THE STEPHENSON JAMES CHARITABLE TRUST
REGISTERED CHARITY NUMBER 1143369
TRUSTEES ANNUAL REPORT
FINANCIAL YEAR ENDED 5 APRIL 2025

The Stephenson James Charitable trust was established by a trust deed executed on 27 June 2011 and was registered with the Charity Commission on 15 August 2011. On 29 February 2012 the trust received one half of the net assets of the EJH Stephenson Charitable Trust upon the division of that trust into two funds.

The charity trustees throughout the year ended **5 April 2025**, and at the date of signing this report were:

Sophia Frances James
Lucy Victoria Hilaria Matthews

The power of appointment of new trustees is vested in the ongoing trustees.

The day to day administration of the trust together with the fulfilment of record keeping and accounting functions is carried out by the solicitors to the trustees, Ellis Jones, Monmouth Court, Southampton Road, Ringwood, BH24 1HE which is the registered office of the charity.

Neither at the date of this report nor at any time during the financial period to **5 April 2025** has any individual been a trustee for the charity (that is holding property on behalf of the charity).

The trust's bankers throughout the period were National Westminster Bank plc.

The charity's assets are predominantly invested in a portfolio of stocks and shares which were managed by RBC Brewin Dolphin throughout the period. The trustees review and note the reports and valuations produced by the investment managers from time to time.

The trustees instructions to the investment managers are that in selecting and retaining investments a balance be struck between a reasonable level of income and identifying reasonable prospects for capital growth over the medium to longer term.

The Trustees' investment powers are wide and are drawn from the 2011 Trust Deed.

The objects of the trust are to apply the income, and all or such part or parts of the capital, at such time or times and in such manner to, or for the benefit of, such exclusively charitable objects and purposes in any part of the world as the trustees may in their discretion think fit. The trustees have had regard to guidance issued by the Charity Commission on public benefit.

In this, the **14th** period of the trust since its inception, donations to **nine** different bodies have been effected totalling **£17,770** (2024: £14,600) as detailed in note 2 to the accounts and the trustees are continuing to work with local and national agencies, other charities and individuals throughout the community to identify projects that they wish to support.

There is no recurring operating expenditure other than costs paid to the solicitors for administration fees and to the investment manager for fund management.

The trustees declare they have approved the trustee's report above and it is signed on their behalf:
