To whom it may concern,

When completing this years annual return it has come to my attention that we are under the £25k income threshold and as such would be exempt from the submission of annual accounts. I have answered the questions in the account in line with the guide document on your website.

The submission will however not allow me to proceed without attaching a submission document as such I have attached this explanation.

I could find no direct correspondence email to query this with you, however if you require further information, please reach out to me via [daniel.wood-2@hotmail.co.uk](mailto:daniel.wood-2@hotmail.co.uk).

Kind regards,

Dan Wood
