Bournemouth Foodbank

Strategic Report for the Year Ended 30 September 2021

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 30 September 2021, in compliance with s414C of the Companies Act 2006.

Financial review

Policy on reserves

In line with Charity Commission guidance, the Trustees have reviewed their policy on the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') and find that the charity should have: -
'Fixed reserves' (or an Emergency Operating Reserve) of 3 months of the operating costs (charitable expenses less food purchased) plus rationalisation costs, in general funds, to provide:

- *Funds to restructure the charity in event of the income sharply dropping

- *A foundation for security of ministry and to meet contractual obligations

- *Sufficient time to "switch off" its activities; Bournemouth Foodbank is an organisation with local responsibilities, whose activities are not complex. At present the free reserves (Unrestricted reserves less net fixed assets) are over £87,000.00 which represents over 12 months of operating costs at 2020/21 levels.

The charity is almost entirely dependent for income upon generous contributions from Bournemouth churches and their congregations, corporate sponsors and public regular donations, so our income is inevitably subject to fluctuations and it requires protection against and the ability to continue operating and not be governed by short term constraints. The Trustees are confident that this policy should allow the charity to continue operating.

The strategic report was approved by the trustees of the charity on 6 January 2022 and signed on its behalf by:

Scott Voisey
Scott Voisey
Trustee

Bournemouth Foodbank

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 30 September 2021.

Objectives and activities

Objects and aims

The Bournemouth Foodbank is a Christian organisation motivated by Jesus' teaching on poverty and injustice as taught in the Bible. We operate according to Biblical principles of compassion, honesty, integrity, openness, kindness and care of all people, regardless of background or belief. We believe in turning faith into practical action, living out God's love for the poor...

'For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.' Matthew 25:35-36

We believe that everyone has a basic right to have food on their plate, dignity, and hope for the future.

Every day people in the UK go hungry for reasons ranging from loss of income to receiving an unexpected bill on a low income. Bournemouth Foodbank provides a minimum of three days' emergency food in the form of a food parcel. We also provide additional support and signposting to other services where people are experiencing crisis. Our support is vital. One beneficiary said, "Without the Foodbank's help, I'm sure that I would have been in situations beyond any control", whilst a care professional commented "Without this service, many individuals and families would suffer great hardship."

Objectives, strategies and activities

In the financial year 2021 the Foodbank fed almost 9467 individuals and families in Bournemouth, distributing 13.5 metric tons of food through referrals from 133 agencies and care professionals from the town, and towards other local food banks and agencies throughout the town.

Bournemouth Foodbank

Trustees' Report

Public benefit

In addition to providing much needed food, Bournemouth Foodbank also provides volunteer work experience, training, and fellowship to help them move forwards into employment. Many volunteers have been former recipients of help from the Foodbank now wanting to give something back. Staff and volunteers have found this year challenging. When the first lockdown happened in March '20 we lost over 50% of the volunteers overnight due to existing health issues and age. We had to adapt how we met the communities needs during this time, which throughout the pandemic has meant continually adapting to changing guidelines and requirements. We have found that most of the year our numbers were lower than expected mainly due to the outpouring of help from local residents setting up 'pop up food hubs', this has been both a help and now a hinderance to a degree. Our purpose is to help people out of poverty and whilst there were many restrictions in place it was helpful to have options for people to access the food they need however now we are finding that it is harder to engage and find out what is happening and how we can help longer term as everyone has got used to just taking food without the need to chat and get signposting help or any of the other vital services that we are providing. I feel very proud of the work we have managed to do over this year and the huge effort put in by both staff and volunteers to ensure our neighbourhoods were fed and looked after. We also tried to keep in contact with our isolating and vulnerable volunteers to keep up their morale and to keep them feeling part of our extraordinary foodbank family, many of which have now returned and are back enjoying working alongside us once again.

We have been incredibly fortunate to have received many grants to help us continue and improve our service this year. Our Eat Well Spend Less on-line has continued and been taken up by other foodbanks in the network and other organisations this year.

We have continued to encourage our partner agencies to update their information with us to enable the volunteers and staff to signpost clients well and accurately. Our work with the referral agencies and the e referral vouchers stood us in great stead this year. It enabled them to issue vouchers remotely with a system they were familiar with already. We have worked alongside the BCP Council in their amazing efforts to look after our residents in need and to keep the local agencies in contact with each other, this has been particularly invaluable to us all.

