TRUSTEES' REPORT

31 DECEMBER 2024

The Trustees present their report and financial statements for the year to 31 December 2024. The report has been prepared in accordance with Part 8 of the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102). The information on page 1 forms part of this report. The Westminster School Foundation (UK) Limited is a company limited by shares and incorporated in England and Wales on 29 September 2011. It is governed by its articles of association dated 29 September 2011.

Objectives and activities

The objects of the charity as set out in its governing documents are:

- a) The advancement of learning and education in particular at Westminster School; and
- b) Such other exclusively charitable purposes as the Trustees may in their absolute discretion determine

The charity primarily achieves these objectives through the provision of grants to Westminster School.

Appointment and training of trustees

Trustees are appointed to the Charity Board by the shareholder and/or existing Trustees through a nomination and election process. A list of Trustees who served throughout the period is provided on page 1. Trustee training is provided by the charity's advisors and other training organisations as required. Trustees are encouraged to attend appropriate external training courses / seminars to enhance their expertise. The trustees are aware of the The Charity Governance Code which sets out the principles and recommended practice for good governance within the sector. The trustees are satisfied that the Charity applies the principles of the code within its current Governance arrangements.

Public benefit

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities. Through the grant giving to Westminster School, the company provides funding of bursaries for those who would be unable to attend otherwise due to financial constraints but have the ability to gain a place at the School.

Risk management

The Board regularly assesses the risks to which the charity is exposed, agrees how best those risks may be mitigated and takes the appropriate action to manage them. These risks are both financial and operational and the review ensures that appropriate mitigating action is taken to address these risks. The main risks are associated with the effective management of the charity cash assets and the recipient organisations' use of grants awarded. These risks are addressed by the Trustees by their close and active involvement in the monitoring process relating to funding and through regular reviews and meetings with the charity's appointed bankers and professional advisors. There are no specific risks associated with the cost of living crisis as the company only provides grants as it receives them from donors.

TRUSTEES' REPORT (CONTINUED)

31 DECEMBER 2024

Grant making policy

The primary beneficiary of grants from the Foundation is Westminster School ('the School'). The Foundation's grant making procedure is as follows:

- 1) Applications will be received from the School (and, if the Board sees fit, any other charitable bodies as appropriate);
- 2) Applications are considered once a year (or more often if the Board sees fit) and are reviewed to determine whether they sit within either the criteria set by the Board or the restrictions set by the donor;
- 3) Awards are given on the basis of merit and a programme of follow up will be agreed with the recipient in accordance with Charity Commission guidelines;
- 4) Reporting received will be scrutinised and a summary report included annually within the Directors' Report and Accounts.

Review of activities and future developments

In 2024, no applications were made by Westminster School for grants nor in 2023. The amount raised in the year was £333,333 and the amount paid in the year was £nil (2023: £50). The School made a grant request after the end of the year in September 2025 towards the Chapter House building project and for furtherance of the charitable purposes of the organisation.

The costs incurred in the management of the charity consisted of bank fees, fees for the preparation and Independent Examination of the charity's accounts and taxation computations and legal fees relating to secretarial services.

Over the next 12 months, the School projects that their fundraising priorities will focus on the Westminster School Bursary programme. The Westminster School Bursary programme allows the School to continue its aspiration of needs-blind admission and currently raises roughly £400,000 annually to fund existing bursary places. The Foundation intends to support the School in this fundraising as well as funding towards capital building projects.

Financial review

For the year to 31 December 2024 there was a significant increase in total incoming resources as their income of £333,333 in the year compared to only £50 in the previous year. Total resources expended increased from £8,336 to £13,479, this year.

Total funds at 31 December 2024 showed a surplus of £316,678 (2023: £3,177 deficit) and consist of restricted funds surplus of £1,142 (2023: £3,642 surplus), unrestricted funds surplus of £315,535 (2023: £6,820 deficit) and share capital of £1 (2023: £1).

The Board believes that the funds are sufficient to enable the Foundation to meet its obligations for the foreseeable future and meet the desired reserves policy (see over).

Going concern

The Foundation has no ongoing financial commitments and ensures the resources it distributes to the School are covered by available funds. As such, the Foundation is able to fund its activities and other administrative costs through its existing reserves. The charity has sufficient working capital to meet its commitments as they fall due and has the expectation of further cash receipts from unrestricted donations over the coming year. The trustees have considered future fundraising and spending plans for the charity for the foreseeable future and trustees confirm that there are no material uncertainties surrounding the Foundation's ability to continue as a going concern.

THE WESTMINSTER SCHOOL FOUNDATION (UK) LIMITED

TRUSTEES' REPORT (CONTINUED)

31 DECEMBER 2024

Reserves policy

It is the policy to support Westminster School's needs and to that end any surpluses at the end of the financial year are added to reserves until such time as the School requires financial support for a particular project or scheme that requires funding, such as the Bursary Campaign or building projects. Trustees decide upon the level of support, taking account of both the needs of the School and the reserves available. The policy is not to hold significant amounts in reserve, however, to leave sufficient funds to support the Foundation's operational requirements being its administrative expenses for 18 months, being £13k.

