TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report and accounts for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

1.1 Purposes as set out in governing document

To promote the support and relief of disabled persons of all ages by any charitable means, in particular by providing education, advice and information services and practical assistance to facilitate choice and independence in daily living activities and full participation in society.

1.2 Main activities undertaken to fulfil those purposes

- Maximising client income through support to access welfare benefit entitlements.
- Providing guidance, advice, support and signposting to enable people to access services and activities which could contribute to improving their quality of life.

Our principal activity is enshrined in our mission statement which is:

- To empower people with disabilities, their families, and relevant professionals to attain the highest quality of life possible, through information, advice, and support.
- To recognise, challenge, and where possible remove barriers in society for people with disabilities.

The aims of the organisation are:

- To enable people in the West Midlands who are affected by disability to fully participate in all aspects of community life.
- To enable the organisation to be fit for purpose through audit, self-governance, and internal review.
- To develop collaborative opportunities where appropriate and enable sustainable partnerships across all sectors.
- To promote and market the organisation to enable it to be visible and best placed to maximise awareness of our work across the West Midlands, as the leading pan-disability organisation.

1.3 How our main activities further charity's purposes for the public benefit

Our main activities are in line with the charitable purposes of Disability Solutions West Midlands, by contributing to the support and relief of disabled persons.

1.4 Trustees and regard for public benefit

The Trustees have complied with their duty under Section 17 of the Charities Act 2011, to have due regard to the guidance published by the Charities Commission, in deciding what activities the charity should undertake with a view to providing public benefit.

1.5 Issues our charity aims to tackle and the differences we aim to make

Disability Solutions West Midlands is a pan-disability organisation with no restriction regarding age, ethnicity, gender, sexual orientation or religion. Some of our services are geographically restricted by contract, whilst others can accept requests for support from any geographical location. We recognise that we are often not able to offer in-depth assistance when a client is geographically remote, but in this case, we will strive to signpost the client to their nearest source of help.

People with disabilities often experience disadvantage, discrimination and consequently have a poor quality of life. They are more likely to experience material deprivation, poverty and fuel poverty. A household which includes a person with disability has basic living expenses of around £975 more than a household with no disabled person. Low income, high living costs, high emotional costs of living with disability, lack of knowledge about services and activities that could provide support, and practical issues can impact on the ability of people with disabilities, to maintain their independence and live safely and well.

Our blend of services have been developed in consultation with our beneficiaries, to ensure that we can meet identified needs within our community. We aim, through advice, information and education to enable people with disabilities to develop the skills and knowledge which will improve their choice and independence and contribute to our beneficiaries attaining the highest possible quality of life.

1.6 Our projects, activities and services

- **Stoke-on-Trent Welfare Benefits Service**

Kindly funded by Stoke-on-Trent City Council, the service supports people with disabilities to claim disability-related welfare benefits and to appeal adverse eligibility decisions, to maximise their income and reduce financial hardship.

- **Staffordshire Macmillan Welfare Benefits Service**

The service funded by Macmillan Cancer Support assists people newly diagnosed with cancer or within a 6-month cancer treatment window, to access welfare benefits and other financial support which can help mitigate the financial impacts of living with cancer.

- **Support and Advice Service and Advice Line**

Advisory service which provides advice, information, signposting, support and guidance on issues such as independent living, reablement, independent living aids, blue badges, disability welfare benefits, care services, bereavement and loss, overpayments, housing, carers support etc.

- **DisAbility Connect**

Funded by National Lottery Community Fund, the project offers supportive social prescribing+ and active linking of clients to community assets, for those who have disabilities or life-affecting health conditions. The project aims to support people living challenging and complex lives to explore options to tackle issues and problems they face.

- **Support to Work**

In partnership with Stoke-on-Trent City Council and UK Government, the project combines holistic one-to-one support with the development of work-related skills, improvement of participants' health and wellbeing, mentoring and supported work placements. The project team also collaborate with local employers to encourage them to employ more people with disabilities or life-affecting health conditions.

TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED) *FOR THE YEAR ENDED 31 MARCH 2024*

We have continued with our agile working approach to ensure we safeguard our workforce and our beneficiaries, which in turn has enabled us to continue to deliver against our contracts and agreements. With sincere thanks to our staff and volunteers for all their hard work, loyalty, integrity, and support.

Disability Solutions West Midlands are members of CPAG, Disability Rights UK, Support Staffordshire, VAST, RADAR, National Association of Welfare Rights Advisers, Rightsnet, and we are affiliated with Lasa and registered with the ICO. We continue to use the Advice Service Alliance Advice Quality Standard (AQS) as our main quality monitoring and accreditation tool and continue to hold specialist accreditation on the areas of Welfare Benefits Casework and Disability. We continue to work hard in retaining our high-quality standards and ability to conform to the best practice AQS guidelines. We hold the Bronze Award from the Armed Forces Covenant Employer Recognition Scheme and are a registered Disability Confident Employer. We hold Cyber Essentials Certification and are registered with the National Cyber Security Centre.

1.7 Short, medium and long-term strategies for achieving aims and objectives

Disability Solutions West Midlands has taken a robust approach to strategic planning to enable us to achieve our aims and objectives:

- Business Planning and Business Plan Action Plan
- Business Continuity Planning
- Sustainability Planning
- Income and Funding Strategy
- Marketing and Engagement Strategy
- Monitoring and Evaluation Strategy.

TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

2.1 Summary of our main achievements

- 7,266 individuals and over 15,258 wider family members and carers supported.
- Over £19 million financial gains enabling people with disabilities and their families to meet their everyday and additional needs, retain independence and achieve better mental and physical health outcomes.
- Consistently provided £34.55 return for every £1 invested.

2.2 Volunteer contribution to our work

Our dedicated and hardworking volunteers have generously donated over 8,016 volunteering hours to support our work in assisting people with disabilities and their families, to achieve positive changes to their lives.

Volunteers at Disability Solutions work within all the teams and projects within the charity and enrich our work with their knowledge, insight, and lived experience.

2.3 Difference our work has made to our beneficiaries

Positive outcomes reported by our beneficiaries include:

- Reduced financial hardship.
- Reduced food and fuel poverty.
- Increased ability to pay for care and assistance.
- Reduced debt.
- Improved mental and physical wellbeing.
- Improved emotional and personal resilience.
- Increased independence, choice and financial control.
- Increased ability to remain in their own home.
- Reduced risk of homelessness.
- Improved work readiness.
- Improved social inclusion and reduced loneliness.
- Reduced feelings of isolation.

2.4 Wider social impacts / benefits of our work

The social return on investment analysis of our work demonstrates that our work not only benefits the individuals and families we support, but also has a positive impact and wider benefit on our community.

For example:

- the £19.2 million in financial gains that we have secured for our beneficiaries is likely to be spent in the community and will therefore benefit the local economy.
- Better ability to live independently, with improved physical and mental wellbeing, will reduce potential costs for health and social care. We have calculated avoided costs of over £5million for our local public sector as a result of our work in the community.

2.5 How we measure success

Our Monitoring and Evaluation Strategy outlines outcomes and milestones for each of our service areas, targets, data collection requirements and methods. Each service is reviewed every six months to check progress.

We are thrilled to have had our dedication and quality acknowledged through awards we have received:

- GHP Social Care Awards Persons with Disability Charity of the Year 2024
- AI Non-Profit Organisation Awards Most Dedicated West Midlands PWD Charity 2024
- GHP Mental Health Awards 2023 Most Dedicated Charity Provider West Midlands.

We are delighted to announce that our Chief Executive Officer was also awarded Disability Charity CEO of the Year (2023) from CEO Monthly.

