Objects and activities of the charity

Due to Covid-19 Pinewood Gymnastics Club shut its doors on the 5th November 2020 and reopened on 2nd December 2020. It also shut its doors on 20th December 2020 and reopened on the 5 April 2021. All activities of the club stated below relate to periods when Pinewood was open.

The purposes of the charity as set out in its governing document.

The charitable purposes of Pinewood is the promotion of community participation in healthy recreational activities in general and gymnastics in particular. The activities organised by and the facilities provided by Pinewood are open to the community as a whole

The main activities undertaken in relation to those purposes during the year.

The Club's main activities are the provision of pre-school/recreational classes for children from the age of 1 to adult. This covers beginners up to advanced levels. Classes are scheduled every week day from 9:30am to 10pm and Saturday mornings from 8:30am, Sunday morning 10:30 for 1 hour.

The Club has three elite disciplines that cater for talented children which start from 4pm week days and run all day Saturday and Sunday.

Trustees' Annual Report for the year ended 31 August 2021

The main activities undertaken during the year to further the charity's purpose for the public benefit.

The Club's activities are primarily intended for the benefit of the people of Wokingham, Bracknell and the surrounding areas. Our Club is open to all, regardless of age, race, gender, or sexual orientation.

Gymnastics requires specialist facilities, equipment and a high ratio of qualified coaches to gymnasts to enable it to take place safely and this means that it will always be necessary to charge for the use of the facilities and for coaching received. A hardship policy is in place to cater for a situation where access to the Club would otherwise not be possible for a gymnast whose family were suffering significant financial hardship.

The Club also provides a range of activities that deliver benefit to a wider section of the public in the locality, and promotes gymnastic knowledge. These include the use of the facilities by organised groups e.g. schools and other clubs, the offer of children's parties with expert tuition, and the provision of special needs classes using our coaching resources.

The trustees have due regard to the guidance relating to public benefit published by the Charity Commission.

The short term and longer term aims and objectives.

The short term aim of Pinewood is to obtain the relevant building regulations for the tumble track extension and separate squad access. The Club has had planning permission approved. However once building regs are obtained it is likely that there will be a delay in proceeding dependent on the Covid-19 situation. We have a provisional date of plan of early 2022 for the build.

A longer term objective is to investigate the cost of permanent retractable seating in gym 2.

The Club's objectives are "the promotion of community participation in healthy recreational facilities in general and gymnastics in particular". The objectives are to promote gymnastic knowledge and the appreciation of gymnastics, by the provision of facilities for the education and entertainment of the public in the field of gymnastics.

The Club aims to support young people in achieving their potential in sport and life, by offering a wide range of gymnastics' classes to children, from the age of one, of all abilities. The Club has two well-equipped gymnasiums, and all sessions are run by qualified coaches.

Trustees' Annual Report for the year ended 31 August 2021

The charity's strategies for achieving its aims and objectives in the future.

To provide excellence in gymnastics the Club supports their coaches through coach education.

The Club regularly reviews prices to ensure that they are both competitive and affordable. The excess funds generated from income are reinvested into the club to make certain that equipment is safe and up to date.

The Club's building and facilities are constantly under review to modernise and repair.

How the activities undertaken during the year contributed to the achievement of the aims and objectives.

Squad Gymnasts attend regular competitions to raise awareness of Pinewood both in the community and the gymnastics world.

Each term the class programme is reviewed to maximise spaces available for the community to participate in gymnastics.

Resources used in the activities undertaken during the year.

The Club's main resources other than the Gym's themselves are the Coaches who are used in all activities.

The contribution of volunteers during the year.

A small group of parent volunteers help to support the annual shows by running the café, stalls and assisting with fund raising.

Young volunteer coaches are recruited and developed by the Recreational Manager and are mentored to become new junior coaches.

Achievements and performance in the year

The main achievements and performance of the charity during the year.

The Club has been affected negatively with regards to competition achievements by Covid-19 after 17th March 2020 as competitions were not held.

Fundraising activities during the year.

Due to Covid, the club had minimal opportunity to carry out fundraising during the year. However it did manage to hold a Christmas raffle which raised income of £800. This item is included in the financial statements but in order to comply with the regulations of the SORP are allocated to headings which may differ from this analysis. Unfortunately the two big fundraisers that Pinewood usually hold, the Christmas Extravaganza and Club Championships were cancelled.

The difference the charity's performance during the year has made to the beneficiaries of the charity and the degree to which the achievements and performance during the year have benefited wider society.

The Club usually hosts the Berkshire schools competitions as a community event but unfortunately we had to cancel it this year

The significant charitable activities undertaken in the year.

The Club's most significant charitable activities are elite and recreational classes.

How the achievements during the year measure up to the objectives set.

All the objectives set previously have been met this year up to the 17th March

Structure-, governance and management

The methods used to recruit and appoint new charity trustees.

Trustees are generally parents of the competitive gymnasts and are recruited through word of mouth when a vacancy is available on the board. If necessary we also advertise a vacant position through social media.

The potential Trustee is interviewed by the board and a decision is made on the basis of their suitability for the position.

