STINCHCOMBE HILL TRUST

Trustees Annual Report for the year ended 31st March 2025

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31 March 2025 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Our Purposes and Activities

Stinchcombe Hill Trust's charitable objects are to:

- ✓ Maintain Stinchcombe-Hill in the interests of social welfare for recreation and exercise for the use of the inhabitants of Dursley, Cam, Stinchcombe and North Nibley in the County of Gloucester, taking note in so far as it is possible to do so, of the wishes of the original benefactor Sir Stanley Tubbs to provide for the mutual enjoyment of golfers, walkers and horse riders.
- ✓ Protect and preserve for the benefit of the public the scheduled monument known as Drakestone Point and other features on Stinchcombe Hill which are of special historic or archaeological interest.
- ✓ Protect and preserve for the benefit of the public the historic landscape features and habitat of Stinchcombe Hill with particular reference to registered Sites of Special Scientific Interest (SSSI) and its wildlife and vegetation.
- ✓ Increase understanding and enjoyment of the special qualities of Stinchcombe Hill so as to encourage the conservation and enhancement of Stinchcombe Hill.

Until recently, the activities associated with these objectives have been funded from both restricted and unrestricted revenue, namely a government grant as restricted income and rentals as unrestricted income from the golf club. However, thanks to the Cotswold National Landscapes grants, the objectives have focused on bringing the SSSI into good condition through a number of larger grants. These grants are restricted income. This means that the Trust's accounts need to be presented in a new format to reflect these two income streams.

Achievements and performance

During the year, Stinchcombe Hill Trust

- ✓ Received grant income of £61,512 that funded conservation mowing and the preparation of a management plan for the common on Stinchcombe Hill;
- ✓ Undertook conservation activities totalling £60,328 (felling, mowing and preparation of management plan);
- ✓ Generated £8,236 income from rent, investment income and donations; and
- ✓ Expended £7,945 on administration, governance and management.

Public Benefit

The trustees acknowledge the Charity Commission's guidance¹ on public benefit as set out in the Charities Act 2011 and confirm that that all the Trust's activities further its charitable objects for public benefit.

Financial Review

Total income for the year was £69,748 with expenditure totalling £68,273 leaving a surplus of income over expenditure for the year of £1,475.

At the end of the year the charity had net assets of £46,353, of which £14,720 were held in COIF investments and the balance of £31,633 were net current assets.

The funds of £46,353 were made up of restricted funds of £1,184 and general unrestricted funds of £45,169.

Trustees note that the Trust is becoming more reliant on grant funding to further its charitable objects; however, they note that the Trust cannot improve the condition of the SSSI on the Hill without introducing grazing, which will require investment in fencing and water supplies. This is the subject of a grant application to Natural England. Without this grant, existing revenue streams can only maintain the condition of grassland on the hill, not improve it.

Investment policy

The trust holds limited funds with the Charities Investment Fund; these are held for emergency purposes only. No monies have been drawn from this fund in this reporting period.

Reserves policy & Going Concern

The Trust does not have a reserves policy, although there is one in draft form. However, should the Trust be successful in receiving the Natural England grant then a reserves policy will be adopted formally. The Trust holds £25,000 in reserve, split between an investment fund and a deposit account.

The Trust's free reserves at 31 March 2025 were £30,449. Free reserves are defined as its unrestricted general reserves held as net current assets. This figure is shown in note 11 to the accounts.

Trustees have a reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the ongoing concern basis in preparing the Trust's annual report and accounts.

Trustees Annual Report for the year ended 31st March 2025 cont.

Plans for Future Periods

Trustees intend to continue conservation projects in line with grant funding opportunities and maintain rental income in the short term and seek to increase it in the medium term. In particular, this means introducing cattle to graze the SSSI and seek grants from Natural England to support grassland management on both the SSSI and the areas of rough on the golf course, and renegotiating the rent the Golf Club pays.

Structure, Governance and Management

Governing Document

Stinchcombe Hill Trust is a charitable company limited by guarantee without share capital that is governed by Articles of Association that were established in 2014. The company was incorporated on 22nd March 2011 and commenced its activities on 1st April 2011. The company was registered as a charity on 8th August 2011.

Trustees

There are two types of trustees: foundation and representative; the former reflects local interest and the latter are nominated by the local authorities around the hill. The directors of the company are foundation trustees for the purposes of charity law. The charity employs no staff, but has a clerk who performs administrative functions.

Trustees hold their position until retirement, when nominations are requested for replacements. There is a maximum of ten trustees at a time.

Land and property

The trust holds 92 ha of land, of which 44.99 ha are rented to a third party (Stinchcombe Hill Golf Club). The whole land holding is accounted for as a charitable fixed asset. The land was donated to the trust in 1929 and was recognised at a nominal value due to the absence of a reliable valuation. It is not considered investment property.

All the land is used for charitable purposes (recreation and conservation), and is held at zero value rather than fair value (17.15c., FRS 102).

Trustees' responsibilities in relation to the financial statements

The charity trustees (who are also the directors of Stinchcombe Hill Trust for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing the financial statements, the trustees are required to:

- a) select suitable accounting policies and then apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgements and estimates that are reasonable and prudent;
- d) state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

Trustees Annual Report for the year ended 31st March 2025 cont.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and the group and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In accordance with company law, as the charity's Trustees, we certify that:

- So far as we are aware, there is no relevant audit information of which the charity's Independent Examiner is unaware; and
- As the Trustees of the charity we have taken all steps that ought to have been taken in order to make ourselves aware of any relevant audit information and to establish that the charity's Independent Examiner is aware of that information.

The financial effect of the prior period adjustment is to increase the charity's net assets brought forward at 01 April 2023 by £43,794, and to increase the charity's net assets brought forward at 01 April 2024 by £45,558.

Independent examiner's report to the trustees of Stinchcombe Hill Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
