Woodside Animal Welfare Trust

Trustees' Report

Period

The Trustees present their report and the audited financial statements for the period 1 January 2024 to 31 December 2024. The accounts have been drawn up in compliance with the Statement of Recommended Practice - Accounting and Reporting by Charities (effective 1 January 2019) (SORP); the Charities Act 2011; the Companies Act (2006) and in accordance with the company's Memorandum and Articles of Association.

Structure, Governance and Management

The Company was incorporated on July 7, 2011 and attained registered status as charity 1143122, 27 July 2011, running alongside the original Charity 299789 which continues at reduced level - predominantly as a deposit vessel for longstanding and supporter donations via standing order.

The Board of Trustees

The Board appoints Trustees; deals with induction and training of new Trustees and puts plans in place to manage work required to maintain properties owned by the charity and the funding available.

Trustees who served during the period: Carole Bowles, Janet Gorman, Jennifer Rogers, Miranda MacLean, Anne Marshall, Roy Stokes, Graham Watson and John Gordon.

Risk Management

The Trustees confirm that the major risks to which the charity is exposed are actively reviewed on a regular basis. The Board of Trustees meets regularly throughout the year to discuss, identify and establish working systems and routines to mitigate those risks. A comprehensive risk analysis has been completed and ongoing checks maintained.

Objects of The Charity

The objects of the Charity are to relieve the suffering of any species which is in need of care and attention and in particular, provide or maintain kennels, catteries, refuges, rescue homes, animal hospitals, sanctuaries or other facilities for the reception and care of unwanted animals and the treatment of sick or ill-treated animals.

Public benefit

The Trustees consider that the work of the Trust is to relieve the suffering of animals in the local area, and is in the public benefit. The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Aims for the Period

- Continue work to reduce the over population of cats and dogs within the charity's local population through spaying and neutering.
- Maintain an ongoing commitment to staff welfare.
- Continue to improve HR compliance and administration.
- Staff training.
- Replace, repair and maintain the shops, sanctuary grounds, kennels/cattery and property.

Woodside Animal Welfare Trust

Trustees' Report

Achievements

- In 2024, the charity homed a total of 707 animals - 430 cats, 174 dogs and 125 small animals including rabbits, guinea pigs, ferrets, chinchillas, degus, hamsters, tortoises and a variety of birds.
- Provision of funds from the Portugal legacy for spaying and neutering dogs and cats in Portugal.
- The charity spayed and neutered local animals as follows: Via local veterinary practices: 119 dogs (large percentage XL Bullies), 58 cats and 19 rabbits. Via Woodside's own clinic: 36 dogs, 172 cats, 14 rabbits and 5 ferrets.
- Provide an on-site permanent, qualified dog behaviourist.
- Various maintenance work including: Flood prevention work, replace steps into cat pods, complete Colebrook floor for storage, renew the sanctuary boiler, drainage in vicinity of kennels and renewal of cat pod flooring.
- Provision of an animal adoption viewing barn
- Provision of flats in the Wilcocks property
- Completion of sanctuary/field paths
- Internet and website provision upgraded

WELFARE & EDUCATION

Since February 2024 it has been a criminal offence to own an XL Bully without a government issued exemption certificate. Police can seize unregistered dogs and owners may face a criminal record and fine. Although we are unable to take these dogs in for rehoming, we have offered struggling owners assistance with the cost of neutering their pets.

Spring saw the arrival of 4 bulldogs - all in need of medical help, mostly relating to breathing problems.

In June it became law for all pet cats to be microchipped by the time they are 20 weeks old. Owners who fail to microchip their cats may face a fine of up to £500. In November - a poor little staffie called Mo was taken into Woodside's care. A very distressing situation for all concerned, but with the help of our amazing staff this little girl found her forever home before the end of the year.

Woodside Animal Welfare Trust

Trustees' Report

SPONSORSHIP

99 kennel sponsors, an all time high! We didn't quite reach our target of 100 by the start of 2025 but will still celebrate this huge network and generosity by our amazing supporters.

Our kennel sponsorship is run purely online so admin costs remain as low as possible. It was designed to support our dogs on their journey to finding a new home and adopters can have their name or short message displayed in our website under the kennel they are sponsoring.

DONATIONS

Amazon Wishlist continues to be a great source of funding for us.

There are too many organisations and companies to name, but a massive thank you to all the local businesses and organisations who have supported us during the year.

