**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 APRIL 2023**

The trustees, who are also directors for the purposes of the Companies Act 2006, present their report with the financial statements of the Trust for the year ended 30 April 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities, preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Trust's primary objective is to preserve the heritage and assure the future of Hay Castle in Hay-on-Wye. The Trust aims to promote community and visitor involvement in an active, living amenity which is a focal feature of the town and surrounding area.

Operational strategies for achieving this objective and these aims include:

- stewardship and maintenance of the Castle and of its adjoining buildings, grounds and gardens;
- promoting education on the history and architecture of the Castle and local history generally;
- provision of a venue for cultural enrichment through the arts;
- generating training opportunities in relevant local skills;
- providing a venue and a forum for community benefit and enjoyment;
- securing sufficient funding to meet the Trust's objectives; and
- operating the Castle as an income-generating venue, sufficient to ensure its long-term survival as a cultural venue and community asset.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning activities for the year.

ACHIEVEMENT AND PERFORMANCE

The restoration of the main building has been successfully completed and the Castle opened to the public on 27 May 2022.

We welcomed over 130,000 visitors during the financial year.

Income arises from visitor admission fees, donations, and Castle tours. Income also arises from events held within the Castle's grounds, as well as from the shop and the outsourced café.

Admission fees were introduced, with effect from 20 March 2023, to strengthen the financial sustainability of the Trust, especially in light of cost inflation. The admission arrangements were designed following consultation with the local community and include a local pass providing free entry for those living within a ten mile radius of the Castle. We have also relaunched our Friends and Keepers schemes, enabling supporters to contribute to the Trust at various levels.

Four major exhibitions have been opened:

- Portraits of Writers, comprising paintings and photographs on loan from the National Portrait Gallery, ran between May 2022 and September 2022.
- The Printed Line, in collaboration with Arts Council England, ran between October 2022 and February 2023.
- Eugene Fisk: Life in Colour, featuring works by a local artist, ran between February 2023 and May 2023.
- Architecture & Poetry opened in May 2023 and will run until September 2023.

ACHIEVEMENT AND PERFORMANCE (continued)

We ran a programme of talks and events for the local community and visitors covering a wide range of topics, from life drawing to the history of money.

Robert Collingwood was appointed as trustee during the period, bringing additional architectural, business and not for profit sector experience to the trustee body.

Two founding trustees, Paul Greatbatch and Elizabeth Haycox have retired as trustees, along with Robert Hughes who became a trustee in 2015. The restoration project would not have been possible without their vision, commitment, resilience and support.

The Castle could not operate without our dedicated team of volunteers who welcome visitors to the Castle, run tours, assist in the shop and help to maintain the grounds.

The Trust continues to work towards full Museum Accreditation, having already been granted the status of Working Toward Accreditation. We are working with the National Portrait Gallery's Skills and Knowledge Programme to enhance our curatorial expertise. We welcomed a creative intern for six months, supported by the National Portrait Gallery.

FINANCIAL REVIEW

The attached financial statements reflect the transactions and position of the Trust for the year to 30 April 2023. The Statement of Financial Activities shows a net income for the year of £139,961 (2022 - net income £1,127,536). In accordance with the accounting policies all grant income (including capital grants) has been recognised in the Statement of Financial Activities.

Principal funders

We are extremely grateful for the continued support of the organisations that provide funding for our capital and operational projects. The National Lottery Heritage Fund awarded additional grant funding of £255,937 during the year (a further £127,392 of income recognised in respect of funding retentions). Lindenleaf CIO provided an additional loan of £139,000 and Arts Council England provided £25,200 for the Portraits of Writers exhibition. Subsequent to the year end, The Moondance Foundation awarded a grant of £59,000.

Reserves

The trustees have considered the need for free reserves to provide financial resilience. The target is an amount sufficient to cover at least three months budgeted operating expenses, or approximately £120,000.

The unrestricted reserves as at 30 April 2023 amount to £9,491,855. After deducting the value of fixed assets, adding the £939,000 loan from Lindenleaf CIO (the terms of which are set out in note 21 to the financial statements) and adding the distributable reserves of £51,000 in the subsidiary company (Hay Castle Trading Limited), the adjusted free reserves at 30 April 2023 amount to approximately £51,000, or 42% of the target amount. It is in the intention to strengthen the reserves position over time.

