Objects and activities

Charitable objects

The objects of the church are, for the benefit of the public:

- To advance the Christian faith (in accordance with the statement of beliefs) in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit;
- To relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind, including the provision of counselling and support in such parts of the United Kingdom or the world as the Trustees from time to time may think fit;
- To advance education in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit;
- The Trustees must use the income and may use the capital of the church in promoting the objects. To train new church leaders for the future.

Activities

The main activity of the Charity is the operation of a local Christian Church in the arranging and provision of worship services, meetings, seminars, conferences, and training courses. The Church has operated for over 150 years.

Public Benefit

As well as being a thriving Church where everybody from the local community is welcome, Alma Church runs a number of activities in the building. These include a parents and toddlers group and the utilisation of the building's excellent facilities for events such as the local art trail. During the year the Church has hosted regular sessions run by two local choirs, meetings of the local WI, events for adults with special educational needs run by a Gateway group, as well as a fundraising concert for a local charity supporting people affected by homelessness. Funds are also raised for other charities working in offender mentoring and international student wellbeing and for Christian projects across the world.

The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

Achievements and performance

We have continued to pursue our vision of:

- * Following Jesus * Building Community * Sharing Hope

We have continued to offer relevant and accessible celebrations in the Christian calendar, including Christmas, Easter and Harvest. Connection with the local community continues with weekly public worship services, an open garden for the local community to use, Little Roots (toddler group), community carols and collections for the local food bank.

Financial review

The activities for the period under review have resulted in a surplus of £26,697 (2024: surplus of £22,937) which was higher than the forecast made by the trustees. It is expected that the forthcoming periods should result in a small surplus.

Reserves policy

Free reserves are £159,286 (2024: £132,859) and deemed to be those that are readily realisable and exclude £2,240,247 invested in property.

As a matter of policy, each year the Trustees review the level of free reserves. Consideration is given to major risks in terms of their likely impact on income and expenditure. The present range for free reserves is to 9 to 15 months reported expenditure, i.e., £80,904 to £134,840. The Trustees are considering various refurbishments and buildings' improvements that, if undertaken, will reduce the level of free reserves.

Statement of trustees' responsibilities

The trustees (who are also directors of Clifton Bethesda Church Limited for the purposes of company law) are responsible for preparing the Trustees' Report (incorporating the directors' report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small company's exemption.

The trustees' annual report was approved on 2 December 2025 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Clifton Bethesda Church Limited

Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Clifton Bethesda Church Limited ('the charity') for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods to the charity, unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost. The land and buildings were introduced in 2011 and have been included by the Trustees at the insurance value made on the 12th January 2012. The asset is depreciated at 0% as the Trustees operate a policy of continuous repair and refurbishment so that there is considered to be no material diminution in value.

Clifton Bethesda Church Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Structure, governance and management

Clifton Bethesda Church Limited is a registered Charity and was incorporated as a Company Limited by Guarantee on 5th August 2011.

Angela Moseley was the Minister during the first five months of the period covered by this report and Cameron Drury was the Minister thereafter. Both were supported by the Leadership Team who are responsible for the overseeing and direction of the church. Their role is to pastor, teach, plan and pray. They also oversee the leadership of Children's Church, Worship group and child protection.

Each area of the ministry within the church has a group leader: 1) Pastoral Care, 2) Missions, 3) Community and Evangelism, 4) Fabric/Finance, 5) Homegroups.

The church has no formal membership - all that belong to the church are considered members.

Objectives and activities

Objectives

The church has 5 stated objectives:

* To reach out to the unchurched by means of witness and invitation - through members and church/community activities.

* To provide a welcoming church that meets the needs of guest and member - through relevant worship, practical teaching and meaningful fellowship.

* To support, serve and disciple each other through small groups, and within the life of the church.

* To train new church leaders for the future.

* To equip and send members out as ministers into the workplace, and missionaries into the world.

Activities

The main activity of the Charity is the operation of a local Christian Church in the arranging and provision of worship services, meetings, seminars, conferences and training courses. The Church has operated for 150 years.

Public Benefit

As well as being a thriving Church where everybody from the local community is welcome, Alma Church runs a number of activities in the building. These include a conversation Café for international students, a parents and toddlers group and the utilisation of the building's excellent facilities for events ranging from children's parties, the local art trail and practice sessions by a local orchestra. Projects are also run for the local community in respect of pastoral and counselling needs. Funds are also raised for missions concerned with education and the relief of poverty and sickness in Bristol and around the world. The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

Achievements and performance

We have continued to pursue our vision of:

* Following Jesus * Building Community * Sharing Hope

We have continued to offer relevant and accessible celebrations in the Christian calendar, including Christmas, Easter and Harvest. Connection with the local community has been increased with community events, Little Roots (toddler group) and prayer on the streets.

