REPORT OF THE TRUSTEES for the year ended 31 August 2023

STRATEGIC REPORT

Achievement and performance

Alternative Education Programmes

This provision is for secondary students who are:

- (a) At risk of exclusion
- (b) Have been permanently excluded
- (c) In need of support for access to education

Working closely with partners, commissioners and schools The Emscote School provide educational support packages for each young person towards:

- (a) Achievement
- (b) Improved self-esteem
- (c) Improved awareness and
- (d) Improved motivation

Organised sessions also identify issues with behaviour and anger management and allow young people to develop skills and strategies to control themselves in situations where they may previously have struggled.

Our aim is to provide an ambitious and high quality education that is designed to give all students the knowledge and cultural capital that they need to succeed in life. A curriculum that brings out the very best in them and enables them to overcome the challenges that exist in their lives.

Our curriculum is designed to provide students with the core knowledge, skills and understanding that they need for success in education and later life; to maximise their cognitive development; to develop the whole person and their talents to ensure that they become active and economically self-sufficient citizens. By drawing on all of the resources available to us we anticipate that our curriculum enables students to appreciate and participate in the full richness of the human experience

Where appropriate young people progress onto vocational courses at college.

Online learning provides educational opportunities.

Curriculum offer

Some students will attend full time, whilst others will be part time. Full timers will be taught a curriculum that covers all of the required areas of learning and national curriculum requirements. Provision will be fully rounded. Part timers will cover the curriculum agreed with the individual's host school. Attention will be paid to ensure that students' education meets government requirements, in order that students' education is not narrowed or compromised. If an individual from a host school is following a programme of study that is not normally taught at Emscote, every effort will be made to provide the subject to provide continuity of learning. Our aim is to adjust provision to meet individuals' needs. Mathematics and English will be an integral part of the education provided for part timers, along with personal, social and emotional education.

In addition to GCSE's the school will provide year 11 students to access a Functional skills programme. Emscote School believe that Functional Skills are important to educational and personal development for learners because they are:

- (a) Essential for individuals to function in everyday life, work, leisure and education.
- (b) Necessary in developing a commitment to lifelong learning to enhance the lives of individuals, improve employability and to create the skills that our economy and employers need.
- (c) Help towards meeting the Government's drive for improvements in the Maths and English skills of all students.

The Emscote School recognise that linguistic and cultural diversity enrich our school and that a student's achievement is linked to a welcoming environment in which they feel valued and confident. Building on each student's knowledge and understanding of other cultures and languages will support EAL learners in becoming confident speakers, readers and writers of English in all areas of the curriculum.

At the start of the day students are greeted with tea and toast and an opportunity to chat about any issues before they commence their learning programmes.

On a daily basis, as part of the programme, young people attending are able to talk through problems with staff throughout the day and obtain support for issues such as low self-esteem and anger management is available.

Financial review

Reserves policy

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should equal one years' expenditure. This is to ensure that the charity has sufficient working capital to support committed alternative education programmes for a year. Budgeted annual expenditure is £410,000, therefore the target level of general reserves is £410,000. The present level of reserves available to the charity of £650,334 (2022 - £495,131) therefore meets this target.

Details of the financial position of the charity are set out in the attached financial statements. Income for the year totalled £899,858 (2022 - £458,635) and expenditure totalled £744,655 (2022 - £446,507). Net incoming resources totalled £155,203 (2022 - net expenditure resources of £12,128).

Unrestricted reserves at the year end amounted to £650,334 (2022 - £495,131) and these comprised general reserves of £640,537 (2022 - £490,183) and a designated fixed asset fund of £9,797 (2022 - £4,948). Restricted reserves amounted to £nil (2022 - £nil) at the year end.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Structure, governance and management

The charity is a charitable company limited by guarantee, as defined by the Companies Act 2006, incorporated on 11 February 2011 and registered as a charity on 24 June 2011. The company was established under a Memorandum of Association which established the objects and powers of the company and is governed under its Articles of Association. In the event of the company being wound up the trustees are required to contribute an amount not exceeding £10.

The 'Board of Trustees' comprises the directors of the company. A list of those who served in these capacities during the period is set out on page 1. The trustees meet on a regular basis and are responsible for the strategic direction and policy of the charity. The board consists of four trustees from a variety of professional backgrounds relevant to the work of the charity. The 'Board of Trustees' give their time voluntarily and have received no benefits from the charity.

The overall day-to-day management of the charity is carried out by the Principal who is directly responsible to the trustees. The Principal is responsible for ensuring that the charity delivers the services specified and that the performance indicators are met.

New trustees are elected by the 'Board of Trustees'. New trustees are inducted during their first trustees' meeting. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Risk management

Internal risks are minimised by the implementation of internal control procedures for authorisation of transactions and projects. Procedures are in place to ensure compliance with Child Protection and Health and Safety policies and procedures. These procedures are reviewed periodically to ensure they still meet the needs of the charity.

External audits of the charity's policies and procedures, with particular regard to Child Protection, are undertaken by representatives of the commissioning agencies, schools and local authorities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE EMSCOTE SCHOOL**

Independent examiner's report to the trustees of The Emscote School ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 August 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
