**THE EASTBOURNE SOCIETY**  
**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2024**

---

The Trustees present their report and accounts for the year ended 31 December 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

**Objectives and activities**

The Society is a company limited by guarantee and a registered charity and is run in accordance with its Articles of Association, Article 4 of which sets down the Objects of the Society and Article 5 its powers. The charity's objectives are to encourage high standards of architecture and town planning in Eastbourne and surrounding areas; To stimulate public interest in and care for, the beauty, history and character of the town and its surroundings; To encourage the preservation, development, improvement and beautification of features of general public amenity or historic interest; To pursue these ends by means of meetings, exhibitions, lectures, publications or other forms of instruction and publicity and promotion of schemes of a charitable nature.

**Structure, governance, and management**

The Trustees, who are also the directors for the purposes of company law, and who served during the year were:

Chris Leach	(Chairman)
Peter Austin	
Brian Murphy	(Hon. Treasurer)
Richard Crook	
Nicholas Howell	
Colin Russell	Deceased 31 July 2024
John Swingland	
Terrie Rintoul	
John Minnis	
Sandra Medway	(Hon. Secretary)

**An overview of the year**

Society membership remained steady at over 500 members. There were no changes to the Board of Trustees during the year with Chris Leach as Chair, Brian Murphy as Honorary Treasurer, Sandy Medway as Honorary Secretary, John Minnis as Planning Advisor, John Swingland as Membership Secretary, Richard Crook as Architectural Advisor, Nicholas Howell as Graphic Designer and Terrie Rintoul as Observer Editor. With great sadness we reported the death of Colin Russell on 31 July. As our previous Honorary Secretary, Colin made a valuable contribution to our work and will be greatly missed.

Our monthly talks continued to be well attended. Topics included: the significance of the Downland; life in wartime Eastbourne; retrofitting and green adaptations to older buildings; the role of a Police Community Support Officer. Stephen Holt, Leader of Eastbourne Borough Council presented his second yearly update in October.

**An overview of the year (continued)**

On the planning front, the year began with an application for the construction of a solar farm on land south of Cross Levels Way. Whilst not being against the concept, the Society objected to the application as we believed that more work should have been done on the impact of biodiversity of the site. We also believed that the visual impact should have been a major factor, bearing in mind that the town's economy is largely dependent on tourism. Despite many objections, the plan was approved on 20 August 2024.

The Planning Committee of the South Downs National Park met on 15 February to consider the proposals for a new culture, arts and education centre at Black Robin Farm, resulting in the granting of permission by five votes to four. The Society supported the plan but voiced concerns over the site's location and accessibility.

The Spring 2024 edition of the Observer featured an article about the Claremont Hotel, a Grade II listed building in a prime seafront location which burned down in 2019, and we followed this up by writing to Robert Cottrill, Chief Executive of Eastbourne Borough Council in July 2024. We conceded that the position was complex in terms of its rebuilding, but we voiced grave concerns about the condition of the site and the hording around it which was splitting and dotted with graffiti. We asked for this to be removed and replaced with a wrap with an image of the building before the fire. We received a reply in September which said that our suggestion would be included "as part of their ongoing conversations".

There is no doubt that the departure of Brighton University was a major event in 2024, and the Society marked this with an article in the Summer edition of the Observer. Taking each of the buildings in turn, we celebrated the fact that over the years Eastbourne had provided a seat of learning for many thousands of students.

2024 saw the completion of the Society's project to reconstruct the miniature temple that had stood in Devonshire Park from 1895 to 1981. The project has been supported by significant grants from the John Jackson and Duke of Devonshire Charitable Trusts and generous donations from several local businesses and individuals. The temple was formally opened by our President Lord Burlington on 26 September which was followed by a Son et Lumiere performance featuring the music of Claude Debussy and afternoon tea in the Winter Garden's Floral Hall. Many returned in the evening for a 'Last Night of the Proms' extravaganza performed by the Eastbourne Concert Orchestra.

The Society continued to work with Eastbourne Borough Council during 2024 by responding to several consultations. These included its seafront strategy for the next 25 years, its new approach to Houses in Multiple Occupation, plans for the pedestrianisation of Victoria Place and finally, in the last quarter of 2024, their proposals based on the need to find a further £2.7million of additional savings which were approved by EBC's Cabinet on 13 November 2024.

Of direct concern to the Society is the council's proposal to reduce its budget for grants to its voluntary sector partners after April 2025. This means that from March 2025, when the lease is up for annual renewal, the Heritage Centre will lose its rent support grant. While we will be looking at all possible avenues to pursue, we would emphasise that the closure of the Heritage Centre would have a minimal effect on the work of the Society or its future.

**Financial Review**

The financial position of the Society is included in the statement of financial activities and balance sheet of these accounts.

---

**Reserves Policy**

It is the policy of the Society that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Society's current activities while consideration is given to ways in which additional funds may be raised. The level of reserves has been maintained throughout the year.

**Trustees Remuneration and Expenses**

The Trustees receive no remuneration for their services as Trustees.

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Report and the Accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Accepted Accountancy Practice).

The Law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial period which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period.

In preparing those accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**THE EASTBOURNE SOCIETY**  
**INDEPENDENT EXAMINER'S REPORT**  
**TO THE TRUSTEES OF THE EASTBOURNE SOCIETY**

---

I report on the accounts of the Eastbourne Society for the year ended 31 December 2024, which are set out on pages 5 to 15.

**Respective responsibilities of trustees and examiner**

The trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of The Association of Accounting Technicians.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:-

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

**Basis of independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
  - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice - Accounting and Reporting by Charitieshave not been met ; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**THE EASTBOURNE SOCIETY**  
**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**1 Accounting policies**

**1.1 Accounting convention**

The accounts have been prepared in accordance with the charity's constitution, the Companies Act 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102). The charity is a public benefit entity as defined by FRS102.

The accounts are prepared in sterling, which is the functional currency of the charity.

**1.2 Going concern**

At the time of approving the accounts, the trustees have reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees' continue to adopt the going concern basis of accounting in preparing the accounts.

**1.2 Incoming resources**

Donations, legacies and other forms of voluntary income are recognised as incoming resources when received. Life membership is included in the SOFA at 12.5% each year on a reducing balance.

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are subject to restrictions on their expenditure imposed by the donor.

**1.3 Resources expended**

Expenditure is recognised on an accruals basis as a liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Other expenditure includes those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

**1 Accounting policies (continued)**

**1.4 Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Improvements to property	10% on a straight line basis
Fixtures, fittings and equipment	25% on a straight line basis

Fixed assets under £400 are not capitalised.

**1.5 Leasing commitments**

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

**1.6 Stock**

Stock is valued at the lower of cost and net realisable value.

**1.7 Restricted fund**

The funds are for specific projects within Eastbourne.

**1.8 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

**1.9 Financial instruments**

**Financial assets**

Basic financial assets, which include debtors and cash and bank accounts, are initially measured at transaction price including costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

**Financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

**THE EASTBOURNE SOCIETY**  
**NOTES TO THE ACCOUNTS (CONTINUED)**  
**FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**1 Accounting policies (continued)**

**1.9 Financial instruments (continued)**

**Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

**1.1 Critical accounting estimates and judgements**

In application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

In the year ended 31 December 2024 the Trustees consider that there are no critical accounting estimates arising that require disclosure.
