ARGYLE COMMUNITY CHURCH READING
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of the Argyle Community Church Reading (the Company) for the year ended 31 December 2020.

The Trustees confirm that the Annual Report and financial statements of the Company comply with the current statutory requirements of the Company's governing document and the provisions of the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities issued in March 2005, and revised in 2008.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

'Argyle Community Church Reading' is registered as a charitable company and incorporated under the Companies Act 2006 as a private company that is limited by guarantee, with a registered office situated in England. The Company was set up by a Memorandum and Articles of Association on 21 July 2011 and does not have Share Capital. On 31 March 2012 the assets of The Bethel Trust and the Manse of Argyle Chapel Trust were transferred to the Charity.

Organisational structure, governance, risk management and decision making

Argyle Community Church is an independent Bible-based Christian Church located in Argyle Road, Reading.

We recognise under God a group of Elders who, with the guidance of the Holy Spirit, encourage the spiritual life of all members and provide leadership and direction in the Church's ministry. These Elders include a Pastor, Jamie Cater, whose gift in teaching, pastoral care and outreach has been recognised by the Church, and is appointed and employed by the Church to exercise such a ministry.

In addition to the work carried out by the Elders, the Church has a Treasurer who produces annual predictions of expenditure needs, collecting and allocating gifts to the Church, claiming tax from HMRC for Gift Aided income, arranging the payment of staff (through Stewardship Services payroll system), maintaining the financial accounts and distributing monies in accordance with the wishes of the Elders.

As a registered charitable company, we also have a group of godly Trustees who are responsible for and carry out their statutory duties as Directors of the Company. The Trustees have systems in place to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

To assist the Church and the Trustees with their governance responsibilities we subscribe to the Stewardship Advice Service for help with legal matters and thirtyone:eight (formerly CCPAS) for matters relating to Safeguarding.

OBJECTIVES AND ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

Objects and aims

The purpose of the Church is the advancement of the Christian faith (in accordance with the Basis of Faith set out in the Memorandum of Association) in the surrounding neighbourhood, in Reading, in the United Kingdom and in overseas countries where we have connections. Our Christian faith is given practical expression in the local community and further afield through various forms of social action.

Impact of/response to COVID-19 (Overview)

During 2020 Covid-19 forced us to review our activities. The Company continued to operate although some of its activities were curtailed or modified: the church building was closed from March to July, and for most of November 2020; Sunday services were live-streamed; other meetings, including our English classes for Internationals, utilised web conferencing software; and practical and pastoral support for the local and church community continued via personal contact. A WhatsApp group was set up to which many church members were able to connect and share encouraging thoughts, prayer requests and important news items.

Risk assessments have been prepared, and updated throughout the year as appropriate, for all activities where people have been interacting physically.

At the commencement of lockdown, in April 2020, we prepared and distributed a flyer offering assistance for the people in our neighbourhood; unfortunately due to external factors outside our control our telephone line was disconnected which hampered our efforts. A planned Covid-secure 'dial-a-carol' service for neighbours at Christmas was prevented when our area was put into Tier 4.

Worship and service

Our main act of corporate worship is on a Sunday morning, with a combination of singing, prayers, teaching and other supporting content, with separate activities for young people during part of the service. Although structured this is a generally informal time.

From the end of March 2020 the service has been live-streamed on our YouTube channel (<https://youtube.com/argylecommunitychurch>). This continued throughout the year whether or not services were being held in the church building. The live-stream incorporated various pre-recorded videos, for example for musical items or readings, together with a generally live sermon, linked by a live service leader. The service audio was relayed via Skype to various church members who were unable to watch on YouTube. It is planned to continue live-streaming for the foreseeable future.

Communion (the Lord's Supper) is celebrated every week. From April 2020 this was included in a Sunday evening prayer meeting, held remotely over Zoom, with attendees providing their own elements.

Other meetings for prayer, Bible study, fellowship and mutual support were held at various times during the week using Skype or Zoom.

Public benefit

We look to be active in our community seeking to help our neighbours through friendship and social action. We would normally provide activities designed for young and old, men and women, families and the many different nationalities that live nearby, although many activities were affected by Covid-19 and lockdown.

To this end each week we run:

- a 'drop-in café' in a hired hall on the nearby Oxford Road thoroughfare ('Oasis') – this was suspended from March 2020;
- English Language classes for Internationals - term-time only ('Bridges') – from April 2020 this has continued on Zoom, and has attracted students from around the world as well as those local to Reading;
- a mother and toddlers group ('Honeypot') – this was suspended from March 2020;
- a debt counselling service, in partnership with 'Frontline' – this continued throughout the year with remote consultations.