Christmas Tree Tags are always a good source of income – with trees in every shop and at the sanctuary it's a great way to raise funds. And unwanted gifts are also great to sell in our shops.

The generosity of companies, businesses, individuals, sports teams and sky divers (a supporter aged 85 no less!) never ceases to amaze us. You collect, organise events, donate money for essential items and much much more. We absolutely appreciate all the donations from everyone. THANK YOU!

Woodside Animal Welfare Trust

Trustees' Report

EVENTS

May Bank Holiday - Model railway display which had a private collection of G-scale engines circling a special built track in the barn. Total raised £1900.

A series of monthly bike nights were held at Triumph with all donations coming to Woodside.

Woodside Animal Welfare Trust

Trustees' Report

A series of workshops have been held at Woodside including string lantern making, fused glass and wreath making. This has proved to be a very successful idea.

July - a very successful quiz night was held raising £243

September - our traditional cream tea afternoon.

December - the Christmas fair

Woodside Animal Welfare Trust

Trustees' Report

EDUCATION

We were happy to promote the Dartmoor Livestock Protection Society in our winter newsletter by asking drivers to add their phone number into their contacts. Then, should an accident happen or they come across an animal in distress the DLPS can be contacted and take the necessary action.

New law for all pet cats to be microchipped, so very happy to promote this event.

FREE

Cat Microchipping

Event

Make sure your cat is
legal!

Wednesday 12th June

2-4pm

Blue Cross Centre - Stratford House,
Marsh Barton, Exeter, EX2 8ED

From 10th June it is a legal requirement for ALL cats to be microchipped, so Jonathan Wood Vets is teaming up with Blue Cross Devon to provide another free microchipping session for our feline friends.

No booking needed.

Rabbit welfare/education is still very important to Woodside. 2024 saw an increase in the number of rabbits being dumped which is probably due to the lack of understanding on how to look after the rabbits and their needs.

Why You Should Neuter Your Female Rabbits

- 1 Unspayed females may develop mammary tumours.
- 2 Unspayed females are at a very high risk of uterine cancer and other uterine conditions. These can all be painful and fatal.
- 3 Keeping two unspayed females together, even if they are sisters, is very likely to result in serious fighting and the risk of injuries.
- 4 Some unspayed females are territorial and aggressive towards their owners and other rabbits.
- 5 Female rabbits are able to have kits from about 4-6 months of age.

Why You Should Neuter Your Male Rabbits

- 1 Uncastrated males can breed.
- 2 Usually makes litter training much easier.
- 3 Uncastrated male rabbits often spray urine like tom cats over their territory, their possessions (including their rabbit companions) and very often over you, too.
- 4 Removes risk of developing cancer in their testes and prostate gland.
- 5 Reduces testosterone levels which should reduce aggression or get rid of it completely.
- 6 Uncastrated male rabbits can't live bonded with any other rabbit safely.

SHOP

The shops continue to be a great source of revenue.

Woodside Animal Welfare Trust

Trustees' Report

The window displays are always up to date and take the opportunity to highlight specific events throughout the year. The Colebrook Christmas shop has also become an event in itself with many people eagerly anticipating the opening of it in November. There is always a queue on the first day of opening!

STAFF

Recruiting the right people has always been a challenge, so earlier in the year we made good use of staff offspring - thanks to the children and grandchildren of our staff members.

October - 2 job vacancies for Retail Assistants/Donation Handlers.

November - Animal Care Assistant post advertised for the sanctuary.

PORTUGAL

This legacy which enabled us to support the work of several Algarve animal charities has now been fulfilled

Woodside Animal Welfare Trust

Trustees' Report

Ten Year Plan

- Develop a policy to review the training needs of new Trustees.
- Establish a £2 million reserve fund.
- Develop the current welfare round into a full time, permanent service.
- Establish a separate administration / staff to deliver education programmes on the work, principles and aims of the Trust, in particular to the owners of tomorrow via schools, youth groups, social media etc.
- Appoint a fundraising co-ordinator to sanction and oversee all fundraising events; co- ordinate fundraising groups and establish new opportunities to generate income to support and expand the work of the Trust.

Fundraising policy

The charity normally runs various fundraising events throughout the year which, with the help of our kind supporters, also raise vital funds and spread awareness of our charity's work. These are detailed elsewhere in the Trustees' report. The charity did not make use of any external professional fundraisers to fund raise funds on behalf of the charity during the year. The charity received no complaints about its fundraising activities during the year. The charity follows no official fundraising standard but always acts to ensure that vulnerable people are protected whenever it carries out fundraising activities. The charity ensures that fundraising activities are restricted to a limited range of approved activities to ensure that vulnerable people and other members of the public are protected from behaviour which is an unreasonable intrusion of a person's privacy, is unreasonably persistent or places undue pressure.

