THE IVO TRUST

Trustees' Annual Report for the year ended 31 December 2024

Governing Document and Constitution

The Trust was established by Declaration of Trust dated 22 March 2011. The deed gives the power to the Trustees to apply income or capital to the charitable objects at their discretion. The Trust is registered with the Charity Commission for England and Wales.

Specific Investment Powers

The Trustees' powers include full discretionary powers to make grants. They also have full discretionary power to make investments.

Appointment of New Trustees

The current Trustees have the power to appoint new Trustees by resolution at a special meeting of the Trustees. New trustees will be encouraged to receive appropriate training depending on their qualifications and experience.

Objects of the Charity

The objects of the charity are for any purposes recognisable as charitable. The Trustees will give particular consideration to charitable organisations which promote humane behaviour towards animals by providing appropriate care treatment and security for animals which are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage and pertaining to animal welfare in general and the prevention of cruelty and suffering among animals.

Future plans of the Charity

The future plans of the Charity are to continue its grant making activities.

Organisational and decision making process of the Charity

The Trustees make grants normally after discussion at periodic meetings.

Investment policy and the performance achieved against the policy

The trustees intend that the real value of their assets be maintained and enhanced over the long term by investment in a portfolio comprised of equities, fixed income stocks, other structured products and cash. This portfolio is intended also to reflect the need to achieve diversification of investments.

The investment portfolio held by the trustees is held across a broad range of asset classes with worldwide exposure to investment markets. The cumulative rate of return on the investment portfolio for the year was an increase of 10.48% (2023: increase of 6.75%). During the year, the benchmark chosen to best provide a comparative measure of the performance of the investments, the 'ARC Balanced Asset Private Client Index', rose by 6.81% (2023: rose by 5.79%).

Applications

The Trustees invite applications to the Principal Address for Correspondence and will give particular consideration to charitable organisations within their definition of Objects, as described above. Whilst all applications will be considered, the Trustees cannot guarantee they will respond to unsuccessful applicants.

Trustees' Annual Report for the year ended 31 December 2024 (continued)

Review of the development, activities and achievements of the Charity during the year

At 31 December 2024 the Trust held cash totalling £25,217 (£76,079 in 2023). The investment portfolio was valued at £6,656,704 (£6,060,381 in 2023). Net income from investments and cash deposits totalled £55,683 (£69,083 in 2023). During the year, the net surplus was £432,824 (2023: surplus of £70,049). In the year, £172,400 grants have been agreed in furtherance of the charity's objectives (£242,830 in 2023).

Reserves policy

The Trust has no ongoing financial commitments that require it to maintain reserves. However, investments are maintained with the hope that the level of income and long term capital growth is sufficient to cover any grants made. The reserves held are represented by the unrestricted fund balance from time to time. At 31 December 2024, reserves amounted to £549,678 (2023: £116,854).

Risk management

The Trust has no operational risks. Its risks are related to investment strategy and it guards against those risks by ensuring, with advice from investment professionals, a reasonable diversification on investments.

Relationship with other charities

There is no relationship with any other general grant making charitable trust or other charitable entity.

Grant making policy

The charity aims to expend an amount on grants that is in line with the income earned each year.

Grants agreed by Trustees

During the year, the charity agreed grants totalling £172,400 to 10 charities. In the previous year, grants totalling £242,830 were agreed, to 13 charities.

At year-end, the charity had ongoing grants commitments totalling £109,000, which are expected to be paid in future periods, subject to continued compliance with grant conditions and availability of funds. Of the sum committed, £49,000 is due to be paid in the following year, with £60,000 due in periods following. These amounts have been recognised in the accounts in line with the charities accounting policy on grant expenditure.

THE IVO TRUST

Trustees' responsibilities statement for the year ended 31 December 2024

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- > select suitable accounting policies and then apply them consistently;
- > observe the methods and principles in the Charities SORP 2019 (FRS 102);
- > make judgements and estimates that are reasonable and prudent;
- > state whether applicable accounting standards have been followed; and,
- > prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of The Ivo Trust

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2024 which are set out on pages 1 to 14.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

(a) **Basis of preparation of financial statements**

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) 2nd Edition issued October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) 2nd Edition issued on October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

(b) **Incoming resources**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

(c) **Resources expended**

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation purposes.

Grants payable are recognised in the year when the offer is made, providing that any related conditions within the control of the Trustees have been fulfilled. Grants offered subject to conditions which remain within the control of the Trustees and have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Value Added Tax is not recoverable by the charity and, as such, is included in the relevant costs in the Statement of Financial Activities.

(d) **Cash flow**

The financial statements do not include a cash flow statement because the charity, as a small reporting entity within the provisions of FRS 102, is exempt from the requirement to prepare such a statement (effective 16 July 2014).

(e) **Investments**

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluations and disposals during the year.

(f) **Taxation**

The trust is a registered charity and, as such, is not subject to tax on its income and gains falling within Sections 518 to 537 of the Income Tax Act 2007 or Section 256 of the Taxation of Chargeable Gains Act 1992 are exempt from income and capital gains tax to the extent that they are applied to its charitable purposes.
