Scope

This is the Annual Report of the BCWB Trustees (who form the Committee). The last full AGM was held 6 June 2025. This Annual Report covers calendar year 2025, although inevitably some entries make reference to 2026 up to the date of the AGM.

The composition of the organisation is as follows

Constituent Bands

- Bristol Concert Wind Band
- Blown Away!
- Winds Of Change

Associated Bands

- Fair Winds
 - in July 2025 the members of Fair Winds were invited to join Winds Of Change and Fair Winds ceased to exist as a separate entity
- Fresh Winds
- Swing's Cool

BCWB Committee (i.e. Charity Trustees) between the AGMs of 6 June 2025 and 20 May 2026

Chair: Malcolm Fox Secretary: Chris Chaloner Treasurer: Ann Gordon	Constituent Band Representatives: BCWB • Rebecca Warren • Eric Bateson Blown Away! • Phil Allen • Kat Hollis Winds Of Change • Karri Chandler • Nell Buckley
General Committee members Jill Watson Bernie Bertagne	

Representatives of Associated Bands are invited to Committee Meetings; they participate but have no vote.

Fresh Winds representatives were Charlotte Hill and Karen Budd

Chair – Malcolm Fox

On behalf of the Bristol Concert Wind Band Association, I would like to extend my sincere gratitude to all members for their unwavering commitment throughout the year. Your dedication, enthusiasm, and active participation has been and continues to be vital to the success and growth of our organisation. Whether through performance, rehearsal, administration, or behind-the-scenes support, your contributions are the things that support and strengthen our community and enriched our musical endeavours.

I know there have been some sad times and ask that you remember and honour those who have passed away or moved on. Their presence, talent, and spirit remain an enduring part of our shared history.

Musical Director – BCWB – Paul Sidney

2024/2025 was again a successful year for BCWB. We had two well attended formal concerts, one in Shirehampton, playing there for the first time, and concert with Arnos Vocale in Henleaze. These were enjoyed by the players and audiences and it was good to step out of the band's comfort zone and take on new challenges. We also played two charity concerts, one for MARLENS in Clevedon and a Christmas concert raising money for the Armstrong Hall in Thornbury. Once again these went really well, which were not only fun to do, but also extended our links to the community around Bristol whilst raising money for these charities. Our three outdoor concerts were also enjoyable afternoons, playing at the Blaise Estate, Keynsham, and Bath Parade Gardens. All were well appreciated by the audiences who attended and thankfully the weather was kind to us this year.

We have exciting concerts planned for this year ahead and the band has been boosted by having several new fantastic players join us. We still have vacancies in brass and percussion and hope that we can keep attracting new talented musicians to join us. I will continue to select music which is enjoyable and challenging in order to keep improving the band and make it as fun as possible for the players.

Musical Director – Blown Away! – Rob Bartlett

2025 was another good year for Blown Away!

In May we enjoyed a great concert at Trinity Henleaze with Winds of Change with good attendance from friends and family.

With our regular commitment at Pensford Evergreens being enjoyed by the audience I'm sure we'll be back there in 2026.

In the summer we had two of our regular commitments with the band playing to an excellent standard at both Page park and at our summer concert at the Resound centre.

At the Christmas concert I was pleased to announce my now regular awards for most improved player (Humphrey Woods French Horn) and BA! Player of the year (Susie Crainey Flute)

My continued focus for 2026 will be intonation and dynamic range.

Musical Director –Winds Of Change and Fair Winds- Tina Bartlett

2025 was a year of big changes for Winds of Change and Fair Winds. WofC played their last 2 concerts under the direction of Rob after 15 years of him MDing the band. These were as part of 2 joint concerts, the first a concert with BA! at THURC on the 17th of May and with Fair Winds and Fresh Winds on 28th of June at Staple Hill Methodist Church.

The concert on the 28th of June was also Fair Winds last concert under my direction after 8 years of conducting the learner groups. It was lovely to hold this concert, and it was great to hear Fresh Winds, alongside Fair Winds and WoC for this end of an era concert.

In July Fair Winds merged into WoC and since then we have been learning how to play together as our new wonderfully large band. We were hopeful to play our first gig together in page park on the 31st of August, but this was not to be, with the rain stopping us. We have kept working hard though for the rest of the year and we finally got to play our first concert together at the Christmas fundraiser on the 6th of December at Hanham Community Centre. I don't think I will ever listen to Last Christmas again, without thinking of those snowballs! Thanks to all the players in Winds of Change and Fair Winds for making 2025 a great year.