Our plans to expand what we are doing at St Georges Methodist Church with the help and encouragement of the leaders and congregation are still in progress although it has been slow due to sickness etc and a slow legal system. Our Hope is still to bring more services within the actual structure of a session to make it much easier for clients to access the help that they need without having to go to multiple sites adding to their stress in their already stressful situation has stalled due to the current situation and our inability to meet with clients inside.

When planning the activities for the year, the trustees believe they have complied with the duty set out in section 4 of the Charities Act 2011 to have due regard for Public Benefit, and the specific guidance published by the Charities Commission, on charities for the advancement of religion.

Structure, governance and management

Nature of governing document

Bournemouth Foodbank is a company limited by guarantee and is also a registered charity in England and Wales No. 1143446 in which the directors also form the board of Trustees. The liability of each Trustee in the event of a winding up is limited to £1. Memorandum and Articles of Association of the company were adopted as the governing document of the company on the 23 June 2011.

Bournemouth Foodbank

Trustees' Report

Recruitment and appointment of trustees

The original trustees were appointed at the inception of the company on 1 October 2011. Trustees have responsibility to manage the financial and legal administration and the property and funds of the charity. Trustees are selected and appointed by existing trustees and any necessary training is provided, as of this date September 2021.

The systems of internal control are designed to provide reasonable but not absolute assurance against material misstatement or loss. They include:

*An annual budget approved by the Trustees.

*Monthly consideration by the Trustees of financial results and variances from budgets for both the year-to-date and month end; year-end forecast. *Delegation of day-to-day management authority and segregation of duties; and identification and management of risks.

*Select suitable accounting policies and apply them consistently.

*Make judgments and estimates that are reasonable and prudent.

*Comply with applicable accounting standards subject to any material departures disclosed explained in the financial statements; and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation. *The trustees are responsible for maintaining proper accounting records which disclose with accuracy at any time the financial position of the charity.

Organisational structure

Operational Staff Team:

Debbie Bramley (Director)

Rebecca Lent (Warehouse Manager)

Lauren Osborne (Volunteer Coordinator)

John Saborido (Office Manager)

Risk Management

A full risk management survey was carried out in August 2020. It involved identifying the major strategic, operational and financial risks to which Bournemouth Foodbank is exposed, prioritizing them in terms of potential impact and likelihood of occurrence. Systems will then be established to mitigate these risks. The action plan is reviewed annually as required to ensure its ongoing validity. As part of this process the Trustees will review the risk to the reputation and image of Bournemouth Foodbank, and a comprehensive process will be established to mitigate the risks we face in this area.

The Trustees believe that the internal financial controls conform to guidelines issued by the Charity Commission.

Bournemouth Foodbank

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Bournemouth Foodbank for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 6 January 2022 and signed on its behalf by:

.....

Trustee

Bournemouth Foodbank

Independent Examiner's Report to the trustees of Bournemouth Foodbank

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 September 2021 which are set out on pages 9 to 21.

Respective responsibilities of trustees and examiner

As the charity's trustees of Bournemouth Foodbank (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Bournemouth Foodbank are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Bournemouth Foodbank as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 30 September 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The notes on pages 12 to 21 form an integral part of these financial statements.

Bournemouth Foodbank

Notes to the Financial Statements for the Year Ended 30 September 2021

1 Charity status

The charity is limited by guarantee, incorporated in , and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £Nil towards the assets of the charity in the event of liquidation.

The address of its registered office is:

118 Haviland Road

Bournemouth

Dorset

BH7 6HW

These financial statements were authorised for issue by the trustees on 6 January 2022.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Bournemouth Foodbank meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Bournemouth Foodbank

Notes to the Financial Statements for the Year Ended 30 September 2021

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost.

Bournemouth Foodbank

Notes to the Financial Statements for the Year Ended 30 September 2021

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Motor vehicle	25% reducing balance
IT equipment	33.33% straight line
Plant and Machinery	25% reducing balance

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

3 Income from donations and legacies

Bournemouth Foodbank

Notes to the Financial Statements for the Year Ended 30 September 2021

	Unrestricted funds General £	Restricted funds £	Total funds £