Trustees' Annual Report for the year ended 31 August 2021

The policies and procedures for the induction and training of trustees.

All board roles have a task description reviewed annually or when a new member is recruited. Before committing to become a trustee they are encouraged to meet the current board of trustees. If it is a direct replacement for a current trustee role we would encourage them to spend time with the current trustee to ensure a successful handover.

In the case of the treasurer they would be encouraged to spend time with the Club Accountant to familiarise themselves with Club procedures

The charity's organisational structure.

The Club Manager is responsible for the day-to-day running of the charity and reports directly to the board of trustees. The Director of Coaching reports into the Club Manager. The heads of discipline report into the Director of Coaching. There are 7 heads of discipline.

The Admin Manager and the Club accountant also report into the Club Manager.

How the charity makes decisions and how decisions are delegated.

The trustees meet once a month for a board meeting to discuss issues and successes. The meeting is minuted and action points are raised and actioned if possible before the next meeting. During the pandemic discussions and decisions were made by email.

Senior management personnel to whom day to day management is delegated

The day-to-day management of the Club is delegated to the Club Manager who has set up a senior management team that discuss day to day issues.

Setting pay and remuneration of key management personnel

The board set the pay of key management personnel based on performance and industry averages

How the subsidiary undertaking(s) is/are constituted and managed.

The trading subsidiary is constituted as a company with a share capital, all of which is owned by Pinewood Gymnastics Club Limited. The subsidiary is currently managed by two directors one of which is also a trustee of Pinewood Gymnastics Club Limited .

Financial review

The charity's financial position at the end of the year ended 31 August 2021

The financial position of the charity at 31 August 2021 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2021	2020
	£	£
Net (expenditure)/Income	(91,460)	(33,616)
Unrestricted Revenue Funds available for the general purposes of the charity	332,012	362,230

Trustees' Annual Report for the year ended 31 August 2021

Financial review of the position at the reporting date, 31 August 2021 .

The trustees consider the financial performance by the charity during the year to have been satisfactory considering the situation it faced.

Pinewood Gymnastics Club Limited made a loss for the second year in the row since becoming a company limited by guarantee.

Incoming funds, mainly from the subscriptions from members and fees charged for coaching, were boosted by additional funds from fundraising activities, hire of the gym to external parties and the sale of gym related merchandise and clothing. Total income from all activities was £523k.

Policies on reserves.

The trustees have examined the charity's requirements for reserves in light of the main risks to the club. The club's policy for reserves is to cover both ordinary working capital requirements and any 'unforeseen circumstances', which our insurance policy doesn't cover. The policy also covers foreseen circumstances by continuing to invest in replacing equipment that has reached the end of its life or is no longer suitable for its purpose. The trustees have had regard to the guidance issued by the Charity Commission in England & Wales that unless there are unusual factors, it is reasonable to have free unrestricted reserves equivalent to six month's expenditure. Based on these accounts, that would indicate a requirement of approximately £310,000 before accounting for unforeseen circumstances. The reserves of £310,000 are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The reserves policy is reviewed on an annual basis.

The free unrestricted reserves indicated by these accounts are £331,667. This would indicate that there are more unrestricted reserves than needed but last year expenditure was greatly reduced by Covid and this excess should decrease over time once the club returns to its usual timetable.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund

Significant events which have affected the financial performance and the financial position.

Due to Covid-19 Pinewood Gymnastics Club shut its doors on the 5th November 2020 and reopened on 2nd December 2020. It also shut on the 20th December 2020 and re-opened on 5th April 2021. The financial results have been impacted this financial year. The Gym received a business support grant from Wokingham Borough council and furloughed the majority of its employees.

If there is another lockdown we will be forced to close our entire business again. This will affect income from every part of the business. During a forced closure we are still required to pay contractual overheads. Whilst the majority of the staff are furloughed we still have some staff costs to ensure the business is ready when lockdown is lifted.

The potential impact of COVID-19 on Pinewood

As explained above, the COVID-19 outbreak and resulting measures taken by the government to contain the virus have already negatively affected our business for the whole year. In addition to the already known effects, the uncertainty causes disruption to economic activity and it is unknown what the longer term impact on Pinewood may be. The scale and duration of this pandemic remain uncertain but are expected to further impact Pinewood

The main risks that result from the current uncertain situation regarding COVID-19 are:

* **Revenues and profitability**: As mentioned previously another lockdown will force us to close the business temporarily, leading to minimal income.

* **Government assistance**: Currently the local council has provided us with a Covid Grant of £27,000 so far. The government has covered the majority of staff costs through the Corona Virus Job Retention Scheme. Without this funding redundancies will be inevitable.

* **Going concern**: As at the end of August 2021 Pinewood is a going concern.

Factors likely to affect future financial performance .

Any future lockdowns will have an impact on the financial performance of the club.

Principal funding sources in the year and how these support the key objectives of the charity.

The charity's funding is principally sourced from coaching fees with additional funding sourced from fundraising activities, hiring and parties. Coaching fees are directly related to the objectives of the charity and allow the charity to provide the highest possible standards of coaching to our members. The additional funding streams are used to purchase new equipment and contribute towards travel to competitions and gymnastics events.

