## **The Aldershot Methodist Military Trust Trustees' Report**

---

The Trustees present their annual report and accounts for the year ended 31 August 2021. The charity information page forms part of this report.

### **Status**

The Aldershot Methodist Military Trust is a Religious Charity which was registered with the Charity Commission on 6 September 2011. Its charity number is 1143674

### **Trustees**

The following persons served as Trustees during the year:

D. Barwick	Mrs S. M. Smith (M)
Lt. Cdr. (Rtd) S. Hewitt (resigned 26 July 2021)	Rev. J. K. Watson
Rev C Howe (M) (resigned 26 July 2021)	Rev. C. M. Weir
Rev. P. J. Howson (Secretary) (M)	N. White
D. Kendall	Rev. D. E. Wilkes
Rev. C. J. Larrett	Rev. T. L. Wilkinson
B Roberts (Treasurer) (M)	Rev. S. B. K. Young
Miss S. Press (M)	

(M) indicates a member of the Management Committee

### **Governing instrument and objects**

The Aldershot Methodist Military Trust was set up under a Declaration of Trust in 1859 for the purposes of the propagation of the Gospel within the prescribed doctrinal limits of the people called Methodists, to provide and maintain buildings and to provide support for Ministers/Chaplains.

On 3rd February 2014, the Trustees passed a Resolution that their existing powers exercisable in the administration of the Charity, and the existing provisions regulating the procedure to be followed should be amended by a revised Trust Deed. On 12th February 2014 the Charity Commission granted a Scheme to allow for the modernisation of the Trust Deed.

The Objects have been amended by the Scheme as follows:

The advancement of religion in accordance with the Purposes of the Methodist Church throughout the Armed Forces across the world in particular but without limitation to the generality of the foregoing by:

- providing Methodist chaplains and layworkers to minister to service personnel in the Armed Forces regardless of their faith or absence of faith; and
- supporting the work of the Methodist Forces Board; and
- permitting the Trust Property to be used in furtherance of the Purposes of the Methodist Church (including, if the Trustees deem fit, maintaining a place or places of public religious worship).

### **Investment powers**

The Trust Deed precludes investment in Government or real securities in Ireland and requires the written consent of the President of the Methodist Conference for sales, transfers and disposals. These conditions are met by the investments being made through the Trustees for Methodist Church Purposes in funds administered by The Methodist Church Central Finance Board.

## **The Aldershot Methodist Military Trust Trustees' Report**

---

### **Appointment of trustees and officers**

The Trust membership was renewed by the Methodist Council in 2009 and comprises of 15 members on 1 September 2020 and 13 members on 31 August 2021 all of whom are appointed in accordance with the Trust Deed. On 26th July the Rev Dr C. Howe and Lt Cdr S. Hewitt RN(Rtd) resigned as Trustees. Their resignations were accepted by the Management Committee and notified to the other Trustees at a meeting held by zoom on 26th August

Changes in membership have been notified to the Charity Commissioners

### **Governance**

The Chair, the Rev Dr C. Howe resigned as a Trustee, and thus as Chair, on 26th July 2021. The Management Committee appointed Mrs S. Smith as Chair until the next annual General Meeting. This appointment was ratified by the Trustees at their meeting by zoom on 26th August 2021. It is intended to make a permanent appointment of a Chair at the Annual General Meeting of Trustees to be held in February 2022.

### **Administration**

The Trust is administered through an Annual Meeting of the Trustees which appoints the Management Committee and receives their report, reviews and approves the Annual Report and Audited Accounts, considers future investment policy and lays down the grant policy and ceiling for the coming year. Additional meetings of the trustees are held as required.

The Management Committee comprises the Chairman, Secretary, and Treasurer, (Executive Officers) together with two trustees. The Management Committee meets regularly to consider and approve grants within the ceiling fixed by the Trustees' Annual Meeting, to review the investments and investment policy of the Trust and receive reports from the Investment Managers and the Executive Officers.

