GOD CENTRAL CHURCH, HARLOW
REPORT OF THE TRUSTEES for the Year Ended 31 March 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The Charity's objects are fully stated in the trust deed of God Central Church, Harlow. They are:

- To advance the Christian faith;
- Other charitable aims as the trustees see fit, which in practice include; the relief of the disadvantaged (needy, in hardship, aged, sick, homeless);

In the beginning . . .

In January 2010 the church started with a handful of people meeting in local homes. God linked hearts together and in March 2010 'Newfrontiers Harlow Church Plant' was formed, prayed for by many of the local churches and had a website up and running!

By God's favour more people became connected with Newfrontiers Harlow Church Plant and a public launch took place on the 14th November 2010 in the Harlow Playhouse. In the lead up to this event the name God Central Church was chosen from the scripture 1 Kings 18 where Elijah rebuilds the alter of the Lord at Mount Carmel and God promises to turn the hearts of the people back to Him as Elijah trusts God and keeps God central to everything going on.

We have subsequently held services in the Queensgate Cineworld cinema and now meet weekly at Pemberly Academy, just off the Harlow Town Centre. At the beginning of 2023 we began meeting at an additional second site in Newhall Academy on the 2nd and 4th Sundays of the month.

Volunteers

God Central provides numerous opportunities for its members to serve as volunteers. In fact the running of the church is dependent on church members serving in voluntary capacities. We are a diverse people blessed with a myriad of gifts, we seek to encourage everyone to walk in the particular gifting that God has given them and offer practical opportunities for service within the church.

The leadership and trustees would like to take this opportunity to thank everyone who volunteers within God Central in whatever capacity. We honour your commitment to God and His church.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the 2024 to 2025 year we were blessed with significant growth across the GodCentral congregation. Our community expanded as many new individuals and families joined us, particularly those from a wide range of cultural backgrounds. This has shaped an increasingly diverse and vibrant congregation, and we celebrate the richness that this brings to our church life.

As part of this growth, our Newhall Sunday gatherings increased from meeting twice a month to three Sundays each month. This development reflects the rising engagement within the community and a growing desire for regular worship, teaching and fellowship.

We also strengthened our partnerships within the town, especially through our connection with the local charity Heart4Harlow. Our involvement included supporting several of their community events, co-hosting a Mental Health Friendly Churches forum, and providing a monthly united prayer meeting for all the churches in Harlow. These opportunities allowed us to build deeper relationships across the wider Christian community and contribute positively to the spiritual and social wellbeing of our town.

GOD CENTRAL CHURCH, HARLOW
REPORT OF THE TRUSTEES for the Year Ended 31 March 2025

A particular highlight of the year was baptising five people under the age of thirty. Each baptism represented a meaningful step in a personal journey of faith, reflecting both spiritual transformation and a growing connection to our church family. These moments continue to demonstrate the life changing impact of our ministry and the value of offering a supportive environment where individuals can explore and deepen their faith.

We remain committed to fostering a welcoming, inclusive and spiritually nurturing community. As we look ahead, we aim to continue serving our members and our town with compassion, faithfulness and hope, confident that God is at work through every part of our shared ministry.

Public benefit

The Trustees have due regard for the public benefit guidance published by the Charities Commission. Specifically, they have studied the following Charity Commission documents and believe that the activities of the Charity and the contents of this report are compliant with the public benefit guidance provided therein.

- Charities and Public Benefit (January 2008)
- The Advancement of Religion for the Public Benefit (December 2008)
- CC15b - Charity Reporting and Accounting: The essentials (April 2009)

The majority of the Church's meetings and events are open to the public. It is a key aim to attract newcomers into the various activities of the church so that they can participate in and benefit from all that the church has to offer. To date all of God Central's events and activities have been free of charge. Where an expense may be incurred such as the cost of travel to events or books for particular study courses, every effort is made to ensure that cost does not exclude those to whom the activity would be especially beneficial

FINANCIAL REVIEW

Financial position

During the period under review, we had an increase in income of £7300, bringing total income to £82.5k. Our policy recognizes liabilities as expenditure when the expense is paid. During this period, our expenses declined by £13k to £82K. This resulted in a surplus of £790 in the year (2024: £20K deficit).

