The Report and Financial Statements also comply with the Companies Act 2006.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Legal status and Governing document

The objects and powers of Charity were established in the Constitution of the church and the church is governed by it. The trustees are responsible for arranging and organising Annual General Meetings - AGM.

Appointment

The Trustees who held office during the financial year and at the date of this report are set out on page 3. The Trustees are elected by the church in accordance with the rules set out in the Constitution. The method of appointment of the Church Council is also set out in the Church Constitution. Induction and Training

Trustees, as part of their induction and training, go through series of training where they are briefed on their legal obligations and the Charity Commission's guidance on public benefit. The objects and aims of the church are explained. Trustees and volunteers are also encouraged to attend appropriate external training events where these will facilitate the undertaking of their role. The Board of Trustees manages the affairs of the church. The Board and the Church Council work cooperatively with the Reverend Minister, who has day to day operational responsibility, and are responsible for making decisions on all matters of general concern and importance to the church.

Organisation

The Board of Trustees and Council members are responsible for the overall strategy and direction of the Church. The Board of Trustees and Council members have the responsibility of cooperating with the Reverend Minister in promoting the whole mission of the Church – pastoral, evangelistic, social and ecumenical. The Trustees give their time on a voluntary and unpaid basis. The Church Council has wide responsibilities. It has a number of committees, each dealing with a particular aspect of church life. These committees, which include music/worship, outreach, welfare, and finance, are accountable to and report back to the Board of Trustees and Church Council on a regular basis.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity and are satisfied that systems are in place to mitigate exposure to the major risks. The trustees have a risk management strategy which comprises:

- ensuring all equipment are in good condition and safe for use;

AIMS AND PURPOSE/OBJECTIVES

The EL-KWABOAT MINISTRIES was set up to, among others; to advance the Christian faith by sharing and demonstrating the Love of God to every person in every way possible and to reach the uttermost part of the earth with the Full Gospel of Jesus Christ. The principal activities of the church include:

1. To proclaim the Gospel of the Kingdom of God through regular Sunday meetings, weekly activities, conferences, ministerial training, and seminars.
2. To share and demonstrate God's love by ministering to the needs of people (both members and others).
3. Worship services that are open to the general public—during these services, we encourage personal growth by developing and empowering people through preaching and teaching the Gospel of Jesus Christ and motivating them through seminars and conferences.
4. To develop a strong society by encouraging and building strong family relationships through seminars/conferences and family-friendly activities.
5. To evangelise to tell people about the love of Christ by using the media (radio evangelism), tracts and other educative materials.
6. To build lives by encouraging people to have hope and using the ministry of healing and deliverance through the entire Gospel of Jesus Christ by provision.
7. To undertake general charitable activities – such as providing aid for the needy.

OBJECTIVES, AIMS AND PRINCIPAL ACTIVITIES

The EL-KWABOAT MINISTRIES is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees maintain an overview of worship throughout the parish and constantly seek ideas on how our services can involve the diverse population and groups that live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music and sacrament, healing and deliverance.

When planning our activities for the year, the Pastor and the Board of Trustees has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship and Prayer, learning about the Gospel, and developing their knowledge and trust in Jesus.

- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

The Statement of Financial Activities on page 16 summarises the results of EL-KWABOAT MINISTRIES' activities during the period. The charity's Total income amounted to £172,700. Which was spent judiciously to meet the Church's objectives.

Volunteers

Without our volunteers' selflessness, hard work, and dedication, we couldn't have achieved our aims and objectives. The volunteers contribute significantly to the running of the church and enable it to fulfil its goals.

Financial Review

The book values of the assets held at year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are available to fulfil the charity's obligations. Our principal source of funds comes from the generous donations of committed members through Tithes and Offerings. Overall, we had a good financial year. Total receipts on unrestricted funds were £172,700.

Reserves Policy

The Trustees have identified the need for reserves to be held. Developing a reserves policy will assist in strategic planning, such as considering how new projects or future activities will be funded. To ensure sustainability and continuity of future financing activities, the trustees plan to have unrestricted funds to cover at least three months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

Investment Policy

The Trustees can invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide high security and liquidity and maximise returns whilst adopting a conservative approach.

Grant Making Policy

As part of our charitable objectives of providing aid to the needy, donations are made in the form of cash gifts to needy people and to members who find themselves in some form of financial difficulty.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Charity Commission requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end, of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

The Board of Trustees manages the affairs of the church. The Board and the Church Council work cooperatively with the Reverend Minister, who has day to day operational responsibility, and are responsible for making decisions on all matters of general concern and importance to the church.