The Executive Officers administer the day to day running of the Trust reporting to the Management Committee regularly.

### **Activities for the public benefit, grant making and work of the Trust**

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year. The Trust carries out these objectives by administering investment funds of over £2.5 million and using the income to meet the needs of Methodist work with HM Forces in addition to that supported through the Forces Board.

#### **Grant making**

During the year the Forces Board decided to make all 'lay workers' assisting chaplains redundant, a decision of which the Trust, although for many years it had made grants to support such workers, was unaware when the Annual General Meeting took place. Subsequently, grant applications were received to support the work of two new projects. The Trust agreed to make an emergency grant to the Hants and Surrey Borders Circuit, for the support of a worker to start on 1 September 2021. Trustees were delighted that following the advertising of the post and an interview process, Mr David Betts was appointed. A further grant was offered to another Circuit but the project has yet to complete all the stages required to appoint a person to fill the post and it remains, in August 2021, uncertain as to whether the grant will be required.

The Trust continues to support a Family Worker at North Camp Methodist Church.

## **The Aldershot Methodist Military Trust**

### **Trustees' Report**

---

#### *Work of the Trust*

This has been an important year in the life of the Aldershot Methodist Military Trust. It has seen it become solely a grant making body independent of the Forces Board of the Methodist Church.

During the year the final steps were taken to hand over North Camp Methodist Church to the Trustees for Methodist church Purposes (TMCP). This has meant that Trustees are no longer responsible for the maintenance of the church building and shared church hall. The Land Registry form TR1 was duly signed by the Secretary and Mrs S. Smith. As agreed by the Trustees a transfer of £200,000 was made from the Trust to the Church Council at North Camp. TMCP had not acknowledged the transfer by 31st August 2021. It is noted that the transfer contained a reversionary clause that required the property was to be offered back to the Trustees should the site no longer be used for work by the Methodist Church with HM Forces.

The Trust is grateful to Mr C. Perkins of Potheary, Witham, Weld for his work on behalf of the Trust throughout the transfer procedure. He has been especially helpful as the latter stages of the transfer took place during the COVID 19 pandemic. It is noted that the costs charged were less than had been anticipated.

Much of the time of Trustees at various meetings during the year was concerned with the future relationship between the Trust and the Methodist Forces Board. The Trustees were unhappy with the proposals made by the Board. A meeting of representatives of the Trust and the Board agreed in May that there was no point in holding any further meetings. Subsequently, at a meeting of the Management Committee held on 26th July 2021 the Secretary of the Forces Board tendered her resignation as both Chair and Trustee. The resignation of the Chair severed a link with the Forces Board of the Methodist Church that had a long history, possibly back to the formation of the Trust. The Trustees will need to consider how future relationships with the Methodist Church will be structured.

The Trust will now seek to use its resources to meet the needs of Methodist work with HM Forces in the armed forces.

#### **Achievements and performance**

The results for the year are set out on page 9. There have been no changes to the Trust's policies during the year.

#### *Income*

The Trust's income arises from its investment portfolio and, until December 2019 the rents received from the Lynchford Road property. Investment income was again reduced this year due to the uncertainty of the financial climate. Overall income was reduced thus requiring the Trust to utilise some capital to fund the currently agreed Grants Policy.

#### *Expenditure*

Total expenditure increased to £480,641. The major expenditure has been in awarding grants, largely but not exclusively, to Methodist Forces Board and the North Camp Methodist Church who received £250,000 and £200,000 respectively during the year.

#### *Investments*

Following on from the general uncertainty in the financial markets last year, the investment portfolio managed by Central Finance Board of The Methodist Church, has recovered well this year. Having realised investment funds during the year to cover grant and other payments, the overall value of the investment portfolio has still finished overall higher than last year at £2,512,043.

## **The Aldershot Methodist Military Trust Trustees' Report**

---

### Funds at the year end

The net income/expenditure for the year was a deficit of £424,092 but there was a gain on the revaluation of investments of £660,591. The overall impact on total funds was an increase from £2,252,610 to £2,762,109.

