## **Om Saravanabhava Seva Trust**

### **Report of the Trustees (incorporating strategic and directors reports) for the Year Ended 31 May 2024**

---

The Trustees present their report and the audited financial statements of the charity for the year ended 31 May 2024. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

The Charity's objects are specifically restricted to the following:

1. To promote the education for the public benefit of people under the age of 25 years in South East Asia including South India and Sri Lanka;
2. To relieve financial hardships, either generally or individually for the people living in South East Asia including South India and Sri Lanka;
3. To relieve sickness and preserve the health of people living in South East Asia including South India and Sri Lanka;
4. To promote educational and religious activities globally including UK and Europe.

To further its objects, the Charity may:

- Organise events and to arrange activities to raise funds for progress / promotion of the community centre and objectives of the Trust;
- Establish Religious and Educational Institutions for the benefits of the Community;
- Raise funds, invite and receive contributions from person or persons by way of subscriptions and otherwise provided that the Trust shall not undertake trading activities in raising funds for the said objects; and
- Invest the monies of the Trust not immediately required for the said objectives in or upon such investment, securities or property as may be thought fit, subject nevertheless to such conditions (if any) as may for the time being be imposed or required by law.

##### **Public benefit**

In setting out the objectives and planning the activities, the trustees have given careful consideration to complying with the duty in section 17 of the Charities Act 2011 to have regard to the public benefit guidance published by the Charity Commission.

The Charity has also achieved the public benefit objectives by meeting the spiritual requirements of the congregation. This was achieved by holding the daily poojas, arti and discourses. All key festival and religious dates are observed and celebrated by the devotees.

##### **Volunteers**

The Charity depends heavily upon the continuing support of devotees for its success. The efforts and dedication of the volunteers is integral to the prosperity of the Charity. We also thank all volunteers for the hard work during the year, particularly those working within the areas of building and facilities management, various educational cleaning, organised special events, decorations, and back office support and other religious activities and pray that they continue to serve in the future. It is difficult to quantify the number of voluntary hours served by the devotees, for which we remain indebted.

#### **STRATEGIC REPORT**

##### **Achievements and performance**

##### **Charitable activities**

The Trustees are pleased to report on this year in which the Charity fulfilled its objectives. All funds received during the year have been applied in meeting the Charity's charitable objectives.

Any surpluses arising from donations and other income are held for the general benefit of the Charity's operations.

---

## **Om Saravanabhava Seva Trust**

### **Report of the Trustees Trustees (incorporating strategic and directors reports) for the Year Ended 31 May 2024**

---

#### **STRATEGIC REPORT**

##### **Achievements and performance**

##### **Fundraising activities**

The Charity depends heavily upon the continuing support of devotees. We also thank all volunteers for their hard work during the year, particularly those working within the areas of Prashad preparations, various educational activities, car park duties, cleaning, organised special events, decorations, and other religious activities and pray that they continue to serve the Trust in the future.

##### **Financial review**

##### **Financial position**

The Statement of Financial Activities (SOFA) shows net income and expenditure for the year. The SOFA also shows the financial activity of the Charity:

At 31 May 2024, the Charity had net assets of £2,017,948 (2023 - £2,112,595)

##### **Income**

Total income of £560,560 decreased from the previous year by £1,575,022.

##### **Investment policy and objectives**

The Trustees' investment powers allow the Trustees to invest surplus funds to generate income with which to fund future activities.

The Trustees' investment policy is to aim for safety, commensurate with immediate and planned spending requirements and given the current uncertainties in the financial markets, the Trustees consider it appropriate to be holding funds in deposit accounts where they achieve a steady return.

##### **Reserves policy**

The increase in unrestricted reserves totaling to £2,017,948 (2023 - £2,112,595), indicates that there are no material risks to the Trust's ability to operate as a going concern. As a result, the accounts have been prepared on a going concern basis.

The Trustees have confirmed that, after careful review of the reserves policy, the most appropriate measure of reserves for the Charity is by reference to the Charity's liquidity position. As at 31 May 2024, in considering the adequacy of the reserves, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they have continued to adopt the going concern basis concept in preparing the financial statements.

The Trustees consider the key measure of sustainability for the Charity to be current and future liquidity cover, rather than the surplus or deficit accounting position. As a consequence, the Trustees have set appropriate reserves policies relating to liquidity based on the relationship between readily realisable assets, on-going level of donations received, and the cash requirements associated with sustaining the Charity's operations for a year.

In establishing this policy, the Board of Trustees conducts an annual review of the level of unrestricted reserves in the general fund by considering risks associated with the various income streams, expenditure plans and balance sheet items.

