The trustees present their report with the financial statements of the charity for the year ended 31 July 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the charity commission relating to public benefit.

The objectives of the trust which have not changed since the last annual report, as set out in its governing document are the advancement of the Hindu religion, relief of poverty and advancement of education.

Achievement and performance

The funds received are contributed to the repairs and running costs of the temple. The temple is made available for use by the community. The charity continues to hold open evenings and events to raise funds for the temple. The facility is well equipped to cater for Jai Maa Bhameshwari Kali Mandir visions and goals and be a hub of the community and continues to demonstrate excellence in all areas of work by making use of local resource and research and developing key partnerships with local authorities and organisations. All donations have been used for the purpose of this project.

The charity's principal financial objective has been to continue to ensure financial stability. The charity's operating plan entails maximum use being made by the community of the Temple facilities, and the Trustees anticipate that this, together with planned religious, cultural and other activities will support the continued focus on fulfilling the charity's objectives.

Financial review

It is the policy of the charity to maintain unrestricted funds at a minimum level. This provides sufficient funds to cover management and administration and support costs.

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Risk management

The trustees actively review the major risk which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Structure, governance and management

Jai Maa Bhameshwari Kali Mandir is a registered UK Charity constituted on 25 March 2011 under charity number 1143008. It is an unincorporated charity. The governing document is a Trust Deed.

The trustees named on page 1 have served throughout the year. The trustees have the power to appoint any person to be a trustee in accordance with the provisions of the Trust Deed. An appointed trustee holds office within the limits permitted by law.

Plans for future periods

The trustees' vision for the future is to provide and further develop the services to the community, review current activities and prepare strategic plans for the future and ensure the financial stability of the charity for future generations.

Approved by order of the board of trustees on 12 February 2026 and signed on its behalf by:

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2025**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Income tax recoverable in relation to donations received under Gift Aid is recorded on a receivable basis.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Expenditure

All expenditure (inclusive of VAT) is accounted for on an accruals basis and has been included under expenses categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities, they have been allocated on a basis consistent with the use of the resources.

Governance costs include those costs incurred in the governance of the charity's assets and are associated with constitutional and statutory requirements.

Direct costs are costs directly related to employment in, or the promotion of the Hindu religion and culture.

Support costs are all other costs incurred by the charity which are not direct costs or governance costs.

Taxation

The charity is exempt from tax on its charitable activities.

Tangible fixed assets

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

| | |
|--------------------------|-------------------------------------|
| Improvements to property | - Straight line over 5 years |
| Fixtures and fittings | - 25% per annum straight line basis |

The trustees present their report with the financial statements of the charity for the year ended 31 July 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the charity commission relating to public benefit.

The objectives of the trust which have not changed since the last annual report, as set out in its governing document are the advancement of the Hindu religion, relief of poverty and advancement of education.

Achievement and performance

The funds received are contributed to the repairs and running costs of the temple. The temple is made available for use by the community. The charity continues to hold open evenings and events to raise funds for the temple. The facility is well equipped to cater for Jai Maa Bhameshwari Kali Mandir visions and goals and be a hub of the community and continues to demonstrate excellence in all areas of work by making use of local resource and research and developing key partnerships with local authorities and organisations. All donations have been used for the purpose of this project.

The charity's principal financial objective has been to continue to ensure financial stability. The charity's operating plan entails maximum use being made by the community of the Temple facilities, and the Trustees anticipate that this, together with planned religious, cultural and other activities will support the continued focus on fulfilling the charity's objectives.

Financial review

It is the policy of the charity to maintain unrestricted funds at a minimum level. This provides sufficient funds to cover management and administration and support costs.

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Risk management

The trustees actively review the major risk which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Structure, governance and management

Jai Maa Bhameshwari Kali Mandir is a registered UK Charity constituted on 25 March 2011 under charity number 1143008. It is an unincorporated charity. The governing document is a Trust Deed.

The trustees named on page 1 have served throughout the year. The trustees have the power to appoint any person to be a trustee in accordance with the provisions of the Trust Deed. An appointed trustee holds office within the limits permitted by law.

Plans for future periods

The trustees' vision for the future is to provide and further develop the services to the community, review current activities and prepare strategic plans for the future and ensure the financial stability of the charity for future generations.

Approved by order of the board of trustees on 20 June 2025 and signed on its behalf by:

TRUSTEES' REPORT FOR THE YEAR ENDED 31 JULY 2022

The trustees present their report with the financial statements of the charity for the year ended 31 July 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The objectives of the trust, as set out in its governing document are:

Advancement of the Hindu religion.

Relief of poverty.

Advancement of education.

Achievement and performance

The funds received are contributed to the repairs and running costs of the temple. The temple is made available for use by the community. The charity continues to hold open evenings and events to raise funds for the temple. The facility is well equipped to cater for Jai Maa Bhameshwari Kali Mandir visions and goals and be a hub of the community and continues to demonstrate excellence in all areas of work by making use of local resource and research and developing key partnerships with local authorities and organisations. All donations have been used for the purpose of this project.

Financial review

It is the policy of the charity to maintain unrestricted funds at a minimum level. This provides sufficient funds to cover management and administration and support costs.

Future plans

The trustees actively review the major risk which the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Structure, governance and management

Jai Maa Bhameshwari Kali Mandir is a registered UK Charity constituted on 25 March 2011 under charity number 1143008. It is an unincorporated charity. The governing document is a Trust Deed.

The trustees named on page 1 have served throughout the year. The trustees have the power to appoint any person to be a trustee in accordance with the provisions of the Trust Deed. An appointed trustee holds office within the limits permitted by law.

Approved by order of the board of trustees on 13 March 2023 and signed on its behalf by:

Kuldip Bansal - Trustee

JAI MAA BAHMESHWARI KALI MANDIR**

Independent examiner's report to the trustees of Jai Maa Bahmeshwari Kali Mandir

I report to the charity trustees on my examination of the accounts of Jai Maa Bahmeshwari Kali Mandir (the Trust) for the year ended 31 July 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2022**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|--------------------------|-------------------------------------|
| Improvements to property | - Straight line over 5 years |
| Fixtures and fittings | - 25% per annum straight line basis |

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Trustees' responsibility statement - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
JAI MAA BAHMESHWARI KALI MANDIR**

Independent examiner's report to the trustees of Jai Maa Bahmeshwari Kali Mandir

I report to the charity trustees on my examination of the accounts of Jai Maa Bahmeshwari Kali Mandir (the Trust) for the year ended 31 July 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2021**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Expenditure

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|--------------------------|-------------------------------------|
| Improvements to property | - Straight line over 5 years |
| Fixtures and fittings | - 25% per annum straight line basis |

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