Financial review

The activities for the period under review have resulted in a surplus of £29,062 (2023: deficit of £9,053) which was higher than the forecast made by the trustees, mainly because of a couple of one-off significant one-off donations that were not anticipated. It is expected that the forthcoming periods should result in a small surplus.

Reserves policy

Free reserves are £132,859 (2023: £109,652) and deemed to be those that are readily realisable and exclude £2,240,247 invested in property.

As a matter of policy, each year the Trustees review the level of free reserves. Consideration is given to major risks in terms of their likely impact on income and expenditure. The present range for free reserves is to 9 to 15 months reported expenditure, i.e., £73,349 to £122,248. The one-off donations mentioned above have resulted in current free reserves exceeding the top end of this range.

Trustees' Annual Report (Incorporating the Directors' Report) *(continued)*

Year ended 31 March 2024

The Trustees are considering various refurbishments and buildings' improvements that, if undertaken, will reduce the level of free reserves.

Statement of trustees' responsibilities

The trustees (who are also directors of Clifton Bethesda Church Limited for the purposes of company law) are responsible for preparing the Trustees' Report (incorporating the directors' report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small company's exemption.

The trustees' annual report was approved on 18 December 2024 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Clifton Bethesda Church Limited

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of Clifton Bethesda Church Limited ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods to the charity, unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost. The land and buildings were introduced in 2011 and have been included by the Trustees at the insurance value made on the 12th January 2012. The asset is depreciated at 0% as the Trustees operate a policy of continuous repair and refurbishment so that there is considered to be no material diminution in value.

Clifton Bethesda Church Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Objectives and activities

Objectives

The church has 5 stated objectives:

* To reach out to the unchurched by means of witness and invitation - through members and church/community activities.

* To provide a welcoming church that meets the needs of guest and member - through relevant worship, practical teaching and meaningful fellowship.

* To support, serve and disciple each other through small groups, and within the life of the church.

* To train new church leaders for the future.

* To equip and send members out as ministers into the workplace, and missionaries into the world.

Activities

The main activity of the Charity is the operation of a local Christian Church in the arranging and provision of worship services, meetings, seminars, conferences and training courses. The Church has operated for 150 years.

Public Benefit

As well as being a thriving Church where everybody from the local community is welcome, Alma Church runs a number of activities in the building. These include a conversation Café for international students, a parents and toddlers group and the utilisation of the building's excellent facilities for events ranging from children's parties, the local art trail and practice sessions by a local orchestra. Projects are also run for the local community in respect of pastoral and counselling needs. Funds are also raised for missions concerned with education and the relief of poverty and sickness in Bristol and around the world. The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

Achievements and performance

We have continued to pursue our vision of:

* Following Jesus * Building Community * Sharing Hope

We have continued to offer relevant and accessible celebrations in the Christian calendar, including Christmas, Easter and Harvest. Connection with the local community has been increased with community events, Little Roots (toddler group) and prayer on the streets.

Financial review

The activities for the period under review have resulted in a deficit of £9,053 (2022: deficit of £2,290) which has been in line with the forecasts made by the trustees. It is expected that the forthcoming periods should result in a small surplus.

Reserves policy

Free reserves are £109,652 (2022: £118,705) and deemed to be those that are readily realisable and exclude £2,240,247 invested in property.

As a matter of policy, each year the Trustees review the level of free reserves. Consideration is given to major risks in terms of their likely impact on income and expenditure. The present range for free reserves is to 9 to 15 months reported expenditure, i.e., £76,734 to £127,890.

Statement of trustees' responsibilities

The trustees (who are also directors of Clifton Bethesda Church Limited for the purposes of company law) are responsible for preparing the Trustees' Report (incorporating the directors' report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of Clifton Bethesda Church Limited

Year ended 31 March 2023

I report to the trustees on my examination of the financial statements of Clifton Bethesda Church Limited ('the charity') for the year ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods to the charity, unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost. The land and buildings were introduced in 2011 and have been included by the Trustees at the insurance value made on the 12th January 2012. The asset is depreciated at 0% as the Trustees operate a policy of continuous repair and refurbishment so that there is considered to be no material diminution in value.

Clifton Bethesda Church Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2023

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Objectives and activities

Objectives

The church has 5 stated objectives:

* To reach out to the unchurched by means of witness and invitation - through members and church/community activities.

* To provide a welcoming church that meets the needs of guest and member - through relevant worship, practical teaching and meaningful fellowship.

* To support, serve and disciple each other through small groups, and within the life of the church.

* To train new church leaders for the future.

