Directors' and Trustees' Report For the Year Ended 30 June

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the financial year ended 30 June 2023, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) (effective 1 January 2019) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Objects and aims

The objective of the charity in the year under review was that of operating a registered charity, for the advancement of learning and education, in particular, at Georgetown University, and to assist in the advancement of students attending that institution.

Objectives, strategies and activities

The UK Friends of Georgetown Limited has assisted Georgetown University over the past year in various ways. It has done this through soliciting gifts from alumni, parents and friends, and has provided funding for student and faculty aid, capital renovations and research. As a main source of philanthropy from constituents in the United Kingdom, the Charity has played a vital role in helping to support Georgetown University's people and programs.

Public benefit

During the year under review, grants to Georgetown University of £375,618 (2022 - £441,878) were made in furtherance of the aims of the charity. The trustees believe that the grants ultimately result in benefiting the wider public and mankind.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

The Statement of Financial Activities shows total income for the year of £373,532 (2022: £409,849) and total expenditure of £378,198 (2022: £441,312). Overall net expenditure for the year was £4,666 (2022: £31,463) with total funds held at the year-end totaling £5,323 (2022 - £9,989).

Policy on reserves

To achieve its objectives, the charity has elected to donate all of its incoming resources less administrative expenses, to Georgetown University. Therefore, all funds are unrestricted, and as a policy, funds are not retained in general reserves, save for £5,000 to meet administrative expenses.

Total reserves carried forward at the year-end were £5,323 (2022 - £9,989) all of which related to unrestricted funds.

The UK Friends of Georgetown Limited

Directors' and Trustees' Report For the Year Ended 30 June

Investment policy and objectives

In accordance with the charity's Memorandum of Association, the Trustees of the charity have the power to invest in such investments, securities, or property as they see fit.

Funds are invested in accordance with the donors' wishes. In the absence of a specific request, donations received by the charity are placed on bank deposit until distribution.

Plans for future periods

Aims and key objectives for future periods

The plans for future periods will be to continue to advance education by providing grants to Georgetown University.

Structure, governance and management

Nature of governing document

The charity is controlled by its governing document, the Memorandum and Articles of Association dated 4 October 2011, and constitutes a limited company, as defined by the Companies Act 2006, having issued share capital of £1.

Recruitment and appointment of trustees

Additional trustees may be appointed by the sole shareholder, the governing body of Georgetown University.

Induction and training of trustees

All new trustees are given, in the view of the board, sufficient training and have enough knowledge of their specific field to understand the nature of the charity and fully comply with the charity's view of its progression. They are encouraged to attend internal and external training sessions to update themselves with current rules and regulations.

Organisational structure

A minimum of three trustees must be appointed and there have been three trustees throughout the period.

Risk review

The Trustees have conducted their own review of the major risks to which the charity is exposed and have concluded that the following systems that have been established provide reasonable but not absolute assurance that those risks are adequately managed:

- (i) The retention of a professional secretary to administrate the foundation;
 - (ii) The retention of a professional accounting firm with experience in the area to conduct an examination;
 - (iii) The retention of a law firm with extensive experience in this area;
 - (iv) The requirement that any transfer of funds by the foundation be approved by two authorised signatories; and
 - (v) Final reconciliation by staff of trust's donative and accounting records with the financials of the Foundation.
- The trustees have also had due regard to guidance published by the Charity Commission on public benefit.

The UK Friends of Georgetown Limited

Directors' and Trustees' Report For the Year Ended 30 June

Financial Instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk and cash flow risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Cash flow risk

The charity's activities expose it primarily to the financial risks of changes in foreign currency exchange rates.

Credit risk

The charity's principal financial assets are bank balances and cash, and other receivables.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies.

Small company provision

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on Feb 8th '24, and signed on its behalf by:

Statement of Trustees' Responsibilities

The trustees (who are also the directors of The UK Friends of Georgetown Limited for the purpose of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and the financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

Approved by the trustees of the charity on Feb 21st 24 and signed on its behalf by:

The UK Friends of Georgetown Limited

Independent Examiner's Report to the Members of The UK Friends of Georgetown

I report to the trustees (who are also Directors for the purpose of company law) on my examination of the accounts of the charity company for the year ended 30 June 2023 which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my Independent Examination, for this report, or for the opinions I have formed.

Respective responsibilities and basis of report

As the charity's trustees (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

Independent examiner's statement

I have completed my examination. Since UK Friends of Georgetown Limited gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 30 June 2023

1 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102) Revised), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

General information and basis of preparation

The UK Friends of Georgetown University Limited is a charitable company limited by share capital, incorporated in England. The address of its registered office is given in the charity information on page 1 of these financial statements. The nature of the Charity's operations and principal activities are given on page 2.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The financial statements contain information about The UK Friends of Georgetown Limited as an individual charitable company only.

The financial statements are presented in pound sterling, which is the functional currency of the Charity and rounded to the nearest £1.

Going concern

The Charity's Financial Statements show total income of £373,532 (2022: £409,849) for the year and free reserves of £5,323 (2022: £9,989). The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these financial statements with respect to a period of at least one year from the date of approval of these financial statements including considering the impact of Ukraine crisis and Cost of living on the charity's income, expenditure and reserves; and its beneficiaries. They have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern and are fully engaged on a strategy to create a sustainable and resilient organisation during challenging times. The Charity continues to have financial support from its parent company (Georgetown University based in USA). Therefore, the trustees are of opinion that the financial statements for the year ended June 2023 can be prepared on a going concern basis.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

The UK Friends of Georgetown Limited

Notes to the Financial Statements for the Year Ended 30 June 2023

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

This includes the cost attributable to the charity compliance with constitutional and statutory requirements, including independent examination, strategic management and trustees meeting and reimbursed expenses for the period ended June 2023.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Debtors

Other debtors are amounts due from HMRC in respect of gift aid due on donations.

The UK Friends of Georgetown Limited

Notes to the Financial Statements for the Year Ended 30 June 2023

Creditors

Other creditors include the amount payable to Georgetown University.

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Significant Judgments and Estimates

In the application of the charity's accounting policies, management is required to make judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

The UK Friends of Georgetown Limited

Notes to the Financial Statements for the Year Ended 30 June 2023

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