This enables an estimate to be made of the level of reserves that are sufficient:

- to allow time for re-organisation in the event of a downturn in income or asset values;
- to protect ongoing charitable projects; and
- to allow the Charity to meet its objectives.

## Om Saravanabhava Seva Trust

### Report of the Trustees Trustees (incorporating strategic and directors reports) for the Year Ended 31 May 2024

---

#### STRATEGIC REPORT

##### Financial review

Risks and issues considered by the Board of Trustees in making this judgement on the level of unrestricted reserves include:

- likelihood of a downturn in income streams;
- year of time required to re-establish income streams;
- year of time required to downsize the Charity operations; whether there is adequate control over budgets; and
- requirements for a reasonable level of working capital.

The Trustees are of the view that with minimum annual income of £500,000, maintaining cash reserves of at least £50,000 will provide sufficient resources in the event of adverse conditions. The Trustees have also assessed other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

In the event of the Charity facing difficult financial circumstances, this would allow it to continue operations during a year of managed adjustment to these new circumstances.

The Trustees review the Charity's reserves policy annually and are satisfied with this level of cash reserves at the end of 2024 and are confident that the cash reserves will continue to increase in subsequent years.

##### Laws and Regulations

The trustees recognise their statutory obligations under the Companies Act 2006 and the Charities Act 2011 to prepare and file annual financial statements within the required deadlines. Due to the voluntary nature of the trustee board and unforeseen pressures on trustees' time arising from personal and professional commitments, the filing of these financial statements has regrettably been delayed beyond the statutory deadline.

The trustees acknowledge the importance of timely compliance with all legal and regulatory requirements and have taken steps to ensure that such delays do not recur. New trustees have been appointed to strengthen the board and to provide additional capacity and oversight. Enhanced procedures and controls have also been implemented to better manage statutory reporting and governance responsibilities going forward.

The trustees remain committed to upholding the highest standards of governance and regulatory compliance, and will continue to review and improve internal processes to ensure that the charity meets all of its legal obligations in a timely manner.

##### Risk management

The Trustees have an informal risk management strategy which comprises:

- Ongoing review of the risks the Charity may face;
  - Establishment of systems and procedures to mitigate those risks; and
  - Implementation of procedures designed to minimise any potential impact on the Charity should those risks materialise.
- The Board of Trustees is responsible for the management of the risks faced by the Trust. Consideration of such risks is made on an informal ongoing basis and controls to mitigate such risks are reviewed on an ongoing informal basis. A review and assessment of these controls is undertaken on an annual basis.

Through the above, the Trustees are satisfied that major risks identified are subsequently mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

The activities of the Charity are dependent on its ability to raise funds from donations. The key risk for 2023 therefore is the Charity's ability to secure ongoing funding to support the building of the community centre and temple. The Trustees consider this risk to be low as its donors are diverse and very supportive. The charitable expenditure is largely discretionary and can be reduced to mitigate a substantial reduction in income.

## **Om Saravanabhava Seva Trust**

### **Report of the Trustees Trustees (incorporating strategic and directors reports) for the Year Ended 31 May 2024**

---

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The organisation is a charitable company limited by guarantee, incorporated on 10 May 2011. The company was established under a Memorandum of Association which established the objects and powers of the company and is governed under its Articles of Association. In the event of company being wound up, members are required to contribute an amount not exceeding £10.

##### **Recruitment and Appointment of Management Committee**

The directors of the company are also charity trustees for the purpose of charity law and under the company's Articles known as members of the management committee. Under the requirements of newly adopted Memorandum and Articles of Association, new directors of the Management Committee can only be nominated by the incumbent directors by way of a special resolution requiring a majority of no less than 75%. Each director is expected to serve a period of no less than one year for the date of appointment and could be eligible for re-appointment via a special resolution.

Each member of the Management committee is from a different professional background and offers skills required for smooth and efficient strategic and operational planning.

##### **Organisational structure**

The Trust is a company limited by guarantee. None of the Trustees had any beneficial interest in the company during the year.

The Trust is a Registered Charity under the Laws of England and Wales, which is overseen by the Charity Commission. The Trustees are responsible for the activities of the Trust and the day to day management.

There are currently four members each giving a guarantee to contribute a sum, not exceeding £10, to the company should it be wound up. The governing document is the Articles of Association.

##### **Trustee Induction and Training**

Most trustees are already familiar with the practical work of the charity having been volunteered for the charity for the last 10 years. Additionally, new trustees have an induction meeting with Chairman, Vice Chairman & the Treasurer before having a formal meeting with registered Manager and his/her staff which is aimed to familiarise them with day to day operations, tactical & strategic planning. The trustees are encouraged to attend seminars and training opportunities on governance.

