ARGYLE COMMUNITY CHURCH READING

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of the Argyle Community Church Reading (the Company) for the year ended 31 December 2024.

The Trustees confirm that the Annual Report and financial statements of the Company comply with the current statutory requirements of the Company's governing document and the provisions of the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities (FRS 102), effective 1 January 2019.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

'Argyle Community Church Reading' is registered as a charitable company and incorporated under the Companies Act 2006 as a private company that is limited by guarantee, with a registered office situated in England. The Company was set up by a Memorandum and Articles of Association on 21 July 2011 and does not have Share Capital. On 31 March 2012 the assets of The Bethel Trust and the Manse of Argyle Chapel Trust were transferred to the Charity.

Organisational structure, governance, risk management and decision making

Argyle Community Church is an independent Bible-based Christian Church located in Argyle Road, Reading.

We recognise under God a group of Elders who, with the guidance of the Holy Spirit, encourage the spiritual life of all members and provide leadership and direction in the Church's ministry. These Elders include a Pastor, Jamie Cater, whose gift in teaching, pastoral care and outreach has been recognised by the Church, and is appointed and employed by the Church to exercise such a ministry.

Until August 2024 the Church employed Lizzie Starkey as Youth and Children's Worker (YCW). Following Lizzie's resignation for personal reasons, the Church employed Zach G Wilson in this role from September 2024. The YCW has overall responsibility for ministries to and/or involving young people (and, where appropriate, their families) although the ministries may be headed up by other church members. In addition to employing Zach on a full-time basis, we were able to employ Claire Shepherd as an additional YCW in a part-time capacity (one to two days/week); apart from supporting Zach, Claire took on a mentoring role with the teenage girls.

The Church has a Treasurer who maintains the financial accounts and produces annual predictions of expenditure needs; additionally, they administer offerings made to the Church, reclaim tax from HMRC for Gift Aided donations, arrange the payment of staff (through Stewardship Services payroll system) and payment of expenses/invoices as necessary, and distribute monies in accordance with the wishes of the Elders. Our Treasurer resigned after over 10 years' service at the end of 2024, handing over responsibilities to a new Treasurer from January 2025 following a period of training.

As a registered charitable company, we also have a group of godly Trustees who are responsible for and carry out their statutory duties as Directors of the Company. The Trustees have systems in place to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

TRUSTEES' REPORT, continued FOR THE YEAR ENDED 31 DECEMBER 2024

Organisational structure, governance, risk management and decision making, continued

To assist the Church and the Trustees with their governance responsibilities we subscribe to the Stewardship Advice Service for help with legal matters and thirtyone:eight (formerly CCPAS) for matters relating to Safeguarding. We have a Safeguarding officer who, together with her deputy, manages any safeguarding issues or concerns. One of the Trustees has particular oversight responsibility for Safeguarding (although all Trustees recognise their individual responsibility in this area).

OBJECTIVES AND ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

Objects and aims

The purpose of the Church is the advancement of the Christian faith (in accordance with the Statement of Beliefs set out in the Memorandum of Association) in the surrounding neighbourhood, in Reading, in the United Kingdom and in overseas countries where we have connections. Our Christian faith is given practical expression in the local community and further afield through various forms of social action.

Worship and service

Our main act of corporate worship is on a Sunday morning, with a combination of singing, prayers, teaching and other supporting content, with separate activities (L-Zone and T-Zone) for young people during part of the service. Although structured this is a generally informal time. The teaching (sermon) is primarily undertaken by the Pastor, supplemented by occasional guest speakers, following a programme of topics and Bible passages.

Since early 2020 this service has been live-streamed on our YouTube channel (<https://www.youtube.com/argylecommunitychurch>). As in previous years, we have taken advantage of our streaming software to include remote presentations and pre-recorded sermons when a speaker could not be present locally. Although not live-streamed we were also able to make available online the video of a service we held outdoors in the summer.

During 2024 we held 3 baptism services, with nine church members affirming Jesus as their Saviour.

Communion (the Lord's Supper) is normally celebrated every week, either in the Sunday morning service or as part of a Sunday evening prayer meeting.

Other meetings for prayer, Bible study, fellowship and mutual support are held at various times during the week. Some of these meetings use Zoom (or a hybrid of Zoom/live attendance) where this makes practical sense, for example: Elders' prayer meetings at 7:30am on a Friday morning, or lifegroup or evening prayer meetings in the winter months.

Public benefit

We look to be active in our community seeking to help our neighbours through friendship and social action, providing activities designed for young and old, men and women, families and the many different nationalities that live nearby.

