The Faith Network For Manchester
Trustees Report for the Year Ended 31st March 2022 (cont....)

Objectives and Activities:

The Faith Network for Manchester (FN4M) is Manchester's forum for interfaith and multifaith work and was set up in March 2004 with the specific brief of engaging faith communities in the decision making processes of the City. FN4M works to foster cohesion, understanding and harmony in Manchester. FN4M works with faith communities and organisations, statutory bodies and local representatives, supporting a coordinated approach to Voluntary Sector strategy.

The charity's objects are the promotion of religious harmony for the benefit of the public by:

- a) Educating the public in different religious beliefs including an awareness of their distinctive features and their common ground to promote good relations between persons of different faiths
- b) Promoting knowledge and mutual understanding and respect of the beliefs and practices of different religious faiths; and
- c) Providing a multi-faith centre and a range of multi-faith activities for the Greater Manchester to enable them to interact with people of different religious faiths and better understand their communities.

The Faith Network for Manchester aims:

- To affirm and celebrate the faith, race and cultural diversity of the UK, especially in Greater Manchester, by raising awareness about the importance of peaceful and respectful coexistence in a multi faith society
- To support the principle that dialogue and cooperation can only prosper if they are rooted in respectful relationships that do not blur or undermine the distinctiveness of different religious traditions.
- Not to discriminate for reasons of faith, race, gender, sexuality, physical or mental ability
- To challenge any who promote or practice views prejudicial to the public good and inclusion of all
- To help make the UK a place marked by mutual understanding and respect between religions where all can practice their faith with integrity
- To be particularly mindful of the role young people play in society and encourage their development and involvement
- To encourage all places of worship to become eco-centres
- To be strategic and effective in delivering a broad range of innovative interfaith activities

The charity furthers its charitable purposes for the public benefit through:

Ensuring that –

The voice of faith communities is heard at all stages of local decision making and strategic planning

The ethical and environmental dimensions are always considered at all levels of local decision making and strategic planning

There is a forum for members of different faith communities to meet together to consider the issues raised in local decision making and strategic planning

Respect, understanding and co-operation be realised between people from different faith communities.

Faith groups are supported in the delivery of community and social activity.

Faith communities are an effective stakeholder and participant in the Greater Manchester area

Volunteers

Apart from a part-time administrator, all of FN4M's activities, including its management committee, are run by volunteers. We aim to continually increase the number of volunteers involved in our work.

A review of our achievements and performance: How our activities delivered public benefit:

The Covid-19 pandemic continued to affect greatly affected the way the charity operated this year and public meetings and events and work in schools were impossible for much of the year.

The Manchester Multifaith Centre was able to reopen in July 2021 and our first event in the centre was our Annual General meeting in August. Much of the year comprised of online events and activities and we continued to ensure that made a difference and contributed to the wellbeing of faith communities and communal cohesion.

Our Faith in Black Lives Matter project continued with some support sessions and focus groups for those involved in anti-racist work in their faith and other communities. We also devised a training course for those exploring how to introduce anti-racist policies and practices. We were successful in obtaining an Awards for All grant to further this work. The course was run twice in conjunction with the One Spirit Interfaith Foundation.

The work of our Greater Manchester Interfaith Health and Social Care Working Party continued this year. The appointment of two people as engagement leads in January 2021 quickly started to show the potential of this project in documenting some of this vital work happening across a range of faith communities in Greater Manchester. Although both workers finished their work by the end of 2021, there have been opportunities to extend this work and share best practice in the area of health and wellbeing with other faith communities and organisations.

In the area of mental health, funding was agreed to develop the World Mental Health Day Interfaith Service at the Cathedral in October, which was a very good event, establishing new links between faith communities and voluntary and statutory sector bodies.

As part of the same project, we ran a series of 2-day training courses with the Greater Manchester Mental Health Recovery Academy, training 105 faith leaders in mental health awareness to enable them to support those with mental health issues.

We also received a grant from Answer Cancer to work with different communities to increase the awareness and take up of cancer screening for breast, cervical and bowel cancer. The numbers accessing the screening of these forms of cancer is low across Greater Manchester and we ran sessions in conjunction with Answer Cancer in various faith communities to encourage those in hard to reach communities and groups to improve their take up rate.

Our work on the environment and climate change continued with an in person "Our Faith Our Planet Our Actions" conference to encourage faith communities and people of faith to engage with initiatives around the COP 26 conference on the care of our planet and to commit to doing what they can to help our city become carbon neutral and a safe place for our children, grandchildren and future generations.

We have also continued to lead Manchester's Scriptural Reasoning group which meets monthly to examine and study holy texts from a range of different religions on various themes. We have also continued to support and advise on the development of the Scriptural Encounters at the University of Manchester.

In November we organised the Great Manchester Interfaith Network conference together with the Religion Media Centre called Creating Connections, which aimed to improve the awareness of the media around faith and interfaith work. It also aimed to give faith leaders and representatives more of an idea about what the media are looking for with regard to successful stories and how to connect with the media. More than 90 people attended and many useful connections were established.

The Faith Network For Manchester
Trustees Report for the Year Ended 31st March 2022 (cont....)

We also received a grant from Sporting Equals through This Girl Can to introduce a range of sports and the value of sport and exercise to women. This reached and involved a good number of women and the project is ongoing.

We also aimed to educate people of all ages on the value of vaccination against the coronavirus and undertook a project funded by GMCVO to encourage young people across Greater Manchester to be vaccinated.

Impact of Covid19

The year was influenced by further lockdowns and restrictions on gathering together, so initially almost everything we undertook had to be online, including trustee and planning meetings.

FN4M has also ensured that the voice of faith communities has been represented in public discussion and decision making and members of the Faith Network have been active members of many groups, committees and forums to promote harmony and foster good cross-communal relations, while challenging hate, prejudice and inequality.

Financial review

The management committee of The Faith Network for Manchester have reviewed the current accounts and confirmed they are an accurate reflection of our financial status.

Investment powers and policy

Aside from retaining a prudent amount in reserves each year, most of the charity's funds are to be spent in the short term so there are few funds for any long-term investment.

Reserves Policy and Going Concern

The balance held in reserves as at 31st March 2022 was £59,502 (unrestricted £7,455 restricted £52,047). The trustees are confident they will secure sufficient unrestricted reserves to bring the balance out of deficit and will work towards to their aim to maintain unrestricted reserves at a level which equates to approximately three months of unrestricted charitable income. The trustees consider that this

Risk Management

The trustees have conducted a review of the major risks to which the charity is exposed and systems have been established to mitigate those risks.

The charity will be managed by regular committee meetings, at least four times a year and preferably monthly and an annual AGM.

Statement of trustee's responsibilities

The charity trustees are responsible for preparing a trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice.)

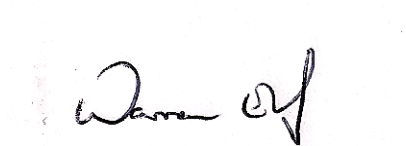

Law applicable to charities in England and Wales requires the Trustees to prepare accounts for each financial year, which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing accounts giving a fair and true view, the trustees should follow best practice and:

- Select suitable accounting policies and apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the accounts;
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the accounts comply with The Charities Act 2011 and the applicable Charities (Accounts and Reports) Regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiners Report to the members of The Faith Network For Manchester (FN4M)

I report on the accounts of the charity for the Year Ended 31st March 2022 which are set out on pages 8 to 17.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011Act) and that an Independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the 2011 Act
- To follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act
- To state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the group and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