FUTURE PLANS

The vision of the Trust is to ensure that the Castle remains attractive both to the local community and visitors from further afield through the continued provision of high quality activities, including exhibitions and events as well as retail and catering outlets.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The company is governed by its Memorandum and Articles of Association.

Recruitment and appointment of new trustees

The power of appointing new or additional trustees is vested in the trustees.

Organisational structure

Governance and the financial health of the Trust are the responsibility of the trustees. None of the trustees has any beneficial interest in the Trust. All the trustees are members of the Trust and guarantee to contribute a sum not exceeding £10 in the event of a winding up.

The Castle is operated on a day-to-day basis by the Executive Director and his team. Following the completion of the first year of operation, staff appraisals have been undertaken and development opportunities identified.

Induction and training of new trustees

Trustees are expected to identify their training needs and take measures to ensure these needs are met.

Key management remuneration

The pay of senior staff is set by the Trustees having regard to market rates.

Risk management

A risk register is regularly updated and is reviewed at each board meeting. The key risks considered during the year included:

- Completion of the restoration project and agreement of the final account with the contractor. The restoration is now substantially complete and the final account has been agreed.
- The financial sustainability of the Trust, especially in view of cost inflation. Admission fees have been introduced with effect from 20 March 2023 and grant funding continues to be pursued.

CHANGE OF NAME

The name of the charitable company was changed from Hay Castle Trust Limited to Hay Castle Trust with effect from 7 March 2023.

**HAY CASTLE TRUST
PREVIOUSLY KNOWN AS HAY CASTLE TRUST LIMITED**

**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 APRIL 2023**

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Hay Castle Trust for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

On 30 June 2023 as a result of a recent merger, Watts Gregory LLP resigned as auditors in accordance with Section 516 of the Companies Act 2006 and re-engaged its services as MHA.

The auditors, MHA, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the Board of Trustees *14th August 2023* and signed on its behalf by:

Susan Malthouse - Trustee

**REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF
HAY CASTLE TRUST
PREVIOUSLY KNOWN AS HAY CASTLE TRUST LIMITED**

Opinion

We have audited the financial statements of Hay Castle Trust (the 'charitable company') for the year ended 30 April 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 April 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon. The trustees are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees, which includes the Directors' Report, prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report included within the Report of the Trustees has been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF
HAY CASTLE TRUST
PREVIOUSLY KNOWN AS HAY CASTLE TRUST LIMITED**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report included within the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Report of the Trustees and from the requirement to prepare a Strategic Report.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting inaccurate journals. We addressed these risks by carrying out specifically targeted procedures, which included:

- Enquiries of management, those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness and evaluating the business rationale of significant transactions outside the normal course of business;
- Reviewing minutes of meetings of those charged with governance;
- evaluating the reasons for any large or unusual transactions;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations to underlying supporting documentation.

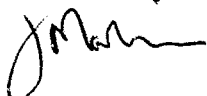

Because of the inherent limitations of an audit there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. The risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involved intentional concealment, forgery, collusion, omission or misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditor.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2023**

1. STATUTORY INFORMATION

Hay Castle Trust is a company limited by guarantee incorporated in Wales within the United Kingdom. The registered office is Hay Castle, Oxford Road, Hay-on-Wye, HR3 5DG.

The charity does not have any share capital. Each of the members is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

The financial statements are presented in Sterling (£), the company's functional currency, and rounded to the nearest pound.

The principal activities and nature of the Trust's operations are described in the Report of the Trustees.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to the UK and Republic of Ireland (FRS 102) (effective January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

There have been no material departures from Financial Reporting Standard 102.

Assets and liabilities are initially recognised at historical cost or transaction values unless otherwise stated in the relevant accounting policies.

Going concern

Financial projections have been prepared for a period covering 12 months from the approval of these financial statements. These include both the projected operating results and the cash flows relating to the agreement of the final account with the contractor for the restoration project. The key assumptions are the estimated visitor footfall, which has been based on experience since opening to the public in May 2022, and the availability of grant funding.

Consideration has also been given to the continued availability of the loan from Lindenleaf CIO, further details of which are provided in note 21.