Reserves policy

As a Christian Church we operate by faith, trusting that God's work done in God's way will never lack God's supply, however, principles of good stewardship and legal regulations obligate the charity to have a reserves policy.

Having due regard to the Charity Commission guidance on reserves, the trustees consider it prudent to hold a minimum of three months expenditure as a reserve. These funds are unrestricted and held as current assets.

This policy is reviewed by the trustees at least annually or when the charity undergoes significant changes in income, expenditure or structure.

FUTURE PLANS

We have been so thankful for the things that God has done with the church this year and expect to see more in the coming year.

As ever, we are looking ahead to the new year with excitement as we eagerly wait to see what God will do in our midst. We have had a number of prophetic words regarding growth in church numbers and are look forward to seeing how this will come to fruition.

We look forward to continuing in our mission of seeing Jesus made more famous in Harlow and to the ends of the earth by establishing a significant church here in Harlow, Essex.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In 2023-2024 the GodCentral congregation grew, particularly with people from different countries. This has created an ethnically diverse congregation which is to be celebrated.

One of our significant achievements was the successful delivery of our Summer Kids Club in August 2023, where we welcomed over 45 children from Newhall Academy. This event aimed at fostering a positive and nurturing environment, covering essential themes such as our friendship, kindness, cultures, and our feelings. Through engaging activities and thoughtful discussions, we endeavored to instill values that contribute to the holistic development of these young minds. The overwhelming attendance and active participation highlighted the success of our efforts in creating a meaningful impact within the community, and we look forward to continuing our charitable initiatives in the coming years.

Additionally, we had the privilege of baptising four individuals within our community. These baptisms marked significant personal and spiritual journeys for those involved, symbolising a commitment to their faith and a deeper connection with our community. As we continue to nurture and support the spiritual growth of our members, these baptisms serve as a testament to the positive impact our charity has on the lives of individuals seeking a profound and meaningful connection with their faith. We remain dedicated to fostering a supportive and inclusive environment where individuals can explore and deepen their spiritual journeys, contributing to the overall well-being of our community.

REPORT OF THE TRUSTEES for the Year Ended 31 March 2023

The trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The Charity's objects are fully stated in the trust deed of God Central Church, Harlow. They are:

- To advance the Christian faith;
- Other charitable aims as the trustees see fit, which in practice include; the relief of the disadvantaged (needy, in hardship, aged, sick, homeless);

In the beginning . . .

In January 2010 the church started with a handful of people meeting in local homes. God linked hearts together and in March 2010 'Newfrontiers Harlow Church Plant' was formed, prayed for by many of the local churches and had a website up and running. By God's favour more people became connected with Newfrontiers Harlow Church Plant and a public launch took place on the 14th November 2010 in the Harlow Playhouse.

In the lead up to this event the name God Central Church was chosen from the scripture 1 Kings 18 where Elijah rebuilds the altar of the Lord at Mount Carmel and God promises to turn the hearts of the people back to Him as Elijah trusts God and keeps God central to everything going on. We have subsequently held services in the Queensgate Cineworld cinema and now meet weekly at Pemberly Academy, just off the Harlow Town Centre. At the beginning of 2023 we began meeting at an additional second site in Newhall Academy on the 2nd and 4th Sundays of the month.

Volunteers

God Central provides numerous opportunities for its members to serve as volunteers. In fact the running of the church is dependent on church members serving in voluntary capacities. We are a diverse people blessed with a myriad of gifts, we seek to encourage everyone to walk in the particular gifting that God has given them and offer practical opportunities for service within the church.

The leadership and trustees would like to take this opportunity to thank everyone who volunteers within God Central in whatever capacity. We honour your commitment to God and His church.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In 2022-2023 the GodCentral congregation grew, particularly with people from different countries. This has created an ethnically diverse congregation which is to be celebrated.