Financial review

The financial position of Disability Solutions West Midlands is detailed in the attached accounts which comply with statutory requirements.

3.1 Review of charity's financial position at the end of the reporting period

The yearend position shows the effect on unrestricted funds of including an element of overhead recovery in all funding bids, review of external costs, and adopting lean administrative function. As an organisation we have continued to strive to retain high quality service provision, whilst ensuring that we make the very best use of every penny at our disposal.

3.2 Financial effects of significant events

This year has been a particularly challenging year due to the impacts of cost-of-living pressures, rising costs, the legacy of austerity, and economic downturn.

We have continued to diversify our income streams where possible against the background of hard competition from other organisations competing for funding and commissions.

3.3 Principal risks and strategy for managing risks

The principal risks to the charity's ability to continue to sustain its charitable activities are:

- Reduction of income
- Loss of premises
- Loss of staff
- Loss of reputation

The management of risk, which could materially impact upon the business, features in all reports to the Board from the CEO. The CEO maintains an ongoing organisational Risk Register to ensure the organisation remains aware of significant risks to the charity and works towards mitigating their effects, with the Risk Register being presented to the Board on a six-weekly cycle. The organisation has a Business Continuity Plan and Disaster Recovery Plan in place.

3.4 Principal funding sources and how they support our key objectives

- Stoke-on-Trent City Council - commission to provide Stoke-on-Trent Welfare Benefit Service
- Macmillan Cancer Support – Staffordshire Macmillan Welfare Benefit Service
- National Lottery Community Fund – DisAbility Connect social prescribing service
- Government 's UK Shared Prosperity Fund – Support to Work Project
- Beneficiary contributions and donations – towards Advice Line and charity costs.

3.5 Pension liabilities

Auto enrolment compliant with Peoples' Pension.

3.6 Total amount of funds held

At the period end the figure was £372,589 (2023:£352,500)

3.7 Restricted funds

At the period end the figure was £305,708:(2023:£257,567)

3.8 Reserves Policy – amounts and why we hold reserves

Disability Solutions West Midlands has a reserves policy, its purpose is to ensure that Disability Solutions West Midlands can maintain adequate free reserves to enable the charity to manage any reasonably foreseeable eventuality and comply with Charity Commission guidance.

Reserves definition:

"Reserves are that part of a charity's unrestricted funds that is freely available to spend on any of the charity's purposes." (Charity Commission guidance document CC19)

Free reserves exclude:

- Restricted funds such as grants given by funders for a specific project or piece of work.
- Funds designated by trustees for a specific purpose.
- Fixed assets.

Why Disability Solutions West Midlands holds reserves:

1. Contingency: unexpected expenditure in the event of an emergency,
2. Cash-flow: Situations where a bill has to be paid before the money to cover it has been received by the charity,
3. Commitment: a commitment to occasional significant expenditure which cannot be covered by annual income,
4. Conservation: funds which trustees cannot spend immediately without compromising their legal responsibilities to ensure that their charity's resources are used necessarily, reasonably and incidentally in the fulfilment of their charitable objects,
5. Closure: the charity becomes financially unsustainable and must be wound up.

Factors considered by CEO and Trustees to determine reserves:

- How secure are our income streams.
- Are there any uncertainties in our income forecast.
- Monthly expenditure.
- Could we reduce service delivery on a temporary basis in an emergency and how might this reduce costs.
- How much would it cost us to close down e.g. redundancy, outstanding debtors etc.
- The Chair, Treasurer, and CEO will agree when reserves can be spent.

DISABILITY SOLUTIONS WEST MIDLANDS

TRUSTEES' REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Disability Solutions West Midlands will hold a minimum of 3 months operating costs to fulfil its legal and moral obligations. Surplus cash reserves will be directed towards fulfilling the charity's aims and objectives. Disability Solutions West Midlands will also hold a Contingency Fund of £10,000 in addition to any reserves held. Disability Solutions West Midlands reserves will be reviewed twice in each financial year. This policy is reviewed at least annually.