Course Leader – Fresh Winds – Heather Platt

Fresh Winds are progressing very well. The Autumn term was full of dedicated practise resulting in a truly brilliant performance at our Christmas Shindig. So proud!

Our new term has them still working through the 3rd year learner book. Plus we have several new scores to perfect for their first time playing at Page Park in July. I think I'm speaking for them all in saying we are very much looking forward to being there.

Prior to the Autumn term my warmest thanks go to my players and Malcolm for keeping the band together whilst I was unwell.

Malcolm led them through a shaky time and I'm very grateful that I got to be at the concert where he conducted a lovely performance. Thank you.

Group Organiser – Swing's Cool – Chris Chaloner

We continue to rehearse monthly on Sunday mornings in the Long Ashton Community Centre under the direction of Derek Lawrence. We rehearsed every month of 2025 except December.

We are a non-auditioned rehearsal band founded many years ago to help Concert Band players to learn the Big Band idioms and conventions, and that is still largely the case. We mainly play the standard Big Band repertoire from sheet music but not limited to the standard lineup. Reading skills are widened through playing parts with swing conventions, and it makes an enjoyable Sunday morning. There is no pressure. If anyone wishes to try out on almost any instrument you will be very welcome. There is no requirement to be able to improvise, but those who can will get opportunities to do so.

Secretary – Chris Chaloner

Committee Meetings have been held (a mixture of in-person and Zoom) on:

.. and in 2026 (listed for completeness)

- *14 January 2026*
 - *TBC Feb 2026*
 - *5 March 2026*
-

A number of members died in 2025:

- Alan Nye - singer for many years with Swing's Cool
- Steve Evans – alto sax with Blown Away!
- Ruth Scriven (née Lawrence) – flautist for more than 20 years with BCWB and several spells as Secretary and Committee member. St Peter's Hospice was selected as our nominated Charity for Christmas fundraising.

The band has had another stable year financially. The vast majority of members pay their subs on time and we are able to claim gift aid on many of these subs. This amounted to £2,500 last year.

Often, particularly since Covid, we run our concerts at a loss, especially for the lower bands, which we can fortunately afford to do. Last year, however, has seen the main band regaining its audience and actually making a profit on its concerts.

Overall, our expenses exceeded our income by £1,499 last year. This was due to some exceptional purchases. We have invested in a new set of carol books which will hopefully be easier to read. We had to replace the band printer and to buy more music folders as the number of members increased due to Fair Winds merging into Winds of Change. We also have a good stock of new uniform.

We raised an amazing £2,000 for St Peter's Hospice with our Christmas fundraiser at Hanham and the carols at Parkway station.

We have a very healthy bank balance and I am pleased to say there is no need to increase subs for the time being.

Membership Report for 2025 – Jill Watson

On the 31st December 2025, the membership across the BCWB organization totaled **157**.

A breakdown of the membership, across the bands at the end of 2025, and a comparison of the seven preceding years, is given below:

	2025	2024	2023	2022	2021	2020	2019	2018
Bristol Concert Wind Band	46	47	51	49	47	52	54	54

Winds Of Change	55	32	34	32	39	38	40	37

Fresh Winds	29	27	30					
	175	200	202	165	164	206	217	186
Actual Membership	157	162	171	138	140	184	196	172

NB The total number across the individual bands is higher than the membership figures as **25** members play in 2 or, in some cases, 3 of our bands, either through learning to play a 2nd or 3rd instrument or helping to bolster sections to enhance performance.

2025 saw Rob Bartlett step back from continuing to MD Winds of Change and Tina take the reins instead. It was agreed that with the lower numbers in WOC, the members of Fair Winds would move into WOC to bolster the numbers. This saw 25 new members join WOC. Seven members of Fair Winds were not able to continue with the band due to the change of evening rehearsals from a Wednesday to a Tuesday.

Four Members of WOC moved to BA! During the year.

The Summary of Leavers & Joiners in 2025 is given below, excluding those who joined from Fair Winds:

	BCWB	BA!	WOC	FairW	FreshW
Joiners	5	6	7	1	1
Leavers	7	6	5	5	1

Tina Bartlett also kindly donated three pieces of music to the BCWB library: Joplin!, The Little Shop Of Horrors & Radetzky March: A Concert in Vienna and we are very grateful for these additions.

The auditing of the library is still ongoing. At the end of 2025, of the **984** pieces of music recorded as being in the library, a total of **152** pieces have now been identified as not being viable but that still leaves a potential **832** pieces available to loan to the bands, subject to further auditing. This number tends to increase year on year with the number of new music purchases made, even though we are still finding pieces that are not viable.

