Structure, governance and management

History, objectives and activities of the Charity

On constitution it was believed the relief of poverty in Pakistan required addressing. The charity began with an initial grant. Both the initial grant and subsequent grants since have been under the terms which allow the trustees to either retain the amounts as capital or to spend them.

Management and Governance arrangements

The constitution provides for a minimum of three trustees. Where there is a requirement for new trustees, these would be identified and appointed by the remaining trustees, subject to the approval by AGM. The chair of the trustees is responsible for the induction of any new trustee which involves awareness of a trustee's responsibility, the governing document, administrative procedures, the history and philosophical approach of the charity. The trustees have taken steps to identify major risks to which the charity is exposed and systems have been established to mitigate those risks.

Ansar Foundation

Trustees' Annual Report *(continued)*

Year ended 31 August 2025

Objectives and activities

The objectives of the charity include;

- a) Ensuring the delivery of humanitarian aid directly to those in need
- b) Partnership with local charitable organisations including international registered charities to ensure that aid reaches to the most deserving people
- c) The relief of financial need and suffering among victims of natural or other kind of disasters in the form of money (or other means deemed suitable) for persons, bodies, organisations and/or countries affected.

Achievements and performance

The charity has continued to improve and deliver with its charity work. It has developed and built established relationships with proven and trusted local project management contractors, specialising in the implementation of charitable projects, allowing us to work directly in delivering projects in areas we identified has high priority. This has removed our reliance on partnering with local charitable organisations resulting in more effective implementation and accountability to our stakeholders.

The affects of climate change in Pakistan has been a key contributor to natural disasters with an increasing number of local communities particularly in mountainous areas bearing the impact. We have developed our charity to be able to respond rapidly in providing immediate aid in terms of food and household essential packs for those affected communities who cannot relocate to relief camps set up by the Government or large NGOs.

We have expanded our water projects within Pakistan with focus on the deprived area of Lakki Marwat, where potable water resources are extremely limited.

Additionally, we have prioritised the empowerment of women in the Northern Areas of Pakistan through our livelihood and training schemes. The charity has successfully delivered and handed over a school to the local community of Mansehra. The charity now sits as the board of trustees for the school ensuring the values of standards required by the charity are maintained. We have continued and increased our sponsorship programme ensuring orphans and poor children have the right to a good standard of education.

Our due diligence process ensures we identify and prioritise the most needy and vulnerable in the implementation of the seven housing projects during the period of 2024 - 2025. We continue to sponsor vulnerable families with monthly allowances along with periodical visits from our local contractors to ensure their needs are being met.

Our Ramadhan food packages were successfully delivered this year along with the Eid-ul- Adha meat distribution project.

Financial review

The net incoming resources for the year were a loss of £8,900 (2024 - gain of £30,954). At the end of the financial year the reserves were £219,052 of this £129,940 are restricted funds and £89,112 are unrestricted funds (2024 - reserves were £227,951 of this £128,693 are restricted funds and £99,258 are unrestricted funds). The adequacy of the reserves policy is reviewed annually. The trustees are satisfied that reserves are presently more than adequate to meet future expenditure. The reserves policy is to have reserves available in order to ensure the day to day operation continue into the foreseeable future.

Ansar Foundation

Trustees' Annual Report *(continued)*

Year ended 31 August 2025

The trustees' annual report was approved on 23 October 2025 and signed on behalf of the board of trustees by:

A handwritten signature in black ink, appearing to read 'M. Farooq Malik', is centered on the page. The signature is flanked by two small, stylized symbols that resemble the Greek letter alpha (α).

Independent Examiner's Report to the Trustees of Ansar Foundation

Year ended 31 August 2025

I report to the trustees on my examination of the financial statements of Ansar Foundation ('the charity') for the year ended 31 August 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Ansar Foundation

Notes to the Financial Statements

Year ended 31 August 2025

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 43 Wychwood Avenue, Luton, Bedfordshire, LU2 7HT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2025

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2025

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Ansar Foundation

Trustees' Annual Report *(continued)*

Year ended 31 August 2024

Objectives and activities

The objectives of the charity include;

- a) Ensuring the delivery of humanitarian aid directly to those in need
- b) Partnership with local charitable organisations including international registered charities to ensure that aid reaches to the most deserving people
- c) The relief of financial need and suffering among victims of natural or other kind of disasters in the form of money (or other means deemed suitable) for persons, bodies, organisations and/or countries affected.