The trustees are constantly looking for professional persons to join the Board particularly with knowledge and expertise in Health and Social care, Human Resources and Financial management.

##### **Risk management**

The Management Committee has conducted a review of the major risks to which the charity is exposed. A risk system has been established and is updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Significant external risks to funding have led to the development of a strategic plan which will allow for the diversification of funding and activities. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects.

During the year ended 31 May 2024, the Charity maintained robust governance procedures and continued to strengthen its risk management framework in line with the Charity Commission's governance code. The Board of Trustees conducted regular reviews of trustee suitability and maintained appropriate oversight of all charitable activities.

## **Om Saravanabhava Seva Trust**

### **Report of the Trustees Trustees (incorporating strategic and directors reports) for the Year Ended 31 May 2024**

---

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

Subsequent to the year end, in April 2025, a former trustee was convicted of serious criminal offences in the UK courts. The individual was suspended from trusteeship duties in June 2023 at the start of criminal proceedings, followed by resignation post-conviction on 7 Apr 2025. The conviction, related to matters entirely unconnected to their role as a trustee or any charitable activities of the Trust.

Upon becoming aware of the conviction, the trustees immediately reviewed all governance procedures and confirmed that appropriate safeguarding processes had been followed during the individual's tenure. The Board took prompt action to assess any potential reputational or operational impact on the Charity and determined that no charitable funds or beneficiaries were affected by these matters.

The trustees have fully cooperated with the Charity Commission and followed all required reporting procedures. A comprehensive review of governance frameworks, trustee recruitment processes, and safeguarding policies has been undertaken to ensure continued compliance with regulatory requirements and best practice standards. The Board remains confident that robust decision making procedures, governance structures and a responsible approach to delegation are in place to protect the Charity's assets, beneficiaries, and reputation.

The remaining trustees continue to act in the best interests of the Charity and its beneficiaries, maintaining the highest standards of governance and regulatory compliance.

**Om Saravanabhava Seva Trust**

**Report of the Trustees (Incorporating strategic and directors reports)  
for the Year Ended 31 May 2024**

---

**TRUSTEES' RESPONSIBILITY STATEMENT**

The trustees (who are also the directors of Om Saravanabhava Seva Trust for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

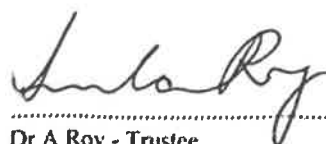

**STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the trustees are aware, there is no relevant information (as defined by Section 418 of the Companies Act 2006) of which the charitable company's auditors are unaware, and each trustee has taken all the steps that they ought to have taken as a trustee in order to make them aware of any audit information and to establish that the charitable company's auditors are aware of that information.

**AUDITORS**

In accordance with the Charities Act 2011 and Companies Act 2006, an audit is no longer required as the charity's income for the year ended 31 May 2024 was below the statutory threshold. Accordingly, BBK Partnership will not be seeking re-appointment as auditors at the next Annual General Meeting.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on 02/09/2025 and signed on the board's behalf by:

Dr A Roy - Trustee

## Report of the Independent Auditors to the Members of Om Saravanabhava Seva Trust

---

### Opinion

We have audited the financial statements of Om Saravanabhava Seva Trust (the 'charitable company') for the year ended 31 May 2024 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 May 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Material Uncertainty Related to Going Concern

We draw attention to Note 1 to the financial statements, which describes the basis of preparation, including the trustees' assessment of the charity's ability to continue as a going concern. As disclosed in the financial statements, the charity's income for the year ended 31 May 2024 decreased significantly to £560,660 (2023: £2,135,682), resulting in net expenditure of £94,647 for the year and a reduction in unrestricted reserves to £2,017,948 at year end. The charity's future operations remain dependent on the continued support of donors and the ability to secure sufficient future income.

As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the charity's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

### Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

## **Report of the Independent Auditors to the Members of Om Saravanabhava Seva Trust**

---

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Our responsibilities for the audit of the financial statements**

Our responsibilities for the audit of the financial statements Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We obtained an understanding of the legal and regulatory frameworks applicable to the charitable company and the sector in which it operates.

We obtained an understanding of how the charitable company is complying with those legal and regulatory frameworks by making enquires to management. We corroborated these enquires through, where applicable, our review of trustees' minutes.

We assessed the susceptibility of the charitable company's financial statements to material misstatements, including how fraud might occur. Audit procedures performed by the engagement team included:

- identifying and assessing the design effectiveness of controls management has in place to prevent and detect fraud;
- understanding how those charged with governance considered and addressed the potential for override of control or other inappropriate influences over the financial reporting process;
- challenging assumptions and judgements made by the management in its significant accounting estimates;
- identifying and testing journal entries, in particular any unusual journal entries; and
- assessing the extent of compliance with relevant laws and regulations.

