## TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 AUGUST 2021

---

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2021. The trustees have adopted the provisions of Accounting and reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The charity was entered on the Register of Charities on 22 August 2011.

This year has been a challenging year with the continuous impacts of Covid-19. The Nursery had to close entirely for a total of 8 days due to a case of Covid-19 within the nursery.

### Objectives and activities

The Enchanted Wood Day Nursery Limited aims to provide a safe, healthy and nurturing environment for children aged 0-4 years in the local community.

- The Enchanted Wood Day Nursery acts as a resource for the local community. Staff working at The Deanes Academy take advantage of its proximity to the school, and use the Nursery for their childcare provision. We offer a teachers package, where only a retainer fee is to be charged during school holidays. We have an open door policy so that parents can work in partnership with the child's key worker to ensure individual needs are met.

- The Enchanted Wood Day Nursery Limited is a training centre for Early Year Practitioners and other associated childcare courses in collaboration with other training providers. We also offer work experience opportunities for students at The Deanes Academy as well as other local schools and colleges.

- The Enchanted Wood Day Nursery Limited leases the property from The Deanes Academy. The lease has certain terms included that relate to site management.

- The Enchanted Wood Day Nursery Limited was graded "Good" in October 2019 by Ofsted. The main objective is to receive the grade of Outstanding on the next inspection.

### Achievements and performance

The net incoming resources for the year amounted to £470,054. Of this £Nil was received for restricted projects. General reserves now stand at £67,820 and restricted reserves stand at £Nil.

The Nursery has provided childcare since January 2012. At the end of the period there were 125 children on roll, including 5 before and after school members.

### Financial review

As required in the Memorandum and Articles of Association paragraph 3, in furtherance of its objects, and for no other purposes, the Company has the power to invest the monies of the Charity not immediately required for its purposes in or upon such investments, securities or property as may be thought fit, subject nevertheless to such conditions and such consents as may for the time being be imposed or required by law.

It is the aim of the Nursery to ensure that it has sufficient reserves to:

- a) enable the Nursery to continue to operate in any short term absence of funding
- b) allow the Nursery to continue to develop the services it is able to offer the local community.

In order to meet these objectives the Nursery aims to hold reserves equivalent to six months expenditure to cover any temporary shortfall in funding. The Trustees are continually monitoring this requirement.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.