Achievements and performance

During the year the charity continued with its high profile charity work. This included:

During the year the Charity continued to complete various projects in Northern Pakistan. The main achievements of the charity during the year was the continuation of building a school for Orphans. The construction and completion will occur in subsequent periods. The aim is to provide free education to the poor and vulnerable. The charity will provide the opportunity for the poor and needy to escape their current predicaments through educating themselves and equipping themselves for a better future.

The charity continued to organise the erection of water pumps and water wells in northern areas where there is a huge shortage of drinking water facilities and the people have to travel miles to fetch water. There was also further expenditure on qurbani and livelihood projects ensuring the poor and needy have suitable supplies for winter and for their wellbeing.

Also there was livelihood support for widows and orphaned young women in terms of the sewing project where they could learn new skills which would enable them to provide themselves.

The charity also continued to build a school for poor children. The school's aim is to provide poor children with education they have not been able to access due to their predicament.

Financial review

The net incoming resources for the year were a gain of £30,954 (2023 - loss of £678). At the end of the financial year the reserves were £227,951 of this £128,693 are restricted funds and £99,258 are unrestricted funds (2023 - reserves were £196,998 of this £97,421 are restricted funds and £99,577 are unrestricted funds). The adequacy of the reserves policy is reviewed annually. The trustees are satisfied that reserves are presently more than adequate to meet future expenditure. The reserves policy is to have reserves available in order to ensure the day to day operation continue into the foreseeable future.

Independent Examiner's Report to the Trustees of Ansar Foundation

Year ended 31 August 2024

I report to the trustees on my examination of the financial statements of Ansar Foundation ('the charity') for the year ended 31 August 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Ansar Foundation

Notes to the Financial Statements

Year ended 31 August 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 43 Wychwood Avenue, Luton, Bedfordshire, LU2 7HT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2024

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2024

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Structure, governance and management

History, objectives and activities of the Charity

On constitution it was believed the relief of poverty in Kashmir, Pakistan required addressing. The charity began with an initial grant. Both the initial grant and subsequent grants since have been under the terms which allow the trustees to either retain the amounts as capital or to spend them.

Management and Governance arrangements

The constitution provides for a minimum of three trustees. Where there is a requirement for new trustees, these would be identified and appointed by the remaining trustees, subject to the approval by AGM. The chair of the trustees is responsible for the induction of any new trustee which involves awareness of a trustee's responsibility, the governing document, administrative procedures, the history and philosophical approach of the charity. The trustees have taken steps to identify major risks to which the charity is exposed and systems have been established to mitigate those risks.

Ansar Foundation

Trustees' Annual Report *(continued)*

Year ended 31 August 2023

Objectives and activities

The objectives of the charity include;

- a) Ensuring the delivery of humanitarian aid directly to those in need
- b) Partnership with local charitable organisations including international registered charities to ensure that aid reaches to the most deserving people
- c) The relief of financial need and suffering among victims of natural or other kind of disasters in the form of money (or other means deemed suitable) for persons, bodies, organisations and/or countries affected.

Achievements and performance

During the year the charity continued with its high profile charity work. This included:

During the year the Charity continued to complete various projects in Northern Pakistan. The main achievements of the charity during the year was the continuation of building a school for Orphans. The construction and completion will occur in subsequent periods. The aim is to provide free education to the poor and vulnerable. The charity will provide the opportunity for the poor and needy to escape their current predicaments through educating themselves and equipping themselves for a better future.

The charity continued to organise the erection of water pumps and water wells in northern areas where there is a huge shortage of drinking water facilities and the people have to travel miles to fetch water. There was also further expenditure on qurbani and livelihood projects ensuring the poor and needy have suitable supplies for winter and for their wellbeing.