We did not identify any key audit matters relating to irregularities, including fraud.

**Report of the Independent Auditors to the Members of  
Om Saravanabhava Seva Trust**

---

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **Om Saravanabhava Seva Trust**

### **Notes to the Financial Statements for the Year Ended 31 May 2024**

---

#### **1. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

Om Saravanabhava Seva Trust is a private company limited by guarantee in England. The address of the registered office is detailed as part of the report to the trustees of these financial statements. The nature of the charity's operations and principal activities are the advancement of education in culture and art.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

##### **Income**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example, the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP. Further detail is given in the Trustees' Annual Report.

Where practicable, gifts in kind donated for distribution to the beneficiaries of the charity are included in stock and donations in the financial statements upon receipt. If it is impracticable to assess the fair value at receipt or if the costs to undertake such a valuation outweigh any benefits, then the fair value is recognised as a component of donations when it is distributed and an equivalent amount recognised as charitable expenditure.

Gifts in kind donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. Where estimating the fair value is practicable upon receipt it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impracticable to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Fixed asset gifts in kind are recognised when receivable and are included at fair value. They are not deferred over the life of the asset.

**Om Saravanabhava Seva Trust**

**Notes to the Financial Statements - continued  
for the Year Ended 31 May 2024**

---

**1. ACCOUNTING POLICIES - continued**

**Income**

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Where it is not practicable to identify investment management costs incurred within a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

**Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside of the control of the charity.

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on an accruals basis and other overheads have been allocated on an accruals basis.

Fund-raising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

The analysis of these costs is included in note 8.

**Tangible fixed assets**

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Motor Vehicles - 20% Reducing balance  
Freehold Property - 1% Straight Line  
Fixtures & Fittings - 20% Straight Line  
Jewellery & Valuable - Nil

**Om Saravanabhava Seva Trust**

**Notes to the Financial Statements - continued  
for the Year Ended 31 May 2024**

---

**1. ACCOUNTING POLICIES - continued**

**Tangible fixed assets**

Freehold buildings have been depreciated at 1% as the Charity follows a program of regular refurbishment and maintenance of its properties. This includes reinstatement of the fabric of buildings, where necessary, in order to maintain them to the highest level. Accordingly, in the opinion of the Trustees, the depreciation provided is appropriate.

**Stocks**

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition.

Cost is calculated using the first-in, first-out formula. Provision is made for damaged, obsolete and slow-moving stock where appropriate.

Donated stocks are fair valued as described above.

**Taxation**

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

**Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

**Impairment**

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

**Provisions**

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

## Om Saravanabhava Seva Trust

### Notes to the Financial Statements - continued for the Year Ended 31 May 2024

#### 1. ACCOUNTING POLICIES - continued

##### Leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

##### Going concern

The trustees have assessed the charity's ability to continue as a going concern in light of a significant reduction in income following the disruption caused by the resignation of a key trustee in April 2025, who had previously played a central role in the charity's fundraising and community engagement activities. This event has directly resulted in a decrease in incoming resources of approximately £1,529,000, leading to a reduction in cash reserves of around £100,000 and a net current asset deficit at year end. The trustees recognise that the loss of this individual's involvement has had a material and ongoing impact on the charity's ability to generate income, and projections indicate a continued trend in the short term.

In response, the trustees have implemented cost control measures and are actively seeking alternative sources of funding to stabilise the charity's finances. The charity retains substantial fixed assets and overall net assets remain positive, which provides a degree of financial resilience. Based on current forecasts and prudent management of resources, the trustees believe the charity can continue to meet its obligations as they fall due for at least the next twelve months.

Nevertheless, the trustees acknowledge that a material uncertainty exists due to the ongoing reduction in income and the current net current asset deficit. While steps are being taken to address these challenges, the charity's continued ability to operate as a going concern is dependent on the successful implementation of these measures. Accordingly, the financial statements have been prepared on a going concern basis, but this material uncertainty may cast significant doubt on the charity's ability to continue as a going concern beyond the foreseeable future.

##### Significant judgements and estimates

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of the assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

**19. RELATED PARTY DISCLOSURES**

There were no related party transactions for the year ended 31 May 2024.

**20. SUBSEQUENT EVENTS**

Subsequent to the year end, in April 2025, a former trustee was convicted of criminal offences unrelated to their role with the Charity or any charitable activities. The conviction had no financial impact on the Charity's operations, assets, or liabilities. The trustees have reviewed all governance procedures and confirmed appropriate oversight was maintained throughout the individual's tenure. No adjustments to these financial statements were required as a result of this matter.
