EVERSLEY SPORTS ASSOCIATION

REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees present their report and financial statements for the year ended 31 December 2020.

The financial statements comply with the Charity Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Small Entities.

The trustees are of the view that appropriate actions were taken through the period of the SARS-CoV-2 pandemic in 2020, and consequently the assessment of the Trustees is that the charity is a going concern.

The Charity consists of 3 Members, The Eversley Cricket Club (ECC), The Eversley and California Football Club (E&CFC, who have separate senior and junior sections) and the Yateley Hockey Club (YHC) and is managed by a board of thirteen trustees. Up to four trustees are elected by each of the three Clubs and the Eversley Parish Council (EPC) elects the remaining trustee. The trustees have co-opted other members to the Board to serve specific roles including the management of the Sports Grounds. The management of the ESA and all the Clubs is provided by volunteers, who receive no remuneration for their work. One person is employed to run the Clubhouse, and for much of the year associated costs were covered under the Governments Furlough scheme. A Company called Safe Hands is employed as Bookkeepers.

The Eversley Sports Association receives annual income from the three Clubs for facilities maintenance as fees and donations from events run by Clubs and by the ESA. In addition, the ESA receives funds from the service provider agreement for the management of the Indoor Training Centre and from the Feed in Tariff. For most of 2020 the Indoor Training Centre was closed and consequently it generated no revenue.

Repayment of loans to ECB for the solar panels were delayed by ECB in recognition of the financial challenges impacting sports associations during the pandemic. Repayments will start again at the end of 2021. The Trustees confirm that to date the loan repayment schedule has been maintained and that sufficient funds are accumulating in the current and deposit accounts to meet the ESA's commitments.

Objectives and activities

The objectives and activities of the ESA include widening and deepening access to sport for both sexes, for players and spectators young and old. The ESA recognise the huge contribution that well managed competitive sport can make to society in a raft of measures including health, behaviour, education, management training, entertainment, happiness and general well being, etc. The significance of sport cannot be over emphasised and the ESA is proud to have built a Focus for Sport in the Community. The ESA is a major social services provider in the Area and requires careful fostering to deliver the Community's needs in the decades ahead.

The ESA clubs have child protection policies and those individuals of the ESA who work with children are CRB checked and receive training on working with children. No person or organisation connected with the ESA receives private benefit.

The ESA also has policies for the protection of equal opportunities, health and safety and protection of the environment.

To date, ESA has raised funds from sports bodies, lottery funds, local authorities, private sector donations, private donations and fund-raising events, as well as from its member clubs via the annual club pitch fees and donations. Ordinarily the ESA benefits from the operation of the Clubhouse and bar (which was closed for most of 2020 due to the pandemic) and receives income from the feed in tariff and from the hiring of its AstroTurf and Indoor Cricket Centre.

The ESA endeavours to promote community participation in healthy recreation by the provision of facilities for the playing of colts and senior cricket, football, hockey and other sports which can improve physical health and fitness; and other purposes as are charitable according to the laws of England and Wales for the benefit of the public. Our governing document is the Memorandum and Articles of Association, registration number 4993949.

EVERSLEY SPORTS ASSOCIATION

REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) **FOR THE YEAR ENDED 31 DECEMBER 2020**

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The Facilities

- The clubs were able to use the facilities during the periods between national lockdowns and these were maintained in an operational state despite the challenges of preventing unwanted and illegal ingress by third parties whilst the grounds were closed.
- The access roads have been maintained to a useable standard with the help of Inert. A donation was received of £50,000 which will be used in 2021 to upgrade the access to Fox Lane. This, and the direction of Astro revenues to the associated sink fund has led to an improvement of the cash position as compared with year end 2019.
- The Astro has been put to the best use possible by the YHC and other local clubs and schools.
- Other projects in the pipeline such as 3G football pitch, a new Clubhouse, Gym and a Golf project were all put on hold given operational restrictions.
- The solar panel installations continue to provide a valuable contribution to income for the ESA.

Events

- The individual Clubs hold tournaments and special sports events to raise funds for their individual activities, and for the ESA.

Achievements and performance

Financial review

It is the policy of the Charity that liquid funds within unrestricted funds which has not been designated for a specific use should be maintained at a level equivalent to between three and six months' expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year. In addition, improved financial management is allowing the build of reserves to replace depreciated assets as they come to the end of their natural lifetime.

Capital projects are only commenced when all necessary funds have been raised.

The Board of Trustees has assessed the major risk to which the charity is exposed and is satisfied that systems are in place to mitigate exposure to the major risks.

The trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is a company limited by guarantee.

None of the trustees has any beneficial interest in the Company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

- The ESA provides facilities for playing football, cricket and hockey. These facilities and sports meet the definition of sport in section 2(3)(d) of the Charities Act 2006.
- The pursuit of football, hockey and cricket promote the health of participants.
- The playing of football, hockey and cricket involves physical exertion and/or skill.
- ESA advances 'amateur' sport, the playing members are not professionals and do not receive payment.
- ESA is also organised on an amateur basis and is not profit making, all surplus return to the provision of better facilities and training.
- The ESA is concerned with advancing amateur sport through forming and running local amateur teams and clubs, as well as forming and running leagues and competitions in which local clubs or teams participate against one another, and where prizes and cups are awarded.
- The ESA does not have any additional, non-charitable activity, such as the promotion of international sporting success.
- ESA is advancing amateur sport for the public benefit and the opportunity to benefit is not therefore unreasonably restricted by geographical restrictions. The opportunity to benefit is also not unreasonably restricted by ability to pay the fees charged.
- Membership of clubs forming the ESA is open to all who wish to join. Any waiting list for membership only exists where membership is oversubscribed, and the next available membership place is always offered on a first come, first served basis.

The report was approved by the Board of Trustees.

(Continued)

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

3.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

3.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land and buildings	Over remaining term of the lease
Plant and machinery	Between 5% and 25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

3.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Impairment of financial assets

Financial assets, other than those held at fair value through income and expenditure, are assessed for indicators of impairment at each reporting date. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected.

If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in net income/(expenditure) for the year.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in net income/(expenditure) for the year.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Derecognition of financial liabilities

Financial liabilities are derecognised when the contractual obligations expire or are discharged or cancelled.
