TRUSTEES ANNUAL REPORT (continued)
For the year ended 31st August 2025

Achievements and Performance (up to 31/08/2025)

1. For many years the Cambridge Sikh Society Limited (a non-incorporated charity) held Sikh prayers in a hired hall but from June 2012 a permanent site was purchased in Arbury Court, Cambridge, CB4 2JQ and renovated as a “Gurdwara” with a formal opening ceremony held on 20/01/2013 at this new site. Full improvements/renovation costs are reflected in this report/accounts.
2. To further improve religious education in the Sikh faith, learned voluntary participants from within the congregation perform prayer services, Keertan and Katha on the teachings of Siri Guru Granth Sahib Ji, including tuition on Gurmukhi language and expert instruction in Keertan musical instruments. Religious ceremonies are performed daily, with main congregational services held once a week on Sunday, with major festival celebrations (e.g. Vaisakhi, Bandi-Chor Divas, Gurburabs) marked on the day.
3. Giannis, Katha Vachiks, Dhadi Jathas etc. are called to enhance religious ceremonies. In addition, speakers from the wider Sikh community are invited to provide insights on Sikhism and perform Keertan during major events in the Sikh calendar, with events captured on national Sikh media channels.
4. The free community kitchen Langar, which has had food safety and hygiene audits in January 2019, May 2023 and September 2025 resulting in a 5 (highest possible) hygiene score, continues to operate on a volunteer basis. Langar activities have now extended to ‘in the community’ food provision to the homeless in the City, in cooperation with local Universities’ Sikh students societies.
5. We continue to provide free-of-charge classes to local schools, educational institutions and inter-faith groups on the basics of Sikhism. This activity has now seen some two thousand local children visit the Gurdwara over recent years. The Gurdwara also participates in local inter-faith community (via the Woolf Institute) and education (SACRE) forums providing a source of support as well as knowledge regarding the Sikh faith. Chaplaincy support links now established with local universities, schools, hospitals, prisons and Stansted airport.
6. Ongoing site improvement continues to benefit from volunteer efforts. Small grant applications have been made including successful match-funding grant from Cisco in 2022, 2025 and 2026. Refurbishments in the residential areas continue with costs falling in this reporting period. Future planning for a full site redevelopment are now underway, including exploratory discussions with local Arbury Court development.
7. Modernisation of fire safety equipment (panel, emergency lighting, fire doors, signage) and upgrading of gas supply and air ventilation was undertaken in 2025. Premises are routinely audited for Fire-safety, PAT testing and Gas-safety. Electrical installations, certification was completed in October 2021, involving installation new fuse boxes to the latest regulatory standards, new light-switch panels, and additional sockets.

For the year ended 31st August 2025

Charity's Policy on Reserves

The Charity's current reserves policy is to maintain sufficient cash flow for known commitments, be they for religious services, site operating costs, site maintenance and upgrades. Increasing Sangat congregation numbers and donations has allowed the Trustees to expand services throughout the year. More substantial fund-raising campaigns to support the next stage of development of the building are being planned.

Financial Review

The main source of funds are the donations from the Sadh Sangat and remains positive and responsive. We thank the Sikh community for their continued financial support allowing the progressive reduction of outstanding loans, substantially ahead of lender requirements. Overall income to the Gurdwara now exceeds pre-pandemic levels and has allowed the trustees to expand religious events and services, upgrade facilities and further reduce outstanding loans.

Investments

The trustees' investment powers are governed by the Memorandum and Articles of Association.

Future Plan

The Gurdwara building has been operational from 20/01/2013 and the forward development of more extensive community activities and facilities is under discussion with the Sangat (congregation). Previous successful grant applications for site improvements were completed in 2021, made possible by an associated fund-raising campaign undertaken by the Gurdwara and Cambridge University Sikh students. Further small-grant applications have been made including a successful Cisco match-funding programme. Improvements to internal facilities, including electrical works (completed 2023), enhanced lighting (completed 2024), gas supply and air-circulation upgrading (completed 2024), enhanced fire protection (completed 2024) and refurbishment of residence areas (completed in 2024). Future building developments options are now being considered based on a positive financial position, and development discussions with the local Council.

Risks

The Board examines the major risks that the charity faces each year when preparing and updating the strategic plan. The charity has developed systems to monitor and control these risks to mitigate any impact they may have on the charity in the future. In 2024, a successful Fire Safety Audit was completed, supported by fire safety assessments and updated strategy. In 2025, a third Food Safety and Hygiene Audit returned another top 5* rating score. Further, a review of the residential areas by the local City Environmental team, has led to upgrading of lighting, fire doors and installation of wired alarms for each residential room. The Trustees will continue to invest in building improvements by fund-raising and grant application, to enhance services and comply with relevant legislation, whilst exploring long term site redevelopment.

Results

The results for the year, the financial position of the company and the transfer of funds are shown in the annexed accounts.