Financial Review

Primary sources of Trust funds come from legacies, donations, animal homings and sales income from 6 charity shops, of which 5 are owned by the Trust and 1 which is a rented premise. The unincorporated charity continues to collect some donations and acts as agent for the charitable company in order to capture gift aided revenue which provides an important source of income. Woodside is dedicated to increasing the amount of donations subject to gift aid to maximise its benefits.

Overall the Trust made a surplus of £2,171,921 (2023: £96,548) during the financial year. Legacy income continues to represent a large proportion of income, being 76% (2023: 45%). The reserves of the Trust increased to £5,736,362 (2023: £3,564,441) and the cash at bank balance increased to £2,547,522 (2023: £419,164).

Reserves Policy

Within the financial year there are large financial reserves held in its bank accounts due to a significant legacy received. The Board of Trustees is committed to utilising the maximum level of financial resources available that it is responsibly able to do so. The Trustees are however mindful of the necessity to hold reserves and it is Trust policy to aim to hold reserve funds of at least 12 months running costs.

Conclusion

A great big 'upside down' thank you from all the residents at Woodside for the care and love they receive from the staff and supporters.

Woodside Animal Welfare Trust

Trustees' Report

Woodside Animal Welfare Trust

Trustees' Report

Statement of trustees' responsibilities

The trustees (who are also the directors of Woodside Animal Welfare Trust for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Disclosure of information to auditor

Each trustee has taken steps that they ought to have taken as a trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information. The trustees confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

Woodside Animal Welfare Trust

Trustees' Report

Going concern

The Trustees have prepared a cash-flow forecast that reflects their best prediction for donations and expenditure going forward and which demonstrates the charity projects to have sufficient cash to meet its liabilities as they fall due over the next 12 months.

The charity continues to have access to its pre-existing bank facilities and the Trustees take further comfort from the support they continue to receive in the form of legacies and donations from their supporters.

As at the year end the charity retained £2,547,522 in cash in addition to their investment portfolio valued at £101,970. Furthermore the charity owns 5 of its charity shops and additional land surrounding the sanctuary site which in a worst case scenario could be sold to support the cash-flow of the charity. Post year end management accounts also show the charity to have achieved a surplus. The charity continues to manage the challenges caused by high inflation rates and energy prices arising from the current general UK economic environment.

On the basis of these forecasts and analysis, the Trustees remain confident that the charity will continue to be a going concern for a period of at least 12 months from the date of approving these financial statements.

The annual report was approved by the trustees of the charity on 26.9.25 and signed on its behalf by:

Mrs C Bowles MBE

Mrs C Bowles MBE
Trustee

Woodside Animal Welfare Trust

Independent Auditor's Report to the Members of Woodside Animal Welfare Trust

Opinion

We have audited the financial statements of Woodside Animal Welfare Trust (the 'charity') for the year ended 31 December 2024, which comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards, comprising Charities SORP - FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and applicable law (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Woodside Animal Welfare Trust

Independent Auditor's Report to the Members of Woodside Animal Welfare Trust

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of trustees' responsibilities (set out on page 11), the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Woodside Animal Welfare Trust

Independent Auditor's Report to the Members of Woodside Animal Welfare Trust

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Based on our understanding of the company and industry, we identified that the principal risks of non-compliance with laws and regulations related to acts by the company which were contrary to applicable laws and regulations, including fraud.

We considered those laws and regulations that have a direct impact on the preparation of the financial statements, including, but not limited to FRS 102 (effective 1 January 2019) - (Charities SORP), the Companies Act 2006 and the Charities Act 2011. In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty. This includes GDPR, employment law and health and safety regulations.

As part of our planning procedures, we assessed the risk of any non-compliance with laws and regulations on the entity's ability to continue operating and the risk of material misstatement to the accounts. Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved the following:

- Reviewed any legal and professional costs to identify legal costs in respect of non compliance;
- Enquiries with management whether there have been any known instances, allegations or suspicions of fraud or non compliance with laws and regulations;
- Review of board minutes where available.