Of the **832** pieces that are potentially available to loan to the bands, **459**, up from **404** last year, have now been fully prepared and can confidently be used by the bands with a short notice period. The remaining **373** pieces, in the library, are still of unknown quality and require longer to prepare, along with any new purchases, to make them ready for distribution to the bands.

The complete Music Library can be viewed by all band members from within the Members area of the BCWB web site.

The music does involve a lot of management with:

- ensuring we have enough folders for every member of the band
- purchasing new music requested by trolling sites to get the best possible deals to make the most of the budgets
- preparation, including creating parts that may be missing or are in the wrong clef and/or key for the instruments we have
- ensuring we have adequate number of parts for allocating to individual members
- distribution to members
- collecting in, which unfortunately still involves a fair amount of chasing
- collating the returned parts
- ensuring the pieces of music are returned to the library so that they are ready for the next loan

I'd like to thank the main contributors to these tasks namely, Jackie Gitsham, Ann Gordon, Cathy Fraser, Gill Cooke, Rob Scott, Karri Chandler, Bernie Bertagne, Nell Buckley, Will Robertson but know that there are others involved and really appreciate what you do to help with the smooth running of these tasks.

Musical Instruments

There are no major issues to report on the instrument pool. The principal uses for the instruments are (a) to loan to members of the learner groups and (b) to provide all the bands with more unusual instruments (particularly percussion, but also some others). In addition, short-term loans are made to members while their own instruments are serviced, or if they wish to try out a different instrument.

Accounts

Issue 1

Scope

This is the Annual Report of the BCWB Trustees (who form the Committee). The last full AGM was held 30 June 2023. This Annual Report covers calendar year 2024, although inevitably some entries make reference to 2025 up to the date of the AGM.

BCWB Committee (i.e. Charity Trustees) between the AGMs of 27 June 2024 and 3 June 2025

Chair: Malcolm Fox Secretary: Chris Chaloner Treasurer: Ann Gordon	Band Representatives: BCWB • Rebecca Warren • Eric Bateson Blown Away! • To end 2024: ○ Elaine Amos ○ Gerald Pell • from Jan 2025: ○ Phil Allen ○ Kat Hollis Winds Of Change • Karri Chandler • Nell Buckley
General Committee members Jill Watson	

Chair – Malcolm Fox

At the 2024 AGM I took on the role of Chair. Like me, several of the Committee were new to their roles. I should like to thank the Committee for all their hard work, including the change in rehearsal venues for Blown Away! and Winds Of Change. We also coped with some mid-year band rep changes.

2025 looks as though it should be another good year for the organisation and all our bands.

Musical Director – BCWB – Paul Sidney

It has once again been an enjoyable and successful year for BCWB. Like any group, there are ups and downs, and comings and goings, however the concerts we have played have all be successful and great fun to conduct.

Membership is the main issue which causes a headache and it is always sad to see players leave and whilst we have lost some key players, we have also attracted new players, either directly or through a recommendation from the other bands within BCWB. These players have fitted in really well, and the band is still playing to a good standard with some vacancies mainly in brass and percussion. Sadly we have still required some deps to stand in at concerts but hopefully with a bit of a recruitment drive, we can address this and have the band filled with regular members.

Our concert in November was a highlight for me as we played with Charlotte Hunter who sang beautifully with the band. The band worked hard to play the different styles of music in the concert and blend with the singer making the whole evening a resounding success. Keynsham was memorable, but mainly for the thunderstorm which poured on our audience in the second half making us cut the concert short, however we did have a brave core audience that stuck it out as long as they could. All of our concerts have been a musical success and the level of performance from the band has been tremendous.

I am looking forward to this next year. We are trying a new concert venue in St Mary's Church in Shirehampton, planning two concerts to raise money for charities and also returning to Bath Parade Gardens, which is a beautiful and picturesque venue. It is important to keep trying new things, but it is also good that we are keeping some traditional venues to build on our audience base.

I would like to thank all the players, everyone on the committee for their dedication in organising the events and concerts that we do, and especially to Jill who very patiently puts up with my requests for music and organises everyone parts which makes my job so much easier. Also a big thank you to Nicola and Susannah who have stood in to conduct when I have been unable to attend.

My goal is to look for constant improvement within BCWB and myself whilst enjoying ourselves. We certainly achieved that throughout this year and I will continue to look for the small improvements that add up over the longer term. I can't wait to see what happens in BCWB as we build on the success of this last year.