Organisation

The Board of Trustees and Council members are responsible for the overall strategy and direction of the Church. The Board of Trustees and Council members have the responsibility of cooperating with the Reverend Minister in promoting the whole mission of the Church – pastoral, evangelistic, social and ecumenical. The Trustees give their time on a voluntary and unpaid basis. The Church Council has wide responsibilities. It has a number of committees; each dealing with a particular aspect of church life. These committees which include music/worship, outreach, welfare, and finance are accountable to and report back to the Board of Trustees and Church Council on regular basis.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity and are satisfied that systems are in place to mitigate exposure to the major risks. The trustees have a risk management strategy which comprises:

- regular financial review to ensure the continuity of charitable activities;
- ensuring all equipment are in good condition and safe for use;
- Competence based training for volunteers and trustees;
- liability insurance;
- Monitoring of new legislative requirements;
- Policies and procedures for children and vulnerable adults protection;
- Health and safety risks

Interest of Board of Trustees

No member of the Trustees had, at any time during the period under consideration, any interests in the charity which require disclosure in this report.

AIMS AND PURPOSE/OBJECTIVES

The EL-KWABOAT MINISTRIES was set up to, among others; to advance the Christian faith by sharing and demonstrating the Love of God to every person in every way possible and to reach the uttermost part of the earth with the Full Gospel of Jesus Christ. The principal activities of the church include:

- 1 . To proclaim the Gospel of the Kingdom of God through activities such as regular Sunday meetings and weekly activities; conferences, ministerial training and seminars.
- 2 . To share and demonstrate God's love by ministering to the needs of people (both members and others).
- 3 . Worship services which are opened to the general public – during these services we encourage personal growth by developing and empowering people through preaching and teaching of the Gospel of Jesus Christ; by motivating people through seminars and conferences.
- 4 . To develop strong society by encouraging and building strong family relationship through seminars/conferences and family friendly activities.
- 5 . To evangelize in order to tell people about the love of Christ by the use of the media (radio evangelism), tracts and other educative materials.
- 6 . To build lives by encouraging people to have hope in life and using the ministry of healing and deliverance through the full Gospel of Jesus Christ by provision.
- 7 . To undertake general charitable activities – such as providing aid for the needy.

OBJECTIVES, AIMS AND PRINCIPAL ACTIVITIES

The EL-KWABOAT MINISTRIES is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees maintain an overview of worship throughout the parish and constantly seek ideas on how our services can involve the diverse population and groups that live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music and sacrament, healing and deliverance.

When planning our activities for the year, the Pastor and the Board of Trustees has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship and Prayer, learning about the Gospel, and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

The Statement of Financial Activities on page 16 summarizes the results of EL-KWABOAT MINISTRIES' activities during the period. The charity's Total income amounted to £166,080. The income was spent judiciously to meet the Church's objectives.

Volunteers

Without the selflessness, hard work, and dedication of our volunteers, we couldn't have achieved our aims and objectives. The volunteers contribute greatly to the running of the church and enable it to fulfil its objectives.

Financial Review

The book values of the assets held at the year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are available to fulfil the obligations of the charity. Our principal source of funds comes from the generous donations of committed members through Tithes and Offerings. Overall, we had a good financial year. Total receipts on unrestricted funds were £166,080 of which £161,907 was spent to promote the Christian ministry and charitable activities.

Reserves Policy

The Trustees have identified the need for reserves to be held as developing a reserves policy will assist in strategic planning such as in considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding future activities, the trustees plan to have unrestricted funds to cover at least 3 months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

Investment Policy

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held. The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

Grant Making Policy

As part of our charitable objectives of providing aid to the needy, donations are made in the form of cash gifts to needy people and to members who find themselves in some form of financial difficulty.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Charity Commission requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end, of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- Prepare trustees annual reports and submitting annual returns forms and accounts
- Comply with the rules of the charity as set out in the governing document
- Ensure the charity is run carefully, by making sure it :
- Uses its charitable funds and assets wisely to further its charitable aims
- Does not do anything to put its property, funds , assets or reputation at risk
- Takes appropriate care and advice when investing or borrowing money.

We have examined the financial statements on pages 12 to 18 for the year ended 31 March 2023 which comprises the statement of financial activities. The financial statement has been prepared under the historical cost convention and the accounting policies set out therein.

The report is made solely to the Charity's Trustees, as a body, in accordance with Section 44 of the Charities Act 1993. The Trustees of the charity are of the general opinion that an audit is not required in accordance with Section 43(2) of the 1993 Act, and have opted for an independent examination instead.