To this end each week we run:

- English Language classes for Internationals - term-time only ('Bridges');
- a parent/carer and toddlers group ('Honeypot') – weekly pre-booking is required to ensure numbers are manageable;
- a parent/carer and baby group ('Little Bees') – no booking has been needed for this;
- a youth evening 'Connect' (for year 9s and above);
- a debt counselling service, in partnership with 'Frontline'.

With support from other local churches we host an international café, 'iCaf', twice monthly in a local community hub; this is a social event primarily for internationals, giving them an opportunity to use English in an informal setting.

Along with other churches we are a full partner of Torch (<https://torchhub.org.uk>) which offers 'A helping hand from local churches' to those in need in our area.

Throughout the year we hold regular and irregular social events, such as a men's breakfast (at the local IKEA), a ladies' coffee morning, and men's and ladies' walks.

The church building and its facilities have also been available, subject to certain criteria, for use by individuals and local or national organisations for private use such as parties, meetings or conferences. In particular in 2024 we had arrangements with Hope into Action (Reading), 2:19 Teach to Reach, Grow Faith, and Horizon Therapies for regular use of our building.

We also regularly support, both financially and prayerfully:

- local social action organisations such as 'Christian Community Action' (furniture exchange and social care advice), The Mustard Tree (helping individuals in need), and Street Pastors;
- Christian organisations working in Reading schools, such as 'Reach' and 'REInspired';
- Christian workers with whom we have particular contact, in the UK and around the world.

In 2024 we supported the TearFund 'Big Quiz Night' and raised almost £500 for this organisation.

As a result of the above activities and links, there are tangible benefits in personal and family relationships including those affected by drug and alcohol related problems, as well as deeper spiritual relationships for all.

As a Church we support Fairtrade, ethical and sustainable products as much as possible, for our beverages, consumables and cleaning materials. We look to recycle plastic and paper waste, collect food waste after Church lunches, and have had solar panels for over ten years.

ARGYLE COMMUNITY CHURCH READING

TRUSTEES' REPORT, *continued* FOR THE YEAR ENDED 31 DECEMBER 2024

Integration of international church members

One of our 'straplines' is 'A church for all nations' and we are pleased to welcome worshippers of many nationalities from across the world.

From September 2021 in particular, a number of immigrants from Hong Kong have joined us and become an integral part of the fellowship taking on key roles, joining rotas and helping lead services; a Cantonese-speaking lifegroup meets twice a month and in 2024 two Cantonese-language Alpha courses have taken place. No separate Cantonese fellowship is planned.

To help those in the Church who are from Hong Kong - and their friends/contacts - settle in the UK we have run a number of Welcome Courses over recent years, in conjunction with the UKHK organisation, explaining about healthcare and other aspects of life in the UK. In 2024 this continued with a course in the Autumn with over 50 people registered.

Although Hong Kong members form a significant proportion of the Sunday morning congregation, we have welcomed many other nationalities, in particular Spanish and Portuguese speakers, some of whom were living in Reading with refugee status.

As many new people have recently joined Argyle certain Sundays during 2024 were designated 'Label Sundays' when we wore name labels and got to know each other better.

Exceptional financial expenditure

As mentioned in last year's report it had become apparent in recent years that the external fire escape steps leading from the upper room at the south end of the building need replacing, and this was expected to be a major item of expenditure in 2024. However, the design of the new fire escape has proved complicated and there has been some delay in progressing with this project; it is now expected to be completed in 2025. The current fire escape remains useable but mitigating measures have been put in place to reduce the risk of using it.

The 'Manse' in Deepdene Close is occupied by the Pastor and his family, and has suffered from damp in recent years. Investigations have taken place to identify the cause of this and some remedial work has been undertaken in 2024, but more is anticipated in 2025.

As stated above, our full-time Youth and Children's Worker has been replaced by another full-time YCW but supplemented by a part-time YCW and our costs in this area have therefore significantly increased.

These three major items have had an impact on costs in 2024 (with more anticipated in 2025), and our budget was significantly exceeded. However, partly thanks to a generous restricted gift to cover the extra YCW costs, our income also increased and matched the budget excess. Future costs, particularly for the fire escape, are expected to be covered by reserves without affecting our principle of retaining a cash buffer of three months' planned expenditure, although we continue to rely on God's provision through his people.

Method of appointment or election of Trustees

The arrangements for the appointment, retirement and removal of Trustees/Directors are set out in the Memorandum and Articles of Association.

Safeguarding Policy

Our Safeguarding Policy reflects current UK legislation in relation to safeguarding children and vulnerable adults and implements good practice recommendations. It is constantly reviewed in the light of changes to the safeguarding standards developed by the thirtyone:eight organisation (formerly CCPAS).