### Reserves

Following on from the uncertainties arising last year, there has been an increase in the level of reserves at the end of the year. The Trustees are confident that the combined income and reserves are sufficient to enable the Trust to meet its obligations in the coming year, currently:

- North Camp Methodist Church Family Worker £12,347

### **Reserves policy**

An appropriate level of Reserves will be proposed when future plans are agreed and implemented. The Trustees have not established any specific restrictions on the use of the General Fund beyond determining that it shall not fall below a level of £1,500,000 in order to ensure a significant income towards the making of future grants

### **Investment policy and objectives**

Investments are held and managed by the Central Finance Board of the Methodist Church and the Trustees for Methodist Church Purposes. The current conservative risk profile of the portfolio maintains a prudent approach to the investments. The social, ethical and environmental considerations followed are those of the Methodist Church.

### **Risks and uncertainties facing the charity**

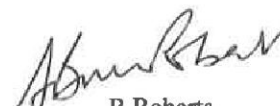

The Trustees have considered the major risks to which the charity is exposed. The key risk likely to affect the charity's ability to meet its objectives relate to its investment portfolio, the economic climate and Covid 19. These risks are monitored and appropriate action taken when required.

### **Future activities**

The Trust will continue to respond to requests for financial support from the bodies working with forces personnel and their families.

Approved by the Trustees on 10<sup>th</sup> February 2022

**The Aldershot Methodist Military Trust**  
**Statement of Responsibilities of the Trustees**  
**31 August 2021**

---

The Trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the income and expenditure of the Charity for that period. In preparing these accounts, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts, and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Charities Act 2011, the charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**The Aldershot Methodist Military Trust**  
**Independent auditor's report**  
**to the members of The Aldershot Methodist Military Trust**

---

**Opinion**

We have audited the accounts of The Aldershot Methodist Military Trust (the charity) for the year ended 31 August 2021 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the accounts:

- give a true and fair view of the state of the charity's affairs as at 31 August 2021 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the accounts, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the accounts is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the accounts are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the annual report other than the accounts and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the accounts are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or

**The Aldershot Methodist Military Trust**  
**Independent auditor's report**  
**to the members of The Aldershot Methodist Military Trust**

---

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the accounts**

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- agreement of the accounts disclosures to underlying supporting documentation to assess compliance with those laws and regulations having an impact on the accounts;
- enquiries and confirmation of the trustees as to their identification of any non-compliance with laws or regulations, or any actual or potential claims;
- review of relevant meeting minutes;
- evaluation of the selection and application of the accounting policies chosen by the charity;
- in relation to the risk of management override of internal controls, by undertaking procedures to review journal entries and evaluating whether there was evidence of bias that represented a risk of material misstatement due to fraud; and
- we assessed the susceptibility of the charity's accounts to material misstatement, including how fraud might occur by considering the key risks impacting the financial statements.

Our audit procedures were designed to respond to risks of material misstatement in the accounts, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the accounts, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**The Aldershot Methodist Military Trust**  
**Notes to the Accounts**  
**for the year ended 31 August 2021**

---

**1 Accounting policies**

**Basis of preparation**

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the accounts. They have also been prepared in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" - Charities SORP (FRS 102) and the Charities Act 2011. The accounts have been presented in sterling.

The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant area of uncertainty that affect the carrying value of the assets of the charity (see "Risks and uncertainties facing the charity" in the trustees' report).

**Income**

Income represents rental and investment income, which are accounted for on a receivable basis. Dividends are recognised when the dividend goes "ex div".

**Expenditure and creditors**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably – usually the invoice amount. All expenditure is accounted for on an accruals basis.

**Grants**

Grants are made in accordance with the charity's objects and at the trustees' discretion.

**Investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The main form of financial risk faced by the Trust is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors.

**Debtors**

Debtors are measured at their recoverable amounts at the balance sheet date.

**The Aldershot Methodist Military Trust**