Monthly we run:

- a 'drop-in café' at the Church ('SatCaf') – this was suspended from March 2020;
- 'Friends and Neighbours', a social group primarily aimed at seniors - this was suspended from March 2020;
- Disabled Christians' Fellowship services, lunches and outings – linked with 'Through the Roof' - this was suspended from March 2020;
- (with support from other local churches, and running twice a month) 'iCaf', a social event in a local coffee shop specifically for Internationals – from April 2020 this ran online using Zoom.

In March 2020 a team of around 20 volunteer church members worked with "Bed for a Night", Reading Churches Winter Night Shelter, providing meals, accommodation, social activities and friendship for local rough sleepers for the first three Thursday nights of the month (we did not hold this on the fourth Thursday due to Covid-19 lockdown).

We also regularly support, both financially and prayerfully:

- local social action organisations such as 'Christian Community Action' (furniture exchange and social care advice);
- Christian organisations working in Reading schools, such as 'Reach' and 'REInspired';
- Christian workers with whom we have particular contact, in the UK and around the world.

As a result of the above, there are tangible benefits in personal and family relationships including those affected by drug and alcohol related problems, as well as deeper spiritual relationships for all.

The church building and its facilities have also been available, subject to certain criteria, for use by individuals and local or national organisations for private use such as parties, weddings, meetings or conferences.

Method of appointment or election of Trustees

The arrangements for the appointment, retirement and removal of Trustees/Directors are set out in the Memorandum and Articles of Association.

Safeguarding Policy

Our Safeguarding Policy reflects current UK legislation in relation to safeguarding children and vulnerable adults and implements good practice recommendations. It is constantly reviewed in the light of changes to the safeguarding standards developed by the thirtyone:eight organisation(formerly CCPAS).

Data Protection Policy

Our Data Protection Policy aims to ensure compliance with the requirements of General Data Protection Regulation legislation.

We are registered with the Information Commissioner's Office (registration number ZA436386).

FINANCIAL REVIEW

Income and expenditure

The Church's income and expenditure for the year are set out in the Statement of Financial Activities on page 8. The Trustees report a surplus for the year of £37,910 (2019 – deficit of £30,551).

The Church is principally financed by regular monthly donations from members, augmented by giving to specific appeals when need is identified. The regular giving is sufficient to cover the regular running costs of church activities. The Church's primary asset is an unencumbered freehold building which is gaining in value although it is being depreciated at 2% per annum.

The Church maintains a healthy cash balance (£111,920 at 31 December 2020 (2019 - £42,612)).

Reserves policy

The Trustees aim to maintain free reserves equivalent to three months average giving to the general fund, which equates to £21,000. These funds are to ensure that the Church activities can continue as planned in the case of unforeseen circumstances or a sudden reduction in regular giving. Financial reports to Trustees' meetings always include details of the level of free reserves to ensure that spending decisions are made in accordance with the policy. The Reserves policy is reviewed annually.

Statement of Trustees' responsibilities

The Trustees, who are Directors for the purposes of company law, are responsible for preparing the annual report and the accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law and the law applied to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles of the Charities Statement of Recommended Practice;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the Trustees on 14 September 2021

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ARGYLE COMMUNITY CHURCH READING

I report to the charity Trustees on my examination of the accounts of Argyle Community Church Reading for the year ended 31 December 2020, which are set out on pages 8 to 15.

Responsibilities and basis of report

As the charity Trustees of the Church (and also its directors for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Church are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Church's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Church as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ARGYLE COMMUNITY CHURCH READING

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2020

1 ACCOUNTING POLICIES

a) Basis of preparation

The accounts have been prepared under the historical cost convention as modified by the revaluation of freehold properties and improvements, and in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) (effective 1 January 2019)'.

b) Income

Income is included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

c) Expenditure

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Expenditure on charitable activities comprises all expenditure incurred directly in pursuance of the church's charitable objectives. Governance costs are those costs incurred in connection with administration of the charity and compliance with constitutional and statutory requirements, and include depreciation of fixed assets.

d) Fixed assets and depreciation

Fixed assets are stated at cost or, in the case of certain freehold properties, at valuation, less accumulated depreciation. Gains or losses arising on revaluation are taken to a revaluation reserve. Depreciation has been provided at the following rates in order to write off assets over their estimated useful lives:

Land and buildings – 2% straight line

That portion of the depreciation charge which relates to the uplift arising from a revaluation is charged to the revaluation reserve.

e) Fund accounting

Designated funds are part of unrestricted funds that are expendable at the discretion of the Trustees in furtherance of the Church's charitable objectives. Unrestricted funds that are earmarked for a particular project may be designated as a separate fund, but these have an administrative purpose only, and do not restrict the Trustees' discretion to apply the fund.

The revaluation reserve (see note 1(d) above) is also part of unrestricted funds.

Restricted funds are funds subject to specific trusts, which may be declared by their donors, or with the authority such as in a public appeal, or created through legal process, but still within the wider objects of the charity. Restricted funds may be restricted income funds or may also be capital funds where the assets are required to be invested, or retained for actual use rather than expended.