Thank you

Musical Director – Blown Away! & Winds Of Change – Rob Bartlett

Winds of Change

2024 was a changeable year with regards to players joining and also leaving however we remained at a constant member level throughout the year with joiners replacing leavers.

We continued working on all aspects of playing focusing on rhythms as a priority along with dynamics.

I have stressed many time that writing instructions on parts is essential when implementing change regularly as there are many pieces to perform. This is still followed by most players and would love to see more players pencil ready when instructions are given.

After relocating to a more suitable rehearsal venue we enjoyed some good progress and readily prepared for a joint concert with Fair Winds in July which was well attended and thoroughly enjoyed by both players and audience.

We followed this with a joint bandstand concert in Page Park in July which helped the players to see the progression of both bands.

Winds of change also enjoyed another performance at Clevedon Queens Square where although the audience was small was very appreciative.

Although we prepared for our usual Christmas performance due to weather were unable to perform but look forward to 2025.

A huge thank you to Nell and Karri for their tireless work in running the bands, Jackie for her support with the library and Cheryl for managing the rehearsal tea breaks.

Blown Away!

2024 was a very positive year for Blown Away! We enjoyed performing lots of new repertoire including Coldplay in Symphony which although challenging was a highlight of the season.

I was delighted by the continued enthusiasm of players asking to perform solo pieces. Mike Riley's Bass Clarinet solo in You raise me up and Julie Grays Clarinet playing in Klezmer were highlights as was Adrians Euphonium in Grandfathers Clock.

Due to opportunities within BCWB arising we were also able for Julie and Cathy (A Sax) to join BCWB which shows the ability for new experiences and new challenges offered within the BCWB family.

In July we enjoyed an outdoor concert at Blaise Castle where although challenged by the winds the band raise to the challenge admirably.

In August we performed our Summer concert to a large and appreciative audience with stand out performances by Julie, Cathy, Mike and Adrian as mentioned earlier.

As well as our yearly concert at Pensford's evergreens we also enjoyed another summer park gig at Page Park.

Although we prepared for our usual Christmas performance due to weather were unable to perform but look forward to 2025.

I'm very pleased with the development and progression of Blown Away this year but knew that this could be improved by a change in rehearsal venue so the relocation was a priority in 2024. Moving forward in 2025 I believe that even greater progression can be made.

Many thanks to Elaine and Gerry as our band reps who work worked tirelessly to ensure a rehearsal venue move in October due to the unsuitability of Christchurch. We shall miss them now that they have decided to step down from the Rep role.

We now welcome Phil Allen and Kat Hollis as our new Band Reps and look forward to a successful 2025.

Course Leader – Fair Winds – Tina Bartlett

2024 was another great year for Fair Winds. All players made great progress with their playing through lots of hard work and practice, at home and during rehearsals.

We played 4 performances in 2024, the first of which was on Saturday 22nd June, a chance to support Fresh Winds at their concert at Page Park Cafe. It was a lovely venue to hold a concert, and we enjoyed playing in the middle of some great sets performed by Fresh Winds. Fair Winds had their first chance to play some of the pieces we had been preparing such as 'Avatar: The Way of Water' and 'The Yellow Submarine' and the band did a great job as always. Heather and I also enjoyed the chance to play some duets together.

Saturday 13th July was our next concert, which was a joint concert with Winds of Change at Christchurch Downend. Everyone performed marvellously and we had lots of fun. The band presented me with a lightsaber before our performance of 'The Mandalorian' - the first time I have ever tried to conduct with one and it wasn't as easy as it looked like it would be! Other highlights were playing pieces such as 'Music from Brave' and 'Big Band Superhits'. Fair Winds players always commit to playing their best and this really shows in their performances.

On Sunday 21st July we then played another joint gig at Page Park Bandstand with Winds of Change. This was a first for the group in getting to play in the actual bandstand. They looked, sounded great and handled all their music well. It is always interesting playing outside depending on weather at any time as you all know.

Unfortunately, due to some extreme weather we didn't get to play at the Christmas Concert on the 7th December, but we still managed to have a lovely Christmas Meal outing on Wednesday 11th December at La Passione in Kingswood and then play our Christmas Concert pieces at our Christmas gig at Frome Valley Medical Centre on Wednesday 18th December which was a very fitting and Christmassy end to the year. Thanks to all who were involved with the organising of those events. Another wonderful year with a great bunch of players/people. Thanks Fair Winds!

