Statement of Trustees' Responsibilities

Charity law requires the trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and its financial activities for that period. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment Act 2005 and the Charities Accounts Regulations 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees of Family Worship Centre

I report on the accounts of the Trust for the year ended 31 March 2025, which are set out on pages 2 to 7.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act;
- To follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- Which gives me reasonable cause to believe that in any material respect the requirements:
- To keep accounting records in accordance with section 130 of the 2011 Act; and
- To prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Accounting Policies

The principal accounting policies, which have been applied consistently in the current year in dealing with items which are considered material to the accounts, are set out below. The charity has adopted the requirements of the Statement of Recommended Practice: Accounting and Reporting by Charities (issued February 2005) for the first time. Accordingly, the accounts of the charity, previously prepared on a receipts and payments basis, have been restated.

Basis of Preparation

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention, modified to reflect the inclusion of investments at market value, and in accordance with the Charities and Trustee Investment Act 2005, The Charities Accounts Regulations 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities (2005).

Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Incoming Resources

All donations and gifts are included within incoming resources under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty. Donations and gifts in kind are brought into the accounts at their market value to the charity.

Resources Expended

Expenditure is recognised on an accruals basis as the liability is incurred.

Tangible Fixed Assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises.