* To equip and send members out as ministers into the workplace, and missionaries into the world.

Activities

The main activity of the Charity is the operation of a local Christian Church in the arranging and provision of worship services, meetings, seminars, conferences and training courses. The Church has operated for 150 years.

Public Benefit

As well as being a thriving Church where everybody from the local community is welcome, Alma Church runs a number of activities in the building. These include a conversation Café for international students, a parents and toddlers group and the utilisation of the building's excellent facilities for events ranging from children's parties, the local art trail and practice sessions by a local orchestra. Projects are also run for the local community in respect of pastoral and counselling needs. Funds are also raised for missions concerned with education and the relief of poverty and sickness in Bristol and around the world. The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

Achievements and performance

We have continued to pursue our vision of:

- * Following Jesus
- * Building Community
- * Sharing Hope

Financial review

The activities for the period under review have resulted in a deficit of £2,290 (2021: deficit of £7,787) which has been in line with the forecasts made by the trustees. It is expected that the forthcoming periods should result in a small surplus.

Reserves policy

Free reserves are £118,705 (2021: £120,995) and deemed to be those that are readily realisable and exclude £2,240,247 invested in property.

As a matter of policy, each year the Trustees review the level of free reserves. Consideration is given to major risks in terms of their likely impact on income and expenditure. The present range for free reserves is to 9 to 15 months reported expenditure, i.e., £63,674 to £106,123. The Trustees' view is that the current free reserves are above this range as a result of reduced expenditure due to the Covid-19 pandemic.

Statement of trustees' responsibilities

The trustees (who are also directors of Clifton Bethesda Church Limited for the purposes of company law) are responsible for preparing the Trustees' Report (incorporating the directors' report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of Clifton Bethesda Church Limited

Year ended 31 March 2022

I report to the trustees on my examination of the financial statements of Clifton Bethesda Church Limited ('the charity') for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue. Please refer to page 3 the Trustees' report for their considerations of the effect of the Covid-19 pandemic, and its effect on going concern.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods to the charity, unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost. The land and buildings were introduced in 2011 and have been included by the Trustees at the insurance value made on the 12th January 2012. The asset is depreciated at 0% as the Trustees operate a policy of continuous repair and refurbishment so that there is considered to be no material diminution in value.

Clifton Bethesda Church Limited

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2022

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

The church has 5 stated objectives:

- * To reach out to the unchurched by means of witness and invitation - through members and church/community activities.
- * To provide a welcoming church that meets the needs of guest and member - through relevant worship, practical teaching and meaningful fellowship.
- * To support, serve and disciple each other through small groups, and within the life of the church.
- * To train new church leaders for the future.
- * To equip and send members out as ministers into the workplace, and missionaries into the world.

Activities

The main activity of the Charity is the operation of a local Christian Church in the arranging and provision of worship services, meetings, seminars, conferences and training courses. The Church has operated for 150 years.

Public Benefit

As well as being a thriving Church where everybody from the local community is welcome, Alma Church runs a number of activities in the building. These include a conversation Café for international students, a parents and toddlers group and the utilisation of the building's excellent facilities for events ranging from children's parties, the local art trail and practice sessions by a local orchestra. Projects are also run for the local community in respect of pastoral and counselling needs. Funds are also raised for missions concerned with education and the relief of poverty and sickness in Bristol and around the world. The Trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission.

Achievements and performance

We have continued to pursue our vision of:

- * Following Jesus
- * Building Community
- * Sharing Hope

Financial review

The activities for the period under review have resulted in a deficit of £7,787 (2020: surplus of £16) which has been in line with the forecasts made by the trustees. It is expected that the forthcoming periods should result in a small surplus.

Reserves policy

Free reserves are £120,995 (2020: 128,782) and deemed to be those that are readily realisable and exclude £2,240,247 invested in property.

As a matter of policy, each year the Trustees review the level of free reserves. Consideration is given to major risks in terms of their likely impact on income and expenditure. The present range for free reserves is to 9 to 15 months reported expenditure, i.e., £70,402 to £117,336. The Trustees' view is that the current free reserves are above this range as a result of reduced expenditure due to the Covid-19 pandemic.

Independent Examiner's Report to the Trustees of Clifton Bethesda Church Limited

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of Clifton Bethesda Church Limited ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue. Please refer to page 3 the Trustees' report for their considerations of the effect of the Covid-19 pandemic, and its effect on going concern.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods to the charity, unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost. The land and buildings were introduced in 2011 and have been included by the Trustees at the insurance value made on the 12th January 2012. The asset is depreciated at 0% as the Trustees operate a policy of continuous repair and refurbishment so that there is considered to be no material diminution in value.

3. Accounting policies

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