Also there was livelihood support for widows and orphaned young women in terms of the sewing project where they could learn new skills which would enable them to provide themselves.

The charity also continued to build a school for poor children. The school's aim is to provide poor children with education they have not been able to access due to their predicament.

Financial review

The net incoming resources for the year were a loss of £678 (2022 - gain of £40,148). At the end of the financial year the reserves were £196,998 of this £97,421 are restricted funds and £99,577 are unrestricted funds (2022 - reserves were £197,676 of this £71,075 are restricted funds and £126,611 are unrestricted funds). The adequacy of the reserves policy is reviewed annually. The trustees are satisfied that reserves are presently more than adequate to meet future expenditure. The reserves policy is to have reserves available in order to ensure the day to day operation continue into the foreseeable future.

The trustees' annual report was approved on 18 September 2023 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Ansar Foundation

Year ended 31 August 2023

I report to the trustees on my examination of the financial statements of Ansar Foundation ('the charity') for the year ended 31 August 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2023

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Motor vehicles - 20% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2023

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Structure, governance and management

History, objectives and activities of the Charity

On constitution it was believed the relief of poverty in Kashmir, Pakistan required addressing. The charity began with an initial grant. Both the initial grant and subsequent grants since have been under the terms which allow the trustees to either retain the amounts as capital or to spend them.

Management and Governance arrangements

The constitution provides for a minimum of three trustees. Where there is a requirement for new trustees, these would be identified and appointed by the remaining trustees, subject to the approval by AGM. The chair of the trustees is responsible for the induction of any new trustee which involves awareness of a trustee's responsibility, the governing document, administrative procedures, the history and philosophical approach of the charity. The trustees have taken steps to identify major risks to which the charity is exposed and systems have been established to mitigate those risks.

Ansar Foundation

Trustees' Annual Report *(continued)*

Year ended 31 August 2022

Objectives and activities

The objectives of the charity include;

- a) Ensuring the delivery of humanitarian aid directly to those in need
- b) Partnership with local charitable organisations including international registered charities to ensure that aid reaches to the most deserving people
- c) The relief of financial need and suffering among victims of natural or other kind of disasters in the form of money (or other means deemed suitable) for persons, bodies, organisations and/or countries affected.

Achievements and performance

During the year the charity continued with its high profile charity work. This included:

During the year the Charity continued to complete various projects in Northern Pakistan. The main achievements of the charity during the year was the continuation of building a school for Orphans. The construction and completion will occur in subsequent periods. The aim is to provide free education to the poor and vulnerable. The charity will provide the opportunity for the poor and needy to escape their current predicaments through educating themselves and equipping themselves for a better future.

The charity continued to organise the erection of water pumps and water wells in northern areas where there is a huge shortage of drinking water facilities and the people have to travel miles to fetch water. There was also further expenditure on qurbani and livelihood projects ensuring the poor and needy have suitable supplies for winter and for their wellbeing.

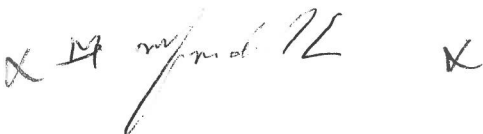

Also there was livelihood support for widows and orphaned young women in terms of the sewing project where they could learn new skills which would enable them to provide themselves.

The charity also continued to build a school for poor children. The school's aim is to provide poor children with education they have not been able to access due to their predicament.

Financial review

The net incoming resources for the year were a gain of £40,148 (2021 - gain of £46,625). At the end of the financial year the reserves were £197,676 of this £71,065 are restricted funds and £126,611 are unrestricted funds (2021 - reserves were £157,528 of this £38,312 are restricted funds and £119,216 are unrestricted funds). The adequacy of the reserves policy is reviewed annually. The trustees are satisfied that reserves are presently more than adequate to meet future expenditure. The reserves policy is to have reserves available in order to ensure the day to day operation continue into the foreseeable future.