In 2023 we were made aware that a married couple within Argyle were experiencing relationship issues, and our Pastor and the Safeguarding lead were involved in attempting to help the couple with their difficulties. In late 2024 we were contacted by a third-party who was concerned that this response was faulty. Whilst recognising that matters could have been handled better, the Trustees support the Pastor and stand by the Statement of Beliefs as listed in our Memorandum of Association; however, this incident has prompted a complete review of our Safeguarding and Complaints procedures which will take place in 2025.

Data Protection Policy

Our Data Protection Policy aims to ensure compliance with the requirements of General Data Protection Regulation legislation.

We are registered with the Information Commissioner's Office (registration number ZA436386).

FINANCIAL REVIEW

Income and expenditure

The Church's income and expenditure for the year are set out in the Statement of Financial Activities on page 9. The Trustees report a deficit for the year of £34,871 (2023 – deficit of £40,310).

The Church is principally financed by regular monthly donations from members, augmented by giving to specific appeals when need is identified. The regular giving is sufficient to cover the regular running costs of church activities. The Church's primary asset is an unencumbered freehold building which is gaining in value although it is being depreciated at 2% per annum.

The Church maintains a healthy cash balance - £104,002 at 31 December 2024 (2023 - £97,557).

Reserves policy

The Trustees aim to maintain free reserves equivalent to three months average giving to the general fund, which equates to £35,000. These funds are to ensure that the Church activities can continue as planned in the case of unforeseen circumstances or a sudden reduction in regular giving. Financial reports to Trustees' meetings always include details of the level of free reserves to ensure that spending decisions are made in accordance with the policy. The Reserves policy is reviewed annually.

Statement of Trustees' responsibilities

The Trustees, who are Directors for the purposes of company law, are responsible for preparing the annual report and the accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law and the law applied to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles of the Charities Statement of Recommended Practice;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company, and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the Trustees on 26 September 2025

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ARGYLE COMMUNITY CHURCH READING

I report to the charity Trustees on my examination of the accounts of Argyle Community Church Reading for the year ended 31 December 2024, which are set out on pages 9 to 16.

Responsibilities and basis of report

As the charity Trustees of the Church (and also its directors for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

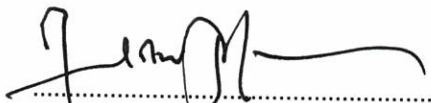

Having satisfied myself that the accounts of the Church are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Church's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Church as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ARGYLE COMMUNITY CHURCH READING

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2024

1 ACCOUNTING POLICIES

a) Basis of preparation

The accounts have been prepared under the historical cost convention as modified by the revaluation of freehold properties and improvements, and in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) (effective 1 January 2019)'.

b) Income

Income is included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

c) Expenditure

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Expenditure on charitable activities comprises all expenditure incurred directly in pursuance of the church's charitable objectives. Governance costs are those costs incurred in connection with administration of the charity and compliance with constitutional and statutory requirements, and include depreciation of fixed assets.

d) Fixed assets and depreciation

Fixed assets are stated at cost or, in the case of certain freehold properties, at valuation, less accumulated depreciation. Gains or losses arising on revaluation are taken to a revaluation reserve. Depreciation has been provided at the following rates in order to write off assets over their estimated useful lives:

Land and buildings – 2% straight line

That portion of the depreciation charge which relates to the uplift arising from a revaluation is charged to the revaluation reserve.

e) Fund accounting

Designated funds are part of unrestricted funds that are expendable at the discretion of the Trustees in furtherance of the Church's charitable objectives. Unrestricted funds that are earmarked for a particular project may be designated as a separate fund, but these have an administrative purpose only, and do not restrict the Trustees' discretion to apply the fund.

The revaluation reserve (see note 1(d) above) is also part of unrestricted funds.

Restricted funds are funds subject to specific trusts, which may be declared by their donors, or with the authority such as in a public appeal, or created through legal process, but still within the wider objects of the charity. Restricted funds may be restricted income funds or may also be capital funds where the assets are required to be invested, or retained for actual use rather than expended.

The Church's freehold properties and other interests in land were capitalised in the financial statements at their original historical cost. The church was opened in 1959 and the cost of the land and buildings was £12,307. The manse at 8 Deepdene Close was purchased in 1986 at a cost of £73,058.

The church (but not the manse) was revalued by the Trustees on 21 April 2013 at its insured value of £1,903,000. Depreciation is being applied to this valuation at a rate of 2% per annum on a straight line basis commencing with the year ended 31 December 2013. The depreciation charge for the year on a historical cost basis would amount to £17,374 (2023 - £17,374) and the net book value of land and buildings on a historical cost basis would be £621,251 at 31 December 2024 (2023 - £638,625).
