Nicholas Howell for his contribution to our work in this area for many years and for his continued work as our graphic designer. We welcomed Sandy Medway to the board as trustee and Honorary Secretary. We also introduced a new logo and strapline: Guarding the Past - Guiding the Future.

**An overview of the year (continued)**

Society membership remained high, at over 500 members, and to encourage younger people to join we introduced a new band of membership enabling those under 25 to join us by paying an annual subscription of £10.

Our monthly talks were well attended. Topics included Eastbourne's lost Roman villa; Eastbourne and our part in recycling; the role of the Sussex Police and Crime Commissioner; the work of the Friends of Eastbourne Seafront; the history of schools in Meads; Eastbourne in the 1920s and 1930s; the work of Neighbourhood First and the RNLI in Eastbourne. We welcomed Stephen Holt, the newly elected leader of Eastbourne Borough Council, when he addressed the Society in November with his talk: Eastbourne – a vision for the next four years.

Four editions of the Observer Magazine were also published. From a financial perspective the production costs of the magazine are significant which led the trustees to suggest that it should include advertisements to offset costs. This was accepted but unfortunately our appeal to the membership for a volunteer to help with its administration has been unsuccessful.

Work began on the Burlington Bower, our project to reconstruct the miniature temple in the grounds of the Devonshire Park. We are now focused on completing it in time for the park's 150th anniversary in July 2024. Society trustee and architectural advisor Richard Crook spearheaded the project and its design has ensured it is aesthetically fitting for the 21st century. Fund raising various through applications to grant bodies and sponsors has been a regular feature of 2023 and we are particularly grateful to both the John Jackson and the Duke of Devonshire Charitable Trusts for their generous support.

The trustees responded to two major Borough Council initiatives: the Local Plan Growth strategy and the Corporate Plan consultation. Richard Crook worked closely with East Sussex Highways as adviser on the excellent work on repairs to the pavements and railings at South Cliff. We supported the plans for a new cultural hub at Black Robin Farm while raising concerns about potential problems with access and we also joined thousands of others by objecting to the proposed closure of station ticket offices.

**The Heritage Centre**

The Heritage Centre opened every weekend and bank holidays, plus other times by arrangement. Manned by a team of eleven volunteer stewards and led by co-ordinator Pauline Swift, they welcomed 1,018 members and visitors. A new exhibition 'Are You Being Served?' celebrating Eastbourne's department stores, proved highly popular, including a sell-out talk given by local archivist Paul Jordan held in the centre's cinema. Finally, we take this opportunity of thanking our stewards for giving their time so generously during the year.

**Financial Review**

The financial position of the Society is included in the statement of financial activities and balance sheet of these accounts.

**Reserves Policy**

It is the policy of the Society that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Society's current activities while consideration is given to ways in which additional funds may be raised. The level of reserves has been maintained throughout the year.

**Trustees Remuneration and Expenses**

The Trustees receive no remuneration for their services as Trustees.

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the Accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Accepted Accountancy Practice).

The Law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial period which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period.

In preparing those accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**THE EASTBOURNE SOCIETY**  
**INDEPENDENT EXAMINER'S REPORT**  
**TO THE TRUSTEES OF THE EASTBOURNE SOCIETY**

---

I report on the accounts of the Eastbourne Society for the year ended 31 December 2023, which are set out on pages 5 to 15.

**Respective responsibilities of trustees and examiner**

The trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of The Association of Accounting Technicians.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:-

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice - Accounting and Reporting by Charitieshave not been met ; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**THE EASTBOURNE SOCIETY**  
**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2023**

---

**1 Accounting policies**

**1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's constitution, the Companies Act 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102). The charity is a public benefit entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity.

**1.2 Going concern**

At the time of approving the accounts, the trustees have reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

**1.2 Incoming resources**

Donations, legacies and other forms of voluntary income are recognised as incoming resources when received. Life membership is included in the SOFA at 12.5% each year on a reducing balance.

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

**1.3 Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other expenditure includes those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

**1 Accounting policies (continued)**

**1.4 Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Improvements to property	10% on a straight line basis
Fixtures, fittings and equipment	25% on a straight line basis

Fixed assets under £400 are not capitalised.

**1.5 Leasing commitments**

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

**1.6 Stock**

Stock is valued at the lower of cost and net realisable value.

**1.7 Restricted fund**

The funds are for specific projects within Eastbourne.

**1.8 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

**1.9 Financial instruments**

**Financial assets**

Basic financial assets, which include debtors and cash and bank accounts, are initially measured at transaction price including costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

**NOTES TO THE ACCOUNTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 DECEMBER 2023**

---

**1 Accounting policies (continued)**

**1.9 Financial instruments (continued)**

**Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

**1.1 Critical accounting estimates and judgements**

In application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

In the year ended 31 December 2023 the Trustees consider that there are no critical accounting estimates arising that require disclosure.