Plans For the Future

Summary of plans for the future and the trustees' perspective of the future direction of the charity.

The activities of the Club are led by the demands of the local community; the Club will continue to respond to the needs identified by local and national research, to provide a programme of events to meet demand.

The Club's primary aim is to continue to provide quality coaching in all fields of gymnastics, and to support young children to help them realise their potential in the field of gymnastics.

The Club has approached the Parish Council with a request to advise us should there be an opportunity to have another building on the site.

Trustees' Annual Report for the year ended 31 August 2021

Statement of the Directors Trustees's Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the Trustees determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019 .

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that , on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Pinewood Gymnastics Club Limited

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 August 2021

I report on the financial statements of the charitable company on pages 16 to 41 for the year ended 31 August 2021 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019 published by the Charity Commission in England & Wales (CCEW), effective January 2015 (The SORP), under the historical cost convention and the accounting policies set out on page 22.

Respective responsibilities of the Trustees and the Independent Examiner

As described on page 12, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under Section 145 of the Act;
- b) follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act and;
- c) state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commission under section 145(5)(b) of the Act, setting out the duties of an Independent Examiner in relation to the conducting of an Independent Examination. An Independent Examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the Independent Examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Pinewood Gymnastics Club Limited

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that :-

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

The gross income of the charitable company in the year ended 31 August 2021 appears to exceed the sum specified in Section 145(3) of the Act, namely £250000, and that I am qualified to act as Independent Examiner in accordance with that section by virtue of my being a qualified member of Chartered Institute of Management Accountants;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with General Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

to keep accounting records in accordance with Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

to prepare financial statements which accord with the accounting records and comply with the accounting requirements of Section 396 of the Companies Act 2006 and The Charities Act 2011 and;

have been prepared in accordance with the requirements of Section 396 of the Companies Act 2006 and and with the methods and principles set out in the FRS102 Statement of Recommended Practice - Accounting and Reporting by Charities (effective January 2016)

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Notes to the Accounts for the year ended 31 August 2021

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019 published by the Charity Commission in England & Wales (CCEW) ,effective January 2019, (The SORP), and in accordance with all applicable law in the charity's jurisdiction of registration, except that the charity has prepared the financial statements in accordance with the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2019 in preference to the previous SORP, the SORP 2005, which has been withdrawn, notwithstanding the fact that the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008 refer explicitly to the SORP 2005. This has been done to accord with current best practice.

Risks and future assumptions

The club has adopted the recommendations of 'Statement of Recommended Practice (SORP) - Accounting and Reporting by Charities - March 2005' and consideration is given to the major strategic, business and operational risks which the club faces. Potential risks faced by the club identified, and the trustees and management team assess these risks in order to mitigate the Club's exposure. The trustees B681review risks on a regular basis. The charity is a public benefit entity.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Pinewood Gymnastics Club Limited

Notes to the Accounts for the year ended 31 August 2021

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Designated Funds

The charity has designated certain fixed asset funds as attributable to fixed assets that were purchased with unrestricted funds.

As fixed assets are depreciated, funds are released from designated fixed asset funds to unrestricted revenue funds, such that the net book value of the fixed assets equates to the balance on the designated fixed asset fund.

Similarly, when fixed assets are acquired, transfers will be made from unrestricted funds to designated fixed asset funds.

Membership subscriptions

The income and any associated Gift Aid or other tax refund from a membership subscription received by the charity in the nature of a gift, is accounted for on the same basis as a donation.

The income from a membership subscription received by the charity where the subscription purchases the right to services or benefits is recognised as income from charitable activities.

Pinewood Gymnastics Club Limited

Notes to the Accounts for the year ended 31 August 2021

Policies relating to expenditure on goods and services provided to the charity.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Allocating costs to activities

As the charity has, substantially, only one activity, all costs have been allocated to that activity, except for direct costs of fundraising and governance costs.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

Tangible fixed assets

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over estimated useful lives.

Leasehold premises	straight line over the life of the lease
Land and buildings	7.5 % straight line
Plant and machinery	20 % straight line

The rate of depreciation of leasehold premises is in accordance with the terms of the lease on the property, or at varying rates on cost where the estimated life is shorter than the remaining lease period. Plant and machinery is depreciated at varying rates on cost, based on the estimated useful life.

Accounting for capital grants and fixed asset funds.

The designated fixed asset fund represents the value of the charity's leasehold property. The transfer to the general revenue fund represents the amount of depreciation charged against the property, so that the fund equates to the written down value of the asset.

Stocks and work in progress

Stock is valued at the lower of cost and net realisable value, after making due allowances for obsolete and slow moving items.

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Pinewood Gymnastics Club Limited

Notes to the Accounts for the year ended 31 August 2021

Creditors and provisions

Liabilities are included for the provision of the outflow of funds in relation to the following classifications:

Liability: Where there is a definite commitment to an outflow of economic benefit with a known value

Provision - Arising from a present obligation to pay a third party arising from a past event. Where the amount is not known a reasonable estimate is made.

Commitment - Arising from a decision to commit to a liability, but where no work has started and no payment has been made, but where a contract may have been entered into.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.