Disability Solutions West Midlands currently holds free reserves of £66,881.

3.9 Any uncertainties re charity viability

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future.

3.10 Any funds / subsidiary undertakings in deficit

No funds in deficit.

Plans for future periods

Plans for future and how future plans have been developed

As a user-led organisation, the charity's future plans are very much in response to the needs of our current and potential beneficiaries. For this reason, we place high value on consulting with our community and taking feedback from the people we serve about issues that are affecting their lives, how we could better support them, and whether our services are meeting their needs and expectations.

Due to ongoing pressures experienced by all charities in the current economic climate, events planned for the coming year are focused on fundraising for core activities and are regularly reviewed. Additional staffing will be secured as required/appropriate, to ensure that the high quality and punctual provision of information is maintained, as awareness of Disability Solutions West Midlands and the requirement for our services increase.

We shall also continue to provide focused opportunities to seek and explore further sustainable growth and enhance the skills already present within the organisation. Our Business Planning has more details of future planning.

Structure, governance and management

4.1 Nature of governing document

Governing Document is Memorandum and Articles December 2010.

4.2 How charity is constituted

Disability Solutions West Midlands is a charitable organisation and was registered 24 April 1992. The charity is constituted and was governed during the year by its Memorandum and Articles December 2010. The organisation was registered as Disability Solutions West Midlands, a Charitable Company limited by guarantee on 23 December 2010.

4.3 Recruiting and appointing new Trustees

The charity is governed by a Board of Trustees, in accordance with its Memorandum and Articles. The Board meets a minimum of 6 times per calendar year. The Board has appointed sub-committees for Finance and Business development, which report each meeting back to the Board. 100% of our Board members have lived experience of disability and/or long-term health condition.

Trustees are recruited on an on-going basis, and we are currently looking to increase our Board's capacity and skill set by recruiting new trustees. Prospective trustees must fill in an application form outlining what they can offer to support the charity and are interviewed by current trustees before being presented to members at the Annual General Meeting for election. Board members must retire on rotation, but may stand for re-election.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF DISABILITY SOLUTIONS WEST MIDLANDS

I report to the trustees on my examination of the financial statements of Disability Solutions West Midlands (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

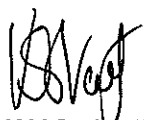

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The trustees acknowledge their responsibilities for ensuring that the charity keeps accounting records which comply with section 386 of the Act and for preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its incoming resources and application of resources, including its income and expenditure, for the financial year in accordance with the requirements of sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the trustees on 27/11/24

Charity information

Disability Solutions West Midlands is a private company limited by guarantee incorporated in England and Wales. The registered office is North Staffordshire Medical Institute, Hartshill Road, Hartshill, Stoke-on-Trent, Staffordshire, ST4 7NY.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention and the principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees' continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Designated funds comprise funds that have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

For legacies, entitlement is taken at the earlier of the charity being aware that probate has been granted, where the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when the distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution.

Income from investments is included in the year in which it is receivable.

1.5 Expenditure

Liabilities are recognised as resources expended where there is a legal and constructive obligation committing the charity to the expenditure. Expenditure is accounted for on an accrual basis and has been classified under headings that aggregate all costs related to the category.

Expenditure on raising funds include costs of generating voluntary income. The costs of generating voluntary income do not include the costs of disseminating information in support of charitable activities.

Governance costs are those incurred in connection with the administration of the charitable company and compliance with constitutional and statutory requirements.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Fixed assets are only capitalised if the cost price is in excess of £1,000.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Office furniture and equipment	25% - 50% p.a. straight line
--------------------------------	------------------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

The charity operates a defined contributions pension scheme. Contributions are charged in the accounts as they become payable in accordance with the rules of the scheme.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

There are no critical accounting estimates or judgements that have been made in these financial statements.