In these circumstances, the trustees have concluded that no adjustments or additional disclosures are required to the financial statements and are satisfied that it is appropriate for the financial statements to be prepared on a going concern basis.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

This includes capital grants.

Donations and legacies income includes donations, gifts and grants that provide core funding or are of a general nature and are recognised where there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when the donor specifies it must be used in future accounting periods or the donor has imposed conditions which must be met before the charity has unconditional entitlement.

Income includes income received under contract or where entitlement to grant funding is subject to specific performance conditions. Income from other trading activities includes income received under contract. This income is recognised as the related services are provided and there is entitlement, probability of receipt and the amount can be measured with sufficient reliability. Income is deferred when the amounts received are in advance of the performance of the service or event to which they relate.

Income

Investment income is recognised on a receivable basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Expenditure on costs of raising funds include costs of fundraising, advertising, marketing and direct mail materials as well as a consultancy fees.

Expenditure on charitable activities comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs that, whilst necessary to deliver an activity, do not themselves produce or constitute the output of the charitable activity. This includes governance costs which are those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the management of the charity.

Allocation and apportionment of costs

All costs are allocated between the expenditure categories on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis.

Tangible fixed assets

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any residual value, over their expected useful economic life as follows:

Plant and machinery	25% straight line
Fixtures and fittings	10% - 20% straight line
Computer equipment	33% straight line

During the period of restoration, freehold land and buildings were held at cost and not depreciated.

Fixed assets are initially recorded at cost. Only assets which cost £500 or more are capitalised.

Investments

Investments are stated at cost less any impairment at the balance sheet date.

Heritage assets

Heritage assets are recognised on the balance sheet and initially measured at cost when purchased or if donated, their valuation if known. Assets are subsequently stated at cost or valuation less accumulated depreciation and accumulated impairment losses. Fair values for donated assets are estimated by reference to market prices.

Those heritage assets currently recognised on the balance sheet have indefinite lives and are therefore not depreciated but reviewed at each reporting date for impairment.

Where information on the cost or valuation of heritage assets is not available or the cost of providing such information significantly outweighs any benefit to the users of the accounts then heritage assets are not recognised on the balance sheet.

The Trust maintains a register for its collections of heritage assets which records the nature and current location of each asset.

2. ACCOUNTING POLICIES - continued

Taxation

The Trust has been granted exemption from UK corporation tax by virtue of its charitable status. Activities which are not primary purpose trades are within the statutory limits prescribed by the statutory exemption for small trading.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Debtors

Debtors with no stated interest rate and receivable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund accounting

Unrestricted funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds

Designated funds are unrestricted funds which are set aside by the trustees for a specific purpose.

Restricted funds

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure, which meets these criteria, is charged to the fund, together with a fair allocation of support and governance costs.

Transfers are made from restricted to unrestricted funds relating to the purchase of fixed assets from restricted income where such expenditure fulfils the terms of the restriction.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

22. MOVEMENT IN FUNDS - continued

National Lottery Heritage Fund

Grant funding received from the National Lottery Heritage Fund, for further development phases of Hay Castle.

Education and Activity

A £10,000 grant was received from The Hobson Charity to support the education and activity programme at Hay Castle. The balance will be used to support future activities.

Heritage Skills Training

Funding of £20,000 was received from The Dulverton Trust, and £25,675 was received from the Andrew Lloyd Webber Foundation which is to be used to establish a heritage skill training programme. In previous years, funding was also received from The D'Oyly Carte Charitable Trust and Santander. The balance will be used to support future activities.

National Lottery Community Fund

Notification of a grant was received on 27 July 2017 from the National Lottery funded Rural programme - Community Grants for the Hay Castle Community Hub. The purpose of the funding is to reduce isolation for community members and improve the skills of residents and visitors in Hay-on-Wye.

Hay Castle Retail start-up

Funding of £11,000 was received from the Brecon Beacons National Park Sustainable Development Fund to support the renovation cost for 5 retail start-up units at Hay Castle.

Community Foundation Wales - Ashley Family Foundation

Funding of £8,000 received towards artistic production/materials, marketing and publicity, artist fees, artist travel costs and expenses, art transport, insurance and installation, project management and evaluation. The balance will be used to support future activities.
