Principal Goals and Activities of Wimbledon Greyhound Welfare

Wimbledon Greyhound Welfare exists to care for and find homes for former racing greyhounds

Our objectives are specifically restricted to the following:

- The relief of suffering and distress of retired and unwanted greyhounds, including, but not limited to the following:
 - a) Providing medical attention and treatment for those greyhounds that require it
 - b) Providing sanctuary for those greyhounds with medical or behavioural issues
 - c) Arranging careful and responsible re-homing of greyhounds
- The advancement of education of the general public in matters relating to greyhounds and by this means to prevent cruelty and suffering.

In the above objectives, all references to greyhounds also include other sighthounds.

Achievements and Performance

Review of Activities

2020 was the ninth full year for Wimbledon Greyhound Welfare. For the 12 months ending December 2020, WGW found homes for 130 greyhounds. This is the highest annual number since the charity was established.

Fundraising and promotional activities

It is always important for us at WGW to keep our volunteers and supporters aware of what is happening and any possible updates within the charity. We do this via a variety of media; by paper and online newsletters, website and our face-book pages and in local press. We also appeared on ITV London News, where we were showcased as a worthy local charity who had received a donation from the bequest of a long-time Hersham resident. This has meant us reaching a wider TV audience, especially as many people are interested in the welfare of the greyhounds and in our rehoming centre. Our supporters, who are often also hound owners, can help us raise funds and reach more people with various online fundraisers to promote greyhounds as great pets.

COVID restrictions have meant that our usual schedule of planned public fundraising events had to be cancelled. This has meant we had to seek alternative fundraising ideas, which have been held online. Our wonderful and dedicated supporters have continued to show support in a variety of ways, examples including organising their own personal fundraisers, running online quizzes via Zoom, setting up birthday fundraisers on face-book, and themed and one-off raffles. These have all been run by supporters with kennels support.

We have continued to promote our charity locally, although this has unfortunately been impacted by COVID restrictions which has meant the cancellation of traditional local events which have always brought in a good public response, e.g our annual Christmas Blessing on the Green by the local vicar. We have continued to see a distinct rise in the number of calls and online queries to the kennels, especially those interested in homing a greyhound or offering to foster a hound to help assess them for homing. During the Covid-19 period, we have had even more enquiries, although we do have to ensure that post lockdown, the dog will not be left for overly long periods in the future.

In normal times we usually have many regular visitors, including community support workers, young adults participating in the Duke of Edinburgh scheme, and corporate volunteers helping out with tasks such as painting and walking the hounds for a few days. Unfortunately this was not been possible for the majority of the year.

So, all in all another busy year with lots going on, both on a normal operational level and behind the scenes, none of which would have been possible without such wonderful committed trustees, staff and volunteers.

Finance and reserves

The ninth full year as an independent charity has been successful with a closing balance of reserves of £957,697. The charity has a policy of maintaining 6 months costs in reserves. This totals approximately £100,000. A separate restricted reserve has been established to finance the long term intention of the charity purchasing its own kennels. A number of legacies received in the past have specifically requested that the funds be used for this purpose, and this is now reflected in this new reserve. The balance carried forward will allow discretionary spending on facilities for the kennels on due course, as well as assisting us in our long-term goal of owning a kennel site outright.

We have conducted some restructuring of the charity to ensure we remain a viable entity in the long term. Over the previous 12 months we examined how we operate, understanding our cost base in more detail and debating how we could provide the best care for our hounds in the most cost effective way. The restructuring has focussed, in the main, on drawing down onto one site to ensure we operate as economically as possible. Whilst this was a pre COVID action it has proven to be invaluable in weathering the current circumstances.

Public Benefit

The trustees have considered the guidance provided by the Charity Commission in relation to public benefit and the activities of the charity.

Summary

The ninth full year of operation as an independent charity has continued to be beneficial to the operational and financial aspects of Wimbledon Greyhound Welfare. Our supporters have continued to be incredible in their generosity in supporting our efforts and further improvements have already been made in the amenities at the kennels which will continue to provide a stable financial future.

WIMBLEDON GREYHOUND WELFARE

Independent examiner's report **to the trustees of Wimbledon Greyhound Welfare**

I report on the accounts of the company for the year ended 31 December 2020, which are set out on pages 8 to 11.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement on the next page.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

2. I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
