## **Trustees' Report**

### **For the year ended 31st August 2022**

The Trustees present the report and financial statements for the year ended 31st August 2022. The Trustees have adopted the provisions of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

#### **Constitution**

Kensington Dragons Football Club is a registered charity, number 1144887, and a company limited by guarantee, number 07720188. It was incorporated on 27th July 2011. The club is governed by its Memorandum and Articles of Association.

#### **Trustees**

The trustees throughout the period were:

Martin Murphy  
Carlo Pirzio-Biroli  
Chris Shirley  
Michael Clancy  
Gabrielle Tierney  
Palmira Morais  
Alex Schneideman

#### **Objects**

The principal objects of the club are to promote community participation of, primarily, children and young people regardless of race, sex, creed, financial means or social and economic circumstances in healthy recreation in particular by the provision of facilities for the playing of association football and other sports capable of improving health. The club also aims to advance the education of children and young people so that they might grow to maturity as individuals, become responsible members of society and their conditions of life may be improved.

#### **Public Benefit**

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit: running a charity (PB2)'.

The trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

#### **Reserves Policy**

It is the target of the Kensington Dragons Football Club Ltd to maintain unrestricted funds at a sufficient level to cover management and administration costs for at least one year which is estimated to be £85,000. As at 31st August 2022 the club had reserves of £69,790, all of which were unrestricted. The Trustees note that the reserves are below the target and will fund raise over the next two years to increase the reserves to the target level.

#### **Activities and Financial Results**

With the Covid lockdowns having disrupted the previous two seasons most teams started preseason training in August with the competitive matches starting in October rather than the customary September.

During the year, the Club again maintained its highly sought-after status of being a FA Charter Standard Community Club but knowing that the FA planned to make changes to the Charter Standard program to a system of accreditation.

## **Trustees' Report**

### **For the year ended 31st August 2022**

The Educational and Training program continued through the season with the Coaches' Conferences being held again in person. Of particular note was the Soccer School run for Afghani refugees. With their elders looking on the young Afghans were rushing from cone to cone in complicated drills that they soon mastered demonstrating that football is a universal language.

At the start of the 2021/22 season the Club fielded throughout the year an Under 10 Training Squad and a new U11 Boys Team; a new U11 Girls team with the remaining teams moving up an age group to Under 12 Boys, Under 12 Girls, Under 13 Boys, Under 13 Girls, Under 14 Boys, Under 14 Girls, Under 15 Boys, U 16 Girls; Under 17 Boys, Under 18 Boys teams, the senior Blues Team, the First Team and a new young adult team labelled the Old Dragonians. The Club had fielded five Girls teams, making it again one of the bigger clubs in central London for the provision of girls' football. The Under 11 Boys team was entered in the Harrow Soccer Combination League; the Boys' youth teams in the Harrow Youth Football League and the Girls' teams in the Capital Girls League. The First Team continued in the Premiership of the Middlesex County Football League; the Blues in the Saturday Division Two League and the new Old Dragonians team in the Sunday League.

The teams trained regularly and played their League and Cup matches with inevitable mixed results. A highlight of the season was First Team playing in the Middlesex County Football League Cup Final against Clapton CFC. The Club hired a community coach to transport supporters to the neutral ground in Uxbridge. Somewhat inexplicably the Dragons allowed a 2-0 lead to become a 2-2 draw and then lost on penalties. Nevertheless, it was a great day out in the sunshine for the younger Dragons players and an encouragement for them to keep training and playing.

As in previous seasons there were no mandatory charges for players to join in the Club's activities. The cost were met by voluntary donations and fundraising.

The challenge still remains for the Club to secure good quality local facilities to run its training sessions and activities. The Trustees have rejected the option of securing grounds away from West London as its objective is to work with young people in the local community to promote community participation. The Club again devoted another year to working with the Wormwood Scrubs Charitable Trust, the London Borough of Hammersmith and Fulham and the Royal Borough of Kensington and Chelsea to improve facilities.

During the year the club's income was generated mainly from donations, grants, and sponsorships. Thanks must be expressed for the support given by the John Lyon's Charity, The Clarendon Group, Bective, the Grenfell Fund. The Grove Trust and the Patrons. The activities and financial results for the year are as shown in the accounts.

## Trustees' Report

### For the year ended 31st August 2022

#### Statement of Trustees' Responsibilities

The trustees (who are also directors of the club for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- comply with applicable accounting standards, including FRS 102, subject to any material departures disclosed and explained in the financial statements;
- state whether a Statement of Recommended Practice (SORP) applies and has been followed, subject to any material departures which are explained in the financial statements;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or

## **Notes to the Financial Statements**

### **For the year ended 31st August 2022**

#### **1 Accounting Policies**

##### **1.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charity is a public benefit entity for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP), the Companies Act 2006 and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

##### **1.2 Going concern**

The trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and have taken account of pressures on donation income. After making enquiries the trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

##### **1.3 Income**

All income is included in the Statement of Financial Activities when the club is entitled to the income, receipt is probable and the amount can be quantified with reasonable accuracy.

Income received in advance is deferred where it would be repayable if conditions are not met in the future.

##### **1.4 Expenditure**

All expenditure is accounted for on an accruals basis and is directly classified under the expenditure category to which it relates. Support costs have been allocated to the charitable activity to which they relate.

##### **1.5 Governance costs**

Governance costs include those costs incurred in the governance of the charity and are primarily associated with constitutional compliance and statutory requirements.

##### **1.6 Unrestricted funds**

These resources arise from income provided for unrestricted purposes and from accumulated surpluses and deficits in the operations for charitable purposes and are expendable at the discretion of the Trustees.

##### **1.7 Restricted funds**

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor.

##### **1.8 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

## Notes to the Financial Statements

### For the year ended 31st August 2022

#### 1 Accounting Policies (continued)

##### 1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument. Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

With the exceptions of prepayments and deferred income all other debtor and creditor balances are considered to be basic financial instruments under FRS 102.

##### 1.10 Key estimates and judgements

In preparing financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements.

In the view of the trustees in applying the accounting policies adopted, no judgements were required that have a significant effect on the amounts recognised in the financial statements nor do any estimates or assumptions made carry a significant risk of material adjustment in the next financial year.

#### 2 Transactions with Trustees

During the year, a total of £1,057 (2021: £1,058) was paid on behalf of one trustee in relation to reimbursement of expenses. There were no year end creditors in relation to this.
