Trustees' Responsibilities

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year that gives a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Trustees are required to:

- (a) Select suitable accounting policies and apply them consistently
- (b) Make judgements and estimates that are reasonably prudent
- (c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements
- (d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with Charities Act 1993. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Trustees (continued)

Auditors / Independent Examiners

Under Charity Law it is not a requirement for the accounts to be audited and as such the accounts have not been audited but they have been independently examined by A. Patel & Co. Accountants.

Finally

We would like to take this opportunity to thank all the Members, Volunteers and the Trustees who have played a positive role in the smooth running of the Charity and promoting its cause. We as charity members would like to thank you greatly and may Almighty Allah reward you in this life and the hereafter.

Independent Examiners Report

To the trustees of Masjid-E-Noorul Islam

I report on the accounts for the year ended 31 December 2024 for Charity Number 1143878, which is set out on pages 8 to 14.

Respective responsibilities of the trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 43(3)(a) of the 1993 Act);
- to follow the procedures laid down in the General Direction given by the Charity Commission (under section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seek explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the trustees have not met the requirements to ensure that:
 - ☒ proper accounting records are kept (in accordance with section 41 of the Act); and
 - ☒ accounts are prepared which agree with the accounting records and comply with accounting requirements of the Act; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed:

Notes forming part of the financial statements for the year ended 31 December 2024

1. Principal Accounting Policies

(a) Basis of accounting

These accounts have been prepared on the basis of historical cost (except that investments are shown at market value) in accordance with Accounting Standards and with the Charities Act 1993.

(b) Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

(c) Changes to previous accounts

No changes have been made to accounts for previous years.

2. Principal Accounting Policies

Incoming resources Recognition

of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources,
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Gifts in kind

- Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.
- Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.
- Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Notes forming part of the financial statements for the year ended 31 December 2024 (continued)

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity

These are capitalised if they can be used for more than one year, and cost at least £250. They are valued at cost or, if gifted, at the value to the charity on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Tangible fixed assets and depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

- Equipment & Furnishings - 15% reducing balance

The freehold properties are valued at historic cost and not depreciated, as the Mosque's and Community Centre's are considered to have a useful life as a building of greater than 50 years and so any depreciation charge is considered immaterial.