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to fraudulent financial reporting. Our procedures involved the following:

- Review of nominal journal entries for reasonableness;
- Review of significant accounting estimates for bias;
- Review of legacy income recognition.
- Substantive testing of income completeness.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate omissions, collusion, forgery, misrepresentations, or the override of internal controls. We are also less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

All of the cash flows are derived from continuing operations during the above two periods.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

1 Charity status

The charity is limited by guarantee, incorporated in England & Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

The principal place of business is:

WAWT The Sanctuary
Elfordleigh
Plymouth
Devon
PL7 5ED

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Woodside Animal Welfare Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The financial statements have been prepared on the going concern basis. For further discussion see the Trustees' Report.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

Key sources of estimation uncertainty

The fair valuation of investment property at each year end by the Trustees by nature is subject to a significant degree of estimation uncertainty. The Trustees prepare their valuation by carefully considering the market value at acquisition and subsequent known movements in the residential property market. The carrying amount is £88,157 (2023 - £203,654).

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

All donations are recognised on a received basis.

Goods donated to the Trust for sale in the charity shops are recognised when the items are sold and are shown as income from other trading activities in the Statement of Financial Activities.

Life memberships are recognised on a received basis.

Donations or bequests received, for which the donor earmarks a specific purpose, are allocated to a restricted fund. Funds which are expendable at the discretion of the Trustees in accordance with the charity's objectives are allocated to unrestricted funds.

Bequests and legacies are recognised when it is probable that they will be received. Receipt is normally probable when there has been grant of probate, the executors have established that there are sufficient assets in the estate to pay the legacy and any conditions attached to the legacy are either within the control of the charity or have been met.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income.

Investment income

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity on the accruals basis. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the estimated use of resources.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Freehold buildings	2% straight line
Leasehold buildings	Over the life of the lease
Kennels	2% straight line
Motor vehicles	25% reducing balance
Plant and equipment	20% reducing balance
Land	Not depreciated

Investment property

Investment property is carried at fair value, derived from the current market prices for comparable real estate determined annually by the Trustees. Changes in fair value are recognised in profit or loss.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Fund structure

Unrestricted income funds are expendable at the discretion of the Trustees in the furtherance of the objects of the charity.

Restricted income funds are to be used in accordance with the specific restrictions imposed by donors or which have been raised by the charity for a specific purpose. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Financial instruments

Classification

The charity holds the following financial instruments:

- Short term trade and other debtors and creditors;
- Long term bank loans; and
- Cash and bank balances.

All financial instruments are classified as basic.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

Recognition and measurement

The charity has chosen to apply the recognition and measurement principles in FRS102.

Financial instruments are recognised when the charity becomes party to the contractual provisions of the instrument and derecognised when in the case of assets, the contractual rights to cash flows from the assets expire or substantially all the risks and rewards of ownership are transferred to another party, or in the case of liabilities, when the charity's obligations are discharged, expire or are cancelled.

Except for bank loans, such instruments are initially measured at transaction price, including transaction costs, and are subsequently carried at the undiscounted amount of the cash or other consideration expected to be paid or received, after taking account of impairment adjustments.

Bank loans are initially measured at transaction price, including transaction costs, and are subsequently carried at amortised cost using the effective interest method.

	<u>1,425,275</u>	<u>64,975</u>	<u>1,490,250</u>	<u>1,322,788</u>

£1,395,515 (2023 - £1,229,571) of the above expenditure was attributable to unrestricted funds and £94,735 (2023 - £93,217) to restricted funds.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

9 Analysis of governance and support costs

Support costs

Wages of £72,979 (2023 - £68,804) and other support costs of £32,972 (2023 - £21,156) are allocated evenly between costs of raising funds and expenditure on charitable activities. The allocation to each category was £52,975 (2023 - £44,980). The Trustees consider that this accurately reflects the way in which expenditure is incurred.

Governance costs

	Unrestricted funds £	Total 2024 £	Total 2023 £
Audit fees			
Audit of the financial statements	9,200	9,200	8,595
Other fees paid to auditors	2,800	2,800	2,695
	<u>12,000</u>	<u>12,000</u>	<u>11,290</u>

10 Net incoming/outgoing resources

Net incoming/(outgoing) resources for the year include:

	2024 £	2023 £
Depreciation of fixed assets	<u>91,372</u>	<u>88,038</u>

11 Auditor's remuneration

	2024 £	2023 £
Audit of the financial statements	<u>9,200</u>	<u>8,595</u>
Other fees to auditors		
All other non-audit services	<u>2,800</u>	<u>2,695</u>

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

12 Trustees remuneration and expenses

No Trustees' have received any remuneration from the charity during the year.