The trustees' annual report was approved on 23 September 2022 and signed on behalf of the board of trustees by:

Mr Mohammed Farooq Malik

Ansar Foundation

Independent Examiner's Report to the Trustees of Ansar Foundation

Year ended 31 August 2022

I report to the trustees on my examination of the financial statements of Ansar Foundation ('the charity') for the year ended 31 August 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Ansar Foundation

Notes to the Financial Statements

Year ended 31 August 2022

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 43 Wychwood Avenue, Luton, Bedfordshire, LU2 7HT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2022

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2022

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Motor vehicles - 20% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Ansar Foundation

Notes to the Financial Statements (continued)

Year ended 31 August 2022

3. Accounting policies (continued)

Impairment of fixed assets (continued)

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Structure, governance and management

History, objectives and activities of the Charity

On constitution it was believed the relief of poverty in Kashmir, Pakistan required addressing. The charity began with an initial grant. Both the initial grant and subsequent grants since have been under the terms which allow the trustees to either retain the amounts as capital or to spend them.

Management and Governance arrangements

The constitution provides for a minimum of three trustees. Where there is a requirement for new trustees, these would be identified and appointed by the remaining trustees, subject to the approval by AGM. The chair of the trustees is responsible for the induction of any new trustee which involves awareness of a trustee's responsibility, the governing document, administrative procedures, the history and philosophical approach of the charity. The trustees have taken steps to identify major risks to which the charity is exposed and systems have been established to mitigate those risks.

Ansar Foundation

Trustees' Annual Report *(continued)*

Year ended 31 August 2021

Objectives and activities

The objectives of the charity include;

- a) Ensuring the delivery of humanitarian aid directly to those in need
- b) Partnership with local charitable organisations including international registered charities to ensure that aid reaches to the most deserving people
- c) The relief of financial need and suffering among victims of natural or other kind of disasters in the form of money (or other means deemed suitable) for persons, bodies, organisations and/or countries affected.

Achievements and performance

During the year the charity continued with its high profile charity work. This included:

During the year the Charity continued to complete various projects in Northern Pakistan. The main achievements of the charity during the year was the continuation of building a school for Orphans. The construction and completion will occur in subsequent periods. The aim is to provide free education to the poor and vulnerable. The charity will provide the opportunity for the poor and needy to escape their current predicaments through educating themselves and equipping themselves for a better future.

The charity continued to organise the erection of water pumps and water wells in northern areas where there is a huge shortage of drinking water facilities and the people have to travel miles to fetch water. There was also further expenditure on qurbani and livelihood projects ensuring the poor and needy have suitable supplies for winter and for their wellbeing.

Also there was livelihood support for widows and orphaned young women in terms of the sewing project where they could learn new skills which would enable them to provide themselves.

The charity also continued to build a school for poor children. The school's aim is to provide poor children with education they have not been able to access due to their predicament.

Financial review

The net incoming resources for the year were a gain of £46,625 (2020 - gain of £8,837). At the end of the financial year the reserves were £157,528 of this £38,312 are restricted funds and £119,216 of unrestricted funds(2020 - £110,903). The adequacy of the reserves policy is reviewed annually. The trustees are satisfied that reserves are presently more than adequate to meet future expenditure. The reserves policy is to have reserves available in order to ensure the day to day operation continue into the foreseeable future.

The trustees' annual report was approved on 27 September 2021 and signed on behalf of the board of trustees by:

Mr Mohammed Farooq Malik
Trustee

Ansar Foundation

Independent Examiner's Report to the Trustees of Ansar Foundation

Year ended 31 August 2021

I report to the trustees on my examination of the financial statements of Ansar Foundation ('the charity') for the year ended 31 August 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Ansar Foundation

Notes to the Financial Statements

Year ended 31 August 2021

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 43 Wychwood Avenue, Luton, Bedfordshire, LU2 7HT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2021

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2021

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Motor vehicles - 20% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Ansar Foundation

Notes to the Financial Statements *(continued)*

Year ended 31 August 2021

3. Accounting policies *(continued)*

Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.