One of our significant achievements was the successful organisation of our inaugural Summer Kids Club in August 2022, where we welcomed over 30 enthusiastic children from Newhall Academy. This transformative event aimed at fostering a positive and nurturing environment, covering essential themes such as friendship, love, joy, and hope. Through engaging activities and thoughtful discussions, we endeavored to instill values that contribute to the holistic development of these young minds. The overwhelming attendance and active participation highlighted the success of our efforts in creating a meaningful impact within the community, and we look forward to continuing our charitable initiatives in the coming years.

Additionally, we had the privilege of baptising four individuals within our community. These baptisms marked significant personal and spiritual journeys for those involved, symbolising a commitment to their faith and a deeper connection with our community. As we continue to nurture and support the spiritual growth of our members, these baptisms serve as a testament to the positive impact our charity has on the lives of individuals seeking a profound and meaningful connection with their faith. We remain dedicated to fostering a supportive and inclusive environment where individuals can explore and deepen their spiritual journeys, contributing to the overall well-being of our community.

Public benefit

The Trustees have due regard for the public benefit guidance published by the Charities Commission. Specifically, they have studied the following Charity Commission documents and believe that the activities of the Charity and the contents of this report are compliant with the public benefit guidance provided therein.

- Charities and Public Benefit (January 2008)
- The Advancement of Religion for the Public Benefit (December 2008)
- CC15b - Charity Reporting and Accounting: The essentials (April 2009)

The majority of the Church's meetings and events are open to the public. It is a key aim to attract newcomers into the various activities of the church so that they can participate in and benefit from all that the church has to offer. To date all of God Central's events and activities have been free of charge. Where an expense may be incurred such as the cost of travel to events or books for particular study courses, every effort is made to ensure that cost does not exclude those to whom the activity would be especially beneficial.

REPORT OF THE TRUSTEES

for the Year Ended 31 March 2023

FINANCIAL REVIEW

Financial position

The impact of the pandemic has eased over time, we saw an increase in income of around £21,000, bringing total income to £50K and with expenditure increasing to £35k for the year we managed to achieve a surplus of £15k on the year (2022: £5K).

Reserves policy

As a Christian Church we operate by faith, trusting that God's work done in God's way will never lack God's supply, however, principles of good stewardship and legal regulations obligate the charity to have a reserves policy.

Having due regard to the Charity Commission guidance on reserves, the trustees consider it prudent to hold a minimum of three months expenditure as a reserve. These funds are unrestricted and held as current assets. This policy is reviewed by the trustees at least annually or when the charity undergoes significant changes in income, expenditure or structure.

FUTURE PLANS

We have been so thankful for the things that God has done with the church this year and expect to see more in the coming year. As ever, we are looking ahead to the new year with excitement as we eagerly wait to see what God will do in our midst. We have had a number of prophetic words regarding growth in church numbers and are look forward to seeing how this will come to fruition.

We look forward to continuing in our mission of seeing Jesus made more famous in Harlow and to the ends of the earth by establishing a significant church here in Harlow, Essex.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

From time to time the trustees will review the skills that the board has and determine whether there are any knowledge or skills gaps that need to be fulfilled.

Trustees are recruited from within the church membership of God Central Church, Harlow they should be active, reliable members of reasonably long standing. They should be people who clearly demonstrate their understanding and commitment to the vision and values of the church and have demonstrated this commitment through serving and making financial contribution to the church. Furthermore they need to be people who are deemed to have competence commensurate with the fulfillment of the responsibilities of Trustees.

New Trustees are proposed by existing Trustees, in consultation with the church's apostolic oversight. The appointment of a new trustee to the board must be passed by a vote of the majority of the trustees. A trustee may only be appointed to the board once a satisfactory DBS (Disclosure and Barring Service) check has been received.

Organisational structure

The Trustees have overall legal and financial responsibility for the Charity. They have entrusted to the eldership team the responsibility for the spiritual and strategic direction of the church, as well as its day-to-day running.

Induction and training of new trustees

Upon appointment a trustee will be provided with the following documentation:

- A copy of the trust deed and any amendments to it
- A copy of the charity's latest report and statement of accounts
- A copy of the last meeting's minutes
- A copy of the most recent management figures
- A copy of the Child Protection Policy
- A copy of the general and financial procedures

The training needs of trustees will be assessed on an individual basis and training will be provided by attending courses or through the mentoring of another trustee.