Course Leader – Fresh Winds – Heather Platt

Fresh Winds has continued with success throughout the year. Unfortunately, Heather has been ill during the period of preparation of this Annual Report for 2024, so there is no contribution covering Fresh Winds. This absence does not carry any significance.

Group Organiser – Swing's Cool – Chris Chaloner

We continue to rehearse monthly on Sunday mornings in the Long Ashton Community Centre under the direction of Derek Lawrence. We rehearsed every month of 2024 except August (many people on holiday).

We are a non-auditioned rehearsal band founded many years ago to help Concert Band players to learn the Big Band idioms and conventions, and that is still largely the case. We mainly play the standard Big Band repertoire from sheet music but not limited to the standard lineup. Reading skills are widened through playing parts with swing conventions, and it makes an enjoyable Sunday morning. There is no pressure. If anyone wishes to try out on almost any instrument you will be very welcome. There is no requirement to be able to improvise, but those who can will get opportunities to do so.

The AGM for Calendar Year 2023 was held on 27 June 2024. A proposal to change the Constitution to limit the length of service of Committee Members was rejected. [Note that there is already a limit on the number of years which can be served by the 3 Officers (Chair, Secretary and Treasurer).]

Membership Report for 2024 – Jill Watson

On the 31st December 2024, the membership across the BCWB organization totaled **162** members down **171** at the end of 2023.

A breakdown of the membership, across the bands at the end of 2024, and a comparison of the six preceding years, is given below:

	2024	2023	2022	2021	2020	2019	2018
Bristol Concert Wind Band	47	51	49	47	52	54	54
Blown Away!	55	53	54	51	64	67	56
Winds Of Change	32	34	32	39	38	40	37
Fair Winds	39	34	30	27	14	14	13
Wind Jammers	0	0	0	0	38	42	26
Fresh Winds	27	30					
	200	202	165	164	206	217	186
Actual Membership	162	171	138	140	184	196	172

NB The total number across the individual bands is higher than the membership figures as **31** members play in 2 or, in some cases, 3 of our bands, either through learning to play a 2nd or 3rd instrument or helping to bolster sections to enhance performance.

The Summary of Leavers & Joiners in 2024 is given below:

	BCWB	BA!	WOC	FairW	FreshW
Joiners	4	1	8	4	5
Leavers	9	3	9	1	6

Additional Notes:

- 2 members joined BCWB from BA!
- 2 members joined BA! From Fresh Winds

Music Library – Jill Watson

During 2024 **16** new pieces of music were purchased across the three bands. Please see the Treasurers Report for details of these new pieces.

The auditing and preparation of each piece is an ongoing task but at the end of 2024 of the **948** pieces of music recorded as being in the library, a total of **146** pieces have now been identified as not being viable but that still leaves a possible total of approx. **802** pieces. Of the **802** pieces, at the end of 2024, **404** pieces had been fully processed and can confidently be used by the bands and this number is rising with each new purchase and band request for a piece that has not yet been prepared.

The Music Library can be viewed by all band members from within the Members area of the BCWB web site.

This preparation work ensures that these pieces can be taken out of the library in the full knowledge that they are viable. The preparation work also ensures that all parts are trackable, so that there is no guesswork as to who was in possession, and is responsible for any given part. This has helped to reduce the amount of music going missing, significantly.

The librarians work includes the following tasks:

- ensuring the music is complete and prepared for loan
- preparing music to ensure readability, and recreating missing parts, for those pieces that are out of print.
- ensuring everyone gets a part for each piece being used by the band
- making the music available to you when you next attend a rehearsal, even if you were not at the rehearsal when it was initially handed out
- ensuring all the music is collected in when no longer needed
- chasing parts not handed in from those individuals that the parts had been allocated to
- ensuring all parts are returned to their original envelopes and then returned to the library for another band to borrow

There are a number of people who are involved in these many tasks and a big thank you to them for all that they do to keep the music library in order. Everyone also has a part to play in looking after the library by ensuring that music, in your possession, is looked after, and returned in a timely manner.

Musical Instruments – Susannah Holmes

With no learning band starting this year, there has been less movement of instruments in and out of the band room. Several people have returned instruments as they are buying their own which is excellent. It was agreed that 2 large (expensive) instruments could be loaned out for a 4th year for two members of Tina's Wednesday band. Both instruments were serviced at the cost of the borrower and this was mutually agreed to be a good arrangement. Focus in next few months to arrange returns of approx. 4 instruments from Tina's closing band who are not intending to join WOC as it takes in Fair Winds.