Respective responsibilities of trustees and independent examiners

The Trustees, have responsibilities for preparing the Trustees' Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards. These are set out in the Statement of Trustees' Responsibilities in the Report of the Trustees.

Our responsibilities as independent examiners of the charity are:

2. to strictly adhere to the general directions provided by the Charity Commission under Section 43(7)(b) of the Charities Act 1993; and
3. to state whether particular matters have come to our attention in the course of our examination.

We report to you whether the financial statements have properly been prepared in accordance with United Kingdom Generally Accepted Accounting Practice, the Companies Act 2006 and in accordance with the Charities Act 1993.

We also report to you whether the information given in the Trustees' Report is consistent with the financial statements. We consider the implications of our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

In addition we report to you if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our work, or if information specified by law regarding trustees' remuneration and other transactions with the charity is not disclosed.

Basis of opinion

Our examination was carried out in accordance with the general direction provided by the Charity Commission. It includes reviewing the books, documents, and other accounting records kept by the charity and comparing these with the accounts presented.

Our examination also includes consideration of any unusual disclosures or items in the accounts, and seeking explanations from the Trustees. It is imperative to state here that the procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view'. Our report is therefore limited to the statements below:

Independent examiners' statement

In connection with our examination, we report that no matter has come to our attention, which gives cause to believe that the following have not been met:

OBJECTIVES, AIMS AND PRINCIPAL ACTIVITIES

The EL-KWABOAT MINISTRIES is committed to enabling as many people as possible to worship at our church and to become part of our community. The trustees maintain an overview of worship throughout the parish and constantly seek ideas on how our services can involve the diverse population and groups that live within our parish and the community. Our services and worship put faith into practice through prayer and scripture, music and sacrament, healing and deliverance.

When planning our activities for the year, the Pastor and the Board of Trustees has considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable ordinary people to live out their faith as part of our church community through:

- Worship and Prayer, learning about the Gospel, and developing their knowledge and trust in Jesus.
- Provision of pastoral care for people living in the parish.
- Missionary and outreach work.
- Education and training

A summary of the result of the EL-KWABOAT MINISTRIES' activities during the period is given in the Statement of Financial Activities on page 16 Total income of the charity amounted to £165,356. The income was spent judiciously to meet the objectives of the Church.

Volunteers

Without the selflessness, hard work, and dedication of our volunteers, we couldn't have achieved our aims and objectives. The volunteers contribute greatly to the running of the church and enable it to fulfil its objectives.

Financial Review

The book values of the assets held at the year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are available to fulfil the obligations of the charity. Our principal source of funds comes from the generous donations of committed members through Tithes and Offerings. Overall, we had a good financial year. Total receipts on unrestricted funds were £165,356 of which £146,262 was spent to promote the Christian ministry and charitable activities.

Reserves Policy

The Trustees have identified the need for reserves to be held as developing a reserves policy will assist in strategic planning such as in considering how new projects or future activities will be funded. To ensure sustainability and continuity of funding future activities, the trustees plan to have unrestricted funds to cover at least 3 months of unrestricted payments. This policy will be reviewed regularly to meet the charitable needs of the Church.

Investment Policy

The Trustees have the power to invest in such assets as they see fit. The charity's investment policy is appropriate to the nature of the funds for which the investment is held.

The primary investment aim is to provide a high degree of security and liquidity and to maximise returns whilst adopting a conservative approach.

Grant Making Policy

As part of our charitable objectives of providing aid to the needy, donations are made in the form of cash gifts to needy people and to members who find themselves in some form of financial difficulty.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Charity Commission requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the year end, of its incoming resources and resources expended during that year. In preparing those financial statements, the Trustees are required to:

- Prepare trustees annual reports and submitting annual returns forms and accounts
- Comply with the rules of the charity as set out in the governing document
- Ensure the charity is run carefully, by making sure it :
- Uses its charitable funds and assets wisely to further its charitable aims
- Does not do anything to put its property, funds , assets or reputation at risk
- Takes appropriate care and advice when investing or borrowing money.

Unrestricted funds are grants, donation and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Restricted funds are funds that can only be used for specific purposes as laid down by the donor. Expenditure, which meets this criterion, is charged to the fund, together with a fair allocation of management and support costs.

Designated funds are funds set aside by trustees out of unrestricted general funds for specific future purpose, or relate to grants given specifically for the purchase of assets where the use is not restricted. The aim and use of each of the designated fund is set out in the notes to the financial statements.