Wider network

God Central Church, Harlow is a part of a family of churches known as Newfrontiers. Newfrontiers is a network of churches who partner together on mission. This church network not only provides support to the local church, but also enables the local church to extend its missional reach to many parts of the world. Newfrontiers; with over 700 churches in over 60 nations, has recently been organised into several "apostolic spheres". God Central Church, Harlow is associated with the Relational Mission sphere

GOD CENTRAL CHURCH, HARLOW

REPORT OF THE TRUSTEES **for the Year Ended 31 March 2022**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's objects are fully stated in the trust deed of God Central Church, Harlow. They are:

- To advance the Christian faith;
- Other charitable aims as the trustees see fit, which in practice include; the relief of the disadvantaged (needy, in hardship, aged, sick, homeless);

In the beginning . . .

In January 2010 the church started with a handful of people meeting in local homes. God linked hearts together and in March 2010 'Newfrontiers Harlow Church Plant' was formed, prayed for by many of the local churches and had a website up and running!

By God's favour more people became connected with Newfrontiers Harlow Church Plant and a public launch took place on the 14th November 2010 in the Harlow Playhouse.

In the lead up to this event the name God Central Church was chosen as the scripture God had spoken about in birthing the church was 1 Kings 18 where Elijah rebuilds the alter of the Lord at Mount Carmel and God promises to turn the hearts of the people back to Him as Elijah trusts God and keeps God central to everything going on.

We have subsequently held services in the Queensgate Cineworld cinema and now meet weekly at Pemberly Academy, just off of the Harlow Town Centre.

Volunteers

God Central provides numerous opportunities for its members to serve as volunteers. In fact the running of the church is dependent on church members serving in voluntary capacities. We are a diverse people blessed with a myriad of gifts, we seek to encourage everyone to walk in the particular gifting that God has given them and offer practical opportunities for service within the church.

The leadership and trustees would like to take this opportunity to thank everyone who volunteers within God Central in whatever capacity. We honour your commitment to God and His church.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

We have had a challenging two year period from 2020/21 through to 2021/22, when we were unable to gather in person from mid-March 2020 due to the global pandemic. This brought some challenges, but we were able to quickly adapt to be able to record worship and preaches to be streamed on a Sunday morning, allowing us to continue to seek God in our own houses. We also made good use of online video platforms such as Zoom to allow us to continue to meet on a Sunday morning and for mid-week housegroups.

We were subsequently able to start meeting again on a Sunday morning to the great delight of all. We gradually moved back into the more familiar routines of church life. We were delighted to be able to gather in March for a Baptism service, proving that the move of God in people's lives cannot be restrained by outside influences, even those on a global scale.

It has been a difficult but good couple of years and we are very thankful for the commitment of everyone who is involved in church, in any and all capacities. This church would not be the same if not for the dedication of each and every person.

Public benefit

The Trustees have due regard for the public benefit guidance published by the Charities Commission. Specifically, they have studied the following Charity Commission documents and believe that the activities of the Charity and the contents of this report are compliant with the public benefit guidance provided therein.

- Charities and Public Benefit (January 2008)
- The Advancement of Religion for the Public Benefit (December 2008)
- CC15b - Charity Reporting and Accounting: The essentials (April 2009)

The majority of the Church's meetings and events are open to the public. It is a key aim to attract newcomers into the various activities of the church so that they can participate in and benefit from all that the church has to offer. To date all of God Central's events and activities have been free of charge. Where an expense may be incurred such as the cost of travel to events or books for particular study courses, every effort is made to ensure that cost does not exclude those to whom the activity would be especially beneficial.

GOD CENTRAL CHURCH, HARLOW

REPORT OF THE TRUSTEES **for the Year Ended 31 March 2022**

FINANCIAL REVIEW

Financial position

The impact of the pandemic continues to affect our finances, however, we saw an increase in income of around £1,000 bringing total income to £29K and with expenditure held at £24k for the year we managed to achieve a surplus of £5k on the year (2021: £2.5K)

Reserves policy

As a Christian Church we operate by faith, trusting that God's work done in God's way will never lack God's supply, however, principles of good stewardship and legal regulations obligate the charity to have a reserves policy.

