#### **FINANCIAL REVIEW**

##### **Reserves policy**

The reserves are held to enable the charity to meet its charitable and legal obligations to its beneficiaries and employees. Specifically the purpose of its reserves is to:

- Enable the Trustees to manage the financial risks involved in providing the agreed services and activities.
- Enable the Trustees to provide for the development of new services.
- Enable the Trustees to meet any shortfall between voluntary income and the cost of activities wholly, or partially, dependent on voluntary funds.

The reserves policy seeks to balance spending the maximum amount of income raised as soon as possible after receipt with maintaining the minimum level of reserves to ensure uninterrupted operation and provide time to adjust to a change in financial circumstances.

A prudent assessment of the financial impact of risk events on reserves is assessed as striking an appropriate balance between the need to spend income when it is received and maintaining operational integrity.

This level of reserves is consistent with Cymdeithas Deillion Gogledd Cymru's business model and financial impact of key risks

- Directors have identified the need to maintain a level of free reserves equal to 20 - 24 months of expenditure.
- Directors identify the need to reduce the overall level of reserves over the next five years
- 2021-26 Business plan will set out a number of new projects to be funded in part / or wholly through Designated reserve funds.

There are no substantial material projects or capital spending plans that cannot be met from anticipated income or reserves in the short- medium term.

All programmes funded from unrestricted monies include the clause 'subject to funding'

All expenditure levels can be materially adjusted within a 6-month period to fit revised funding levels if needed.

At 31 March 2022 the charity had free reserves (general funds excluding designated funds) of £2,212,630. This amounts to approximately 50 months of expenditure. As at 31 March 2021 the free reserves amounted to approximately 58 months of expenditure.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF NORTH WALES SOCIETY FOR THE BLIND

---

### Independent examiner's report to the trustees of North Wales Society for the Blind ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**31 MARCH 2022**

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on ..... 5/12/2022 ..... and were signed on its behalf by:

.....

The notes form part of these financial statements

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements and assessment of going concern**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

The accounts (financial statements) have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Legacy gifts are recognised on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date.

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

**Allocation and apportionment of costs**

Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities or estimated usage.

**Tangible fixed assets**

Tangible fixed assets for use by the charity are stated at cost or in cases where fixed assets have been donated at valuation at the time of acquisition, less depreciation. The cost of minor additions or those costing less than £500 are not capitalised.

Depreciation has been provided at the following rates in order to write down the cost or valuation less estimated residual value, of all tangible fixed assets by equal annual instalments over their expected useful lives: -

Freehold Buildings	2% on cost
Fixtures and Fittings	25% on reducing balance
Motor Vehicles	25% on reducing balance.

**Fixed asset investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction

value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

##### **Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

##### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Pension costs and other post-retirement benefits**

The charity operates a funded defined benefits pension scheme based on final remuneration. The assets of the scheme are held separately from those of the charity in an independently administered fund. The staff are members of the Gwynedd Council Pension Fund. Contributions are charged to the SOFA so as to spread the cost of pensions over the employees' working lives with the Bureau. Contributions are determined by a qualified actuary on the basis of valuations using the projected unit method.

This scheme is being accounted for under FRS 102, with the annually calculated notional surplus or deficit on the funding of the scheme shown in the accounts as a designated fund entitled "Pensions Reserve", which is deducted from unrestricted funds in the balance sheet.

##### **Organisation's status**