Trustees' responsibilities statement

The Trustees (who are also the directors of The Westminster School Foundation (UK) Ltd for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including income and expenditure, of the charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities SORP);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Trustees have taken advantage of the small companies' exemptions provided under section 415A of the Companies Act 2006.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE WESTMINSTER SCHOOL FOUNDATION (UK) LIMITED

TRUSTEES' REPORT

31 DECEMBER 2020

The Trustees present their report and financial statements for the year to 31 December 2020. The report has been prepared in accordance with Part 8 of the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102). The information on page 1 forms part of this report. The Westminster School Foundation (UK) Limited is a company limited by shares and incorporated in England and Wales on 29 September 2011. It is governed by its articles of association dated 29 September 2011.

Objectives and activities

The objects of the charity as set out in its governing documents are:

- a) The advancement of learning and education in particular at Westminster School; and
- b) Such other exclusively charitable purposes as the Trustees may in their absolute discretion determine

The charity primarily achieves these objectives through the provision of grants to Westminster School.

Appointment and training of trustees

Trustees are appointed to the Charity Board by the shareholder and/or existing Trustees through a nomination and election process. A list of Trustees who served throughout the period is provided on page 1. Trustee training is provided by the charity's advisors and other training organisations as required. Trustees are encouraged to attend appropriate external training courses / seminars to enhance their expertise. The trustees are aware of the The Charity Governance Code which sets out the principles and recommended practice for good governance within the sector. The trustees are satisfied that the Charity applies the principles of the code within its current Governance arrangements.

Public benefit

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities. Through the grant giving to Westminster School, the company provides funding of bursaries for those who would be unable to attend otherwise due to financial constraints but have the ability to gain a place at the School.

Risk management

The Board regularly assesses the risks to which the charity is exposed, agrees how best those risks may be mitigated and takes the appropriate action to manage them. These risks are both financial and operational and the review ensures that appropriate mitigating action is taken to address these risks. The main risks are associated with the effective management of the charity cash assets and the recipient organisations' use of grants awarded. These risks are addressed by the Trustees by their close and active involvement in the monitoring process relating to funding and through regular reviews and meetings with the charity's appointed bankers and professional advisors. There are no specific risks associated with the coronavirus pandemic in 2020 as the company only provides grants as it receives them from donors.

TRUSTEES' REPORT (CONTINUED)

Grant making policy

The primary beneficiary of grants from the Foundation is Westminster School ('the School'). The Foundation's grant making procedure is as follows:

- 1) Applications will be received from the School (and, if the Board sees fit, any other charitable bodies as appropriate);
- 2) Applications are considered once a year (or more often if the Board sees fit) and are reviewed to determine whether they sit within either the criteria set by the Board or the restrictions set by the donor;
- 3) Awards are given on the basis of merit and a programme of follow up will be agreed with the recipient in accordance with Charity Commission guidelines;
- 4) Reporting received will be scrutinised and a summary report included annually within the Directors' Report and Accounts.

Review of activities and future developments

In 2020, applications were made by the School for a grant towards the Westminster School Bursary programme of £100,000 and also for the George Herbert Fund, a pandemic hardship fund, of £20,000. This was approved, utilising cash funds received from August 2019 through August 2020 amounting to £120,000. The amount raised in the year was £120,000 before gift aid and the amount paid in the year was £nil (2019: £36,000).

The costs incurred in the management of the charity consisted of bank fees; fees for the preparation and Independent Examination of the charity's accounts; and legal fees relating to secretarial services.

Over the next 12 months, the School projects that their fundraising priorities will focus on the Westminster School Bursary programme. The Westminster School Bursary programme allows the School to continue its policy of needs-blind admission and currently raises roughly £400,000 annually to fund existing bursary places. The Foundation intends to support the School in this fundraising.

Financial review

For the year to 31 December 2020 there was an increase in total incoming resources from £15,134 to £122,500. Total resources expended increased from £25,814 to £125,802 this year.

Total funds held at 31 December 2020 were £19,182 (2019: £22,484) and consist of restricted funds of £3,642 (2019: £1,142), unrestricted funds of £15,539 (2019: £21,341) and share capital of £1 (2019: £1).

The Board believes that the funds are sufficient to enable the Foundation to meet its obligations for the foreseeable future and meet the desired reserves policy (see below).

Going concern

The Foundation has no ongoing financial commitments and ensures the resources it distributes to the School are covered by available funds. As such, the Foundation is able to fund its activities and other administrative costs through its existing reserves. The charity has sufficient cash to pay its liabilities as they fall due and has the expectation of further cash receipts from gift aid claims and further unrestricted donations over the coming year. The trustees have considered the impact of the coronavirus pandemic on the Foundation's activities and resources. The effects of the crisis on fundraising and grant making have been reviewed and included in our risk management framework. These factors have been considered alongside future spending plans and trustees confirm that they are not aware of any material uncertainties surrounding the Foundation's ability to continue as a going concern.

Reserves policy

It is the policy to support Westminster School's needs and to that end any surpluses at the end of the financial year are added to reserves until such time as the School requires financial support for a particular project or scheme that requires funding, such as the Bursary Campaign. Trustees decide upon the level of support, taking account of both the needs of the School and the reserves available and it is policy not to hold significant amounts in reserve however to leave sufficient funds to support the Foundation's operational requirements.

Trustees' responsibilities statement

The Trustees (who are also the directors of The Westminster School Foundation (UK) for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including income and expenditure, of the charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities SORP);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In preparing this report, the Trustees have taken advantage of the small companies' exemptions provided under section 415A of the Companies Act 2006.

To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).
