Financial review

Financial Performance

The previous few years have seen a significant step-change in the make-up of The Autism Directory in respect of the employment of full and part time fund raisers.

Income totalled **£685,942**, with £256,265 raised via new fundraising activities and £429,303 from grants.

The change in the direction of our fundraising activities over the last few years has been supported by changes in our expenditure. As we build a more diverse funding base, particularly in respect of collectors, this is reflected in the costs of running the Charity. We accept that the initial period of gearing up the fundraising side of the Charity will lead to a disproportionate increase in costs. Our aim is to quickly achieve a business-as-usual cost base which will underpin our aims.

Summary financial position

The charity recorded a surplus of **£248,713** (2019 - £15,058) for the year. Total incoming resources for the year were **£685,942** (2019 - £300,589). Total funds carried forward is **£266,576**, £257,623 unrestricted fund and £8,953 restricted fund.

Investment policy and objectives

Under the Memorandum and Articles of Association the Charity has the power to make any investments which the Trustees deem fit.

Reserves policy

As with many charities, The Autism Directory operates in an uncertain funding environment. Our aim is to ensure that over time we build up sufficient reserves to cover three months of expenditure.

As at the balance sheet date we had reserves of **£247,826**, compared to £17,863 in the previous financial year.

The Trustees believe that The Autism Directory has adequate financial resources to deliver on its objectives but recognising that we need to increase our reserves to cover any change in funding sources.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006. The company was incorporated on 13 September 2010 and registered with the Charities Commission on 20 September 2011.

Our Board of Trustees are responsible for governing The Autism Directory and ensuring it is solvent, well-run and delivering on its charitable objectives.

All of our Trustees give of their time voluntarily and none have a beneficial interest in the company or have any conflicts of interest.

The Autism Directory values diversity as an important factor in accountability and public confidence. As a result, in order to ensure strong governance, we seek to appoint Trustees from a variety of backgrounds, to bring an assortment of skills and experience to the Board.

Our Trustees attend monthly Trustee meetings which focus on all aspects of the day-to-day running of the Charity, together with identifying and addressing higher-level strategic issues.

Recruitment and appointment of new trustees

Should a position on our Board become vacant, our Trustees will initially explore their contacts who have expressed an interest in our work. If we are unable to find a suitable candidate we will then advertise in the appropriate media.

The following procedure is used to select and assess a candidate's suitability for the role:

- We undertake a skills audit to assess current skills and to identify if there are any skills gaps which are required to ensure an effective Board;
- We ensure all Trustees are aware of the legal rules in respect of eligibility to serve in the position. We follow Charity Commission guidance on our obligations to check the eligibility of new Trustees;
- We have processes in place to identify and manage conflicts of interest and ensure new Trustees are aware of these arrangements;
- Trustees are given the opportunity to attend regular internal and external training events.

Trustees are provided with a copy of the Charities governing document, along with Charity Commission publications on Trustee's legal duties and responsibilities.

Organisational structure

During the financial year the Board of Trustees comprised of five Trustees.

The Trustees delegate the day-to-day operations of the Charity to the Chief Executive Officer and the leadership team.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. Risks to which the charity is exposed have been identified and are regularly monitored, with mechanisms put in place to mitigate these risks.

Report of the Trustees for the Year Ended 30 September 2020

PRINCIPAL RISKS AND UNCERTAINTIES

The Coronavirus outbreak has caused significant disruption to the U.K economy with the UK Government announcing a lockdown of non-essential workers from Tuesday 24th March 2020. Whilst this initial lockdown was eased throughout June and July and we are now coming out of a second wave of the virus, Employment Programmes and fundraising events and collections have not as yet resumed due to government restrictions.

The impact of this outbreak cannot yet be fully assessed due to the ongoing uncertainty as to the potential of further lockdowns and their corresponding impact on both the charity's sector and the wider UK economy as a whole. The Trustees have however considered the potential impact of this reduced economic activity to the charity, alongside the availability of support measures that the UK Government has introduced.

The Trustees will continue to monitor the situation and act accordingly to reduce any adverse impact to the charity.

Report of the trustees, incorporating a strategic report, approved by order of the board of trustees, as the company directors, on *12th May 2021* and signed on the board's behalf by:

R Warlow - Trustee

Independent Examiner's Report to the Trustees of The Autism Directory

Independent examiner's report to the trustees of The Autism Directory ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 September 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
