Trustees' Report For the year ended 31st March 2022

The Trustees present their report along with the accounts of the Charity for the year ended 31 March 2021. The accounts have been prepared under the historical cost convention, in accordance with the accounting policies set out on page 14 and comply with the Charity's Trust Deed, The Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Structure, Governance and Management

The Charity –JAFFNA MUSLIM ASSOCIATION - UK (JMA-UK) is registered by the Charity Commission, number 1143032, registered 22 July 2011.

The Trustees keep the skill requirements of the Board of Trustees under review and if a Trustee permanently retires, or additional new Trustees are required, a subcommittee is set up to make recommendations for appointments. Trustees are selected by approach to good deeds and skilled people. Once agreed, new Trustees are appointed under the constitution, within general meetings.

Administration

The Charity has governing board of 17 trustees, all of whom are volunteers, and utilises the services of up to 10 volunteers at any one time on a regular basis.

Volunteers are crucial to the operation of the charity as all the trustees are volunteers. Parents and guardians of children using the facility are encouraged to participate as volunteers in all aspects of the charity's activities.

The charity benefits, as always, from the generous contribution of time and commitment from volunteers who are highly trained to ensure a professional service is delivered.

The trustees wish to express its thanks and appreciation to all members and volunteers, and their friends and family, who have contributed and worked tirelessly, giving their commitment and time in developing and delivering the services to the community. The trustees are also grateful to all the funders/donors, whose generosity has enabled the charity to deliver the core services and specialist projects.

Trustee meetings attended by all Trustees are held at least 12 times a year. At these meetings, the Trustees agree the broad strategy and areas of activities of the Charity, including grant, fund raising, use of funds and risk management policies and performance.

Objectives and activities for the public benefit

The Charitable Purposes of the Charity are:

- To relieve sickness and to preserve good health among the poor, underprivileged, refugees and people in need by means of, but not exclusively, the provision or assistance in the provision of services, facilities, equipment, clinics, medicines or grants for medical diagnosis and treatment, and provision of health education.

- To relieve financial hardship, distress and suffering among poor people, widows, orphans, refugees, victims of natural disasters and other people in need, by means of, but not exclusively, making grants for providing or paying for items, equipment, services, and facilities, including the provision of food, water, clothing, medical treatment, rehabilitation, and accommodation for the said persons.
- To advance the religion of Islam, by means of, but not exclusively, promoting the teachings and tenets of Islam, provision of facilities for worship, provision of facilities for Islamic education and provision of marriage and burial services, in accordance with the teachings of the Quran and the prophet Muhammad (PBUH).
- To help young people, especially but not exclusively through leisure time and recreational activities, to develop their capabilities that they may grow to full maturity as individuals and as good citizens.
- To promote any other charitable purpose for the benefit of those in need that the trustees from time to time determine.

In planning activities for the year, we keep in mind the Charity Commission's guidance on public benefit at our Trustee meetings.

Summary of achievements and performance

It has been very difficult to host certain events or even take part in charity projects and this has been due to the COVID-19 measures that were introduced by the UK government. As a result of this, during the years 2020 and 2021, there has been a fall in the number of projects we partook though we still managed to complete a great number of projects which benefitted a lot of our fellow brothers and sisters. In order to show a clear understanding of the projects JMA UK took on board, below is a lists some of them.

- Fitrana distribution to various places
- Hajj Eid – Qurbani meat distribution
- Tube Well
- Medical support to various families & etc
- Flood Relief

Financial Review

The Board focused on ensuring that all finances were being handled in a proper manner with full transparency and ensured that robust financial controls were put in place.

Reserves policy

It is the policy of the charity that an unrestricted fund which have not been designated for a specific use should be maintained at a level equivalent to three months' expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given

to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Principal funding sources

The charity's main source of income is giving.

Based on the financial records, the result for the year was a net movement in funds of £16,636.

At the end of the financial year the level of reserves stood at £ 44,630.

Investment Policy

In accordance with the Charity's Deed, The Trustees have the power to invest in such, cash quoted stocks, shares investment property as they see fit.

Risk Management

The trustees identify the major risks to which the charity is exposed each financial year when preparing and updating a strategic plan, to those related to the operations and finances of the charity.

In accordance with current best practice, the trustees have continued to regularly review the actual and potential risk which affect the operations and administration of the Charity and are satisfied with the procedures and other safeguards.
