Trustees'/Directors' report for the year ended 28 February 2023

The Trustees/Directors (referred to in this report as “the Directors”) of Boys and Girls Clubs of South Yorkshire (‘BGCSY’ and ‘the Charity’) present their report and the financial statements for the year ended 28 February 2023.

The information relating to Directors and advisers set out on page 3 forms part of this report.

The financial statements comply with the Charities Act 2011, the Constitution and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards for Smaller Entities.

Charitable objectives

The objects of the Charity are to promote the development of boys and young men, girls and young women in achieving their full physical, intellectual, social and spiritual potential by the establishment, deployment and support of clubs to further the education and wellbeing of young people, and by the provision of training facilities.

Charitable status

The company gained relief from Corporation Tax under Section 478 (onwards) of the Corporation Taxes Act 2010.

Summary of Main Achievements

BGCSY is now in its 81st year as an organisation, currently providing support to over 4500 young people and guidance to club leaders, qualified youth workers and volunteers, through our network of 30 plus affiliated youth and sporting clubs, located in some of the poorest communities in South Yorkshire. During the last 12 months we have re-opened 3 youth clubs, 1 in Sheffield and 2 in the Dearne Valley district, which had previously closed due to lack of investment and funding. With BGCSY's support, their doors, and those of each of our other affiliated clubs, continue to be open to young people in South Yorkshire, providing much needed youth and community support where young people can meet in a safe environment to interact with their peers and with responsible adults, they feel comfortable with and trust. Financially this has been one of the hardest years BGCSY has ever encountered, with Grants and Donations falling by £47,000, when compared with last year. Post year end, BGCSY has budgeted for an improved breakeven position in the current year, recognising BGCSY's recent success in tendering for project funding.

BGCSY's summer activity programme was again one of the many highlights of the year, funded by donations from several partners and charitable trusts. Through this programme, BGCSY was able to run 3 residential courses, taking over 40 young people on experiences that would normally be inaccessible to them, enabling them to take part in many outdoor adventure activities such as rock climbing, kayaking, cliff jumping, to name but a few. BGCSY also organised and supported 10 activity weeks and numerous activity days during the year, reaching out to over 1250 young people and providing vital support, such as qualified youth workers and volunteers, transportation and health and safety assessments, to ensure that our young people received a fulfilling and quality experience which will help them to broaden their outlook on life and gain a better understanding of the opportunities available to them in the future..

We continue to work closely with Sheffield City Council on delivering our Alternative Education Provision for young people who have already been or, are on the verge of being, excluded from mainstream education. The aim of this programme, which supports between 60–80 predominately young men, is to enable these students to continue with their education outside the school system and to motivate them to gain a qualification, such as BTEC or AQA Award, and, in many cases, to reintegrate back into mainstream education.

Boys and Girls Clubs of South Yorkshire (A company limited by guarantee)

Other projects we have delivered throughout the year include our Personal and Social Development (PSD) programme, where BGCSY worked with 175 'Year 10' students who have been identified by their schools as being at risk of being excluded from the education system and need additional support. This programme focuses on developing the skills these young people need to address their challenging behaviour and the issues that affect their ability to reach their academic potential.

Each PSD programme focuses on six areas of development, communication skills, drug and alcohol awareness, employability, managing anger, sexual health and mental health, which are explored through group discussions and work accreditation booklets to help young people gain a better understanding of how each area affects them and the impact they have on their behaviour. We are also pleased to report that the PSD programme is now an AQA accredited award and that all participants receive a formal qualification on completion of their course. For a majority of the young people involved, this is the first accreditation they will ever have achieved and is a source of great pride to them and also to BGCSY.

In addition to the activities mentioned above, BGCSY has continued to support all our affiliated clubs during the year with their funding applications, governance and risk management assessments, their operational policies and by providing guidance on any other issues affecting them. BGCSY's also provides representation on youth club boards and committees, whenever necessary. It is our belief that this support over the last 81 years has ensured the continued growth and sustainability of the voluntary youth sector in South Yorkshire.

The National Boxing Championships are now back on the programme and BGCSY plays an integral part in the delivery of the Championship, not only locally and regionally, but also at a national level. This year, over 1200 young boxers, both male and female, participated in the programme, making it the largest Championships of its kind in Europe. Participants benefit from being members of clubs which instil discipline, hard work, healthy choices and teamwork.

Public Benefit Statement

In discharging their responsibilities, the Directors have had regard to the guidance issued by the Charity Commission on public benefit and are satisfied that the activities of the Boys and Girls Clubs of South Yorkshire fulfil these requirements as the clubs' activities are open to all young people in their local area and promote the health and wellbeing of club members.

Results for the year

The statement of Financial Activities shows a net decrease in funds during the year of £49,986 (2022: decrease £21,554), reducing unrestricted funds carried forward at 28 February 2023 to £40,968.

Reserves Policy

It is a policy of the Charity to achieve unrestricted funds which are available for use in all aspects of the Charity's work. Restricted reserves are specifically used for the purpose laid down by the donor. There were no Restricted Reserves at 28 February 2023.

It is the aim of the Directors to maintain unrestricted funds equivalent to at least 50% of the annual expenditure in unrestricted activities, although the continuing difficult financial situation means that much work is required to meet this objective.

Boys and Girls Clubs of South Yorkshire (A company limited by guarantee)

Governance of the charity

The board currently consists of 5 Directors and decisions are reached by a consensus of the members. Each Director is entitled to one vote on each issue. If a situation arises where there is a split or deadlock between the members on a decision, the Chairman has the casting vote.

