**St. Luke's Methodist Church Hoylake
Trustee's Annual Report**

for the year ended 31 August 2024

Introduction

Welcome to the Annual Report for St. Luke's Methodist Church Hoylake.

Aims and organisation

The mission of the Methodist Church in Great Britain is set out under the heading of 'Our Calling.'

This document states that the church has for primary functions namely;

Worship, Learning and Caring, Service and Evangelism.

Together these four aspects cover a wide variety of activities in the local church.

Review of the year

St Luke's Methodist Church is open 7 days a week supporting church members, local families and local community groups with a food bank resource, free school uniforms and is registered with Wirral Borough Council on their official list of places for help and support and is registered with Transforming Lives as a Place of Welcome. In any given week our Community Room and Kitchen is used by the church and community (this excludes any commercial or religious event) to provide events that support circa 180 people.

During the past year St. Luke's Methodist Church has engaged in a wide variety of activities including:

- community events e.g. monthly Singing Café on line and in the building, weekly Food and Friends lunch, weekly Companionship Café, community concerts, monthly Community Meals,
- children's ministry including ad hoc and weekly term time events
- a 'Saturday Club' for those with learning difficulties
- wider community projects including Food bank collection point, Wirral FUSS (free uniforms for secondary schools), Can Cook/Well Fed hub and a Store 4 All providing free food and toiletries
- A significant ministry is supporting asylum seekers who are housed in the local hotel with a range of practical support and spiritual care.
- Two Eco Fayres and Church Olympic Fun Event
- hiring out our premises for community activities such as concerts, art events, parties,
- weekly worship events online and in the building
- weekly coffee mornings
- weekly parents and toddlers
- twice weekly Alcoholics Anonymous meetings
- Girl Guides and Scouts
- Small groups in homes, church and online for the purpose of study, prayer and fellowship
- Maintaining an Ethiopian link through the Christian charity 'Compassion UK'

Income trends

Church income is primarily drawn from:

- regular giving by church members with the associated Gift Aid tax claim,
- collections in worship services,
- grants received in support of specific projects & initiatives,
- lettings income paid by the congregation / external users of the building.

The rental income relates to the hire of the church rooms to various groups in the community.

Expenditure trends

The major cost is in relation to the assessment paid to the Wirral Methodist Circuit. This amounts to 65% of our total expenditure on the General Fund.

A significant amount of the Circuit assessment is used to pay the District assessment, stipends and related costs to Ministers & Circuit lay employees.

The other expenditure includes: payment of church lay employees, insurance, utilities and building maintenance. Expenditure was as expected, with the exception of some Planned Repairs which had to be deferred into the next year.

Fund balances

As at 31 August 2024 the net current assets of the Church General Fund were £51,966, giving approximately 7 months' cover for planned expenditure. This is a 61% reserve.

A 50% reserve would have equated to £42,550.

Plans for 2024/25

The calling of the Methodist Church is to respond to the gospel of God's love in Christ and to live out its discipleship in worship and mission. It does this through: Worship, Learning & Caring, Service and Evangelism.

The Church Budget is reviewed annually and supports this work.

Income is from a combination of: planned giving by the church membership, letting of rooms and donations from individuals and church groups. Where applicable tax is reclaimed using "Gift Aid".

We make provision for our property maintenance programme by budgeting to maintain and clean the Church. The budget also covers heating, lighting and buildings insurance. The ministerial oversight is resourced by the circuit for which the church makes a budgeted contribution from the general fund. Additional staff are supported by designated restricted funds. The Church has received various legacies some of which are for specific projects – including Mission & Evangelism and the employment of additional staff. These monies are held in restricted funds.

A specific focus in addition to the above will be supporting the youth in our community as we look to provide a weekly youth club.

Risk Management

The major risks have been identified and recorded by the Trustees with professional advice taken as required. There is a regular annual review process undertaken and recorded.

Risk assessments are completed and reviewed for all off-site group activities.

Income and Expenditure is being monitored in total and is compared with the approved annual budget on a quarterly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

Safeguarding

It is the Church's intention to value every human being as part of God's creation and the whole people of God. At the heart of the community is a deep sense of the place of welcome, hospitality and openness, which demonstrates the nature of God's grace and love for all.

Our church community is called to be a place where the transformational love of God is embodied and life in all its fullness is a gift, which is offered to all people.

Methodist Connexional safeguarding practice is about the action the Church takes to promote a safer culture. This means we will:

- promote the welfare of children, young people and adults
- work to prevent abuse from occurring
- seek to protect and respond well to those that have been abused.

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- safeguarding and protecting all children, young people and adults when they are vulnerable
- establishing safe, caring communities, which provide a loving environment where there is informed vigilance as to the dangers of abuse

We will carefully select and train all those with any responsibility within the church, in line with safer recruitment principles, including the use of criminal records checks through the Disclosure and Barring Service (DBS).

We will respond without delay to every safeguarding concern, which suggests that a child, young person or adult may have been harmed, working in partnership with the police and social services in any investigation.

We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.

We will seek to challenge any abuse of power, especially by anyone in a position of trust.

We will support risk assessment of those who present a safeguarding risk within a church environment. We will ensure appropriate pastoral care is offered and measures are taken to address identified risks including referral to statutory agencies, suspension and the use of safeguarding contracts.

In all these principles, we will follow legislation, guidance and recognised good practice.

Reserves Policy

Our Reserves Policy is to hold at least six month's income in hand for the Church General Fund. This amount should be sufficient to provide working capital to cover fluctuations in income and expenditure and to meet emergency calls on cash, for example for emergency repairs or immediate mission opportunities. (In setting this level it is recognised that reserves are also held by the Wirral Circuit and Liverpool District of the Methodist Church).

As at 31 August 2024 the net current assets of the Church General Fund were £51,966, giving approximately 7 months' cover for planned expenditure. This is a 61% reserve.

A 50% reserve would have equated to £42,550.

This is considered a satisfactory reserve. While it is slightly above our target it is recognised that there are some property repairs pending, which may reduce the reserve.

3. Accounting policies

Basis

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Church's financial position and activities.

Income

Income is included in the Statement of Financial Activities (SOFA) when the Church becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Expenditure

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Church to pay out resources.

Grants

Grants made by the Church from its own funds are recognised in full at the time of agreement or when the Church accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Church is not VAT registered, all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Church

The value of Church Building taken to be the Insurance Valuation of Buildings & the Land value is assumed to be a further 20% of building value. The value of "Fixtures, fittings and equipment" is based upon the Insurance Valuation of Contents.

Independent Examiner's Report to the Trustees of the

St. Luke's Methodist Church Hoylake

Church

This Report is on the Church Accounts for the year ended 31st August

2024

Respective responsibilities of Trustees and Examiner

The Church's trustees are responsible for ensuring that the annual report and accounts for the year to 31 August 2024 present a true and fair view of the Church's income and expenditure for the year and of its assets and liabilities at the balance sheet date. The trustees consider that an audit is not necessary for this year under Section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities act; and
- to state whether particular matters have come to my attention.

St. Luke's Methodist Church Hoylake

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items, in nature or scale, or disclosures in the accounts, seeking explanations from the Trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a true and fair view. My report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention (~~other than as disclosed below*~~)

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 130 of the Charities Act 2011.
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

(3) I have ~~have not~~* obtained independent verification of all investments with the Trustees for Methodist Church Purposes or held in other trusts, bank balances and funds at the Central Finance Board of the Methodist Church which are individually in excess of £10,000 (ten thousand pounds) at the balance sheet date.
