1. Governing Document

The organisation is a charitable company limited by guarantee, incorporated in 2011. The company was established on 16th May 2011 under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. It is registered as a charity with the Charity Commission. In the event of the company being wound up, members are required to contribute an amount not exceeding £1.

The Yews (Haywards Heath) Community Partnership has adopted the model Memorandum and Articles of Association from Community Matters, a charity that champions voluntary and community action at neighbourhood level.

The directors of the company are also charity trustees for the purposes of charity law, and under the company's Articles, are known as members of the Board of Directors.

Aims and activities of the Charity

The objectives of the Charity are:

- a. to promote the benefit of the inhabitants of Haywards Heath and the neighbourhood without distinction of sex, sexual orientation, age, disability, nationality, race or of political, religious or other opinions, by associating together the said inhabitants and the statutory authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants;
- b. to establish, or secure the establishment of, a Community Centre and to maintain and manage the same (whether alone or in co-operation with any statutory authority or other person or body) in furtherance of the Objects;
- c. to promote such other charitable purposes as may from time to time be determined

The main activity of the Charity is the running of the Yews Centre in Haywards Heath and the promotion of those groups who use the Centre's facilities.

2. Public Benefit

The Trustees consider that the Charity's activities reflect our aims and objectives and that they are designed to provide accessible accommodation to benefit the public in accordance with our charitable objectives.

3. Achievements and Performance

Covid-19 and the consequent government imposed Lockdowns had an immense impact on the Partnership's activities. This impact continues to the present. The building was obliged to close for several months in the Spring and Summer of 2020, opening briefly in the Autumn, only to close again in December. Many of our user groups comprise vulnerable members and so did not return even during the periods when the building was able to open. The effect of this can be seen in the 60% fall in our room hire income compared with the prior year. Fortunately, the Partnership was eligible for financial assistance from the government and received a Grant and also furlough payments to defray some of our staff costs. This, in combination with strict control of discretionary spending ensured the financial survival of the Partnership. during the closure period. Essential maintenance projects undertaken during the period included completion of the external painting of the building, installation of additional smoke detectors and replacement of old furniture.

4. Risk Management

The Charity's Directors have conducted a review of the major risks to which the Charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risks the charity might face. Procedures and policies have been implemented to meet the requirements of the General Data Protection Act.

Internal control risks have been minimised by the implementation of sub-committee structures with responsibilities for transactions and projects. Procedures are in place to ensure compliance with Health and Safety regulations and requirements. Such procedures are reviewed regularly.

5. Organisational Structure

The Board of Directors administers the Charity. The Board meets regularly, as required, with sub committees covering such areas as publicity and promotion, fund raising, maintenance and health and safety, Centre matters and liaison with users. The day to day activities of the Charity are managed by a part time office manager and an assistant. The manager carries out certain delegated operational and staff supervision authorities within terms agreed by the Directors.

6. Financial Review

Throughout the year the Board of Directors has reviewed the activities of the Charity in the light of its Business Plan and the Budget set by the directors at commencement of the year.

7. Principal Funding Sources

The Charity's principal source of funding is the charges it levies for the use of the Yews premises, augmented by local authority grants and public donations from individuals and organisations.

8. Reserves Policy

The charity is mindful of the building under its charge and the uncertainty of its future income. In line with its responsibilities it has set specific reserves totalling £59,000 and intends to keep its reserve strategy under regular review.

9. Future Plans & impact of Covid-19

The Board intends, in conjunction with its business plan and budget, to maintain its concept of the service it would like to deliver to the community and the enhancement to the Yews premises necessary to meet that challenge.

While Covid 19 continues to have an effect on our business, user groups are beginning to return and provided there are no further waves of the virus, we anticipate a return to pre-Covid occupancy levels by the end of 2021. Thanks to Government support, the Yews financial position is stable and the trustees are confident that the Partnership is well positioned for the foreseeable future.

10. Statement of Directors/Trustees Responsibilities

Company law requires the Directors/Trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charitable company at the balance sheet date and its financial activities for that period. In preparing those financial statements, the Board is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the 'going concern basis' unless it is inappropriate to presume that the charity will continue in operational existence.

The Directors/Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. The Board of Directors is also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors/Trustees, who are directors for the purpose of company law and trustees for the purpose of charity law, who served during the year and up to the date of this report, are set out in page 2.

Independent Examiner's report to the Directors/Trustees of the Yews (Haywards Heath) Community Partnership

I report on the accounts of the Yews (Haywards Heath) Community Partnership for the period ending 31st March 2021, as set out hereunder.

Respective responsibilities of the Directors/Trustees and Examiner:

As the charity's Directors/Trustees you are responsible for the preparation of the accounts; you consider the audit requirements of section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of the procedures specified in the General Directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of the Independent Examiner's report:

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations for you as Directors/Trustees concerning any such matters. The procedures taken do not provide all the evidence required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement:

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirement to keep accounting records in accordance with section 41 of the Act, to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act have not been met, or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