R. Dyson and S. Mahon held office for the full financial year. U. Moran and Dr. J.P. Rooney were appointed to the board on 3 March 2023 and became trustees on that date.

B. Cottingham stepped down from the Board on 3 March 2023 and ceased to be a Trustee on that date. The Board would like to thank Barrie for his unstinting dedication and invaluable support and contribution to the success of BGCSY over the last 58 years.

The Board is delighted that Barrie has agreed to continue to be associated with BGCSY, as our Honorary President.

Risk management

The Board recognises the need to continuously develop and maintain sound systems of internal controls and to implement effective risk management across the organisation and its operations. Risk issues – both internal and external – are discussed at each Board meeting and strategies are enacted to mitigate these.

Future Plans

Our main priority will be to continue providing high quality, meaningful support to our affiliated youth clubs and their members. Training and education have again proven to be key to the development and success of BGCSY. We will continue to seek funding from and to work closely with local authorities to provide opportunities for young people in South Yorkshire to meet their needs, to help them develop their personalities through adolescence and to achieve their potential as young adults. We are reintroducing our Respect Programme and will deliver 4 programmes during the current year. Longer term, we will look to continue and to expand this project as well as developing an online system to enable young people in South Yorkshire to book themselves directly onto activities and events and to record feedback from young people that will help us fund and deliver more projects to meet their needs.

BGCSY will continue to deliver high quality training programmes to club leaders, youth workers, volunteers, and young people in our affiliated youth clubs, together with providing a comprehensive programme of residential courses, 'one day' and 'weekly' activity experiences. BGCSY will also continue to provide the many support services required to ensure that all our affiliated youth clubs, continue to operate effectively in supporting the young people of South Yorkshire.

As in previous years, the running and development of our affiliated youth clubs continues to be demanding and the recruitment and retention of qualified youth workers and volunteers with the ability and commitment to provide the high quality of services required, continues to be increasingly difficult. Nevertheless, we are confident that we can continue to succeed in our endeavours over coming years.

Boys and Girls Clubs of South Yorkshire (A company limited by guarantee)

Statement of trustees/directors responsibilities

The Trustees/Directors are responsible for preparing the Trustees/Directors Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the directors/trustees to prepare financial statements for each financial year. Under that law the directors/trustees have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under that law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees/Directors are responsible for keeping accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provision of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees/Directors are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

Independent reviewers and disclosure of information to the independent examiner

Each Director, as at the date of this report, has confirmed that insofar as they are aware there is no relevant information (that is, information needed by the company's independent examiner in connection with preparing their report) of which the company's independent reviewers are unaware, and they have taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant information and to establish that the company's independent reviewers are aware of that information.

A resolution to reappoint White Rose Accounting as Independent Reviewer to the Company will be proposed at the Annual General Meeting.

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Approved by the board of Trustees/Directors on 6/10/23 signed on its behalf by:

Robert Dyson
(Chairman)

Dated: 6 October 2023

Boys and Girls Clubs of South Yorkshire

Independent Examiner's report on the Accounts of Boys and Girls Clubs of South Yorkshire for the year ended 28 February 2023

I report on the accounts of the company for the period ended 28 February 2023, which are set out on pages 9 to 13

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145 (5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the period ending 28 February 2023 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Director's responsibilities;

The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476, of the Companies Act 2006

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

This report was approved by the Trustees on 6/10/23 and is signed on its behalf by:

Robert Dyson
Chairman

Boys and Girls Clubs of South Yorkshire

Notes to the Accounts

for the year ended 28 February 2023

1 Accounting Policies

Basis of preparation

The Financial Statements have been prepared in accordance with the Companies Act 2006, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS102 (effective from January 2015 and updated with effect from January 2016) - (the Charities SORP (FRS102)), as modified for smaller charities.

The Charity meets the definition of a public benefit entity as defined under FRS102.

Basis of accounting

The financial statements are prepared in accordance with the historical cost convention.

The financial statements are prepared on an accruals basis.

Incoming resources

Donations, gifts and legacies and grants that provide core funding or are of a general nature are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Accrued income represents income recognised for work performed that was unbilled at the year end. It is accounted for on the basis of work performed that remains unbilled, or in line with contracted agreements with specific affiliates and similar organisations. Investment income is recognised on a receivable basis.

Restricted Funds

Restricted funds are used for specific purposes as laid down by the donor. Expenditure which meets the criteria is allocated to the fund together with a fair allocation of management and support costs.

Unrestricted Funds

Unrestricted Funds are other income received or generated for the objects of the charity without further specified purpose and are available as general funds.

Resources expended

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of V.A.T. The company is not VAT registered.

In the opinion of the trustees all support costs relate to charitable expenditure.

Tangible Fixed Assets and Depreciation

The cost of fixed assets is their purchase cost together with any incidental costs of acquisition.

Any assets with a useful life of less than 5 years are not capitalised.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost of each asset over its useful life.

Minibus	-15% on cost
---------	--------------

Equipment	-20% on cost
-----------	--------------

Fund Accounting

Funds held by the charity are either restricted funds or unrestricted general funds. Unrestricted funds can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds can only be used for a particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

2 Company status and capital

The Charity is a company limited by guarantee and consequently does not have share capital.

Each trustee has undertaken to contribute £1 to the assets of the company to meet its liabilities if called to do so.

3 Taxation

HM Revenue and Customs in the UK has previously accepted charitable status of the company and have granted relief from corporation tax under Section 478 of the Corporation Taxes Act 2010.

Boys and Girls Clubs of South Yorkshire