During the year the daughter of a Trustee was paid a salary of £39,698 (2023: £34,946). The salary paid was in line with the charitable company's standard payscale and included an overnight allowance.

No trustees have received any reimbursed expenses or any other benefits from the charity during the year.

13 Staff costs

The aggregate payroll costs were as follows:

	2024 £	2023 £
Staff costs during the year were:		
Wages and salaries	1,018,787	854,402
Social security costs	64,539	48,106
Pension costs	17,169	13,163
Other staff costs	14,317	13,395
	<u>1,114,812</u>	<u>929,066</u>

The monthly average number of persons (including senior management team) employed by the charity during the year expressed as average head count was as follows:

	2024 No	2023 No
Kennels	46	43
Charity shops	22	21
	<u>68</u>	<u>64</u>

As required under the Charity SORP we confirm that no employee received emoluments of more than £60,000 during the year.

Key management personnel comprise H Lecointe, D Haynes, D Cornish, C Smith, J Salmons, J Haly (previously Arscott) and L Parker (previously Darcy).

The total employee benefits of the key management personnel of the charity were £225,730 (2023 - £208,126).

14 Taxation

The charity is a registered charity and is therefore exempt from taxation.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

The specific purposes for which the funds are to be applied are as follows:

Kennel Fund - Funds were donated to enable the charity to expand and update its kennels. This expenditure was all capitalised and is being depreciated in line with the accounting policies detailed above.

Gwen Rees Trust - Funds were donated for the charity to spend on animal pens and transport facilities. This expenditure was all capitalised and is being depreciated in line with the accounting policies detailed above.

Jean Sainsbury Animal Welfare Trust - Fund were left to the charity to be spent on the welfare of small animals. Small animal pens were purchased with the funds, and is being depreciated in line with the accounting policies detailed above.

Portugal Animal Welfare - A legacy was left to the charity, from a long established contact of the Trust, who lived and cared for animals in Portugal. The funds have been left on the condition that it is spent on the welfare of animals in Portugal, or used to bring them across to the United Kingdom.

Woodside Animal Welfare Trust

Notes to the Financial Statements for the Year Ended 31 December 2024

26 Control

The charity was under the control of the trustees throughout the financial year.

27 Related party transactions

During the year the charity made the following related party transactions:

Mrs C Bowles

Mrs C Bowles is a Trustee of Woodside Animal Welfare Trust.

The kennels are built on land which is owned personally by Mrs C Bowles.

From 1984, the Trust enjoyed occupancy without charge on Mrs Bowles' land and buildings where she ran a boarding cattery. In 2002, because of a building proposed to be built by Woodside with public money, the Charity Commission insisted on a formal lease of 99 years to protect the charity assets.

The land was originally valued by two land agents at an annual rent of £18,424 with 5 yearly rent reviews. The lease was approved by the Charity Commission. Mrs Bowles, who is a Trustee of Woodside, closed the considerable business of her cattery and continues to work for the charity as she has always done without a salary. During the year rent was paid, in accordance with the above agreement, of £25,660 (2023: £25,656) to Mrs Bowles. In addition a further amount of £3,621 (2023: £3,515) of rent was paid to a close family member of C Bowles for the use of the clinic built on their land. No amounts were owed to or from the charity at the year end.

The Animal Defence Trust

An unincorporated charity registered with the Charity Commission (No. 263095) with common control of one of their trustee's.

The Charity invoiced The Animal Defence Trust for £295 in the year for re-imbursed expenditure (2023 - £330). A grant of £3,000 was also received in year (2023 - £3,000). Amount outstanding at year end was £Nil (2022 - £Nil).

Woodside Animal Welfare Trust

An unincorporated charity registered with the Charity Commission (No. 299789) with common control.

On 30 June 2012 the Trust gifted its net assets and liabilities to the company. From 1 July 2012 the company has undertaken the activities of the charity and the trust will eventually become dormant. The value of the net assets and liabilities transferred to the company was £2,789,962. As at 31 December 2023 bank balances still in the unincorporated Trust's name amounting to £14,315 (2023 - 5,075) were still owed to the company. The Trust still received donations and legacies, but these are winding down. All funds received by the Trust are transferred to the company at regular intervals. During the year a total of £26,490 was transferred (2023: £36,100).