Having due regard to the Charity Commission guidance on reserves, the trustees consider it prudent to hold a minimum of three months expenditure as a reserve. These funds are unrestricted and held as current assets.

This policy is reviewed by the trustees at least annually or when the charity undergoes significant changes in income, expenditure or structure.

FUTURE PLANS

We have been so thankful for the things that God has done with the church this year and expect to see more in the coming year.

As ever, we are looking ahead to the new year with excitement as we eagerly wait to see what God will do in our midst. We have had a number of prophetic words regarding growth in church numbers and are look forward to seeing how this will come to fruition. We specifically look ahead to a time when we are able to gather together again face-to-face.

We look forward to continuing in our mission of seeing Jesus made more famous in Harlow and to the ends of the earth by establishing a significant church here in Harlow, Essex.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

From time to time the trustees will review the skills that the board has and determine whether there are any knowledge or skills gaps that need to be fulfilled.

Trustees are recruited from within the church membership of God Central Church, Harlow they should be active, reliable members of reasonably long standing. They should be people who clearly demonstrate their understanding and commitment to the vision and values of the church and have demonstrated this commitment through serving and making financial contribution to the church. Furthermore they need to be people who are deemed to have competence commensurate with the fulfilment of the responsibilities of Trustees.

New Trustees are proposed by existing Trustees, in consultation with the church's apostolic oversight. The appointment of a new trustee to the board must be passed by a vote of the majority of the trustees. A trustee may only be appointed to the board once a satisfactory DBS (Disclosure and Barring Service) check has been received.

Organisational structure

The Trustees have overall legal and financial responsibility for the Charity. They have entrusted to the Pastor and core leadership team the responsibility for the spiritual and strategic direction of the church, as well as its day-to-day running.

- A copy of the Child Protection Policy
- A copy of the general and financial procedures

The training needs of trustees will be assessed on an individual basis and training will be provided by attending courses or through the mentoring of another trustee

GOD CENTRAL CHURCH, HARLOW

REPORT OF THE TRUSTEES **for the Year Ended 31 March 2021**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's objects are fully stated in the trust deed of God Central Church, Harlow. They are:

- To advance the Christian faith;

ACHIEVEMENT AND PERFORMANCE

Charitable activities

We have had a challenging year in 2020/21. We were unable to gather in person from mid-March 2020 due to the global pandemic, which brought some challenges, but we were able to quickly adapt to be able to record worship and preaches to be streamed on a Sunday morning, allowing us to continue to seek God in our own houses. We also made good use of online video platforms such as Zoom to allow us to continue to meet on a Sunday morning and for mid-week housegroups.

Pemberley Academy kindly waived our rent for the period in which we were not meeting and so we were able to use these savings to donate to worthy causes during the year, including mission overseas and to bless the staff of the Princess Alexandra Hospital and purchase some items from their wish-list.

It has been a difficult but good year and we are very thankful for the commitment of everyone who is involved in church, in any and all capacities. This church would not be the same if not for the dedication of each and every person.

Public benefit

The Trustees have due regard for the public benefit guidance published by the Charities Commission. Specifically, they have studied the following Charity Commission documents and believe that the activities of the Charity and the contents of this report are compliant with the public benefit guidance provided therein.

- Charities and Public Benefit (January 2008)
- The Advancement of Religion for the Public Benefit (December 2008)
- CC15b - Charity Reporting and Accounting: The essentials (April 2009)

The majority of the Church's meetings and events are open to the public. It is a key aim to attract newcomers into the various activities of the church so that they can participate in and benefit from all that the church has to offer. To date all of God Central's events and activities have been free of charge. FINANCIAL REVIEW

Financial position

Due to the impact of the pandemic and our not being able to meet in person, income decreased on the previous period (around £28k income compared to £57k last year) expenditure reduced on the year due to the savings in rental and other costs to be around £25k resulting in a surplus of £2.5k.

Reserves policy

As a Christian Church we operate by faith, trusting that God's work done in God's way will never lack God's supply, however, principles of good stewardship and legal regulations obligate the charity to have a reserves policy.
