## **Report of the Trustees for the Year ended 31 March 2022**

### **STRUCTURE. GOVERNANCE AND MANAGEMENT**

#### **Risk management**

The Trustees recognise that no activity is risk free. Wherever possible, activities are de-risked as far as possible and a risk register is maintained for all identifiable risks.

The Charity does not take financial risks of any type. All major risks have been identified and processes and procedures put in place to mitigate them.

### **OBJECTIVES AND ACTIVITIES**

#### **Objectives and aims**

The charities continuing mission is summarised as follows

- To use every resource within the charity's reach to rehome stray and unwanted dogs within the Wirral Peninsula.
  - To provide advice for members of the general public regarding the care of their dogs.
  - To increase awareness within the community with regards to animal health and welfare.
  - To work with other organisations to ensure dogs within our care have the best possible chance of finding a new forever home. To attempt to reduce the number of abandoned dogs in Wirral.
- We seek to fulfil our mission by;
- Advertising lost dogs through the FOBK website and other social media channels.
  - Working closely with other animal protection and rescue organisations creating a bond of trust between us.
  - Provide training for our local volunteer base-
  - By ensuring that a comprehensive home visit is undertaken for all dogs that are rehomed from our facility.
  - Numerous fund raisers and social events that we host throughout the year.
  - Liaising closely with the local authorities, including the Local Council, Police, Fire & Ambulance services.
  - Actively seeking new funding streams to enhance the care and support we can deliver.

Our work benefits many people in the local community, many of whom are classed as low income families. Throughout our welfare commitments we have introduced "Dog Walking" schemes where volunteers regularly take the dogs on walks to help reduce kennel stress.

#### **Future Plans**

Our key objectives for the forthcoming year are to continue to make environmental improvements and reduce operational overheads. We also aim to pursue grant opportunities in the coming year to assist us to improve the service we can offer the public across Wirral.

#### **Significant activities**

We have continued to develop and maintain our contractual relationship with the local authority and fully expect this to continue in the coming year.

We have been able to achieve the key environmental improvements that we set out in our previous report.

#### **Volunteers**

The charity relies heavily on the support from the local community as well as our team of dedicated volunteers.

Our volunteers assist in almost every area of running the stray kennel service.

This includes regular fundraising activities as well as operating a daily walking programme so that the dogs receive regular exercise whilst in our care.

The volunteers also take the time to play and care for the dogs.

This support allows us to undertake basic training of the dogs to increase their chance of a successful long term rehome with their new owners.

### **FINANCIAL REVIEW**

#### **Reserves policy**

The charity's reserves policy is to aim to have a minimum of three months working capital at any time. The trustees constantly scrutinise all income and expenditure to ensure that expenditure is in line with clearly defined budgets.

#### **Principal funding sources**

The charity's income comes from two main streams- contractual income from the local authority and fundraising.
